## Refuse Permit for Used Car Sales Yard at Lower Falls

A hearing at City Hall on Monday night before the Board of Aldermen resulted in the refusal of the Board to grant the petition of Walter Koplec for a permit to sell used cars in the open at 2313 Washington st., near Grove st., Lower Falls. Henry J. Corcoran of Moulton st., speaking for the Lower Falls Improvement Association, opposed the petition. He said the entrance to the place would have to be from Moulton st., which is very narrow, and would be a hazard to children going to the library on Grove st. H. B. Bettinger, representing 80 members of the "Hobby School" at 2306 Washington st., opposed the petition for two reasons—first, it would spoil the appearance of the neighborhood; second, it would create a traffic hazard.

James Cooney of 676 Grove st. asserted that used cars have been stored on the lot where a permit is now being asked for, and that automobile parts have been interchanged there. He stated that the registration plates which he has observed on cars brought to this place were issued to an Ashmont woman who operates an automobile business in Cambridge. Cooney predicted that if the permit were granted, the place would develop into a junk pile. Others who objected were D. J. and John E. Corcoran of Moulton st., and Irving Paterson of 596 Grove st.

The Licenses Committee of the Aldermen considered the petition during a recess meeting and reported against granting it. The Board accepted the report.

## Harwood To Head Chest Drive

Appointment of A. Leslie Harwood, Jr., prominent Boston attorney and a resident of Newton Centre, as campaign director for the 1937 Newton Community Chest Campaign which will take place November 5 to 16, was announced this week by Maynard Hutchinson, president of the Chest.

Mr. Harwood is a life long resident of Newton, has long been active in civic affairs, and is widely known throughout the city. He is a member of the firm of Harwood and Spalding, 24 Milk st., Boston, and a director of many business corporations in New England, the South and Middle West. In announcing the appointment President Hutchinson declared that Mr. Harwood's record of service to Newton was outstanding. "The directors of the Chest," he said, "were unanimous in their choice of Mr. Harwood, who is eminently fitted by his past experience to lead the 1937 Campaign. He has served in all past campaigns and in 1936 was village chairman for Newton Centre, which went over the top by raising 105 1/2% of its quota."

Mr. Harwood has been president of the Norumbega Council, Inc., of the Boy Scouts of America, is a director of the Newton Hospital, and a director of the Chest. He will immediately undertake the task of building up his administrative organization, which will be announced in the near future.

## Object To Busses On Chestnut St.

Residents of Chestnut st., in Waban, strongly objected at a hearing before the Board of Aldermen on Monday night to a petition of the Middlesex & Boston Street Railway Company for a permit to operate school busses on Chestnut st. from Commonwealth ave. to Beacon st., and along Beacon st. to Woodward st. Harry Hanson, president of the M. & B., explained that the company has been asked by the Newton School Committee to operate one bus in the morning, and one bus in the afternoon, if necessary, to take children of Waban to and from the Warren Junior high school. Alderman Walker said he had been authorized by the Waban Improvement Association to favor the petition.

Harry Guterman of 557 Chestnut st. made a lengthy argument against the petition. He said that notices of the hearing had not been received until that afternoon, and residents of Chestnut st. should have more time to study the matter. He wanted the hearing postponed, but his request was not granted. Guterman stated that the petition might result in the M. & B. operating busses for regular traffic, instead of only school busses. He said there is heavy traffic on Chestnut st., both day and night, and that he knows of three families who moved away from the street because of the traffic hazard to their children.

He stated that many serious accidents have occurred at the intersection of Chestnut and Beacon sts. Guterman said that on that day he had observed an empty M. & B. bus careening down Chestnut st. at a speed of over 30 miles. He suggested that the school bus travel over Gordon rd. instead of Chestnut st. He commented that when he went to school, he walked, and he was not impressed with an argument that by allowing busses on Chestnut st., school children would be saved a walk of a quarter of a mile.

Carlton Jacobs of 575 Chestnut st. objected to the petition. He fears that if busses are permitted on Chestnut st., his children will be subjected to added traffic hazards. John Croghan of 574 Chestnut st. also objected. He stated the traffic on Chestnut st. is very heavy during the peak hours at morning and evening. He suggested that the school busses be routed by way of Commonwealth ave., Walnut and Beacon sts.

## Proclamation

Throughout the entire world, May 12th will be observed as National Hospital Day. The Massachusetts and the American Hospital Associations are intensely interested in having this day and date brought to the attention of the people of every community.

Let us on that day and all the days that follow remind ourselves of the splendid work which hospitals in general and more particularly our own are doing for the relief of human suffering and distress and the restoration to health of those who are ill.

"The hospital is the one organization in every community ready to serve the victims of accident and ill health at any time and anywhere. The support of hospitals is one of the demands which civilization and religion make. That demand cannot go unheeded in any self-respecting community."

If we cannot do anything else on May 12th, let's thank God for the Newton Hospital. But whatever else we can do, let's do it.

EDWIN O. CHILDS, Mayor.

## Two Alarm Fire At West Newton

A spectacular fire which completely destroyed a house under construction at 1672 Commonwealth ave., West Newton, near the Brae Burn Club, attracted a couple of thousand persons and brought hundreds of automobiles to the scene about midnight on Wednesday night. The house of brick veneer over frame construction, had progressed to the plastering stage. Workmen left there late Wednesday afternoon. The blaze was discovered by Mr. Ayers of 1664 Commonwealth avenue, who phoned fire alarm headquarters at 11:44. At 11:46 an alarm was pulled from Box 362, followed by a second alarm at 11:48. When the firemen arrived the building was a mass of flames and its glare could be seen for miles. The loss is estimated at about \$10,000. The house was being built by Charles Cinino of Wellesley. Chief Randlett reported the fire to the State Fire Marshal's office for investigation.

## Man Hangs Self At Lower Falls

Despondent because of unemployment, Anthony Butkis, 49, of 2297 Washington st., Newton Lower Falls, committed suicide by hanging himself on Tuesday afternoon. His body was found hanging from a curtain bracket by an occupant of the house where Butkis roomed. Newton police could not locate relatives of the dead man.

## Meeting of Chamber Of Commerce

The Annual Meeting of the Chamber of Commerce will be held Thursday, May 20th, at the Brae Burn Country Club, 326 Fuller st., West Newton. Dinner will be served at 6:30 p. m.

The main subject at the meeting which follows will be a discussion of Savings Bank Life Insurance. As this is a subject in which all are interested, the dinner and meeting will be open to all. Tickets will be on sale at all banks of the city, and at the office of the Chamber, 634 Commonwealth ave., Newton Centre. Telephone Centre Newton 4673.

## A WOMAN-PLANNED, BRODRICK-BUILT HOME

114 Bellevue St., on Mt. Ida, Newton

(From Commonwealth Ave. turn north on Centre St. to Bellevue St.)

The steep pitch of the roof speaks eloquently of the Provencal background of this artistic modern home. Truly, it is a home with a "personality."

There is Brodrick artistry in the color schemes. Rock wool insulation, G E Oil Furnace, 2-car garage and nearly 20,000 feet of land.

This home is sure to appeal to the discerning buyer who appreciates "quality."

## A BRODRICK RECONDITIONED HOME

28 Fenno Road, Newton Centre

(From 882 Commonwealth Ave., N. C., take Manomet Rd. to Fenno Rd.)

OPEN FOR INSPECTION

The same experience and finesse which goes into the creation of a Brodrick-built home, is also put into the reconditioning of any home they remodel. Recently taken in trade, the redecoration of this home has been woman-planned and supervised. Cabinet-lined kitchen, a metal metal sink, imported wallpapers and new oil burner give 1937 smartness. 7 rms., 2 baths, 2-car garage, on finished street a step from Commonwealth Ave., near City Hall.

## Highland Glee Club Wins First Prize

The Highland Glee Club was awarded the first prize at the 13th annual competition of the New England Federation of Men's Glee Clubs, Inc. held last Saturday afternoon and evening in St. Anne's Auditorium in Fall River, Mass. President George White was presented with the bronze plaque awarded to the club by Herbert Gurney, president of the Federation.

They also won the first prize within the competition bracket, group 3 for clubs of more than 52 voices. The judges included Arthur Fiedler, Francis E. Snow and Grant Drake of Boston. Eugene Baxter of Fall River acted as contest chairman.

D. Ralph MacLean, director of the club gave several organ selections during the concert program.

## Popular Newton Fireman Dies

Charles J. Charlton of 147 Linwood ave., Newtonville, died early Thursday morning at the Newton Hospital following a brave battle after a critical operation performed about a week before. He was born in Newton 43 years ago, the son of Mr. and Mrs. Alexander Charlton. During the war he served overseas with Company C, 101st Infantry and since his return he had been a member of the Newton Fire Department, serving at Engine S. Nonantum. He is survived by his widow and two children; his father, two brothers, Joseph and Frank Charlton; and four sisters, Mrs. Nellie Magee, Mrs. Helen Trudo, Mrs. Elizabeth Murphy and Mrs. Annie Buck. He was a member of Chaplain Farrell Chapter, D. A. V., and a member of the 101st Veterans Association. His funeral service will be held at Our Lady's Church on Saturday morning at 10 o'clock.

## Finance Committee of Aldermen Criticises Mayor On Salaries

Makes Suggestions For Changes In Operation of Various Departments

At the meeting of the Board of Aldermen on Monday night the Finance Committee distributed to the members a lengthy report giving suggestions and criticisms concerning the budget. This annual report of the Finance Committee was started last year for the purpose of giving information to members of the Board other than the Finance Committee of discussions held by Committee with the Mayor and heads of city departments while the budget was under consideration.

The Finance Committee has recently completed a detailed analysis of the budget, in conference with the Department Heads, and wishes to report certain matters to the full Board which it feels should be given immediate consideration.

There are three groups of city employees—police, firemen and school teachers—who, for some years, have been classified for compensation and upon entering the services of the City receive a set sum. This increases each year by a stated amount until the predetermined maximum salary is received. This has proven to be a very equitable and business-like way of handling salaries and salary increases, and the system should be extended to all in the employ of the City. A few years ago the Board adopted a schedule of Classifications with salaries to fit the ratings of the clerks in all departments, except the Library, and although in certain instances this did not meet with the approval of all City workers thus classified it has proven to be a satisfactory and equitable manner of handling a difficult problem.

Prior to that time, employees who had sufficient influence with the Mayor, Board of Aldermen, or Department Heads, were very often the only ones to receive an increase in salary and much injustice was done.

A committee was appointed last year with the full sanction of the Mayor to study the cases of certain employees in the Street, Sewer, Water and Engineering Departments doing the same work whose salaries showed a considerable variance, and after a detailed study the Committee presented plans to the Mayor, which, if recommended by him to the Board of Aldermen for adoption, would correct the existing unfair conditions.

This same committee, with the Mayor's sanction, consulted with the Librarian and Trustees of the Library and requested them to classify all in the department, with the hope that the classification so suggested would be adopted and all those in the employ of the City would then know what

## A SIXTIETH ANNIVERSARY

Sixty years ago a small group of men in Newton felt the need of influencing youth toward Christian principles beyond that offered by the church. As a result the Newton Y. M. C. A. was established. Although on many occasions progress of the association was difficult and its future dark, there came a time when it became firmly established. Today the Y. M. C. A. is one of our outstanding character building organizations with considerably more than one thousand members. During the past six decades the numbers directly influenced by Y activities total in the vicinity of nearly fifty thousand, with an inestimable number who have had indirect contact with its work. To such organizations as the Y. M. C. A. we must look for the builders of civilization of the future if we are to progress forward as a Christian brotherhood.

## COOPERATING JUSTICE

During the past week Registrar of Motor Vehicles Frank A. Goodwin complimented Judge Thomas Weston of the Newton District Court for his recommendation that the driving licenses of two offenders of the motor vehicle laws be indefinitely suspended. The letter in part stated: "If every judge in this Commonwealth would send similar suggestions there would be thousands of persons taken off the road who should not be permitted to drive, but of whose faults I am unaware. I hope you will continue to send similar recommendations . . ." The cooperation of the district court judges in this way will go far in the constant efforts that are being made to reduce accidents and promote safety on the highways. Newton residents are pleased that Judge Weston has been complimented for his effort in this direction.

## MOTHER'S DAY

Mother's Day is here once again. Once again we pause in the rush and hurry of present-day life to revere the women of the world to whom humanity owes so much. The world can never repay the debt to motherhood but it is a pleasant and easy task to pause and pay our homage and respect to those whom we hold most dear.

## Edison Service Conference Held at Newton Centre

Local electrical dealers, contractors and merchandisers in the greater Newton section of the Edison service area, attended a sales conference conducted on Tuesday, May 4, at the Newton Centre Women's Club Auditorium. More than 150 were present, including representatives of the electrical industry from Waltham, Watertown, Weston, Lincoln, Bedford, Carlisle, Brookline, Framingham, Natick, Holliston, Hopkinton, Ashland, Sudbury, Sherborn, Wayland and Cohasset.

Following a buffet supper served on the premises, various leaders in the industry were called upon by J. J. Caddigan, assistant merchandising director of the Boston Edison Company, who was toastmaster. The principal speakers were Carl Styles of the Hotpoint Company, who reviewed electric cooking developments, and Julius Daniels, Edison sales manager.

A complete display of modern electric home appliances was set up in the hall for demonstration throughout the afternoon and evening by manufacturers' representatives.

## Alice Kelleher Dance Revue

Miss Alicia Kelleher and pupils will present their 9th annual recital on Friday evening, May 14, at 8 o'clock in Senior High School Auditorium, Common st., Watertown.

Miss Kelleher's recitals have always received well deserved praise for the masterful manner her pupils interpret the different dances they present.

This year's event will far surpass anything that she and her pupils have participated in and a number of new and original dances will be interpreted. The costumes, stage and lighting effects are under Miss Kelleher's personal direction.

## Children's Singing Guild At Newton Center, May 14-15

Newton's miniature D'Oyly Carte Opera company, the Children's Singing Guild, will stage their fifth annual play in the Newton Centre Women's Club auditorium Friday evening, May 14th, and Saturday afternoon, May 15th, when they will present the Gilbert and Sullivan opera, "Iolanthe," in aid of the J. W. Wilbur Health Home, in Natick, for undernourished and anemic little girls.

The Guild, consisting of about fifty tiny boys and girls, has already created much favorable comment by previous productions of Pinaflore and Mikado, and this coming performance is being anticipated with much interest. Waban is represented by Arthur Osgood, who took the role of Dick Deadeye in the Pinaflore, will play now the part of the hero, Strephon. Opposing him will be the charming little prima donna, Marianne Capadonia, whose portrayals of Josephine and Yum-Yum were so delightful. She will sing the Phyllis, the entrancing shepherdess. George La Croix, who took the imposing part of Pooh-Bah in last season's Mikado, will be seen as the Lord Chancellor, while Teddy Sweeney, who has four years' training to his credit in the Guild in many leading roles, including that of Ko-Ko last year, and Ralph Rackstraw in several Pinaflore performances, will be the Sentry in next week's opera. Constance Mosher will be an imposing Queen of Fairies, alternating with Ann McLaughlin in the part, while Gertrude Newell and Mary Mandile will share the role of Iolanthe on the two occasions. Edmunds Lingham will present the Lord Chancellor at one of the performances, coming from Newton Highlands to represent that village, and very well he promises to do it, too.

Mrs. James McClelland will again be the competent pianist and the opera will be under direction of Mrs. Florence Wood Russell.

## Y. M. C. A. Has 60th Anniversary Banquet Meeting

The 60th anniversary of the Newton Y. M. C. A. was observed on Monday evening at the annual banquet of the association. More than one hundred and twenty were present and following a dinner an interesting program was presented. President Frank A. Day, Jr., was the toastmaster. Rev. Randolph S. Merrill of the Central Congregational Church, Newtonville, offered the invocation. Incidental music was furnished by a trio from the All-Newton Music School and during a period of singing George King was at the piano.

President Day extended greetings to the members and invited guests, stating that there were but two living members of the first association, Charles F. Bacon and D. Fletcher Barber, with the former unable to be present. Mr. Barber, who is also one of four living ex-presidents, was given enthusiastic applause. The three other living ex-presidents are Allan C. Emery, Charles D. Kepner and Frederic D. Fuller, all of whom were present except Mr. Emery.

D. Webster Anders reported for the nominating committee the names of eight directors, L. Chase Kepner, Clarence V. Moore, Eldred M. Peterson, Warren K. Brimblecom, Marton A. Campbell, Fred A. Hawkins, Lewis C. Ellis, Basil G. Handerson to serve for three years; Julius E. Warren, director for two years; William F. Chase and Edward J. Frost, trustees for four years, and Frederic B. Eastman, trustee for two years; Eldred M. Peterson, clerk for one year, and Walter C. Wrye, treasurer for one year. These officers were elected and at a directors' meeting later in the evening President Day and Vice-President Frederic B. Eastman were re-elected.

General Secretary Harry W. Bascom presented a brief report of Y activities and growth during the year. Mayor Edwin O. Childs, attending his 48th meeting, gave many interesting reminiscences of former Y presidents. He related incidents of the Sunday afternoon public meetings which attracted seven or eight hundred people in the early period of the association's growth; the development of the mental and physical programs offered by the association; and in the later period the continuation of the three phases of the Y triangle: mind, spirit and body. He related how Samuel Sayford, a former president, deeply interested in work with young men, influenced John Ober, who started Dr. John L. Mott in Christian work. Mayor Childs closed with the hope that in the present and future those interested in the Y would draw inspiration from those who have gone before and left behind them a great heritage to which all should be most loyal.

A group of songs by Walter E. Kidder, well-known baritone, accompanied at the piano by Lou Haffermehl, brought a great ovation, to which Mr. Kidder responded with an encore, "Old Man River."

Mr. Joseph E. Perry, president of the Associations of Massachusetts and Rhode Island, was the guest speaker of the evening. His subject, "Foundations," was a most interesting topic. Mr. Perry expressed the belief that all the forces of past history were concentrated in this present era, testing our civilization to the very depths. Illustrating his point by reference to the construction of the Norris dam, he showed how we must look to the possible weak points as providing the opportunity for the course of civilization to follow in the future. There is no belief, no institution, nor phase of life which is not being tested. If we are to build for the civilization of the future we must look to the individual. Nations, governments, communities, and all are but a composite of the individuals. Upon the individual and upon his interest in the community and institutions such as the Y. M. C. A. lie the hopes of the future.

## Nonantum Mill Strike Ended

The strike which started a couple of weeks ago at the Futurity Thread Company in Nonantum was ended last Friday evening when the picket line in front of the mill on Chapel st. was disbanded. A conference was held on Thursday, April 29, at the State House before the State Board of Arbitration and Conciliation. It was attended by a committee of the employees who went out on strike, and officials of the company. Benjamin Rae, treasurer of the company, suggested that a mutual benefit organization be formed among the employees and that this association represent the employees instead of the CIO. The company stated that the majority of its employees remained at work.

The Thread Company agreed to a minimum weekly wage of \$14.30 for a 40-hour week. It refused to recognize the CIO and also to take all of the strikers. Some of those who went out on strike returned last Friday and more during this week. Others the company refused to take back, and several former girl employees will appear in the Newton center next Monday to answer charges of having assaulted these girls who would not join the strike.

## PARISH PLAYERS

"Night Flight," a melodrama in three acts by Bella and Samuel Speck, is now in rehearsal by the Parish Players of Newton Highlands.

Two evening performances of the play will be given Thursday and Friday, May 27th and 28th.

Mrs. Winifred Douglas is directing this final production of the season. Membership tickets may be obtained from Mrs. Herbert Odell, 57 Hyde st., Newton Highlands. Admission tickets at 50c may be purchased from Mrs. Roy H. Booth, Jr., 9 Hillside rd., Newton Highlands.

## Veterans Council Warns Public

The Veterans Council of Newton, composed of representatives from the Grand Army of the Republic, United Spanish War Veterans, American Legion, Veterans of Foreign Wars, Disabled American Veterans, and their auxiliaries, at a meeting held on April 28th, 1937, voted to notify the citizens of Newton that no member veteran organization in Newton is in any way connected with the present telephone campaign that is being carried on in our city, soliciting the sale of tickets, by an organization composed of "Overseas Ambulance Drivers and War Nurses."

The members of the Council feel that something should be done to prevent outside promoters misrepresenting facts to telephone subscribers in order to sell their tickets. Some subscribers have purchased tickets in the mistaken belief that they were aiding local organizations of Veterans in the Veterans Council in Newton. It is hoped that this notice will make clear to the citizens of Newton the position of the Veterans Council in this matter.

## Newtonville Girl Soloist At May Festival

Miss Peggy Maynard, daughter of Mr. and Mrs. Wilbur A. Maynard of Newtonville will be one of the featured soloists at the annual May Festival.

tival of Mrs. Lilla Viles Wyman to be given at the Repertory Theatre on Saturday, May 8th, in the afternoon and evening. Miss Maynard, as usual, will present an unusual and beautiful number entitled, "The Mystery Girl of the Island."

## Newton Youths In College Ceremony at Providence

Two Newton youths were among the 100 seniors at Providence College who received cups and gowns at formal investiture ceremonies held at the college last Monday.

Charles R. Gallagher, son of Mr. and Mrs. Henry P. Gallagher of 241 Church st., Newton, and Thomas L. Bouzant, son of Mr. and Mrs. James Bouzant of 24 Lyman st., Newton Centre, are the two local seniors who received their formal academic attire from Very Rev. John J. Dillon, O.P., Ph.D., President of the College, assisted by Rev. Arthur H. Chandler, O.P., Dean of Studies. Seniors will continue to wear their newly acquired robes to all regular classes until Commencement exercises are held early in June.

Gallagher is a graduate of Our Lady's High, where he played baseball, basketball, swimming and track. He was also a member of the debating society and glee club. At Providence College he was Junior Prom chairman and has played baseball and basketball for the college. He will be graduated in June with a Bachelor of Arts degree.

Bouzant was graduated from Sacred Heart High where he starred in baseball, basketball, football and hockey. He has been a Varsity member of the Providence College football and basketball teams for three years. Bouzant also served on the Sophomore Hop committee and the Junior Boxing committee, and he is a member of the Greater Boston Club, the Campus Club and the Pyramid Players. He will receive the degree of Bachelor of Philosophy in June.

## Newton Centre School Association Meeting

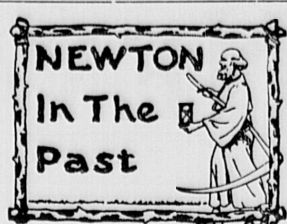

The Newton Centre School Association will hold its last meeting of the season in the auditorium of the Mason School on Wednesday afternoon, May 12, at 3:30.

The special feature of the meeting will be a hobby show, to be given not only by the pupils of the school but also their parents who are especially invited to cooperate in this sharing of interests. Some of the children will recite their own poetry, sing, and play musical instruments; and others will tell of doll and stamp collections, model planes and engines, photography, and the making of hooked rugs and afghans.

As part of the program, Mrs. Beatrice Clark of Belmont, who will have charge, this summer, of handicraft at the Girl Scout camp, Four Winds, will give a demonstrated lecture on a number of arts and skills.

## Auburndale Youth Rescued From Roof

Firemen of Engine 5 at Auburndale received a call from the alarm headquarters at 3:38 a. m. Saturday morning to go to 119 Rowe terrace to rescue George Annal, 19, from the roof of his home at that address. The youth stated he had climbed out on the roof from a dormer window to indulge in his hobby of astronomy. He was unable to crawl in the window again. He aroused members of the family, who telephoned to fire alarm headquarters.

62 YEARS AGO

Newton Republican, May 15, 1875

The number of dogs licensed in Newton the past year was 621; about three times as many ever licensed in Newton before, thanks to the efforts of our very efficient City Clerk.

At the meeting of the Board of Aldermen on Monday afternoon, Alderman Keith moved that the fee for liquor licenses for apothecaries be \$100. Alderman Pratt thought this amount too much, and more than the apothecaries can afford to pay. Alderman Keith's motion was carried.

The following act introduced in the Legislature by Senator Winslow as authorized by the City Council has been passed by the Legislature. It gives Newton authority to be divided into 7 Wards instead of 6, as now:

"Section 1. The third section, Chapter 326 of the Acts of 1873, entitled an act to establish the City of Newton, is hereby amended as follows: The City Council shall in the year 1875 divide said city into seven Wards, so that they shall contain as nearly as may be consistent with well defined limits to each Ward an equal number of voters in each Ward, and hereafter in every 5th year the City Council may, in like manner, make a new division of said Wards, according to the census to be taken in May or June in said years."

"Section 2. The second section of said act is hereby amended so as to provide that the Board of Aldermen shall consist of seven aldermen, and that the Common Council shall consist of fourteen councilmen. The seventh section of said act is hereby amended so as to provide for the election of seven aldermen, one alderman being selected from each Ward."

"Section 3. Section eighteen of said act is hereby amended so as to provide for the election of seven persons to be overseers of the poor, one from each Ward."

"Section 4. Section twenty-one of said act is hereby amended so as to provide that the School Committee of the city shall consist of the Mayor, the president of the Common Council, and fourteen other persons, two of whom shall be elected from each Ward."

At Grace Church, Newton, the quartette choir has been abolished and the singing is more on the congregational order. Meetings for general rehearsal are held on Monday evenings under the direction of the organist, J. P. Cobb. We learn the new arrangement is giving general satisfaction.

The high wind of Wednesday blew in some of the storm protectors on Bacon's new block (Eliot Block) at Newton, in one case frightening a horse so that he ran onto the lawn at the public library, disengaging himself from the carriage. He was caught with no damage except a broken harness. The high wind raised so much dust from the streets that it made people wish the street sprinklers were out.

Sunday evening Horace Dunklee while driving at a rapid rate around the corner of Watertown and Bridge streets, North Village, broke both wheels on the left side of his carriage, so that not a spoke was left. The horses were frightened and tried to run, but were held for dear life by Mr. Dunklee, who was rescued from his perilous position by Officer Davis. Mr. Dunklee's carriage was new only a week ago, and cost \$600.

## 50 YEARS AGO

Newton Graphic, May 7, 1887  
The Massachusetts Bicycle Club of Boston will enjoy a moonlight run through the Newtons tonight.

The painters of Newton have obtained the same concessions as were given Boston painters recently. Nine hours a day for the same pay as formerly given for 10 hours a day.

At the meeting of the Board of Aldermen on Monday evening when the order appropriating \$600 for the care of Farlow park came up, Alderman Ward asked why so large a sum was necessary. Alderman Hollis replied that \$450 was for the salary of the man to take care of it, and \$150 for improvements. He said Councilman Tyler has charge of the park; he is a careful and prudent man and would not recommend anything unless it is needed.

Alderman Pette presented a favorable report on the order for a permanent driver for Hose 1 at Newton, and an appropriation of \$300 was passed to pay the wages of the driver for the balance of the year. Mr. Pette said permanent drivers are a necessity and will save more than their cost by preventing accidents to apparatus by accidents now of frequent occurrence, and by greater promptness at fires.

An order was presented and passed which provided that the city shall contract for the coming year with the Newton & Watertown Gas Light Company for 700 gas lamps, or more at a price not to exceed \$15 per lamp, to be lighted on the moon schedule until 12 o'clock. Also for 450 oil lamps on the same schedule at \$10.50 per lamp.

Carpenters from all sections of the city met at Cole's Hall on Wednesday evening and decided to form a union, nearly 100 men joining, and signing the list of charter members. The men will try for a nine hour day, already allowed to carpenters in Boston and other cities.

Edward H.

## Powers' Paragraphs

How many dandelion blossoms are on your lawn?

Motorcycles, such as are used by Newton police, cost about \$300 each. Eight Newton policemen have been assigned to motorcycle patrol duty, four on days and four on nights. But, only four new motorcycles were purchased; this being the limit allowed by Mayor Childs in the budget recently passed. It stands to reason that it is not practical to have these four motorcycles in operation by two shifts of men, day and night. More motorcycles should be purchased, even if the care entails a little more work. The safety of the public, the prevention of the appalling number of deaths which have been caused in Newton the past couple of years by automobile accidents, does not justify false economy in the failure to purchase a sufficient number of motorcycles to properly provide for the requirements of the motorcycle squad.

Some employees of the Woodland Milk Company of Watertown have been out on strike. Other employees have remained at work. A number of violent assaults have been made on the men who have remained at work. Early Tuesday morning several thugs stopped a Woodland truck on Cabot st., near Centre st., Newton. They forced the driver and his helper to alight and then slugged them with blackjacks. Not content with the murderous assault on the milk company employees, the thugs then started the truck down Centre st. The truck crashed through a stone wall nearby. It might well have collided with some automobile which happened along Centre st., or possibly could have continued along the street and plunged down the steep grade toward Franklin st., with the possibility of crashing into some dwelling. We have always favored the efforts of working men to obtain fair wages and working conditions, but, when terrorists resort to such tactics as mentioned above, they lose the sympathy and support of the public, for those on strike.

Israel Nesson, who unsuccessfully applied for a change of zone from private residence to business on land he owns opposite city hall on Commonwealth ave., has brought legal action against members of the Newton Board of Aldermen in an effort to compel them to make the zoning change he desires. Mr. Nesson contends, among other things, that the building of the city hall on the triangle bounded by the avenue, Walnut and Homer streets, changed the character of the neighborhood. Transformed it from a residential to a business character. We agree partly with Mr. Nesson. The building of the city hall and memorial buildings on the triangle, and the landscaping of the large surrounding area, surely changed the appearance and character of the place.

Before the city bought and developed the property, it was very unsightly. On the corner of Walnut st. and the avenue stood an unattractive, wooden building used as a store and waiting room. An automobile repair shop, and later a gasoline filling station, were located on the avenue side of the big lot. Several three-decker dwelling houses were on the Walnut

st. side. Most of the big area at the triangle was unoccupied, either covered with weeds, barren or water filled hollows. After the city acquired the property, it was evolved from an eyesore into the beautifully landscaped park it now is, and on which are the magnificent structures. We would certainly prefer to have a residence overlooking the place as it now is, rather than as it was.

Talking about the city hall property. In former years the little ponds in front of the building, and near Walnut st., were cleaned each year of the deposits of mud which silted in from Cold Spring Brook. They have not been cleaned for the past year. It would not cost a great deal to do this job. Either the ponds should be cleaned or filled in.

In this column last week we referred to Senator Arthur W. Hollis. Mr. Hollis, with whom we have been friendly, both personally and politically for many years, asserts that our reference to him was unfair, inasmuch as it gave the impression that he had agreed to serve only two terms in the Senate, whereas, he never had such an agreement with anyone. He made no promise that his tenure of office in the Senate would be limited to any specified number of terms. In justice to Mr. Hollis, we make this statement.

The annual demonstration of lawlessness by Harvard students occurred this week. On succeeding nights students of M. I. T. and Tufts College imitated the Harvard youths. If youths residing in poorer sections of Greater Boston indulged in the rowdiness which has become a yearly feature at Harvard and Tech, they would be denounced as hoodlums and hooligans. They would be arrested, brought into court and fined, or possibly jailed. Their displays of rough stuff and vandalism would not be condoned as "boyish pranks." The Harvard students, however, must receive credit for accepting disciplinary treatment by the police as a natural sequence to their disturbance of the peace. But the Tech students (or some of them) again this year, as in former years, cry again after the police gave them rough stuff in return for rough stuff. We would suggest that next year those M. I. T. students who want to be hoodlums, but who can't take it, act as spectators and not as participants in the annual riot.

Pomp, pageantry and celebration in London. Death, destruction and ruin in the Basque country, within a day's journey. According to press dispatches, General Franco, the man who is trying to prevent the "Reds" from conquering Spain, objects to the "parade" of women and children from the hill which is raging in and around Bilbao. And this Christian general is allegedly being assisted by squadrons of Nazi airplanes provided by a government which is opposing Christianity and fostering the philosophy of Nietzsche. It's a queer world.

A poet asked—"What is so rare as a day in June?" We would answer—"A day in May." The foliage is in verdant beauty, and the weather is not so warm.

## ONE THING AND ANOTHER

By L. D. G. BENTLEY

**Chance for Inventive Genius**  
Where are you when you read your morning newspaper? Some people of course "glance over the news" at the breakfast table, some find it their favorite companion as they ride to Boston on train or trolley and others take it up at such times as they find convenient.

Well, I have discovered one man does his early morning reading in bed. He wakes a full half-hour before breakfast is served, hops out of bed, shoves his feet into his slippers, wraps his bathrobe about him and makes for the front door. On the step he is almost certain to find his chosen journal—sometimes of course there may be a hitch in delivery but not often—and back to bed he toddles.

When he told me of his habit there was a touch of sadness in his tone. "As you say," he admitted, "it's a nice cozy scheme, but I wish the 'bell-ringer' the papers to my bedside. If somebody would invent a machine or chute that would land the newspaper right in the bed I'd buy one no matter what it cost."

## It Happened in Newton

It isn't necessarily evidence of family discord if brother and sister are critical of each other in the milder form of fault-finding. You are well aware they think much of each other and there comes a laugh, often, when one shoots a wisecrack at the other. This, of course, applies to all ages but what I had in mind was the habits of the rising generation. It happened, in this instance, that brother had been invited to a masquerade and sister, a few years older, had declined to be included with a "bunch of kids." Brother was giving her for her superior attitude. Finally he paused and in strict earnestness said, "Honestly, 'sis, I wish I had some sort of costume. I really don't know what to go as."

"Huh," she retorted, "why don't you go as a tramp and then you wouldn't have to make-up for it."

## Sawdust Speech

The circus has many distinguishing features and every one contributes to

the enjoyment of an amusement that belongs to all ages. To attempt to describe the things that add to the happiness of patrons is far from my purpose. So many have done it before and with far greater success than I could attain.

It is something else that the circus brings us and for which I feel we are not sufficiently grateful. I refer to the words—circus words, if you please—that we seldom have flashed before us at any other time of year. Stupendous, marvelous, magnificent, dazzling, sensational, dare-devil, death-defying, captivating, world-wonder and triumphant—to name just a few.

Now these words have their uses and there is no better place for them than on a circus poster. Simple language, no matter how brilliant, colors the billboard, would be dull. I really believe that if plainer speech were employed the interest of people would lessen and become flat. A circus needs these impressive words in its advertising or the American people would suspect there was something lacking. When we say circus we mean that everything about it shall be elephantine.

## Fitting Chastisement

Among the most popular laws with those who think nothing of breaking any old kind of a statute or ordinance is the brush-burning that takes place right here in Newton, particularly at the season when lawns and yards are undergoing a general cleaning and raking. Nothing can give more offence, without noise or general disturbance, than a smouldering pile of twigs, leaves or similar accumulations. It takes hardly any effort at all to create a smudge that fills the nostrils of the neighbors and makes people cough, their eyes smart and causes everybody in the vicinity to be generally uncomfortable. The Gilbert and Sullivan influence being what it is I think those guilty should be punished and that the punishment should fit the crime. To that end I would have, if I were Mikado or Mayor, every guilty "burner" forced to stand over his own bonfire until he wept and gaged to the satisfaction of all his victims.

### Protection For Your Family . . . Income for Yourself

can both be achieved with a John Hancock Retirement Fund Policy. A \$10,000 policy will protect your family for that amount now and give you an income of \$100 a month for life at age 55, 60 or 65, whichever you choose. Also available for larger or smaller amounts. Rates furnished on request. Clip the coupon for further information.

### Recent Weddings

#### GUZZI-GORGONE

Miss Rose Marie Gorgone, daughter of Mr. Frank P. Gorgone of 6 Gannon court, West Newton, was married to Alfred Robert Guzzi, son of Mr. Pasquale Guzzi of 8 Magno place, West Newton, on Sunday afternoon, May 2nd, at four o'clock in St. Bernard's Church, West Newton. Rev. Thomas L. Boland performed the ceremony.

The bride's gown was of ivory satin with a long court train and her lace veil was draped from a cap of satin caught with orange blossoms. She carried white calla lilies. Miss Josephine Gorgone, sister of the bride, who was the maid of honor, wore a green chiffon and carried a bouquet of talisman roses.

Albert H. Guzzi, brother of the groom, of West Newton was the best man.

On their return from a wedding trip to New York and Washington, Mr. and Mrs. Guzzi will reside at 169 River st., West Newton.

Both the bride and groom attended the Newton schools. The groom also attended the Suffolk Law School and served on the Board of Aldermen for two terms.

#### Y. M. C. A.

278 boys from the schools of Newton and Watertown enrolled in the Annual Community Free Swimming Campaign held last week at the Newton Y. M. C. A. Of this number 112 boys were taught to swim and passed a test at the conclusion of the campaign.

On the Saturday before the beginning of the lessons, the boys came to the "Y" and were given a medical examination by one of the three doctors—Dr. Theodore Clark of Newtonville, Dr. Carmen Petrillo of Newton, and Dr. Alfred E. King of Watertown. The boys were then assigned to periods for each day of the following week.

20 boys were awarded Massachusetts Humane Society medals for becoming the best swimmers. They were: Donald Anastasi, Kenneth Smith, and James McMahon of the Carr School; Joseph Grasso, Ernest Proia, and Peter Patuto of the Stearns School; Ronald Willson, Cabot School; Richard Searle, Pierce School; Robert Newcomb, Nevada School; Paul Christianson, Parker School; John Maloney and Arthur Morrissey, Browne School; William O'Brien, Paul Pollino, and William Shute, St. Patrick's School; Edward Sahatjian and Charles Hays, Coolidge School; Francis Foley, East Junior High School; Gilbert Milton, Lowell School; and Paul Clark, Phillips School.

# BIG ELECTRIC RANGE BARGAIN

- 8 SPECIAL FEATURES**
- Latest type Calrod Hi-Speed cooking units. Oven heats to 400° in 10 minutes.

### Recent Engagements

Mr. and Mrs. Lewis Franklin Powell of Richmond, Virginia, have announced the engagement of their daughter, Miss Zoe Beall Powell, to Kenneth Proctor Lane, son of Mr. and Mrs. George T. Lane of 25 Somerset rd., West Newton. Miss Powell is a graduate of Salem Academy, Winston-Salem, North Carolina, 1932 and of Hollins College in 1936. Mr. Lane attended Hebron Academy in Maine and graduated from Washington and Lee University where he was a member of Phi Delta Theta fraternity. He is now located in Richmond, Virginia.

Mr. and Mrs. Horace C. Cushman of Commonwealth avenue, Newton Centre, announce the engagement of their daughter, Miss Lillian Cushman, to George King Rugg of Arlington, Mass. Miss Cushman is a graduate of the Katharine Gibbs School. Mr. Rugg is a graduate of Andover and of Harvard and is now employed with the Herald-Traveler.

#### REPUBLICAN CLUB

The Young Men's Republican Club will hold a meeting at the N. A. A. Club, 98 Dalby st., Nonantum, on May 13, at eight o'clock. Judge Felix Forte and Representative Anthony Julian of Watertown will be the speakers. There will also be moving pictures.

### Watertown Boy Drowns In Charles

The spring like weather of Sunday brought out a large number of canoes on the Charles River at Auburndale and added another victim to the lost list who have been drowned there in past years. Three Watertown boys were in a canoe which capsized near the Riverside recreation grounds. Alphonus White, 15, of 16 Stanley ave., could not swim, and went under. His companions, Edwin Lyman, 15, of Lyman ave., Watertown, and Maynard Comeau, 14, of 24 Hersom st., managed to swim ashore. Patrolman Cronin of the Metropolitan police speeded to the scene in a police launch when he heard the cries of alarm from other canoeists, and dived into the water in an effort to locate White. Edmund Harney of Jasset st., Nonantum, also dived a number of times trying to find the boy. Later, Patrolmen Austin and McAuliffe of the Metropolitan police recovered the body of the drowning boy from the water. From where the boy went under. Dr. Henry Godfrey of Auburndale vainly tried to resuscitate the boy. White was a junior high school student. He is survived by his father, Patrick White; two brothers; two sisters; and his stepmother.

### Fined \$50 For Drunken Driving

In the Newton court on Monday Judge Allen fined James B. Moran of 58 Auburn st., West Newton \$50 for driving a car while under the influence of liquor. Moran was also given a suspended fine of \$50 for leaving the scene of an accident without making himself known. About 2:20 a. m. on April 11 a car hit a hydrant on Grove st., Lower Falls. Joseph Quirk of Walnut st., Newton Centre was found in the car, arrested, and charged with drunken driving. Quirk was tried in the Newton court a couple of weeks ago, two girls who had been riding in the car testified that Moran was the driver when the hydrant was hit. Complaints were then issued against Moran. In the Newton court on Monday Judge Allen also fined Burton Parks of New York City \$50 for driving while under the influence of liquor. Parks was arrested on Saturday night by Patrolmen Stevens and D. Keating. Robert Morrison of 94 Prospect st., West Newton was arrested early Monday morning by Patrolmen Treddin and Ryan charged with driving while under the influence of liquor. He will be tried on May 13.

### Police Aid Woman With Cut Artery

Mrs. Nora Pendergast of 731 Washington st., Newtonville, cut her right arm severely last Thursday night when she fell against a pane of glass at her home. One of the cuts severed an artery. Mrs. Pendergast rushed to the office of John T. Burns at 807 Washington st. from which a phone message was sent to police headquarters. Patrolman Purcell and Gaquin responded in a police car and stopped the flow of blood from the severed artery by applying a tourniquet. Mrs. Pendergast was taken to the Newton Hospital for treatment.

#### MEMORIAL SERVICE FOR BOY SCOUTS

There will be a service in memory of deceased Boy Scouts of Newton, at the Lincoln Park Baptist Church, West Newton, on Sunday evening, May 9th, at 7:45. Mayor Edwin O. Childs and representatives of various veterans' organizations will speak. The meeting is open to the public.

### Newton Youths In Fight At Chelsea

Two youths residing in this city were arrested in Chelsea shortly after midnight on Sunday night for participating in a battle royal. In the Chelsea court on Monday Bertram Pinberg, 21, of Bruce lane, Newton Centre, was fined \$15. He appealed. Ferdinand Alpert, 22, of Dorset rd., Waban, was ordered to pay \$15 for costs of court and his case was filed. Both pleaded not guilty. Their adversaries were Julius Schwartz, 22, of Revere, and Abraham Kassory, 23, of Revere. The former pleaded guilty. Both were assessed \$15 each for costs and their cases filed. According to the Chelsea police the four youths became engaged in a fight right in front of the police station in Chelsea square, and even after they had been arrested, continued the scrap when they were taken into the police station. It was alleged that the two cars in which the four youths were riding, collided on Knollwood st., Boston, that the Newton youths followed the Revere car until it reached Chelsea, and the scrap then started.

#### ZONTA CLUB

The Zonta Club of Newton met in the Second Church parlors, West Newton, on Monday evening, with Miss Doris Lovell as hostess. After dinner at 6 p. m., Miss Sturgis conducted the business meeting and at 8 p. m. the club adjourned to the auditorium of the church and were privileged to listen to an informal organ recital by Clendening Smith, Jr., of West Newton. This proved most enjoyable and exceptionally entertaining as Mr. Smith gave a description of the mechanism of the very fine organ and its special application to the numbers as he played them.

On Monday, May 10, at the invitation of Newton Rotary Club, the Zonta Club will hold a joint meeting at Brae Burn Country Club at 12:30.

On Monday, May 10th, at 6:30 p. m. the annual Inter City meeting of the Zonta Clubs of Metropolitan Boston will be held at the Winchester Country Club. The Somerville Club will be the hostess club, with Miss Emma Padelford of Somerville as chairman of arrangements.

### Held For Jury in Stabbing Case

Leonardo Cupoli, 49, of 91 Los Angeles st., Nonantum, was arraigned in the Newton court last Friday on a charge of assault with a dangerous weapon. Judge Weston held him for the grand jury in \$2000 bonds. It is alleged that on the night of March 27 Cupoli entered a store at Nonantum and stabbed Nicholas Bibbo of Faxon st. with a shoemaker's awl, and that when Bibbo tried to defend himself Cupoli severely kicked him. The two had an argument at a meeting of an organization before the alleged stabbing.

### Judge Allen Fines Speeder \$20.00

David Buxbaum, 23, of 77 Mandalay rd., Newton Centre, was fined \$20 by Judge Allen in the Newton court on Monday. Patrolman Mague testified that Buxbaum drove through West Newton square at a speed of 50 miles. Mague also charged that Buxbaum did not stop when he signalled him to do so. On this charge Buxbaum was found not guilty. He said he did not see Mague signal.

### Kiwanis Club

The regular meeting of the Newton Kiwanis Club was held Tuesday, May 4, 1937, at the Charles River Country Club. The early part of the meeting was devoted to luncheon, reports by various committee chairmen, and enthusiastic singing under the direction of member Hayden Morgan, supervisor of music in the Newton schools.

The more serious part of the meeting was given over to Dr. Harold D. Choche, health officer of the City of Newton, who told of what is done in Newton to safeguard the health of citizens. The progress in protecting milk, water supply, and many other measures taken to insure the physical well being of those residing in our city were told, all in interesting manner.

Dr. Choche took as his major topic the present means of waging war on tuberculosis. With the aid of a moving picture camera, and his own enthusiasm for a subject with which he is so familiar, the club was fascinated and soundly informed.

It was announced the next meeting of the club will be held at the Hotel Kenmore on Monday, May 10, 1937—the guests of the Brighton-Allston Club.

#### CHURCH VACATION SCHOOL

Parents, stop, look, listen! You are in danger of missing a real opportunity. If you don't remember the Summer plans being made for your boys and girls, a Church Vacation School will be in operation week-day mornings for the month of July—dates: July 6-31, and place, Andover, Newton Hill, Newton Centre. This will be an effective means of keeping your children off the streets and happily busy. The Protestant Church of Newton Centre, together with Andover Newton Theological School, are sponsoring this project, which is open to all community children. Drama, worship, stories, games and handicraft—all that children could ask or dream for. Plan now to enroll your children for the month.

#### LASELL JUNIOR COLLEGE

The Art Club, of which Frances Woodruff, of Lexington, is president, held a meeting at the Barn Monday evening. Surrealist art was caricatured in the decorations and in the initiation of new members.

A Southern Garden Party was presented by the Glee Club at Bragdon Hall on Wednesday evening. Among the soloists were Carolyn Young, Lasell, '36, of Auburndale, and Ruth Upham, Lasell, '36, of Norwood. Virginia Amesbury of Auburndale is leader of the Glee Club and Irene Gahan of Belmont was hostess for the Garden Party.

**"The Telephone makes my traveling plans"**

Says JOHN P. MARQUAND  
Noted New England Novelist

"Story material rarely comes ready-made," says Mr. Marquand, author of 'The Late George Apley,' current Best Seller, and numerous Saturday Evening Post serials. "You have to look for it—so I travel quite a bit. The telephone helps to make many of my traveling plans. . . . Planning by telephone is quick, convenient and eliminates misunderstanding and delay."

#### WHIST PARTY

Middlesex Court, M. C. O. F., will hold a Whist and Bridge Party at Elks' Hall, Newton, on Tuesday evening, May 11, at 8:30. Thomas F. Fitzgerald is chairman of the committee in charge, Elizabeth Shea, secretary and the officers of the court are assisting.

#### ARMY RECRUITING OFFICE

An Army Recruiting office in charge of Sgt. James A. Harty will be located at the main Post Office in Newton from 9 a. m. to 4 p. m. daily, except Sundays. Vacancies for the states and foreign service, including Panama and the Philippines exist at the present time. Men between the ages of 18 and 35 and up of excellent character are eligible.

## Newton Players 50th Anniversary Performance

History in Newton's amateur dramatic circles will be made next week when the Players, Inc., celebrate their 50th anniversary with performances of "The Stoops to Conquer" in the High School Auditorium, Newtonville, Wednesday and Thursday, May 12 and 13.

The first performance by the Players, Inc., was in the old city hall, West Newton, May 12, 1887, when "Our Boys" was given. Several of the cast of that production will be present at next week's performances. Other interesting features, in addition to the stage presentation, will mark the observance of the occasion.

In the cast will be Mrs. Barbara Fawcett, Miss Marie V. D. Humphries, Mrs. Catharine B. Warren, Miss Mary Wakefield, Messrs. L. D. G. Bentley, Harold D. Billings, Harold D. Bond, Philip W. Carter, William V. M. Fawcett, Walden Glidden, John A. Hiller, Arthur W. Hollis, E. Irving Locke, J. deVere Simmons, Augustus L. Wakefield and others.

#### RED CROSS

The Newton Chapter of the American Red Cross is sending delegates as usual to the Annual Convention in Washington, May 10th-13th. Miss Calista Roy, Junior Red Cross Chairman will chaperone Mary Farnsworth and Priscilla Parker of the Weeks Junior High School. Junior delegates are chosen for their interest in Junior Red Cross and school activities; also for character and general ability.

The office secretary, Miss Jefferson, will also attend the conference.

#### OSTEOPATHIC AUXILIARY

The Newton-Waltham Auxiliary of the Massachusetts Osteopathic Hospital will hold its annual business meeting and dinner at the Old Mill Dam Tavern, Concord, Mass., on Wednesday, May 12, 1937 at 7:30 p. m. For information and transportation call Mrs. Ernest A. Marcoux, 337 Washington st., Newton, telephone Newton North 0710. Bring your friends and enjoy a good time.

## Girl Strikers To Appear In Court

Four girls who went out on strike at the Futurity Thread Company on Chapel st., Nonantum a few weeks ago appeared in the Newton court on Monday at a hearing before Judge Weston. The girls, Frances Murphy of Church Hill st., Watertown; Olympia Marrocco, 109 West st., Nonantum; Rose Mula, 65 Exchange st., Waltham and Angela Cannavino, 32 Spring st., Waltham, were accused of having assaulted Julia Proia, Mary Cellucci and Irene Filosa, three employees of the thread company, who did not go out on strike. It was claimed that they pushed the loyal workers, and had made threats. After hearing the evidence, Judge Weston authorized the issuance of complaints and the defendants will be arraigned in court next Monday.

Benjamin Rae, treasurer of the thread company, stated that he had witnessed the girls make the assaults and threats. He said he did not want to have the defendants arrested, but they should be made to realize that others have a right to work if they want to. Max Asherman of Lawrence, a CIO organizer, told the judge that the representatives of that organization have tried to avert any violence.

## Mother and Daughter Banquet at N'ville

The annual Mothers' and Daughters' banquet of the Woman's Association of the Newtonville M. E. Church was held last Friday evening with one hundred and sixty present. The assembly room was gaily decorated with many colored balloons, adding greatly to the festive occasion. Mrs. Howard W. Selby, president of the association, was the toastmistress. Mrs. William H. Timble gave a toast to "our daughters" and Miss Barbara Davis to "our mothers." Mrs. George Williams rendered two groups of songs accompanied at the piano by Mrs. Robert Machamer.

Miss Nan Lagerstedt, guest entertainer, kept her audience in continual laughter with her interesting character portrayals, including the little boy exploring the medicine chest, a first ride in an aeroplane, and the woman watching a performance of "Romeo and Juliet."

## MOTHER MIGHT PREFER A Labor-Saving Gift

Whistler's Mother was a fine old lady, but most of our Mothers are up-and-coming, with an eye for the efficiency of modern conveniences. We have an idea that a gift for home or kitchen that will give her a few extra hours of leisure will make her feel that you know how to celebrate Mother's Day. They'll be proud of the son or daughter who shows good sense as well as thoughtfulness by buying at Moore & Moore where prices on Quality are always low.

# Here's the DRUM-MAJOR of the motor car parade

If you know a leader when you meet one, you'll see the moment you try this sparkling Buick why it's called the out-in-front car of the year.

You'll go for the way it goes for you—serene, steady, gallant as the figurehead on a buoyant ship—you're in for a thrill every time you put it into action.

You handle a wheel that turns as easy as the pages of a book. You press the treadle—and sink inches deep back in the soft cushions with the swoop of its take-off.

You click off miles by the score, the hundred—and no matter how far you range or what gait you travel, you can't get a whine out of that softly whispering engine!

The answer is you've got a car that was born to go places the way you want to go—smoother, safer, steadier than any car you've known.

Power in this flashing Buick is the power of eight straight valve-in-head cylinders. Its

gait is the level gait of a car built close to earth with enough bulk to hold it there.

Its maneuverability is the quick mobility of a charger.

Yet the crowning touch of its creators was none of these but the figures they succeeded in writing on its price tag. The hard-to-realize fact is that this great straight eight can be bought for less than some of today's sixes!

There's just one way to get the true picture of Buick's standout value, and that's to drive it yourself. See us soon and get your order in, and you'll enjoy a summer like you've dreamed of!

### NO OTHER CAR IN THE WORLD HAS ALL THESE FEATURES

- ★ VALVE-IN-HEAD STRAIGHT-EIGHT ENGINE
- ★ ANOLITE PISTONS
- ★ AEROBAT CARBURETOR
- ★ SEALED CHASSIS
- ★ TORQUE-TUBE DRIVE
- ★ UNISTEEL BODY BY FISHER
- ★ TIPTOE HYDRAULIC BRAKES
- ★ KNEE-ACTION COMFORT AND SAFETY
- ★ "HIGH OUTPUT" GENERATOR
- ★ JUMBO LUGGAGE COMPARTMENTS
- ★ DOUBLE STABILIZATION
- ★ SAFETY GLASS

LOWEST BUICK PRICES EVER! At today's prices, a big Buick valve-in-head straight eight costs little more than the average six outside the lowest price field! Compare delivered prices and learn how little more buys a better Buick. GENERAL MOTORS TERMS TO SUIT YOUR LIKING

#### Newton Nurses Attend N. E. Convention

Miss Faye Crabbe, principal of the School of Nursing, Newton Hospital, is one of the speakers for the tenth biennial convention of the New England Division of the American Nurses' Association which opens Monday, May 10 at the Hotel Statler for a three day session. Miss Crabbe, speaking on "The Floor Duty Nurse," at ten o'clock, Tuesday, will address a group assembled to discuss the general subject of "Nurses Working Within Hospital Walls."

Miss Esther H. Story, also of the Newton Hospital, is serving on the committee for the "New England Dinner," scheduled for 7:30 p. m., Tuesday.

Another Tuesday morning group discussing "Nurses Working Outside the Hospital" will be addressed by Dr. H. D. Chope, director of Public Health in Newton, who will speak on "The Value of the Nurse in Promoting Child Health."

On Wednesday at 4:15 a memorial service to Mary M. Riddle, R.N., former superintendent of the Newton Hospital, will be held at Trinity Church with Dr. J. Edgar Park, president of Western College, and formerly pastor of Second Church, Newton, officiating.

Miss Riddle was president of the American Nurses' Association for three years and of the National League of Nursing Education for two years. She served on a dozen state and national nursing committees during her long and benevolent career. A leader in the hospital world, and a propelling pioneer in nursing education, Miss Riddle lectured on Hospital Economics at Teachers' College, Boston, and wrote many papers for conventions and professional magazines. At one time she was an editor of the American Journal of Nursing, and the present sound financial basis on which the magazine operates today is entirely credited to the careful way she handled the funds during her twenty-nine years as treasurer.

#### With PIANO Music Comes Contentment

A world of happiness, vision and satisfaction is open to all who can go to the piano and express their mood in music. The boy or girl who has an ear for music should be encouraged. "The piano is the best door to knowledge of music." In our attractive showrooms you may hear different types of pianos and receive facts and information which will help you to make a wise selection. Since 1869 we have sold pianos on the policy of complete satisfaction to the customer first. Our price range, trade-in and terms plan is based on fair dealing. Located one block from Broadway at 872-76 Washington St., Boston. Open from 9 A.M. to 9 P.M. Yours very truly, Chas. D. Blake & Co., Inc. —Adv.

#### Newton Centre Youth Gives Piano Recital

Robert Giddings, son of Dr. and Mrs. Harold G. Giddings, a senior at the University of Rochester, and a candidate for honors in music recently gave a piano recital at Kilburne Hall, Eastman School of Music.

This is of interest to Mr. Giddings' Newton friends who heard him as guest artist with the Newton Symphony Orchestra a year ago and because, as the Rochester Democrat and Chronicle said, "It is not often that a student in the College of Arts and Sciences of the University of Rochester is awarded performer status by the Eastman School." The following criticism appeared in the same paper: "The recital given by Mr. Giddings in Kilburne Hall last night is proof that music fits well into the vocation of an academic university student. Mr. Giddings will be graduated from the Arts College of the University of Rochester, but he has given time successfully to study of the piano, and the Eastman School presented him in public recital. His choice of program was that likely to be made by a thoughtful musician less concerned with pianistic display than with the fine quality in what he plays."

And the playing gave evidence of

such approach to performance. Only those of Rameau and Beethoven could be heard, because of other duties, but in those numbers there was plain a sensitive feeling for content of the music. In the Beethoven, for instance, there was clarity of design, and the playing was never forced; the fugue subject was decisively announced and developed the Schumann with its charm and fancy and the poetic suggestions of Debussy should have furnished Mr. Giddings with wholly congenial material."

Dr. and Mrs. Giddings and a party of friends motored on for the concert.

#### Boy on Bicycle Injured by Auto

An automobile driven by John A. Paine, Jr., 16, of 19 Exeter st., West Newton, and a bicycle ridden by Richard Troy, Jr., 12, of 908 Chestnut st., Waban, collided Friday night opposite 920 Chestnut st. Young Troy received bruises on his head, face and right leg. He was taken to the Newton Hospital. Young Paine reported that the Troy boy rode the bicycle of the lawn at 920 Chestnut st. and in front of the car. He applied the brakes but was unable to avoid the collision.

## STUDEBAKER DICTATOR

A FEW CENTS A DAY MORE THAN  
A LOWEST PRICED CAR!

SIXES that cost more, as well as sixes that cost the same or less, fail to stand up against the Studebaker Dictator under the spotlight of comparison.

The low-priced beautifully contoured Dictator has the world's strongest, safest, quietest steel body. Its exceptionally spacious interior is

richly styled by Helen Dryden. Its big trunk is by far more capacious than those of any other six.

It's the world's first six to offer the dual economy of the Fram oil cleaner and gas-saving automatic overdrive... the world's only six with non-slam doors. See and drive this sensational 1937 Dictator!

STUDEBAKER'S C. I. T. BUDGET PLAN OFFERS LOW TIME PAYMENTS

#### DANIEL J. FURDEN

Daniel J. Furden of 1050 Beacon st., Newton Centre, died on April 30. He was born in Newtonville 76 years ago, the son of William and Catherine (Waters) Furden. For 50 years he was engaged in the plumbing business at Newton Centre. He was a charter member of Middlesex Court, M. C. O. F., and a member of Newton Lodge of Elks. Mr. Furden is survived by five sons—Frank, Daniel and Henry of Newton Centre; John of West Roxbury, and Charles of Newton; three daughters, Mrs. Daniel Murphy of Newtonville, Misses Mary and Alice Furden of Newton Centre, and by five grandchildren. His funeral service was held on Monday at Sacred Heart Church. Burial was in Calvary Cemetery, Waltham.

#### MARY DONOVAN

Mrs. Mary Donovan of 24 Theurer Park, Watertown, widow of James Donovan, died on May 1. She was born in Galway, Ireland 65 years ago and was a resident of Newton for many years. She is survived by five sons—Michael, Cornelius, John and William Donovan of Watertown, and Thomas Donovan of Newton; and a sister, Mrs. Catherine Cummings of Newton. She was a member of Middlesex Court, M. C. O. F. Mrs. Donovan's funeral service was held on Tuesday at St. Patrick's Church, Watertown. Burial was in Calvary Cemetery.

#### ELLEN D. COYNE

Mrs. Ellen D. Coyne, widow of James W. Coyne, died on May 3 at the Boston City Hospital of pneumonia. She was born in Garden City, Long Island, 74 years ago and for 50 years was a resident of Fisherville, Massachusetts. For the past 7 years she had made her home in Newton with her son, Charles E. Coyne of 72 Clyde st., Newtonville. Besides her son, she is survived by a granddaughter Elaine Coyne. Mrs. Coyne's funeral was held on Wednesday morning at Session's Funeral Parlor, Worcester. The funeral service was held at St. John's Church, Worcester, and burial was in St. John's Cemetery in that city.

#### GEORGE WALKER

George Walker of 96 Montvale rd., Newton Centre, died suddenly on May 3 of heart failure. He was born in Worcester 71 years ago, the son of Congressman Joseph H. Walker. He graduated from Brown University in 1891. He had been engaged in the manufacture of nautical instruments. His funeral service was held on Thursday noon at the Waterman Chapel, Boston.

### Joy of Life

A great deal of the joy of life consists in doing perfectly, or at least to the best of one's ability, everything which one attempts to do.

## Newton Men Drawn For Jury Service

At the meeting of the Aldermen on Monday night the following Newton men were drawn to serve on juries at Cambridge this month and next. For civil business sessions—Charles A. Palmer, 104 East Side Parkway; William J. Powers, 30 Playstead rd.; Shepherd M. Crab, 450 Crafts st.; Carl Schontag, 943 Boylston st.; Robert P. Anderson, 51 Beaumont ave.; Joseph A. Walker, 7 Beecher ter. For criminal business session—Philip R. Cook, 12 Willard st.

## Boy, Matches, Fire Causes Damage

A fire which caused considerable damage occurred in the home of Amato Pescosolido, 56 Clinton st., Newton, on Saturday evening. The fire started in an attic and was supposed to have been caused by a small boy lighting matches. Mr. and Mrs. Pescosolido were not at home when the fire started.

### MOTHERS' SCOUT AUXILIARY

The Mother's Auxiliary of the Sixth Group of Scouts and Cubs held their last regular meeting on Wednesday.

April 28, at the home of Mrs. Howard Thomas, 35 Calvin rd., Newtonville. It was one of the most interesting meetings of the season. The guest speaker, Mrs. Thalia Larkins, assistant to Marjory Mills of the Herald Traveler, spoke in a most entertaining way on editing a women's page.

The annual dessert bridge and food sale will be held at the Troop building on Court st. on Wednesday, May 19th, at 1:30.

### Plan To Complete Library Fund Drive

Following a preliminary meeting on April 6th at the Boston Chamber of Commerce, the special gifts committee for the Newtonville Branch Library Fund, consisting of more than forty men, has started to work for the completion of this fund. Several thousand dollars were obtained in April, and the committee is very hopeful of completing the greater part, if not all, of its task by June 15th of this year. Report meetings of solicitors are being held weekly, at each of which a considerable amount of subscriptions has been turned in.

## Aldermen Meet

The Newton Board of Aldermen held a regular meeting on Monday night. Hearings were held on the petition of the Suburban Home Laundry for a permit to install a 500-gallon tank at 225 California st. for the storage of gasoline; and Silver Lake Chevrolet Company for a permit to conduct an open-air sale space at 451 Watertown st. Both these petitions were granted.

The petition of the Socony Oil Company for a gasoline filling station at 2095 Commonwealth ave., near Lexington st., Auburndale, was granted. A petition was received from the Oak Hill Improvement Association asking that a street be constructed from Parker st. to the new Oak Hill School. A petition was received from residents of the area near the Horace Mann School asking that a playground and athletic field be acquired and laid out in that vicinity. A petition was received from Homer T. Brown asking that land on Fairway Drive and Bunker Lane, West Newton, be changed from private residence zone to single residence zone. Petitions were received from John Donnelly & Sons for permits to erect billboards 50 feet long and 12 feet high at the following locations—Commonwealth ave. near Manet rd., Commonwealth ave. near Lake st., Washington st. corner of Neshobe rd., 1560 Washington st., opposite Auburn st. Other petitions were from James McDonald for a junk license at 22 Kempton place, and from James J. Gibson for a permit to establish a gasoline filling station at 249 Centre st.

## Newton H. S.

Richard Lovell Awarded First Prize  
 At an assembly for seniors on Wednesday morning, April 28, first announcement was made of the winners in this year's essay and poetry contests. Each year members of the senior class write essays and from these a final selection is made by readers who are unaware of the authors' names. The winners in this essay contest were Jane Dealy, Barclay Feather, Robert Edwards, John Gorst, Richard Lovell, Robert McMullin, Janice Pouzner and John Ryan.

Richard Lovell, editor-in-chief of the Newtonite, the high school paper, was awarded a first prize with distinction for his essay, "Vesuvius Laughs." He read selections from his paper. Others who read their essays were Janice Pouzner, whose subject was "What Have I to Fear"; John Gorst, who wrote on "Music as a Hobby"; Barclay Feather, who wrote "Thumb Nail Sketches"; and Robert McMullin, whose essay was entitled "The Old Barn."

In the poetry contest, which like the essay contest was sponsored by the English Club, first prize went to Noel Allen, who read three short lyrics. Albert Thomas recited his poem, "The Cloud," which received second prize. Third prize in poetry was awarded Dorothy Myers.

Acting Principal Raymond A. Green awarded prize volumes to the winners. There was an interlude of music furnished by the Boys' Glee Club, under the direction of Mr. Haydn Morgan.

Tusitala Club Play Presented by Drama Club

"Tiptoe Dawn," a short play by Porter Jarrell, class of 1936 and now a freshman at Middlebury College, had its first stage presentation on Thursday, May 6. The play was written in 1936 for Tusitala Club, Newton High School's only extra-curricular club.

Address Dr. Hamilton C. Macdougall, Manager, c/o Wellesley Thrift Shop, 34 Church Street, Wellesley, Mass. Telephone Well. 0915. Correspondence invited.

activity devoted solely to creative writing. It was presented by the Drama Club at a joint meeting of the two clubs, held under the direction of Miss Louise Wetherbee, adviser.

The cast included: Mitchell Marcus, Elmer Ross, Malcolm Hardy, Edward Wallace, Robert Hill, Earle Carleton, Stuart Stern and Jack Perry. Miss Wetherbee coached the play, after which members of the Drama Club served tea to the invited guests.

## The Annual Graduation Dress Assembly

The annual graduation dress assembly for Senior girls and their mothers was held on Wednesday, May fifth in the Assembly Hall during the home room period. This year the girls were privileged to have Miss Muriel Cox, a former graduate of Newton High School, as guest speaker. Miss Cox is assistant director of the Chamberlain School and instructor of Costume Design at the Massachusetts School of Art.

A number of senior girls assisted Miss Cox by modeling appropriate graduation dresses. Mary Bonadio, Elizabeth Devlin, Mary Gorgone, Anita V. House, Gladys House and Beatrice L. Lamb modeled dresses which were made in the clothing classes. The following girls, chosen by the Physical Education Department, modeled commercial dresses: Jean Budding, Margaret Burkhard, Barbara Collins, Ann Cortwell, Alice Dury, Ruth Jean Errect, Mary Hession, Theodora Klein, Jane Leighton, Louise Lupiore, Nancy MacNeill, Marie Mazzuchelli, Edith Pratt, Marcella Renard, Gloria Schroeder, Martha Smith, Eleanor Townsend, Constance Wheeler and Geraldine Wisbach.

Incidental music for display of models was by Esther Karol, Dorothy Kovitz, Joy Wingett and Marjorie Coughlin.

The Assembly was under the direction of the Home Economics Department and the following girls from that department ushered: Kathleen Childs, Monica Bryce, Audrey Gordon, Frances Kirby, Jane MacKnight and Althea Harris.

## Day Jr. High School

The music classes, under the direction of Miss Ethel Richards have been "humming" with activity in preparation for two big spring events. The First Annual Junior High School Concert was presented last Friday when groups of singers from each school gathered in the high school auditorium.

The orchestra and band will present their Annual Spring Concert on the evening of May 14th at 8 o'clock. The specialty this year will be a shortened version of "The Mikado," which will be presented by the Girls' Musical Comedy Club under the direction of its sponsor, Miss Ethel Richards. She will be assisted by Miss Agnes Peoples. Boys have been introduced into the masculine roles. Other features of the program will include a trumpet sextet and a saxophone quartet directed by Mr. Tanner.

Division IIG presented a series of interviews over the school week last Friday. Four interviews were in radio. One with Mr. Cullinan, a radio commentator—given by Vivian Phillips; another with an "Old Salt of the Sea" presented by Bill Thompson; the third, with a world traveler by Polly Lewis, and last, a secret conference with a World War spy by Michael Farina.

The baseball season is on in full swing. There has been keen competition among the Seventh Graders of the Soft Ball League. Varsity practice started Monday with forty boys reporting. The teamwork is splendid. There are several outstanding candidates. Among them are Paul Colantonio, Paul Hines, Dan DeRubeis, Harry Welman, Rocco Marzilli, Jimmie Gallagher, Frank Welford, Carmel Tempesta, Phil Scanlon, Al Mancini, Eben Blackett and Tom Donahue. The Junior Varsity is also making a splendid showing. Keefe and Cairo for catchers, Belanti and Russell for pitchers, Gentile and Fraint for infield and Stan Merrill for outfield are outstanding contestants.

## Newton

—Mr. and Mrs. R. J. Estabrook have reopened their home on Beechcroft rd.

—Mrs. A. A. Howe of Wesley st. left this week on a visit to Montclair, N. J.

—A fire in the home of Thomas Howley, 66 Green st., caused an alarm from Box 174 at 2:23 a. m. Wednesday. The fire, which was confined to the room in which it started, was supposed to have been caused by a man smoking in bed.

—Miss Helen Ford, daughter of Mr. and Mrs. Elmer L. Ford of 50 Elmhurst rd. will be in the guard of honor for the Centenary at Mount Holyoke College on May 7 and 8. She will also sing in two recitals by the college choir and will wear an historical costume at the garden party on Friday evening.

—The last mixed contract bridge party of the season at the Hunnewell Club was held on Wednesday evening. Mr. and Mrs. Edward Hallett, Mrs. Georgia Moore and Miss Myra Dorrity, and Joseph J. Powers and Luke Goff were the prize winners. The final mixed duplicate party will be held next Wednesday evening.

A fire which apparently started from spontaneous combustion started in the Nichols Bag Company, 3 Bridge st., Nantum, about 10 o'clock Wednesday night. A passerby noticed smoke issuing from the building and went to Engine 8 about one-quarter mile distant to give the alarm. When the crew of Engine 8 arrived, an alarm was sounded from Box 223. Automatic sprinklers in the building had started working and had the fire well checked.

## Newton Lower Falls

## CHRISTIAN SCIENCE

"Adam and Fallen Man" is the subject of the Lesson-Sermon which will be read in Churches of Christ, Scientist, throughout the world on Sunday, May 9.

The Golden Text is: "As we have borne the image of the earthy, we shall also bear the image of the heavenly" (1 Corinthians 15:49).

Among the citations which comprise the Lesson-Sermon is the following from the Bible: "There is now no condemnation to them which are in Christ Jesus, who walk not after the flesh, but after the Spirit. For the law of the Spirit of life in Christ Jesus hath made me free from the law of sin and death" (Romans 8:1, 2).

The Lesson-Sermon also includes the following passage from the Christian Science textbook, "Science and Health with Key to the Scriptures" by Mary Baker Eddy: "It is only by acknowledging the supremacy of Spirit, which annuls the claims of matter, that mortals can lay off mortality and find the indissoluble spiritual link which establishes man forever in the divine likeness, inseparable from his creator" (p. 491).

—The Misses Louise Kerr, Lois Rockwood and Barbara Banker are taking part in the academic procession at Mount Holyoke College on Saturday morning. Miss Kerr will usher at the reception on Friday evening and at the service of Commemoration on Friday morning. Miss Rockwood will attend the garden party in costume and assist at the Mathematics exhibit. Miss Banker will sing with the choir and serve as a guide to Williston Library. She is a member of the dance group and the social committee of her residence hall.

### Newton Highlands

—Mr. and Mrs. Lester M. Dorr of Dickerman rd. are at home after a winter spent in Florida.

—Mrs. Irene Caine of Denver, Colorado is visiting her brother, Mr. Robert Jennings of Boylston st.

—Mr. and Mrs. George W. Barker of Duncklee st. returned recently from a month's cruise to South America.

—Dr. Caroline Y. Wentworth and Miss Amanda Sylvester sailed last week for Europe where they will remain for the summer.

### Auburndale

—Mrs. Earl H. Ordway of Fern st. has returned home from the Newton Hospital.

—Mrs. Fred Vailley who has been ill at the Newton Hospital is reported as slightly improved.

—Miss Arlene Webster of Hawthorne ave. spent last Sunday at Pinkham Notch, N. H.

—Mrs. Fred Nelson and children of Pittsfield are visiting Mrs. R. Estabrook of Central st.

—Mrs. Albert Puffer entertained the Acquaintance Club, at her home on Groveland st. Thursday afternoon.

—Mr. and Mrs. Leonard Outerbridge formerly of Hancock st. have moved to White Plains, New York.

—Rev. Mason W. Sharp of the Methodist Church has chosen for his subject Sunday morning "Our Mothers."

—Miss Polly Godfrey of 14 Hancock st. and members of her dancing classes, presented their annual recital in the Auburndale Club last week.

—Dickerson Goode, of Hancock st., has been elected to the office of Second Guard in the Theta Chi fraternity at Mass. State College where he is a student.

—Mr. and Mrs. Irving Whitney (nee Adeline Hall) of Gray, Maine and formerly of Auburn st., are receiving congratulations on the birth of a daughter, Elaine Verna, on April 19.

—Francis Houghton, of Central st., will retire from his office as president of the M. I. T. branch of the American Chemical Society at the Society's final meeting of the year next Tuesday.

—The Ladies' Aid of the Centenary M. E. Church held its regular business meeting Wednesday afternoon in the Parish House. Mrs. Ralph Donald's group was in charge of refreshments.

—Miss Elizabeth Bunker of 196 Grove st., a senior costume design student at the Vesper George School of Art, modelled at a fashion talk given on Wednesday evening in connection with Art Week in Boston.

—The Epworth and Junior League of the Methodist Church, will unite for their Mother's Day service. Rev. and Mrs. Paul Barker, of Shooting Creek Parish, in the Smoke Mountains of North Carolina will speak.

—Charles Henry Mann, Jr., of 34 Charles st., president of the senior medical class at Middlesex College is a member of the committee in charge of arrangements for the Middlesex College Pops Night on May 15 at Symphony Hall.

—The Auburndale Club will hold its final meeting on Wednesday, May 12. A buffet supper will be served at 6:30 in the club house, followed at 8 o'clock by election of officers, announcement of the results of the badminton and bowling tournaments, and an evening of dancing.

### West Newton

—Mexico by water or rail. Phone N. N. 0610 Newton Travel Bureau—Adv.

—The Service Club of the Lincoln Park Baptist Church will hold a Rummage Sale at 1415 Washington st., on Friday, May 14 at 9:30 a. m.

—Miss Lucille Totman, a senior at Miss Wheelock's School and a graduate of the Miss Allen School, gave a delightful talk at the Misses Allen School on Wednesday morning on "Kindergartens."

—G. Washington Spikes of 19 Prospect place, died on April 30. He was born in Newburn, North Carolina, 63 years ago and had lived in West Newton for 30 years. He was the sexton of the Myrtle Baptist Church. Mr. Spikes' funeral was held at the church on Monday and burial was in Newton Cemetery.

—The Misses Jean Eddy, Margery Tyler, Frances Fernald and Ruth Wittig will take part in the academic procession at Mount Holyoke College on Saturday morning, and will also sing with the class choirs. Miss Eddy will usher at the reception on Friday and appear in costume at the garden party. Miss Tylee will appear in a historical pantomime and Miss Fernald will wear a period costume at the garden party.

### Newton Upper Falls

—The Young Men's Athletic Club will meet in the Parish Hall of the M. E. Church at 7:30 on Thursday evening.

FRAMINGHAM—On Route 30—NATICK on Boston-Worcester Turnpike

The big annual Spring Camporee of the Scouts of Norumbega Council will be held this Saturday afternoon and Sunday on the Ellis land which adjoins the Nobscot Reservation.

Between 30 and 40 Patrols from the Boy Scout Troops of Newton and Wellesley will participate. Beginning at 2:30 Saturday afternoon they will check in, follow the trails through the woods, select their own camp site and make camp. Much of the tentage and packs will be home-made. Many gadgets to make camp comfortable will be in evidence.

The Chief Judge is Mr. L. A. Bruce, Jr., Executive Secretary of the Newton Community Chest. Brad Gove, Scoutmaster of Group 6, will be Assistant Chief Judge. Patrols will be judged and rated on: 1. Food and Cooking. 2. Personal and Camp equipment. 3. Packs. 4. Camp set-up and Sanitation. 5. Patrol organization, conduct and program. Many of the judges will be members of the contingent which went from Norumbega Council to the World Jamboree in England in 1929, of which contingent Mr. Bruce was the Leader.

The patrols participating are bona fide patrols of their respective patrols for the Camporee. The Camporee is planned to give the patrols a chance to show not only Woodcraft and Camping skill, but also their ability to work together as a team. A banner will be awarded to the highest rated patrol. Individual emblems to be worn on the uniform will be awarded to the individual scouts whose patrol rate high.

Saturday evening there will be a big Campfire in the Council Ring, at the Nobscot Reservation. Sunday morning there will be a Scout's own service conducted by Troop 7A of West Newton. Catholic Scouts will attend Mass in Framingham Center. About 3 o'clock Sunday afternoon the Scouts will break camp and check out. One of the most interesting sights of the Camporee will be to walk over the campsites after the boys have left. It is traditional for Norumbega Scouts to leave a campsite so that a visitor would hardly know that a patrol had camped there. Parents and friends of the Scouts will be welcome as visitors.

## Cars Crash On Worcester Pike

Cynthia Mawn of Parkton rd., Jamaica Plain received slight injuries Saturday afternoon when the car in which she was riding hit the rear of another car on the turnpike at Woodcliff rd. A car driven by William Wilson of Worcester had stopped at the traffic signal at that location when a car driven by John Ryan of Leicester st., Brighton, crashed into it.

## Honor Newton Girl At Radcliffe College

Miss Lucille H. Morrison, daughter of Mr. and Mrs. Henry I. Morrison, of 1071 Commonwealth ave., Newton, Mass., was honored by the student body of Radcliffe College when she was elected last Friday as President of the Radcliffe College Music Club for the school year 1937-38. Miss Morrison, who is a pianist of note and an outstanding interpreter of Bach compositions, is also one of the leading students at Radcliffe. Miss Morrison is a graduate of the Newton schools, and was heard at many school functions while a student at the Newton High School.

## Modernistic Shop Opens At Newton Corner

The opening of Marion's Shoppe at 301 Centre st., Newton Corner, on Friday, May 7, brings to Newton a store of the most advanced type in respect to lay out, fixtures and decorative theme.

Standard nationally advertised women's, children's and infant's wear will be carried. Such well known merchandise as Kate Greenaway frocks, Shirley Temple frocks, Berk-tist and Artplus hosiery will be available. A complete infant department of special interest to mothers-to-be will be an outstanding feature.

The new store is operated by the same management that runs the Marion's Shoppe in Belmont and other stores in Greater Boston.

## PHI SIGMA RHO SORORITY

On May 15th at the Myles Standish Hotel in Boston, the Phi Sigma Rho sorority of Newton will hold its Spring Formal. The committee in charge of arrangements is headed by Mrs. Rosetta Casperson of Walnut st., Newtonville, and includes Miss Betty Medbery and Miss Patricia Cavanaugh, both of Newtonville; Miss Ruth Thompson, Miss Barbara Squier, and Miss Lillian Taylor, all of Newton Centre.

## YOUNG REPUBLICAN CLUB

The All-Newton Young Republican Club will hold an informal spring dance on Saturday evening, May 22nd, at the Newton Centre Woman's Clubhouse. It will be open to the public and refreshments will be served as part of the interesting program which is being planned by the committee. Mr. Cory Snow of Elgin st., Newton Centre will be master of ceremonies. The arrangements are being made under the capable supervision of Mrs. Irene Morrill of 515 Crafts street in Newtonville, chairman of the Social committee.

## BETTER IT -- or -- BUILD NOW!

### HOME MODERNIZING & GENERAL BUILDING PAGE

GEORGE P. STUART, Consulting Architect

This feature section is designed to help readers with problems pertaining to home modernizing and general building. During the past few years there have been many improvements made in building products, furnishings and construction methods that make for comfort, attractiveness and permanency, and we hope to present articles along these lines from week to week.

Most homes need improvements of one kind or another, and people are interested in bringing their residences up-to-date. Modernizing of various kinds can do much to make the home more enjoyable. The field for new building in Newton has steadily increased with over four million dollars expended last year for building construction. At present many fine estates are being developed in various sections and for those planning to build we hope to be of service. Churches throughout the City require more or less attention. Masonry walls need repointing and waterproofing to stop further deterioration. New painting, decorating, windows and furnishings are needed. Much can be done to other buildings to make them of more value. Improved store fronts and renovations are continually in demand.

We trust the articles presented will be helpful and that readers will feel free to call for information and estimates upon companies who make this section possible. Requests for advice on modernizing and general building may be sent to the consulting architect.

## Questions and Answers

Mr. Stuart will be pleased to answer questions relating to home modernizing and building. Inquiries may be addressed to him c/o Newton Graphic.

We like a bungalow type of house but am wondering if one of seven rooms would cost much more than a two story house?

A single house all on one floor will probably cost about 10% more than the same number of rooms on two floors as it requires larger foundation and roof area. Of course you have a larger basement for play-room, etc., and a good size attic for storage. If you like a house of this type, the additional cost is not great compared with your future happiness. A bungalow type house can be designed very attractively. By placing a dormer on the house and framing the attic floor as strong as the other floor you would be able to finish off a room or two at a future time.

How would you suggest treating bed rooms where slope of roof shows in rooms in between dormer windows?

In decorating or treating bedrooms with sloping walls care should be taken to avoid the feeling of stuffiness. A small all-over patterned paper is suitable for such rooms and the woodwork painted light. The prevailing color in the paper often produces a pleasing effect.

Do you feel that it pays to insulate the walls of a house and what type would you suggest?

The saving in fuel will offset the cost of insulation very quickly and not only this a house that is properly insulated will eliminate considerable drafts that find their way through the walls. What is true regarding the floors. Proper insulation between floors makes a vast difference in keeping the floor warm and stops noise and there working up through flooring. There are different types of insulation that are satisfactory when properly applied. It pays to have this work done by a reliable contractor.

## Building Specification Aids

The purpose of this column is to present general specifications for building and modernizing. Readers might like to save this series for future reference.

### Fireproofing

The work to be done under this section shall include all fireproofing of steel beams and girders, fire-stopping of partitions, walls and stair soffits and reinforced concrete floor slabs. Steel beams or girders carrying floors or masonry walls (not including lintels) shall be fireproofed with concrete. Where required, provide metal ties to anchor the concrete to the steel. The concrete fireproofing shall be one inch thick on top and at least two inches elsewhere; for other beams and girders the fireproofing shall be one inch thick on top and at least 1½ inches thick elsewhere, or as otherwise shown.

Provide reinforced concrete floor slabs where shown on drawings and in accordance with framing design indicated. In this construction the concrete shall be poured for the full depth in one operation. Consult plumber, heating, and electrical contractors before setting same. The concrete shall be mixed in a water-tight mixer in the proportions of one part of best Portland Cement and two parts of clean sharp sand and four parts of crushed stone. Make concrete uniform with proper amount of water. Leave surface puddled rough, so as to make bond for finish floor. Reinforcing bars to be placed as indicated on drawings.

All wood partitions and walls and wood stair soffits are to be fire-stopped with concrete or masonry the full depth of floor construction and all wall furring shall be filled between furring with cement mortar. Ceilings above floor and two inches below ceilings of each floor. All fireproofing and fire-stopping to be done in accordance with drawings.

cordance with city requirements and to satisfaction of the architect.

## You Can't Fool The Weather

More and more people are giving serious thought to the protection of buildings from adverse weather conditions. Many fine buildings in the past have been ruined because of porous masonry, shrinkage of mortar joints and inadequate flashing, but today, with improved methods of protection and waterproofing, there is no need of a building leaking or masonry deteriorating.

In erecting a building an owner should make inquiries as to the methods that will be adopted for caulking around windows, the kind of mortar for masonry, type of wall flashing and capping and waterproofing of walls, etc. The specifications should clearly state the kind of materials and methods to be used.

Buildings that have been built for a few years should be examined to see if any deterioration has started, as it will save added expense and trouble if caught in time. Certain types of buildings are more acceptable to leakage than others and this may be especially true of buildings with cast stone trim that have not been waterproofed.

To properly protect a building, the walls should be treated about every five years by a reliable waterproofing company and in so doing save the life of the building and the expense that comes from neglect. Man may fool himself trying to save money on a building, but he can't fool the weather.

## Planting Hints

### Number 7

### ROSES

The preparation of soil for roses is a very important and necessary factor in their success. The bed should be dug to a depth of two feet or more. If the soil is good, just work into it about one-third its bulk of well-rotted manure. Have soil and manure thoroughly mixed. Roses prefer a moderately heavy soil, although if properly enriched each spring, a light soil will suffice. They require much moisture but will not stand puddles. If water does not drain readily, some means of drainage is necessary.

As soon as rose plants are received they should be placed in a trench in a slanting position closely together with roots well covered with soil and kept well watered. When ready to plant, take them out as needed. Be sure the roots do not become dry and spread them well so that soil can be packed around them to exclude the air. All grafted roses should be planted low enough so that the joint between the root stock and top is three inches below the soil surface. This is very important. Water thoroughly.

Hybrid Perpetuals should be planted 2½ to 3 feet apart; Hybrid Teas, 1½ to 2 feet apart; Ramblers, 5 to 6 feet; Rugosa Roses for hedges, 1½ feet; Wild Roses 2 feet apart. During the growing season keep a good mulch by stirring the top soil to a depth of an inch or so, and in dry weather water so that the bottom roots are reached. If plants become infected with lice or aphids, spray with Black Leaf Forty in accordance with instructions in package.

Protect Hybrid Perpetuals and Hybrid Teas during the winter by piling soil around them so four or five buds on each of the stems are buried. Tops should be pruned back so that only three or four strong branches remain and only four to six buds on each branch.

## WOMEN'S CLUB ACTIVITIES

Edited by EMMA D. COOLIDGE

Feature Program  
For May Festival

Miss Ruth Perkins, of West Newton, well-known for the dramatic skill which she has shown in many parts taken in plays presented by the Newton Players, will be one of the artists on the splendid program of the May Festival by the Glee Club of the Community Service Club of West Newton which will take place on next Friday evening, May 14th, at 8:15 o'clock, in the Warren Junior High School, West Newton. Miss Perkins, singing in costume, will give the famous contralto aria from Tchaikovsky's opera "The Swan Lake."

The Glee Club also is presenting "The Dress Rehearsal," written by Mr. Edward E. Whiting, and coached by Mrs. Hortense Rallsback, which will include three attractive groups of songs. After the program there will be dancing for all, and during this time Edith and Patsy O'Toole will dance a novelty number. Those present are promised a delightful surprise in "The Wedding of Jack and Jill" which will be given by twenty-five young girls of West Newton.

Tickets may be procured from Mrs. Ralph Albree, 49 Shaw street, West Newton. Patronesses for the Festival include Mrs. George N. Abbott, Mrs. Ralph Albree, Mrs. Fred W. Swift, Mrs. Kenneth Tiffin, Mrs. Harold Tisdale, Mrs. Sydney Thomas, Mrs. Quincy W. Wales, Mrs. Thomas Weston, Miss Ethel Wadsworth, Mrs. Robert Whidden, Mrs. Stephen H. Whidden, Mrs. Guya Williams, Mrs. William Wise, Miss Ethel Woodberry and Mrs. Edward W. Whorf.

The schedule of classes is as follows:  
Class I. Box Stall. Outdoor Living Room.  
Class II. Small Stall. Garden Room. This is to show the arrangement of implements, books, vases, etc., including growing plants.

Class III. Shadow Boxes, 24 by 24 by 30 inches. Leaf Arrangement, such as Calla, Clivia, Iris, Rex Begonia, etc. No branches or vines permitted. Accessories allowed. Limited to six entries. Chairman, Mrs. George E. Fisher, Telephone New. No. 2997-M.

Class IV. Shadow Boxes, same size. Decorative Arrangement. Color combination, Monochromatic. Limited to six entries. Chairman, Mrs. Franklin P. Lowry, New. No. 0501.

Class V. Flowering Branches, in combination with fruit, staged on two levels.

Class VI. Arrangement of Leaves or of Flowers. Bismetric in balance. Exhibitors in Classes V and VI will be invited by the Flower Show committee.

Class VII. Five Different Kinds of Flowers in a Copper Container, using as many varieties as wished; additional foliage permitted. Limited to nine entries. Chairman, Mrs. Charles Grover, W. N. 1516.

Class VIII. Specimen Blooms of Tulips. Seven subdivisions by species. One entry may be made in each, and each exhibit must be tagged and named.

Class IX. Collection of Perennials, Perennial Bulbs, such as tulips, hyacinths, etc., and Biennials, such as foxgloves, in a pottery container.

Entries in VIII and IX must be grown by the exhibitor. Chairmen of the Specimen Classes are Mrs. C. K. Reiman, N. N. 3578, and Mrs. Ralph Keyes, W. N. 6516-W.

Entertainment For Meeting of State Federation

Entertainment will alternate with speakers during the sessions of the Annual Meeting of the State Federation, at the New Ocean House, Swampscott, May 17th, 18th, and 19th, giving variety to suit every taste. Monday evening, Miss Sydney Thompson, of New York, will present a three-part program: an original play, scenes from Guy De Maupassant, and a group of Mediaeval Tales and Ballads. The play has been written by Miss Thompson, and will be presented without scenery and accessories. Scenes from Guy De Maupassant are sharp, by-etched pictures of Paris in the Nineteenth Century, in a setting suggestive of a Parisian cafe, and range in mood from the tragedy of the two old shopkeepers who die for France, to the sophisticated cynicism of "The False Gems". The Mediaeval Tales and Ballads are taken from original sources; colorful dramas of the Middle Ages: "Elihu, a Lay of Marie of France", 1180 A.D., and three old English Ballads: "The Cherry Tree Carol", "The Outlandish Knight", and "The Holy Well". During intermission James Marr, Baritone, will interpret varied selections. Mrs. Moses H. Gulesian, of Chestnut Hill, State Music chairman, will be at the piano.

Tuesday afternoon's session will open with "Song Pictures of England", presented by Miss Marion Richards, of Springfield, with Miss Marion Affhauser at the piano. Her selections will be: "The Second Minuet"; "When Lady Betty Walks Abroad"; "Little Damsel"; "I Once Loved a Boy (Irish)"; "Who'll Buy My Lavender"; and "Ho! Mr. Piper". Also on Tuesday afternoon, Francesco Zecchino, 15-year old Violinist, will give a program, accompanied by Howard Slayman, well-known and popular Boston Pianist. Born in East Boston, of Italian parentage, Francesco made his first public appearance in 1932, and has developed into an exceptionally intelligent and capable violinist.

Other music will be given by the Worcester Woman's Club Chorus in a half-hour program Monday afternoon, and by the Andover Male Choir—an innovation—on Tuesday evening.

The department of Junior Membership will meet with department and division chairmen for Round-Table discussions on Saturday afternoon.

May 15th. These group meetings will be followed by a Banquet and an evening meeting.

All morning sessions will open at 10 o'clock; afternoon sessions at 2 o'clock; and evening sessions at 8 o'clock. Tuesday morning there will be a combined Club Institute and Presidents' Conference in Convention Hall. Departments and divisions will combine for group meetings. Women who are not members of Federated Clubs may attend by paying double the regular Registration Fee.

Monday afternoon, from 4 to 5 o'clock, a garden walk has been planned by the Ninth District clubwomen. During the Convention a resolution objecting to the implications and intent of the President's plan for reorganization of the Supreme Court will be presented for action.

Finalists in the Leland Powers Foundation Theatre Scholarship Contest, sponsored through the State division of Literature and Drama, have been announced by Mr. Haven M. Powers: Winner, E. Quentin Gulliver, 47 Parkinon street, Needham; Alternate, Doris C. Johnson, 59 Pal-frey street, Watertown; Ruth Barbara Noll, Box 146 Central street, West Acton; Virginia M. Whitcomb, 348 Sterling street, Clinton; Peter J. Mamakos, 54 Newbury street, West Somerville; Irene Shapiro, 45 Forest street, Winthrop; Lucille Yolande Bouvier, 90 Mill street, New Bedford; Edwin W. Smith, 12 Exchange street, Westfield; Anne Adams Muench, 28 Boston street, West Medford; and Dorothy Seder, 161 Warren street, Allston.

Mr. Gulliver is a member of the Needham Senior High School, class of 1937. He was recommended by the New Century Club of Needham, and gave as his selection "The Trial of Robert Emmett". Miss Johnson, who is alternate, is a member of the class of 1937 in the Watertown Senior High School. Recommended by the Watertown Woman's Club, her selection was as scene from "Friend Hannah". Judges were Mrs. Harold M. Schebe, chairman of the division of Literature and Drama in the State Federation; Mrs. Howard Draper, director of the Milton Players; Professor Frederick Packard, department of Public Speaking, Harvard University; Miss Helen Appleton, Dean of Leland Powers School of the Theatre; and Mr. Arthur Holman, director of the theatre department of the Leland Powers School.

Chorus To Give Musicale

The Chorus of the Newton Centre Woman's Club gave a Musicale last Friday afternoon, April 30th with guest artists Miss Eleanor Harris, Edna Merritt, Howard Harrington, and Edwin Bilcliffe. The Chorus was led by Madame Apolline Blair, with Mary Barr Snyder, accompanist. The program by the Chorus included: "Grace Before Singing", "Ah, Sweet Mystery of Life", "Sarita", "Waters Ripple and Flow", "The Winds", with mezzo-soprano solo by Gertrude Cumner; "On Night of Dreams", and in conclusion, "Venezia", by Nevin, and "Auf Wiedersehen", by Romberg.

Solos included "Mon Coeur", from "Samson and Delilah", by Edna Merritt; "Zueignung", by Strauss; "Dedication", by Franz and "Paci Pac", from Verdi's "La Forza del Destino", by Eleanor Harris; a Piano Solo, "Waltz in a flat major", by Chopin, by Edwin Bilcliffe; "Recordia Armonica from Tosca", Puccini, by Howard Harrington; and Duets, "Wanderer's Night Song", by Rubinstein; "Cradle Song", by Humperdinck; and "Al Nostri Monti", from "Il Trovatore", sung by Edna Merritt, and Howard Harrington.

A social hour followed the program.

Annual Meetings; Other Programs

The Annual Meeting of the Newton Centre Neighborhood Club will be held on Monday, May 10th, at 7 p. m., at the Zeta Alpha House, Wellesley College. Mrs. Kenneth Crafts, hostess for the meeting, will be assisted by Mrs. Ronald Dummer, Mrs. Donald Root, Mrs. David Tibbett, and Mrs. Norman Vincent.

Auburndale Review Club Extra Meeting

The president of the Auburndale Review Club, Mrs. Guy M. Winslow, has called an extra meeting of the Club for Tuesday, May 11th, at Woodland park, on Washington street, at 10 o'clock. There will be a short business meeting, after which Mrs. Beamer, of Hawaii, mother of one of the Lasell seniors, will tell of the "Customs and Music of the Island."

West Newton Women's Educational Club

A Rummage Sale will be held by the West Newton Women's Educational Club on Wednesday, May 12th, beginning at 8 o'clock, in the store adjacent to Harris' Hardware Store, in West Newton Square. Clothing and household articles of every description will be on sale. Mrs. Henry F. Keating and her committee have charge of this money-raising project, which is for the benefit of the Club budget.

Newtonville Garden Club

The Newtonville Garden Club will meet on Thursday morning, May 13th, at 10 o'clock, at the home of Mrs. Walter E. Oakes, 132 Beaumont avenue. Mrs. C. D. Kepner will give a paper entitled "Lilacs: Old and New". (Continued on Page 10)

MORTGAGEE'S SALE  
OF REAL ESTATE

By virtue of and in execution of the  
power of sale contained in a certain mort-  
gage given by Anthony V. Taurasi to the  
Watch City Lumber Co., a Massachusetts  
corporation, dated January 26, 1937 and  
recorded with the Middlesex South Dis-  
trict Registry of Deeds in Book 6094,  
Page 410, which mortgage was duly as-  
signed to William E. Wright by instru-  
ment dated April 28, 1937, for breach of  
condition of said mortgage and for the  
purpose of foreclosing the same will be  
sold at public auction on Monday the 24th  
day of May, 1937 at 4 o'clock P.M. on the  
premises and singular the premises con-  
veyed by said mortgage deed and there-  
in described as follows:

The land in a certain parcel of land  
in that part of Newton, called Newton  
Highlands, shown as Lot K on "Revised  
Plan of Newton Highlands" dated April  
4, 1936, Everett M. Brooks, C.E. and re-  
corded in Middlesex South Registry of  
Deeds in Book 6018, Page 182 and being  
the same premises shown as lots E2 and  
lot C on "Revised Plan of land in Newton  
Highlands" dated April 4, 1936, Everett  
M. Brooks, C.E. recorded in Middle-  
sex South Registry District of Deeds,  
Book 6018, Page 182 and being bound-  
ed and described as follows:

Beginning at the Northwesterly corner  
of said lot of the same John J. Shor-  
don, as shown upon said plan on the Southerly  
side of Cochichewick Road, thence running  
Southerly along the Southerly side of  
said Cochichewick Road, sixty-four and  
98/100 (64.98) feet to a curved line; thence  
by said curved line running Southerly  
to Southerly forty-seven and 67/100 (47.67)  
feet; thence substantially Southerly fifty-  
four and 10/100 (54.10) feet to a point upon  
said plan; thence turning and running  
Southerly one hundred three and  
89/100 (103.89) feet to said lot J; thence  
turning and running substantially North-  
erly along the Easterly side of said lot J  
thence along the Easterly side of said lot  
43/100 (43.43) feet to point of beginning.  
Said lot K according to said plan contains  
340 square feet of land. The two hundred  
and thirty-four and 1/2 (234.5) feet of which  
subject to two prior mortgages duly re-  
corded. Said premises will be sold sub-  
ject to said mortgages and to all other  
municipal liens and assessments if any  
there be.

Sum of Cash: \$200 in cash will be  
required to be paid by the purchaser at  
the time and place of sale, other terms  
to be announced at the sale.

of Sale contained in a certain mortgage  
given by Frank Clark to the Newton Trust  
Company, dated September 11th, 1930,  
and recorded with Middlesex South Dis-  
trict Registry of Deeds, Book 3498, Page 18,  
mortgage the undersigned is the present  
holder, for breach of the conditions of  
said mortgage and for the purpose of  
foreclosing the same will be sold at Public  
Auction at ten (10:00) o'clock in the  
forenoon on Monday the twenty-fourth  
day of May 1937, on the mortgaged premises  
all and singular the premises de-  
scribed as follows:

TO WIT: "A certain parcel of land  
with the buildings thereon situated on  
Simpson Place in the City of Newton,  
Mass., bounded and described as follows:  
NORTHERLY on Cheesecake Brook one  
hundred fifty (150) feet, more or less;  
EASTERLY by land formerly of Tol-  
man two hundred ninety-five (295)  
feet;  
SOUTHERLY by land formerly of Leach  
seventy-six (76) feet;  
WESTERLY by land formerly of Trow-  
bridge eighty-eight and 5/100 (88.65)  
feet;

SOUTHERLY again on said land for-  
merly of Trowbridge seventy-five and  
67/100 (75.67) feet, and  
WESTERLY by land formerly of Trow-  
bridge eighty-eight and 5/100 (88.65)  
feet more or less.

Be any or all of said measurements  
more or less or however otherwise bound-  
ed or described.

Together with right-of-way in said  
Kempton Place in common with others  
entitled thereto.

NEWTON WINS FIRST  
THREE LEAGUE GAMES

Castoldi and Paul Twirl and  
Bat Locals to Victory

Led by a pair of heavy-hitting pit-  
chers in Guido Castoldi and Eddie  
Paul, the Newton High baseball team  
swept through their first three Subur-  
ban League games this week without  
a setback. Newton defeated Waltham  
9-5 last Friday at Clafin Field with a  
barrage of 16 hits, while Castoldi  
struck out 16 Waltham batters to end  
the visitors' winning streak at four  
games. In a postponed game Sat-  
urday at Newton, Newton won a  
5-5 verdict when Ed Paul belted out  
a home run in the tenth inning, in ad-  
dition to fanning 14 batters. Tues-  
day's game at Newtonville saw Guido  
Castoldi back on the mound, striking  
out 13 Cambridge Latin batters and  
smashing a home run in the fifth with  
two men on to break up a 5-5 tie, giv-  
ing Newton another 9-5 league victory.

In Newton's triumph over Waltham,  
a five run third inning gave them a  
5-4 edge, and three more runs in the  
fourth and one in the eighth put the  
game on ice. Clarence Cormier led  
off with a base hit in the third and was  
nipped at second on an attempted  
steal. DeAngelo walked and Maguire  
got one of his three safe hits, fol-  
lowed by Nino Coletti, Stan Gruber  
and Tony Shordone, each of whom  
hit to bring in runs. Bert Marrazzo  
then pounded a three bagger to bring  
in Shordone with the last run of the  
inning.

It was an uphill battle at Arlington,  
home in the tenth on pitcher Paul's  
won run, after Newton had tied the  
score with a three-run ninth inning.  
Shortstop Oliverio put Arlington out  
ahead with a two-run homer in the  
fifth, and his mates added one in the  
seventh and two in the eighth to sew  
up the game, almost. With one out  
in the ninth inning, Maguire walked,  
Coletti got a single, and Stan Gruber  
smacked a double to clean the bases.  
Gruber then advanced on a play at  
first and scored on a wild pitch. Ed-  
die Paul, first batter for Newton in  
the extra inning, poled out a home  
run, and Arlington was unable to score  
again in their half, although they had  
two men on base before Paul fanned  
the last batter, his 14th strikeout of  
the day. Gruber led the Newton hit-  
ting with a single and a double in  
three trips.

Castoldi won his own game in much  
the same way at Newtonville Tues-  
day. Newton had put across three  
runs in the first and two in the second,  
but Cambridge Latin retaliated with  
one in the second, two in the fourth  
and two more in the fifth to tie the  
score. With one out in the Newton  
fifth, Shordone bingled, Marrazzo was  
hit by a pitched ball, and John Mar-  
tin flied out to center fielder Bou-  
dreaux. Castoldi leaned on a fast ball  
and sent it out past the scoreboard  
in right field for a home run, the  
ball rolling down the cinder track for  
extra yardage. Another long hit, Lov-  
ett's triple during Latin's fifth inning  
rally, sailed over the scoreboard, and  
was held to a triple by the fleet Cor-  
mier. Newton's right fielder, Cas-  
toldi's clout gave Newton an 8-5 lead,  
and Marrazzo singled and later scored  
in the seventh on a couple of errors.

Newton plays again today at Ringe  
Tech, and has home games next week  
with Brookline on Wednesday and  
Arlington on Friday.

## Baseball

With Les Shatzer contributing a sin-  
gle, a double and two triples, Jeff  
Jones' Newton Independents won their  
game in the Twin-Country League from  
Bemis Cardinals Saturday 12-5. Phil  
Green, Newton High ineligible,  
pitched for the winners. The Inde-  
pendents play at Newtonville again  
Thursday evening against Saxtonville,  
newest team in the T-C League.

Indifferent pitching spelled defeat  
for the Bemis Cards, for the Inde-  
pendents were hitting all the way. In  
the first inning Ferguson walked.  
Shatzer and Berry singled and Jeff  
Jones hit a two-bagger, giving New-  
ton a 3-0 lead. After four bases on  
balls had filled the sacks and forced  
home a run, Shatzer hit a triple in  
the fourth inning for another four  
runs, and again tripled in the eighth  
to round out the scoring with a four-  
run inning.

Lay Cornerstone  
Of New Synagogue  
On Sunday

Next Sunday at 2 p. m. the exercises in conjunction with the laying of the cornerstone of the new structure to be built by Temple Emanuel organization of Newton Centre, will be held at the site, 385 Ward st. The building, which will be completed next August, is of Georgian design and will serve as a place of worship, community centre and Hebrew School for the rapidly growing Jewish community of Newton Centre and vicinity. The officers of the association are: Ralph Cohn, president; George Gordon, 1st vice-president; Ira Nelson, 2nd vice-president; Harry Gordon, recording secretary; Joseph Oppenheim, financial secretary; I. J. Silverman, treasurer. The rabbi of the new synagogue is Rabbi Leo Shubow.

On Sunday evening at 6:30 at the Newton Centre Women's Club a banquet will be held to celebrate the event. The principal speaker will be Rabbi Stephen S. Wise of New York. Music will be provided by a leading orchestra and a program will be provided by radio and stage talent.

Quarterly Meeting of  
Newton Hospital Trustees

The regular quarterly meeting of the Board of Trustees of the Newton Hospital was held at the hospital on April 27, 1937.

Since the annual meeting the Board has lost two members: Dr. Henry Watters of Newton Centre, who died February 19, 1937, and Mr. Robert L. Studley of Wellesley, who died March 30, 1937. The following resolutions were passed:

"Resolved: That there be entered upon the records of the Newton Hospital the sorrow of its trustees, the members of its surgical, medical and nursing staffs and all those connected with the hospital at the death of Dr. Watters.

"A man's epitaph is written by the manner of his life. So Dr. Watters wrote his immediately after graduation from the Boston University Medical School he became an intern at the hospital. At the completion of his internship he became a member of the surgical and medical staff and established himself in practice at Newton Centre. From then until his death, Dr. Watters was connected always with the hospital as a member of the staff, as a Trustee and as a member of the Executive Committee.

"When stricken with what he knew meant the shortening of his days, he carried on cheerfully and uncomplainingly. He was the friend as well as the associate of those with whom he worked, the friend and the physician of his patients. His death added another name to the roll of those who in their lives served the hospital and their fellow men well and faithfully."

"With deep sorrow we record the death on March 30, 1937, of our friend and fellow trustee, Robert Lee Studley."

Mr. Studley became a member of this organization January 28, 1936. In the short term of his service he demonstrated an active and helpful interest, which makes us realize the great loss suffered by the hospital and the community. His personal character, strong, loyal, generous and unafraid, and increasingly lovable with better acquaintance, deeply endeared him to his many friends on this Board.

"We gratefully acknowledge our sincere appreciation of Mr. Studley and all that he stood for in life."

The report of Mr. William Chase, Chairman of the Executive Committee, was presented and is in part as follows:

"It was noted from the Treasurer's report that the hospital's financial showing for the first quarter of the year has been very satisfactory in spite of the fact that the daily average number of patients in the hospital during this period was sixteen less than in 1936. The increase in income from the X-Ray Department, Laboratory, glass, framed mirrors and pictures. Soon it developed that a picture framing department must be added. This department has now grown to be one of the busiest in the business. It is as complete as any in greater Boston.

In 1933 table glass was added which consisted of the products of such famous makers as "Duncan-Miller", "Cambridge", "Fosterline" and "Hesley". Roseville pottery, Eagle Wall Brackets and bowls were stocked as well as the famous Stuart line of wrought iron.

The staple window, plate and shatterproof glass which the Newton Glass Company handles was selected with equal care, and such well known brands as "Libbey Owens Ford", "Clearlite" and "Penn Vernon" is carried in stock.

In 1934 the business had grown to such an extent that it was necessary to acquire the store next door. This is used as a display annex and store room.

Mr. Frederick is ably assisted by experienced employees who have been associated with him since the store opened. Mr. John J. Garraughty is in charge of all outside sales and work and Mr. Fred Weagle looks after the shop work and all auto glass replacements.

When talking with a representative of the GRAPHIC recently Mr. Frederick said, "The public looks for and appreciates a square deal. We attribute our success to the manner in which we have dealt with our customers. Setting only the highest grade of merchandise plus the prompt and efficient service which we render, keeps our regular customers satisfied, attracts new ones, and builds up a good will which cannot be measured in dollars and cents. We have been consistent advertisers in the GRAPHIC, and our advertising has served to acquaint Newton residents with our services and our merchandise.

During the month of May we will run a series of Anniversary sales, offering each week to readers of the GRAPHIC, several specials. The GRAPHIC advertisements will list these specials. Our aim is to add to our list of customers and at the same time enable them to take part in the celebration of our anniversary with us by offering merchandise which will be reduced to considerably less than the regular prices."

Girl Scouts Bugle  
and Drum Corps Day

On Saturday, May 8 at 1:45 p. m. the annual Girl Scouts Bugle and Drum Corps Day will be held at the Boston Arena. Corps held at preliminary try-outs in Lowell, Newton and Taunton, will compete. They are: Dorchester, 1936 champions; East Hampton, Fall River, Fitchburg, Lowell, Lexington, Milton, Needham, Newton, Reading and Somerville. Individual buglers who will compete include Helen Oldfield, Newton, 1936 State champion; and Doris Oldfield of Newton. The judges include: Major Frank T. McCabe of Newton on drill, Mrs. Walton S. Redfield of West Newton is chairman of the committee in charge. Miss Caroline L. Freeman of Newton is secretary.

tory and Private Wards more than offset the loss in the Public Wards, Contagious and Out-Patient Departments. Expenses increased only \$1,300 in spite of the 5% restoration in salaries which went into effect as of January 1st. With cost of most of the supplies mounting steadily, it will be fortunate if this excellent financial showing can be maintained throughout the year.

Thugs Assault Men  
On Milk Truck

William McPherson, 52 Keenan st., Watertown, and Robert Hamlet, 53 Burt st., Roxbury, employees of the Woodland Milk Company of Watertown, were dragged from a truck owned by that company near the corner of Cabot and Centre sts., Newton, early Tuesday morning by three armed thugs who were riding in a large sedan. The men were slugged with blackjacks and knocked unconscious. The thugs then started the truck down the incline on Centre st. It crashed through a stone wall in front of the Coulon residence at 709 Centre st. Neighbors phoned police headquarters and Patrolmen Lovele and Concannon went to the scene and took the two assaulted men to the Newton Hospital. A strike has been in progress at the Woodland Company for several weeks. Some of the employees went out on strike, and remained at work. A number of assaults have been made in Watertown on loyal employees.

Committee  
Criticises Mayor

(Continued from Page 1)

their minimum, maximum and step-increases in salary would be.

The Finance Committee is very much disturbed to find that this system has been abandoned by the Mayor except in the cases of the policemen, firemen and school teachers whose rating is set by State law, and he has notified department heads to disregard the existing classification and to send to him—the Mayor—such recommendations as they may have for increasing the salaries of employees in their respective departments.

It is the belief of the Finance Committee that this is a decided step backward and is the abandonment of a business-like and equitable method of handling the salary question throughout the city.

In the Budget which we have just considered there have been several instances where an increase in salary has been recommended by the Mayor, but the persons for whom he intended them are not named and the Board of Aldermen and the Department Heads have no way of knowing to whom the Mayor designated the increase.

The Finance Committee is of the opinion that the budget should contain always full and complete information.

In the City Treasurer's Department, we find that the collection of money from the Commonwealth and towns and cities whose citizens have received welfare aid is not efficiently handled. Amounts due the City extend back to 1930 and apparently there is not a proper system for following up and collecting money expended by the Welfare Department for other municipalities. We believe that closer co-operation should exist between the Welfare Department and the City Treasurer's office, and the Comptroller should be requested to work out a system that will enable the City to follow up and collect this money when it is due much quicker than is the case at present.

More aggressive effort should be made to dispose of real estate that has come into the hands of the City through tax title, foreclosures or otherwise, and thus turn this slow asset into cash.

The welfare situation gives us much concern. In 1936 more money was spent in this Department than at any time in the history of the City and there are more cases receiving aid than ever before. In making a study of the Department we have no criticism to offer in the way in which it is conducted by the director. We do, believe, however, that the entire situation requires much thought, and we suggest that a plan at least be considered by which a person connected with the department should devote his entire time to finding work in private industries for those now on City relief. The taxpayers of Newton have a right to expect that some effort be made to reduce the tremendous cost of welfare work in the City. We believe that aid should be given at all times to those who really need it but the recipients themselves as well as the property owners are not fairly treated when no other effort is made on behalf of both. In our opinion, the department cannot operate this year on the money recommended by the Mayor in his budget and we do not believe that a reduction in welfare costs can be looked for in 1937.

There is a situation in the Police Department which should be eliminated at the earliest possible moment. The radio mechanic is the only member employed in the Department who holds a first-class radio commercial license and is therefore the only one qualified and permitted under the law to repair or work on the broadcast system. In the event that he is incapacitated or out of the City, the Chief of the department relies on volunteer services only from those who hold a first-class license to make repairs or adjustments. In view of the fact that our broadcasting system is absolutely essential for the proper working of the Department and that the City broadcasts for Watertown, Waltham and Wellesley (for which services those communities pay), it would affect others than ourselves should anything go wrong. An auxiliary broadcasting set would cost \$1000 and we believe it is urgently needed and should be purchased at the earliest possible moment, and the City not be left to rely upon volunteer help in an emergency as it does at present.

The Sergeant Mechanic has been given the authority to purchase the supplies of the department, including radio equipment. These were formerly bought by the Chief. The practice is followed in other departments of having the department head make and be responsible for all purchases. We believe that the Mayor should return the power to purchase supplies to the Chief and this should not be delegated to another member of the Department.

For several years the Finance Committee in considering matters relating to the Police Department has sensed that the present operation of the repair and care of the Police automobile equipment has not been conducive to harmony and efficiency in the department and we would urge that consideration be given to this matter.

Last year we called attention to all-night parking in the streets all over the City which not only is prohibited by law but is a dangerous practice and interferes with their proper cleaning and during the winter with snow removal and sanding. This is an abuse that should be stopped at once and for which we hold the Chief accountable.

Although every effort to keep the tax rate down is commendable we believe that some expenses have been eliminated from the budget which sound business judgment would retain as not only justifiable but necessary.

We cannot keep up our streets to the standard expected by the people of Newton when the Street Department is without proper equipment. We believe that a study should be made and a change recommended in the specifications for the type of street which the City now lays and which are known as secondary streets. These may be more costly to lay but will materially reduce the upkeep and prove more satisfactory in the long run to the people who use and pay for them.

The Committee last year recommended that consideration be given to the creation of an office of "Purchasing Agent" for the City. We believe that a material amount of money can be saved if all supplies and equipment are purchased through one central agent. We again recommend that a study be made of this problem.

We feel that the City should be congratulated on the way its affairs have been conducted by our department heads and the City is fortunate in having the type of men in its service who occupy the more responsible positions. We commend the City Clerk and the Playground Commissioner for following our suggestion of last year in selecting men to be trained in the department work who will eventually be able to assume the duties of the department heads in the event of disability or absence of those in authority.

The cordial co-operation of all department heads with the Finance Committee in its study of the budget is acknowledged with thanks and appreciation.

The Committee notes that no action has been taken in this respect by the treasurer or comptroller.

## CITY OF NEWTON

City Clerk's Office

WHEREAS, Petitions have been filed with the Board of Aldermen of the City of Newton for the modification of District Boundary Lines in parts of Ward 5 as established by "Zoning Ordinance, Chapter XXXII, as amended," and

WHEREAS, Said Board of Aldermen intend to make such modifications, it is therefore

ORDERED, That a hearing be had thereon and that Wednesday the 2nd day of June 1937, at 7:45 o'clock in the afternoon, at the City Hall in said City of Newton, before the Committee on Claims and Rules of the Board of Aldermen, be and the same is hereby assigned as the time and place for hearing all parties interested therein. It is further

ORDERED, That two weeks previous to said date of hearing, due notice of said intention and of said hearing be given by notice of the same posted in the vicinity of the proposed change; and that further notice be given by publication in the Newton Graphic on May 7th 1937, under the provisions of Chapter 269 of the Acts of the General Court of 1933.

Description of property accompanying Order of Hearing for Modification of District Boundary Lines shown below:

Private to Single Residence: Parcel bounded northwesterly by the Sudbury Aqueduct, easterly by Bacon Pl., and southerly by a line 250 feet north of and parallel with Boylston St.

Business to Private residence; parcel constituting the Donati Frisoli lot, 1193 Chestnut St., 32,445 square feet; shown on Assessor's plan, Section 52, Block 7, Lot 6.

Private to Single Residence: Land on both sides of Fairway Drive and Bunker Lane, Ward 3, and any other non-conforming lots shown on plan entitled—sub-division of Albemarle Acres, West Newton, dated October 1936, by Everett M. Brooks, on file in office of the City Engineer. This land is bounded generally by Watertown St., Randall Park, Waltham St., and private property.

Plan of proposed modifications may be seen at the office of the City Clerk, Newton Centre.

Attest: FRANK M. GRANT, City Clerk.

Notice is hereby given by the Planning Board that it will hold a public hearing on the proposed amendment to the Zoning Ordinance of the City of Newton described in the foregoing notice and at the same time and place, under the provisions of Chapter 269 of the Acts of the General Court of 1933.

Attest: ERNEST H. HARVEY, Clerk, Planning Board.

## Ask Permits For Business Building Near City Hall

Last Saturday an application and plans were filed at the Building Department at City Hall by Israel and Julius Nesson of Boston and Brookline for business structures which would contain stores and a bank on Commonwealth ave., opposite city hall. The Nesson recently petitioned that the land where the proposed business building would be located be changed from single residence to business zone. Following a public hearing, their petition was adversely acted on by both the Newton Planning Board and the Board of Aldermen. Since then the Nesson have filed a bill in equity in the Superior Court to compel the Board of Aldermen to grant their zoning petition. Each member of the Board and City Clerk Grant has been served with a writ. The filing of the plans will result only in refusal by Public Buildings Commissioner Campbell. He cannot grant a permit to the Nesson, because of the zoning ordinance. The petitioners threaten they will carry the contest to the Supreme Court if the Superior Court rules against them.

## Welfare Cases In Newton Decrease

During the month of April 73 persons receiving aid from the Newton Welfare Department obtained employment and ceased, temporarily at least, from being carried on the welfare rolls. Some of these are working as gardeners, some obtained employment at laboring work, and others are engaged in various occupations. The Welfare Department has been co-operating in procuring employment for some of those who obtained work. In a few cases, men who were considered able to work at jobs offered them, and who refused to do so, were dropped from the relief rolls. Few skilled workers are now getting aid from the Newton Welfare Department.

## Bishop Nol Pros Serious Charges

Warren L. Bishop, District Attorney of Middlesex County has not pressed the charges against Peter Holubinski, 23, of 18 Willard st., South Boston, and Michael Rodrys, 20, of 113 Leverett st., Boston. The two were charged with criminal assault on Mrs. Alice Crovo, 36, of Shaw st., Brookline. They were arrested at 2:30 a. m. on April 7 by Patrolmen Smith and Turner, who found them in a car on Hobart rd., Newton Centre, with the woman. In the Newton court the following day, Judge Weston, after hearing testimony, held the pair for the Grand Jury. Mrs. Crovo had testified in the Newton court that the two men had met her on Cambridge st., Boston, offered to drive her home, but instead drove to Newton Centre, and under threats, forced her to succumb to their advances. There were marks on her throat where she said one of the pair had choked her.

Mrs. Crovo appealed to Attorney General Dever after Bishop nol prossed the charges against the men. Bishop stated that the evidence offered by the woman in the case was so unbelievable, that he was justified in taking the action he did.

## Newton Post A. L. Wins Trophy

At the County Council Convention of the Legion held in Somerville High School Sunday, May 9, Newton Post, was presented with the "Frank Salome" trophy as a result of winning the membership drive conducted by the fifty-two posts of Middlesex in the past three weeks. Newton Post added 141 members to its rolls bringing the membership of Newton Post to 511. Department Vice Commander Ray McEvoy presented the trophy to Commander Leon H. Mayer. Guest speakers included Gov. Hurley, Mayor Leslie Knox of Somerville, Cong. Arthur Healey, John Thomas Taylor, legislative administrator of the Legion in Washington, Miss Adelaide Fitzgerald, secretary of the Department auxiliary gave an address on "Mother's Day." Leon Lipson of the Newton High School recent winner in the State Legion Oratorical contest gave a short address.

Commander Mayer is taking several specialties from the play, "Hello Sailor" to the Chelsea Soldiers' Home Wednesday night. The Post has received many calls from citizens of Newton thanking the Veterans' Council for informing them that they are not sponsoring the telephone campaign being conducted by "Ambulance drivers and war nurses" in Newton promoting the sale of tickets for a dance. The Council is composed of the G. A. R., United Spanish War Veterans, American Legion, Veterans of Foreign Wars, Disabled American Veterans of the World War and their auxiliaries.

## Made Investigator In Welfare Dept.

Miss Frances G. Lindley of 152 Webster st., West Newton, has been appointed an investigator in the Newton Welfare Department at a salary of \$30 a week. She was second on a list of three eligibles submitted to the department by the Mass. Civil Service Commission. Miss Katherine Condon of Pleasant st., Newton Centre, was first on the list. Miss Marie LaCroix of 296 Watertown st., Nonantum, was third. Miss Lindley will be assigned to the Old Age Assistance Division of the Welfare Department, of which her aunt, Miss Florence Fitzgerald, is supervisor. Miss Lindley's sister, Phyllis Lindley, is secretary to Mayor Childs.

## Playhouse Fire Spreads To Home

A fire which started in a children's playhouse at the rear of the residence of Anthony Juarez, 11 Avon pl., Newton, at 2 o'clock Wednesday afternoon, spread to the rear of the house and worked up the outside to the roof. A still alarm was followed by an alarm from Box 117. Children playing with matches in the playhouse, which was constructed of boxes, caused the fire. The damage amounted to a few hundred dollars.

Saturday night at 8:14, an overheated boiler started a blaze at the home of J. W. MacGinnis, 855 Chestnut st., Waban. The damage was slight. Sunday night at 9:15, a defective chimney caused a slight fire at the residence of Dr. Ronald Adams, 111 Glen ave., Newton Centre.

## Costs \$5 To Look For Ghost

Irving Peters paid \$5 as a result of exploring an allegedly "haunted house" at 61 Brookline st., Oak Hill. At that, he got out of it cheap. Peters, who lives at 73 Grayfield st., West Roxbury, was arraigned in the Newton court last Saturday charged with driving without a license. Patrolman Joe Smith told Judge Weston that he observed a car parked outside the house, which has not been occupied for years. He found Peters and some young women inspecting the house, because they heard it was haunted. He also found that Peters' driving license had expired last November, and the youth did not have it renewed.

In court the same day Ethel Richards of Collins rd., Waban, was fined \$5 for speeding.

## Oak Hill Demands Street To School

The Board of Aldermen received this week a petition signed by more than two hundred citizens of the Oak Hill District urging the City take immediate steps to provide a road from the Oak Hill School to Parker st. The argument offered by the Oak Hill residents is as follows:

"It has long been understood that the City intended to have this road constructed and available in time for the opening of the new school in September but delays have developed causing the School Committee to create optional zones where children will be permitted to attend other schools because of the inaccessibility of the new Oak Hill School. In addition the rumor is persistent that the City proposes to erect a temporary boardwalk from Parker st. to the school along the open brook. These developments have aroused the Oak Hill community who have advocated the road and now have formally presented a petition with a request for a hearing to discuss the situation more fully."

"Neither Parker nor Dedham sts. have sidewalk facilities and much concern is heard from parents whose children will have to walk from points east of Newton countryside as well as from the Walnut-Solon st. sections—along the open roadway, a distance of at least one mile further than if some direct roadway were open and available. Much criticism is voiced by these two hundred parents who are most vitally concerned with getting their children to this school that the City should leave the brook uncovered and unfinished when everyone agrees that convenience, safety and good planning requires the immediate construction of the road. Some argue that the new taxable properties in the Oak Hill District will more than cover interest and amortization charges for money spent up in this area for the school, sewer and road."

"It is expected that within this month the Aldermen will call a hearing on this petition and that the residents will be given the opportunity to appear in its behalf. It is not an entirely too happy arrangement to have a 'one-way approach' to the school. Besides it is a distinct inconvenience to children coming from other parts of the District who would have to travel several times as far to get to the school. It is a big disappointment to the residents that this lovely school should be so inaccessible because of insufficient approaches to it. A road to Parker st. would make the school several minutes closer to a first station should any emergency develop and would open up the area which the Planning Board has so enthusiastically endorsed and which awaits this road before it can become a reality."

The officers and directors of the Oak Hill Improvement Association held their regular monthly meeting on Tuesday at the home of Charles R. Davis, and the petition for the new road was endorsed. Vigorous action before the Aldermen is planned. Norman Hall was chosen chairman of a committee to study ways to eliminate the mosquito nuisance. Albert Hasenfus was appointed chairman of the bus committee. Residents attending the meeting were indignant over the increased operations at the plant of the Highland Sand & Gravel Company, under the protection of injunctions issued against the city.

## Newton Health Report For April

The report of the Newton Health Department for April shows that 61 persons died in this city during that month—21 males and 40 females. The death rate for the month was 10.61. Among the causes of death were: influenza, 1; pneumonia, 1; cancer, 12; diabetes, 2; cerebral hemorrhage, 7; heart diseases, 17; arteriosclerosis, 5; pneumonia, 5; appendicitis, 2; nephritis, 3; automobile accident, 1; encephalomyelitis, 1. Communicable diseases reported during April included—scarlet fever 26 cases, measles 20, mumps 60, lobar pneumonia 14, whooping cough 76, chickenpox 47, pulmonary T. B. 3, gonorrhea 5, syphilis 7.

## Annual Meeting of Chamber of Comm.

The annual meeting of the Newton Chamber of Commerce will be held on May 20 at 6:30 p. m. at the Brae Burn Club. The speaker of the evening will be Clyde S. Casady whose subject will be "Savings Bank Life Insurance."

## Hunnewell Club Honors Secretary Mason H. Stone

Had Held Office 25 Years—Dr. Loveland New President

Mason H. Stone, secretary of the Hunnewell Club of Newton for the past twenty-five years, was honored at the annual meeting of the club on Monday evening. He was presented with a beautiful silver vase and a framed copy of resolutions unanimously adopted by the members of the club expressing their appreciation for his services. During the quarter century he has served as secretary he maintained a perfect record of attendance at every meeting of the executive committee as well as at annual and other meetings of the club. The vase was suitably inscribed and noting this perfect record.

President Elmer L. Ford, was the toastmaster following a Seder dinner, introducing various committee chairmen for the presentation of reports. Edward O. Loring, chairman of the nominating committee made the presentation to Mr. Stone. He stated that that committee had received a letter from the secretary indicating his wishes that he not be considered for the position as secretary. With brief and appropriate remarks Mr. Loring expressed the gratitude for the club for Mr. Stone's services and perfect record.

Dr. Sterling N. Loveland was elected president of the club, succeeding Mr. Ford who has served for the past two years. Leon F. Brockway succeeded Dr. Loveland as vice-president. Walter L. Phillips was elected secretary and Harry L. Dexter was re-elected treasurer. Dr. Harold W. Shedd, Leewood H. Jones, Clayton L. Holden, and Henry C. Jones, Jr., were elected directors for two years. Gordon B. Russell was named chairman of the membership committee. The committee consisted of Malcolm P. Ball, Everett C. Cross, Donald L. Gibbs, and Carlos T. Pierce. The auditing committee is F. Clifton Bassett, chairman and George L. Horton, and Henry B. Nickerson.

President Ford expressed his appreciation for the services of Mr. Stone and also of Mr. Dexter who has served as treasurer for the past nine years. Mr. Dexter was elected an honorary member of the club in recognition of his services.

Before the meeting was adjourned President Ford stated that nearly two thousand dollars has been pledged in response to an appeal for funds to be used in paying off an obligation of several years standing. He stated that the clearing off of this indebtedness had been his major objective since elected as an officer of the club and that when paid off would result in a substantial savings to the club in interest charges and would be a great step in maintaining the financial soundness of the club. The additional funds necessary to reach the goal were promptly pledged by the members in attendance.

Reports of the various committees were given by the various chairmen or by a member in the absence of the chairman as follows: House, Dr. Loveland; Billiards, Thomas F. Murray; Membership, Howard M. Rich; Bridge, Malcolm D. Clarke; Tennis, C. B. D. Man, 2nd; and Entertainment, Donald L. Gibbs.

## Drop Charges Against Strikers

Four girls who went out on strike at the Futurity Thread Mill Chapel st., Nonantum, a few weeks ago, were arraigned in the Newton court on Monday charged with assaults on three girls who refused to strike. Inspector King, who was to have prosecuted the defendants, stated that the strike had been settled, and asked that the charges be dropped. This action was taken by Judge Allen in the cases of Rose Mula dn Angela Cannavino of Waltham, and Olympia Marocco of West st., Newton. The fourth defendant, Frances Murphy of Church Hill, Watertown, was under 17, so the charge against her was dismissed. The girls alleged assaulted were Julia Proia, Irene Filosa and Mary Celecni of Nonantum.

## Will Get Data On Catch Basins

A new project has been devised to give employment to "white collar" WPA workers in Newton. They will make a survey of catch-basins, manholes and house sewer connections in this city, place a metal disk on the nearest telephone or Edison pole, when necessary, and make a card index for the benefit of the street department. There are several hundred manholes and catch-basins in this city, and about 15,000 house sewer connections. The city will appropriate \$200 for supplies for this project.

## New Automobiles For Police Dept.

On Wednesday Chief Hughes of the Newton police department, with the approval of Mayor Childs, contracted with the Newton Motor Sales Company of Newtonville for nine Ford V8 coaches, a new ambulance and a new patrol wagon. The coaches will be of 35 horse-power model with special clutches and rear ends for added speed. They will be used for cruising duty and will replace cars now in use, which will be traded in. It is expected the new cars will be delivered in about a week.

The ambulance and patrol wagon will have 131 inch Ford chassis, and bodies made by Keene of Malden. These will not be ready for several weeks.

## Found Not Guilty Of Striking Woman

John Donovan of Oakland st., Newton, was found not guilty by Judge Murray in the Newton court on last Friday of assault and battery on Sadie Marsh of Exmoor rd., Newton Centre. The woman testified that while she and another woman were seated in George's Cafe at 291 Centre st., on April 30, Donovan called her a vile name, and then hit her, breaking her nose. Donovan testified that the Marsh woman started the altercation by insulting him, and that she then hit him. He said in defending himself, he only pushed her away from him. He also said she offered to settle the case for \$100. Judge Murray decided that the woman was the aggressor.

## More Persons Bitten By Dogs

Four complaints were made to Newton police last Thursday about dogs which had bitten persons. A dog owned by Clinton Colester of 41 Terrace avenue, Newton Highlands, bit Susie Pynchon of 39 Terrace avenue. A dog owned by Kenneth Dow of 11 Rockledge road, Newton Highlands, bit Alphonse Mayette of 1586 Centre st. A dog owned by Joseph Gordino, 54 Allen avenue, Waban, bit Charles Duffy of 1139 Carpenter st. A dog owned by Albert Carpenter, 42 Tyler ter., Newton Centre, bit Samuel Brown of 544 Ward st., as the boy was riding his bicycle. This dog bit another boy who was riding a bicycle on the same street several weeks ago.

## Ignore Traffic Light, Fined \$5

Several months ago a traffic signal was installed at Washington and Adams sts., Newton, to protect pedestrians crossing Washington st. at that place. A number of fatal accidents in recent years, the victims having been, mostly, persons going to or coming from Our Lady's Church, caused the installation of the signal. Many motorists have been ignoring the red and yellow lights when they have been operating. Patrolman Albert Smith has for months been doing good work in apprehending motorists who ignored the signal and had many summoned into the Newton court. Some of these were fined—others were not. On Wednesday Patrolman Smith was the complainant against eight motorists. Those fined \$5 each by Judge Allen for not obeying the signal included—William Quigley, Hillside ave., West Newton; Clara Jaynes, 76 Prince st., West Newton; Walter Cram, Hall ave., Watertown; James McDonald, Beaver st., Framingham. Motorists fined \$5 each for not slowing down at the dangerous intersection were—Ruth Elliot, Horton House, Wellesley College; William Nichols, Wood ave., Waltham; Donald Davidson, Harvard College.

## The Arctic Circle Meets May 17

The annual get-together of the "Arctic Circle" will be held on Monday evening, May 17, at the Presentation Club House, Tremont st., Brighton. The aim of this group is to aid St. Mary's Mission at Alcatraz, Alaska, where for many years Mother Mary, O. S. U., was stationed. Mother Mary was formerly a member of St. Bernard's parish, West Newton. Besides the Alaska mission, other missions are benefited by the work of the Arctic Circle, whose members include a number of Newton women. The public is invited to attend the get-together, which starts at 7:45 p. m.

**Need Mortgage Money?**

Merchants Co-operative Bank  
24 School Street, Boston, Mass.

## Police Stopping All Night Parking

For the past week Newton police have been waging a campaign against automobile owners who use public streets for private garages. This action on the part of the police resulted from a criticism made in the report of the Finance Committee of the Board of Aldermen which was distributed to members of the Board at the meeting on May 3. One paragraph of the report reads:

"Last year we called attention to all-night parking in the streets all over the city which not only is prohibited by law, but is a dangerous practice and interferes with their proper cleaning and during the winter with snow removal and sanding." The committee stated in its report, "This is an abuse that should be stopped at once and for which we hold the chief accountable."

Some time ago the Board of Aldermen passed an ordinance which limited parking on streets in Newton to one hour between the hours of 2 a. m. and 6 a. m., but this ordinance had not been enforced. There were several reasons for the passing of the ordinance. During the winters preceding the past winter, much difficulty was experienced in plowing snow off streets because of cars parked all night on highways. The use of streets for garages also interferes with the operation of street sweepers, which are used nights. Most automobiles which have been parked all night on streets have not been lighted, and constitute hazards, especially on rainy nights.

In the horse and buggy days, streets were not used for stables. It is contended, and rightly, that they should not be used as private garages. Garage space for a car can be had in most sections for about \$5 per month. Portable garages can be purchased for about the same amount, on extended monthly payments.

## West Newton Man Fatally Burned

Henry DeWolfe, 68, of 54 Taft ave., West Newton, was fatally burned last Friday when a stove in the galley of the yacht, "Mariette," flared up and caused a fire. The yacht, owned by Jacob Brown, a Boston wool merchant, was being conditioned at the Quincy dry dock. DeWolfe, who had been employed by Mr. Brown for 35 years on yachts, was in the galley when the fire broke out. Three other members of the crew, including Fred DeWolfe of California st., Nonantum, a brother of the dead man, were also burned. Mr. DeWolfe died at the Quincy Hospital several hours after having been taken there. He was born at Arichat, Nova Scotia and had lived in Newton for about 50 years. He followed the sea since boyhood, being employed as a deep sea fisherman before working on yachts.

He is survived by his widow, Mrs. Jennie (DeYoung) de Wolfe; four daughters, Mrs. Lillian Clark and Miss Bertha DeWolfe of West Newton; Mrs. Stella LaRoche of Watertown; and Mrs. Elta LaBlanc of Waltham; and four sons, Arthur and Clarence DeWolfe of Waltham, Raymond DeWolfe of Needham and Clifford DeWolfe of West Newton. Mr. DeWolfe's funeral service was held on Monday at St. Bernard's Church. Burial was in Calvary Cemetery.

## Start Work On Commonwealth Av

Work on the resurfacing of Commonwealth ave. from Lake st. at the Brighton line on Centre st., Newton Centre, was started on Tuesday. The project will cost about \$70,000 and will be performed by employees of the Newton Street Department. The cost will be borne by the city, State and county. The wide roadway only will be resurfaced and the work will take several months. While it is in progress traffic will be detoured to the north roadway, and through nearby streets.

## Playground Comm. Recommends Two New Positions

At a meeting of the Playground Commission on Tuesday night, the matter of creating a new office, that of assistant superintendent, was discussed. The creation of this office was recently recommended by the Finance Committee of the Board of Aldermen, when this year's budget was passed. Apart from the office force and men engaged in maintenance work, there have been no full time employees in the Playground Department. The aldermen recommended the appointment of a full time assistant to Supt. Hermann because the latter is only a part time official, and it was also deemed advisable to have someone thoroughly acquainted with the work, when the Superintendent may at some future time retire. The members of the Commission on Tuesday night decided it is inadvisable at this time to appoint an assistant superintendent.

Instead, the Commission voted to recommend the creation of two new positions in the Playground Department—that of director of community centre activities, and director of boys' activities. To the former position Mrs. Ragna Hovgaard would be appointed. To the latter office, Leo Hughes would be appointed. Mrs. Hovgaard is the wife of Arthur Hovgaard and lives at Terrace avenue, Newton Highlands. Leo Hughes resides at 131 Cabot st., Newton. If the Mayor and Board of Aldermen approve, the two new positions will be established.

The commission voted to have a survey made to determine the most practical and desirable approach to the new Cold Spring playground at Newton Highlands. The planned approach was from Dunklee street and Beverly road, but because of protests from residents of those streets, lead by Representative Clarence Luitwiler, approaches from Beacon street and Plymouth road are being considered. The approach from Beacon st. will necessitate the construction of a street about a half mile long. The City Engineer states that because of the depth of the boggy land over which some of this proposed road would have to be built, the cost will be very high.

## Charged With Stealing Rug

Edwin K. Hosmer of Waltham was arrested on Monday by Boston police charged with stealing a rug from Mrs. Martha Tufts of 169 Washington st., Newton. The rug was recovered by Boston police at a cottage occupied by Hosmer in Weyland when the police went to the place searching for loot.

## Charged With Drunken Driving

Earl B. White of 415 Parker st., Newton Centre was arrested early last Monday morning by Patrolmen Charlton and McKenna on charges of drunkenness and driving while under the influence of liquor. His case will be tried on May 19.

## A PERFECT RECORD

Few officers of any organization serve continuously for twenty-five years. In itself this is a rare distinction, but when added to that is a perfect record of attendance at meetings of the organization or its executive committee, the achievement of Mason H. Stone, secretary of the Hunnewell Club, a local social organization, deserves recognition. Mr. Stone was honored by his fellow club members this week in a fitting manner. This social organization has been a helpful influence upon the part of the community during its long existence and it is to citizens and members such as Mr. Stone that Newton owes much in the promotion of civic pride and welfare.

## FIFTY YEARS OF PROGRESS

Fifty years ago this month Micheal Anagnos founded the Perkins Kindergarten for the Blind. In the past half century that institution has filled an important part in the welfare of this state. More than twelve hundred unfortunate children have been materially benefitted by the advancement in care of the blind and those whose eyesight is markedly defective. Whereas the kindergarten opened with but a few pupils in small quarters, today there are six grades of instruction with far greater facilities than the founder ever dreamed possible. The continuation and expansion of the program dealing with this aspect of society demand the support of all.

## WELFARE COSTS DECREASE

It is gratifying to note the decrease in welfare costs to the city. While much of this decrease can be definitely traced to the resumption of outdoor work on lawns and gardens, there is further indication that numerous persons are finding permanent employment. A continuation of this trend will be of inestimable benefit both to the former recipients of welfare aid as well as to the city as a whole.

## Newtonville Improvement Association Meeting

The annual meeting of the Newtonville Improvement Association will be held at 8 p. m. Thursday, May 20th, at the Central Congregational Church, Walnut st.

Reports of the officers of the Association for the past year will be made and officers and executive committee of the coming year will be elected.

The speaker of the evening will be Mr. Lawrence D. Fletcher, executive secretary of the trustees of public reservations, who will speak on "How the Scenic and Historic Places of Massachusetts are being Preserved." This will be illustrated by lantern slides and by colored motion pictures.

Refreshments will be served after the meeting. All residents of Newtonville are invited whether or not they are members of the association.

## Queen Esther Society Holds Mother-Daughter Banquet

The Queen Esther Society of the First M. E. Church held a Mother and Daughter Banquet on Tuesday at 6:30 p. m. The tables were prettily decorated with spring flowers. Seventy guests and members enjoyed the banquet which was served by members of the Queen Esther Society. The programme opened with singing led by Miss Elizabeth Wildman.

Miss Ruth Newey, president, extended words of welcome to the assembled guests. Mrs. G. Vaughn Shedd brought greetings from the Church Organizations. Mrs. Priscilla Newcomb gave the toast to mothers which was responded to by Mrs. C. E. Stata with a toast to the daughters. Mrs. Walter R. Evans, counselor of the Queen Esthers, spoke words of greeting.

Miss Elizabeth Wildman gave a novelty number entitled "Little Old Woman" which included a solo, and a presentation of a bunch of violets to the choir member, Mrs. James McNeally.

Mrs. Iva Selby of Newton was the guest speaker of the evening choosing as her topic, "Mother, Her Place and Power in the World." Miss Newey presented Mrs. Selby a bouquet of spring flowers in appreciation of her wonderful talk.

Mrs. Slaney, mother of Mrs. Albert Proctor, was presented a corsage bouquet of roses in honor of being the oldest mother present. The program closed with community singing by the members and guests.

## Newton Citizens Club

The Newton Citizens' Club held a regular meeting on May 6. A bowling team of 32 players was organized and regular games will be played every Sunday. Among projects favored by the club are a community house at the Hawthorn street playground and the extending of Adams st. from Watertown st. to Linwood ave.

## Girl Scouts

The spring get-together of the Newton Village Girl Scout Women will be held on Thursday, May 13, at 3 o'clock at the home of the Village chairman, Mrs. Arthur W. Weston, 15 Blackstone ter., Newton. This meeting is held for the purpose of planning next year's troops and activities.

## W. C. T. U.

The West Newton W. C. T. U. will hold their regular meeting in the chapel of the Congregational Church in Auburndale on next Monday evening at 7:45. The speaker will be Miss Mary N. Root who will take as her subject "The W. C. T. U. in other Lands."

## LASELL JUNIOR COLLEGE

An informal recital by Miss Goodrich's pupils in voice was given yesterday afternoon in the parlors at Bragdon.

On Friday a Trustees' meeting and dinner at the college will precede the Lasell Night at the Symphony Hall Pops, when the Lasell Orphean Club of 180 voices will sing under the direction of Mr. George Sawyer Dunham.

The Sunday Vesper service will consist of music by the choir of the Waltham Union Church, conducted by Mr. Harold Schwab.

Over one hundred students who have met the requirements for crew practice are on the river afternoons paddling and learning to manage the large canoes preparatory for the races scheduled for June 2.

## Kiwanis Club

The Newton Kiwanis Club met this week on Monday in an interclub meeting with the Allston-Brighton Club at the Hotel Kenmore, Boston.

The two clubs were entertained with talking pictures as produced by the New England Telephone & Telegraph Co. These pictures gave a fine illustration of early telephone experiments as pioneered by Alexander Graham Bell and later developments such as the operation of the Ultra Short Wave Radio Telephone Transmission System linking the various parts of Cape Cod and Boston, also the busy New York Telephone Exchange connecting all the important centers of the world. Interesting assembly shots portrayed the importance of the hundreds of little items that go to make up our modern telephone.

Tom Wall, President of the Allston-Brighton Club and a former member of the Newton Club, presided and had as his guests: International Trustee Jim Gallagher of the Newton Club, Lieutenant Gov. Bill Hall of the Allston-Brighton Club, Presidents Woody Woodward of the Waltham Club and Bill White of the Newton Club.

## To Present "Iolanthe" At Newton Centre Tonight

Glistening, silvery fairies and velvet clad gorgeous Peers of the realm will parade the stage of the Newton Centre Women's Club on the evening of Friday, May 14th, when the charming Gilbert and Sullivan opera "Iolanthe" will be presented by the famous little band of players known as the Children's Singing Guild, Inc., of Newton.

A large cast of some fifty boys and girls, all between the ages of five and thirteen, are putting the last touches on their lines and dances, costumes and crowns are being furnished up, fond mothers are anxiously hovering backstage, as their small stars rehearse, and the rest of the village children are waiting with eagerness to see and hear this most tuneful performance.

The Singing Guild has already presented Pinafore and Mikado, and this bids fair to equal, if not to excel previous operas offered by these little singers. As last season, this performance is to benefit the J. W. Wilbur Health Home, in Natik, for undernourished and anemic little girls. Children are sent to this home by physicians from the New England states, and cared for and built up to normal before being returned to their homes and parents. The home is wholly unendowed and the Children's Guild feel they have selected a very worthy charity.

Several parties are being arranged to come in from some distance, the singing being from Southboro, Woodbury, and the Mikado presentation, spectators came from Maine, Springfield, New Bedford, Southboro, and other far-off points.

## Middlesex South Medical Society Elects Officers

At the annual meeting of the Middlesex South District Medical Society this week Dr. Edward Mellus of Newton was re-elected treasurer for a nineteenth term. Councilors elected in District 5 comprising Newton and Brighton were Drs. Hartley W. Thayer, Edward Mellus, William D. Reid, George F. H. Bowers, Franklin P. Lowry, Edward J. O'Brien, H. Quinn, Gallupe, Edward J. Sawyer, Elliott S. A. Robinson, Monroe J. Schlesinger, Harold Giddings, Henry Godfrey and Max Ritvo. The last three named are newly elected to this office. City Physician Alvah C. Cummings was elected to the auditing committee. Dr. Thayer of Newtonville was one of seven members of the nominating committee.

## RUSSELL STUDENTS IN CONCERT

The Belleville Trio, a vocal ensemble of three attractive young women, all pupils of Mrs. Florence Wood Russell, presented a very delightful recital in the large drawing room of No. 1 Arlington st. in Boston, on Tuesday evening, before an audience of club women and other invited guests. The members of the trio are Ethel Watson of Malden, Rosemary McLaughlin of Brookline and Sylvia Russell of Boston. The recital was assisted by Elizabeth Bufford, pianist, of Newton Highlands and William McAlpine, baritone, of Newton Centre. Mrs. Russell, who arranged much of the music for the trio, acted as accompanist.

## Newton Upper Falls

—Rev. G. Vaughn Shedd of the M. E. Church is attending the New England Conference at Gardner this week.

—Mrs. C. R. Brown and daughter Doris of Linden st. have returned from a week's visit to Atlantic City. N. J.

—Mrs. Marian Cedergren of Indiana ter. entertained the members of the Vincent Club at her home on Wednesday evening.

—Mrs. Noyes Meara of Saco, Me., is the guest of her daughter and son-in-law, Mr. and Mrs. Walter Martin of Chestnut st.

—The Lockheart Class of the M. E. Church met at the home of the leader, Miss Lucy Locke of Neholoid rd., on Monday evening.

—Miss Helen Oldfield of 984 Chestnut st. has been chosen as secretary-treasurer of the Girl Scout Club of Simmons College.

—The Newton Upper Falls Garden Club met at the home of the president, Mrs. Raymond Capobianco of Thurston rd. on Wednesday evening.

## Recent Weddings

FRENCH—MURPHY

Miss Helen Jane Murphy, daughter of Mr. and Mrs. Neil Henry Murphy of 48 Pettie st., Newton Upper Falls, and Edgar Reginald French, son of Mr. and Mrs. Leslie A. French of 12 Grover st., Walpole, were married at the rectory of the Mary Immaculate of Lourdes Church on Saturday evening, May 8, at seven o'clock.

The bride wore a gown of white silk crepe with tulle veil trimmed with lace and a coronet of pearls and carried a bouquet of bride's roses.

The bride was attended by her sister, Miss Rita Murphy who wore a gown of peach lace over tulle trimmed with aquamarine velvet with tulle head dress and wreath of aquamarine roses and carried a bouquet of spring flowers.

The groom attended by Richard Buck of Walpole as best man. A reception followed the ceremony at the home of the bride.

Following a wedding trip to Callender, Ontario, Mr. and Mrs. French will reside in Walpole.

RITCEY—GALLAGHER

Miss Edith Theresa Gallagher, daughter of Mrs. Hugh Gallagher of 35 Woodbine terrace, Auburndale, was married to Harry Lester Ritcey, son of Mr. and Mrs. Ernest Ritcey of 221 Waltham st., West Newton, on Sunday afternoon, May 9, in Corpus Christi Church, Auburndale. Rev. Ralph J. Clark performed the ceremony.

The bride wore a travelling suit of blue and white with a corsage of tall roses. Miss Sophie Kucap of Hasting-on-the-Hudson, New York who was her only attendant, wore a beige and brown dress and a corsage of red roses. Hugh T. Gallagher, brother of the bride, was the best man.

A reception was held at the home of the bride's mother. On their return from a wedding trip Mr. and Mrs. Ritcey will reside in Waltham.

SPENCE—GRANT

Mr. and Mrs. Frank M. Grant of 402 Newtonville avenue, Newtonville, have announced the marriage of their daughter, Miss Jane Grant, to Leonard Hubert Spence, son of Mrs. D. J. H. Spence of British Guiana, which took place on May 3 at Kansas City, Missouri.

## Assault Policeman, Get Jail Sentence

Phillip Foley, of 44 Langley rd., Newton Centre, and Walter Henriks of 22 Lyman st., Newton Centre, each received sentences of 10 days in Middlesex County prison, and suspended sentences of 30 days when they were found guilty in the Newton court on Monday of drunkenness and assaulting Patrolman McCormick. The policeman testified that he had been called to the Newton Centre playground by the director there, and found the defendants and two other men drunk. He said that as he was placing them under arrest, Henriks attempted to strike him, and Foley did strike him on the face, causing a black eye.

## W. Newton Youth Badly Cut In Fall

Clayton Hanna, 22, of 64 Greenwood st., West Newton, received bad cuts on his face and neck on Saturday morning when he fell through a window at the bathroom in his home. He lost much blood before he was taken to the Newton Hospital in the police ambulance about 7:30. Hanna was about to turn on the water in the bathtub when he became faint and fell, his head going through the window.

## "Look For Yourself In The Movies" Contest Starts

Have you ever seen yourself on the "Movie Screen"? Have you ever seen yourself as others see you? As you go along through your everyday duties and routines, chances are 20 to 1 that you have never given the slightest thought to the wonderment as to how you appear to others. Every one has to themselves their own separate mannerisms. Do you walk with your hands in your pockets, or by your sides? If you are a woman, how do you carry your pocketbook or your umbrella? Best of all — how would you actually like to see for yourself, your own moving picture on the screen of the Paramount Theatre in Newton?

During the next two weeks a genuine Movie Picture man is taking pictures of the people in and about the city of Newton. Then, during the weeks beginning May 23rd and June 6th, these pictures are to be shown at each performance in the Paramount Theatre. In addition to seeing yourself on the screen on each change of the regular screen program there will be two "Lucky Circle" winners in the pictures. The persons who are lucky to be within these "Lucky Circles" will be awarded valuable prizes upon identification of themselves, offered by the following Newton merchants who with the management of the Paramount Theatre are sponsoring this novel "You're in the Movies Now" Contest:

Hubbard Drug, 425 Centre st.; Marion's Shoppe, 301 Centre st.; Newton Auto Sales of Packard cars, 330 Washington st.; "The Paint Shop" 288 Centre st.; Dunham Chevrolet Co., 431 Washington st., and the Curtis & Pope Lumber Co., 50 Crafts st.

For further particulars regarding this contest contact the Paramount Theatre in Newton, or ask the cameraman who takes your picture on the street.

62 YEARS AGO

Newton Republican, May 22, 1875  
Barnum's balloon passed over Eliot Church and Mount Ida on Tuesday on its way to Rhode Island.

The society connected with the Methodist Church at Newtonville has inaugurated the plan of free seats after this date.

We call attention to the notice of the Superintendent of Public Schools. He has moved to Newtonville, near the depot, so as to be as accessible as possible to all desiring to see him.

Saturday morning between 9 and 10 there was a singular explosion, seemingly like thunder, accompanied with a tremor of the ground. It was raining at the time and many people thought it was a thunder storm, but it proved to be an earthquake. In some places the shock must have been quite severe.

In the police court on Tuesday Timothy Feeley was fined for having an unlicensed dog.

The Water Commissioners appointed to study the various sources from which Newton may be supplied with water for domestic and fire protection purposes have made the following report:—"Three sources of supply present themselves for consideration: 1. The waters of the various ponds of the city with the streams running into them, brought together by a system which would combine the whole for use. 2. A supply from the works of some other municipality, either Boston, Brookline or Waltham. 3. An independent supply from the Charles River."

"There is not a supply of water to be derived from the first source sufficient for the prospective wants of the city, and it would be unwise to build a system of works founded upon so limited a supply. In this connection, however, we view with apprehension any attempt to obtain the right to use the waters of Newton by persons outside its limits for purposes of private gain and profit, and while we do not consider them as sufficient as a water supply for the city, they are of great benefit to the city, and a desperate encroachment upon them. Hammond Pond, in particular, because of its elevation, may be used at some future time for the purpose of flushing sewers."

"With reference to obtaining water from the works of some other city or town, in coming to the conclusion that it is not advisable, we have not overlooked the arguments in favor of Boston having one conduit, and in about 3 years expects to have another, running the entire length of our city. It is true that both Waltham and Brookline have obtained a supply of water from galleries constructed along the banks of the Charles River, unsurpassed in purity, and abundant for our present supply at least, in addition to their own. From the supply at Waltham only that part of this city on a level with the Boston & Albany railroad could be obtained. In order to supply all of Newton either from Waltham or Brookline, it would be necessary for Newton to establish an independent reservoir and pumping station, and to lay the same system of piping that would be required were an independent system used and finally to pay regularly for the water used. Similar conditions would exist were the water taken from the Boston conduits."

"We already have the authority to take our water by independent works from the Charles River. It cannot be supposed that if we abandon this right and seek for authority to participate in the water supply of other places, we shall be left on as favorable and independent a footing. By the statute of 1872 Newton has the right to take water from the Charles River at any point within its territory not exceeding one and a half million gallons a day. Charles River is the natural supply for Newton, the supply is abundant, the quality of the water such that it received the recommendation of the Medical Commission appointed by Boston in 1874 in preference to all sources taken by that city."

50 YEARS AGO

Newton Graphic, May 14, 1887  
The visit of the royal Hawaiians to Newton drew a large crowd to the depot Wednesday noon. They arrived on the 12:38 train from Wellesley where the party had spent the morning visiting the college. Carriages were in waiting and the party was taken to the residence of G. D. Gilman on Baldwin street where lunch was served. An hour afterwards the party took carriages and drove to Waltham. Queen Kapolani attracted the most attention, of course, and she received the stares of the crowd good-naturedly, waving her handkerchief and smiling at the school children who surrounded the depot. She was dressed in black with the exception of the yellow lei about her neck. Princess Lilinokalani was dressed in black and attracted less attention. At the Gilman home a portrait of King Kalakaua occupied a conspicuous place beneath a royal wreath of yellow feathers given to Mr. Gilman by the royal family. Mr. Gilman spent 20 years in the Hawaiian Islands, going there as a youth and being a great favorite of the royal family. Mr. and Mrs. Gilman have been spending the week at the Parker House, Boston, with their royal friends, and the visit was only to show them their home, and also as a convenient stopping place on the way to Waltham, where the party wanted to visit the watch factory.

Edward H.

## Powers' Paragraphs

The newspapers have had plenty of first page copy the past week. In addition to news of preparations for the coronation festivities at London, the slaughter of the Basques, and the reunion of the Duke of Windsor and Mrs. Wallis Warfield Simpson, the tragic end of the super airship "Hindenburg" diverted attention for several days from the social and political amenities and animosities overseas. The English are putting on a great show, as a necessary pageant—or drama, to help assure the continuance of the British Empire. The former King and the former Mrs. Simpson are providing heart throbs for the romantically inclined.

The destruction of the pride of the Zeppelin factory was not a surprise to many. They are surprised that it did not occur before. The skill of the German who have been navigating the big airship, frequently saved it from the fury of the elements. But, you can't depend on hydrogen gas indefinitely, any more than you can on nitroglycerin or dynamite. Man is a smart animal, but his element is on the earth and not in the air.

Talking about the destruction of the "Hindenburg," citizens of the U. S. A. should feel quite ashamed and guilty after the castigation they received from the man with the super intellect—Boake Carter. The man who knows so much about so many things asserted that the U. S. A. is responsible for the loss of the "Hindenburg" because this country would not supply Germany with helium gas for its huge Zeppelins. This country is fortunate in possessing a large supply of natural gas in Texas from which helium gas is extracted. Although there is a big quantity of the gas under part of Texas the supply is not inexhaustible. According to oracle Boake Carter, the U. S. A. is very selfish in conserving helium for its own future needs. We should share it with Germany so that the militant overseas country can proceed to build and operate more Zeppelins. And then in the future, Germany in some future war, would have developed a fleet of Zepps, some of which might be sent over (filled with hydrogen, if helium were not available) to strafe New York and Boston, even as London was bombed during the World War.

Isn't it fortunate that Boake Carter immigrated to the U. S. A. to tell this country how it should be conducted and what its people should do. We admit we are prejudiced against Mr. Carter. We are one of those persons with limited intellects who are influenced by first impressions. A couple of years ago, or less, on the station our radio set was tuned to, came a broadcast by some commentator. His enunciation was so pompous, and seemingly (to us) affectedly staccato, that we at once tuned off without learning his identity. And, anytime after when we heard him on the radio, we tuned off that station. Apparently, many approved of Mr. Carter's radio comments, because he was given a lucrative contract by a syndicate of newspapers, including a Bos-

ton newspaper we read. We had to inquire, "Who is this Boake Carter?" And we learned he is the radio celebrity we disliked. Probably, if we broadcast over some local radio, there would be many who would tune off as soon as they heard our voice; even if we don't affect staccato enunciation.

The little, scraggly Judas tree on the B. & A. embankment near the Centre Avenue Bridge is again presenting its annual display of beautiful rose-colored blossoms.

Do you believe in the Golden Rule? If so, do you practice it? Most of you do not work on Saturday afternoons. Some of you have that afternoon, and other afternoons, not to mention days, for rest and recreation. Men and women employed in markets, grocery stores and fruit stores must work all day on Saturdays. They must work longer hours on other days than do most of us. A movement has been started in this city to accomplish what has been the custom for years in many cities and towns—have retail stores closed Wednesday afternoons the year around. Last Wednesday afternoon most markets, grocery and fruit stores in the Newtons, as well as some other stores, were closed. A few food stores kept open. If you are unselfish enough to accord to others some of the advantages you enjoy, order your provisions, groceries or fruit on Tuesdays or Wednesday mornings. Cooperate with the stores which are showing consideration for their employees.

In connection with the current inspection of automobiles, Registrar Goodwin has ordered that headlights on automobiles must not be operated on the drop beam; headlights must be used on the high beam only. The reason given is—that autoists who use the drop beam, cannot see pedestrians on highways. As one who does considerable night driving, we differ from Mr. Goodwin. For the past few years, since bulbs of higher candlepower have been used in headlights, they cause so much glare, that unless one uses the drop beam when approaching another car, the glare from your headlights, unless they are accurately adjusted, blinds the driver of the car coming toward you. A large percentage of headlights are not correctly adjusted. If Mr. Goodwin drove nights, he would realize this. When he resumed the office of Registrar a couple of years ago, he announced that he would issue a ruling which would eliminate the use of 32 candlepower bulbs in headlights, and cause a return to 21 candlepower bulbs. He did not do so. Had he taken this action, there would be fewer accidents on highways at night, and fewer pedestrians killed. Some automobiles have headlights equipped with bulbs of more than 32 candlepower. If manufacturers of light bulbs would again make bulbs of 21 candlepower, they would sell millions of this type as they use much less current. Incidentally, many autoists are violating the law by operating on road-lights instead of head lights.

## ONE THING AND ANOTHER

By L. D. G. BENTLEY

### All Set For Summer

The screens are in, the moths are conducting an intensive campaign and seem determined to "fight along these lines if it takes all Summer," the lawn has had a hair-cut, shampoo, massage and a couple of shaves, the garden is all ready for the neighbors' children to trample, blossoming fruit trees are with expectation the hearts of robins and small boys, straw hats and summer wardrobes are being overhauled to see if they can stand another season, some people are planning to "get away as soon as school closes" and others wish they could but can't see how to do it; everybody wonders what next to expect from Washington and nobody knows where the country is headed.

### Suppressing the Good News

Readjustment of labor arrangements in a "white collar" occupation, heretofore noted for long hours, has brought about a five-day week. Employees are finding it difficult to adjust themselves. They can't quite seem to get used to it. Recently one of the veteran workers was observed by one of his bosses, walking on the street near his place of business on the very first "extra" day. "Hey," called the big chief, "aren't you on a five-day week?" "Sure," was the grinning reply. "Well, what are you doing around here?"

"Hush," said the other, "I haven't told my wife, she wants me to paint the kitchen."

### Liked by All Generations

Outstanding characteristics make the audience at any performance of a Gilbert and Sullivan opera distinct from any other. Here are assembled, at least in the majority of cases, earnest admirers of the famous composer and librettist. As "fans" they are as enthusiastic as those who throng the baseball parks, although their numbers are by no means as great.

If you have a notion that these operas appeal only to the oldeststers then dismiss it. Youngsters, if they won't mind that word, are there in throngs. Many of them are undergraduates. Sometimes, even at the night performances, you will find parents with their young children all absorbed and getting an abundance of

fun and enjoyment. That to me, is a heartening sign and shows that the right kind of entertainment, prepared by master minds and executed by the best talent, will last for generations. It is plain that many of the audience know the music and the dialogue nearly as well as some of the performers. This has proved to be a matter of tradition. Year after year they will go to see an opera they have witnessed many times before and the delight is fully as keen. There are among the number of old-time Gilbert and Sullivan "fans" those who applaud everything without discrimination and who demand encore after encore regardless of the tasks they are imposing on the actors. Notwithstanding the presence of those who can't seem to get enough of a good thing I find a Gilbert and Sullivan audience almost as interesting as the production.

### Rugged Individualism

During the warmest days of Spring, like those of the early part of this month, some brave male citizen will appear on the street wearing as headgear a straw hat. It isn't always a new one because it is worn before the stores have displayed straw hats for sale. Constituted as we are you'll admit that it takes courage for a man to go into a hat store and ask for a straw hat when there are none in sight.

It happened that May 4 I met in the State House a substantial citizen who inquired of me the location of one of the offices. After I had volunteered to conduct him there we chatted. In a brief moment I said, "You're likely to get your name in the paper for wearing a straw hat so early in the season."

"Wouldn't bother me a bit," he replied. "I felt that a straw hat would be about right for this kind of a day so I went in the store and asked for one. The clerk had to go down cellar to get it. The price was plenty high but the hat's a good one and I don't care what anybody thinks."

### Too Much To Expect

Of course there is only one reason that all of us are not to receive honorary degrees from some institution of learning this June and that is because there are not enough to go round.

### RECENT DEATHS

#### JOHN H. KEMPTON

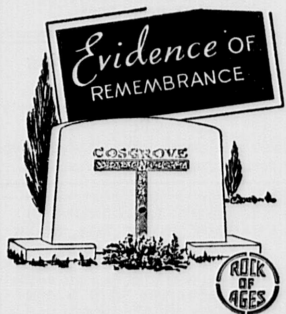

John H. Kempton, 19, of 126 Parmenter rd., West Newton, died on May 9 at the Waltham Hospital. Last November, while he was at work in the Waltham Watch factory, he was terribly burned. He had since made a long fight for recovery, but despite skin graftings and blood transfusions, succumbed on Sunday. He is survived by his parents, John and Catherine (Bergin) Kempton, and by two sisters, Ruth and Jean Kempton. His funeral service was held on Wednesday at St. Bernard's Church. Burial was in Calvary Cemetery.

#### KATHERINE WHITNEY

Mrs. Katherine A. (Blauvelt) Whitney, of 1785 Commonwealth ave., Auburndale, wife of Lambert Whitney, died on May 11. She was born in Nyack, New York 51 years ago and had lived in this city for 15 years. Her funeral was held at Nyack on Thursday.

### C. L. Hartshorne Dies After Fall

Charles L. Hartshorne, 59, of 318 Cabot street, Newtonville, was fatally injured on Monday afternoon when he fell off a ladder while painting a house he owned at 297 Cabot st. His head struck the base of the ladder and he received a fractured skull and several broken ribs. He was rushed to the Newton Hospital in the police ambulance, but died before arriving there. Mr. Hartshorne was born in Boston, the son of Francis J. and Minnie (Starkey) Hartshorne. He had resided in Newtonville for 50 years; for many years conducting an automobile rental business. He is survived by his mother and a sister, Miss Elizabeth Hartshorne. His funeral service was held on Thursday afternoon at Mount Auburn crematory chapel. Rev. Herbert Hitchen of the First Unitarian Church officiated.

#### MRS. CHARLES A. HUBBARD

Mrs. Charles A. Hubbard for many years a resident of Newton Centre died on May 9 at the home of her daughter, Mrs. Marion H. Dodge, 352 Riverway, Boston. She was the widow of Charles A. Hubbard, first treasurer of the United Fruit Company. She was born at Rindge, New Hampshire, on September 9, 1865. Mrs. Hubbard was for many years a member of the Newton Centre Women's Club, and a member of the Daughters of the Revolution and the Eastern Star. Her funeral service was held on Wednesday at the home of her sister, Mrs. Gertrude Hale, West Rindge, N. H. Interment was at Rindge. Mrs. Hubbard is survived by a daughter, Mrs. Dodge; a son, Harry A. Hubbard of Waban, and a sister, Mrs. Gertrude Hale.

#### ANNIE MAGUIRE

Mrs. Annie E. Maguire of 70 Waverley ave., widow of John J. Maguire, died on May 9. She was the mother of the late Mrs. J. Edward Maloney. Mrs. Maguire was born 97 years ago at Halifax, Nova Scotia and had lived in Newton for 20 years. She is survived by two sons, Charles G. of Jamaica Plain and Francis J. of Brookline; 18 grandchildren; and 12 great grandchildren. Her funeral service was held on Tuesday at Presentation Church, Oak square. Burial was in Holyhood Cemetery.

### Recent Engagements

Mr. and Mrs. James G. Adams of Framingham announce the engagement of their daughter, Martha, to T. Edward Cutler of Akron, Ohio, formerly of Newton. Miss Adams was graduated from Arnold College, New Haven, Conn., an odd postgraduate work at Polytechnic Hospital, New York City. She is now head of the physiotherapy department at the City Hospital in Akron. Mr. Cutler was graduated from the Fitchburg teachers' college at Fitchburg, Mass., and Akron University. He is now a teacher at the North High School, Akron, Ohio. The wedding will take place in July at Framingham.

Mr. and Mrs. J. van der Groen of 34 Madison ave., Newtonville, announce the engagement of their daughter, Emma, to George E. Rice of 45 Holman rd., Auburndale, son of Mr. and Mrs. Hermann F. Rice of Chelsea. Miss van der Groen is a teacher at the Bigelow Junior High School in Newton. She is a graduate of Boston University, College of Practical Arts and Letters, class of 1935.

Mr. Rice is a graduate of Northeastern University, class of 1930, and is employed by the Engineering Department of the City of Newton. A late June wedding is planned.

Mr. and Mrs. Elmer Linn Fuller of 27 Styles ter., Newton Centre, announced the engagement of their daughter, Miss Mary Jane Fuller, to Samuel Kenyon Taylor Abbott, son of Mr. and Mrs. Horace Porter Abbott of Melrose, at a dinner given at their home on Saturday evening. Miss Fuller is a graduate of the Katharine Gibbs School, 1935.

### Births

O'CONNOR: on April 24 to Mr. and Mrs. James O'Connor of 19 Cypress st., a son.

BLUE: on May 5 to Mr. and Mrs. James Blue of 38 Elm st., a son. DeANGELIS: on April 27 to Mr. and Mrs. Alfred DeAngelis of 221 Adams st., a daughter.

McDONALD: on April 30 to Mr. and Mrs. Edmund McDonald of 311 California st., a son.

#### JOHN H. SHAUGHNESSY

John H. Shaughnessy of Elliot st., Newton Upper Falls, retired lieutenant of the Newton police department, died on May 12 following a long illness. He had been in poor health for the past 8 years and retired from the police force in 1934. He was born in Brookline 62 years ago and had lived in Newton Upper Falls since he was a young boy. He joined the police department in 1901 as a reserve patrolman, was made sergeant inspector in 1920, and advanced to Lieutenant in 1923. He was a member of Newton Council, Knights of Columbus, and the Mass. Police Association. Mr. Shaughnessy is survived by a son, John Shaughnessy, Jr.; a daughter, Miss Marion Shaughnessy, and two brothers, Thomas and Edward Shaughnessy, all of Upper Falls. His wife, Mrs. Minnie Shaughnessy, died three weeks ago.

#### ALIDA M. FESSENDEN

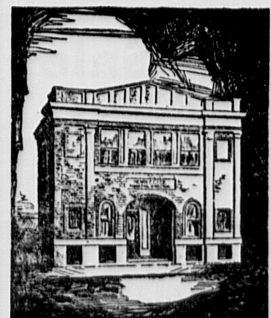

Mrs. Alida M. Fessenden of 49 Judkins st., Newtonville, widow of William Fessenden, died on May 8. She was born at Thomaston, Maine 75 years ago, and had lived in Newtonville for 10 years. Mrs. Fessenden graduated from Smith College in 1884. She was a member of the First Parish Church of Dorchester, and the Dorchester W. C. T. U. She is survived by three daughters—Mrs. Roger W. Pease of New Britain, Conn., and the Misses Anna F. and Florence E. Fessenden of Newtonville; and two grandsons. Her funeral service was held at her late home on Monday; Rev. Herbert Hitchen of the First Unitarian Church officiated. Burial was at Sandwich.

#### JANET OWENS

Mrs. Janet (Banwell) Owens of 21 Walnut st., Newtonville, wife of Harry B. Owens, died on May 11. She was born at Red Hill, England 59 years ago, and had resided in Newtonville for 25 years. She was a graduate nurse of the Homeopathic Hospital. Mrs. Owens is survived by her husband; a son, Richard N. Owens; a daughter, Mrs. George Tomlinson, both of Newtonville; a grandchild; and two sisters—Mrs. Sarah King and Mrs. Annie Keedwell, both of Middleboro. Her funeral service was held at her late home on Thursday; Rev. Raymond Lang of St. John's Church officiated. Burial was in Woodlawn Cemetery, Everett.

BRYANT—ROY: on May 3 at Chestnut Hill by Rev. J. C. O'Connell; Frank Bryant of New York City and Katherine Roy of 50 Crosby rd., Newton Centre.

# WHAT YOU SAY GOES— if you say BUICK!

THIS year, good things come in eights—get into this bellwether Buick and the other fellow will know who's lead-off man in your neck of the woods!

You're boss of the bunch when you ease in gas to the great valve-in-head straight eight, ablest engine of its size anywhere in the world. It's soft of voice but it packs authority—there isn't any fooling when it has work to do!

You're the envy of all eyes, garbed in Buick's princely style—handling these ready controls is the softest job in the whole wide world.

You stream down the straightaway—soar over the tallest hills—you sweep around the corners and curves erect as a dowager making her entrance—why even the back seat's chatterproof, so sweetly, smoothly, serenely does this road-wise car conduct itself!

You can't hurt it—it's built rugged and stout as Buick always has been—but still we say, handle with care! For so instant-quick is its lift to your toe-touch, so quietly easy will it outwing the birds, that you never have to force it to make your distance safely with time to spare.

This year say Buick—and whatever you say on the open road will go with the whole parade. Its purchase is as easily managed as its feather-light controls—for today Buick is priced at the lowest figure in history.

Your cue now is to see us. Do that without delay and you'll hold the center of the stage all summer long!

**Pupil Lectures Before Classes**

Thomas Dutton, a member of the senior class, spoke on Tuesday, May 11, before a combined meeting of Block A English classes taught by Miss Rideout, Mr. Cutting and Mr. Rinker. Thomas Dutton has spent most of his life in China and has traveled around the earth twice already. He told in an interesting manner of his childhood, games, and education in the Orient, contrasted Chinese customs with those of the Occident, and related many amusing incidents in the life of an American boy who is growing up under the shadow of the Great Wall. Pupils bombarded him with questions about the girls, the food, the dress, and the modernization of Old China.

**Jr. Forum Comm. Elects Chairman**

The members of next year's junior Forum Committee at a meeting presided over by Richard Lovell, present chairman of the committee, elected Richard McLellan, new chairman for '37-'38 season. Jerry Harvey was appointed secretary by the Steering Committee.

The members of the committee are as follows: Richard McLellan, Jerry Harvey, Virginia Brown, Colvin Shedd, Beverly Booth, Frances Whittlesley, Shirley Fuller, Grace VerPlanck, Curtis Drury, Francis Houghton, Frederick Fisher, Sylvia Pierce, Jim Dealy, Frank Schechl, Jean Homant, Michael Golden, John Weldon, Earl Colvin, Jayne Jewett, Ed Whitten, Bruce Spilman, Patsy O'Toole, Fannie Scott Simmons, Daniel Needham, Lee Pattison, Charles Stair, Albert Everts, Joy Hawkins, Bill Babb, Edward Foley, Leonard Pamella, Bob Pyatt.

There are also many interested members from other schools: Mary Tudbury, Miss Allen's, Frances Woodruff, Lasell; Beatrice Olen, Simmons; Robert Robbins, Harvard; Bob Davis, Trade School; Millison Shedd, B. U.; Edward Fyfe, Trade School, Kay Dempsey, Lasell.

**Speaks to French Club**

After Winona Starbird, had read the report and called roll, the president, Constance Ballou, introduced Mrs. McNair who had come as the visiting speaker. Mrs. McNair is a Frenchwoman and has lived near Paris until recently. Her talk was of an informal nature, and she willingly answered in detail the various questions asked. She told of the comparative lives of young people today here and in France, bringing out that the studies over there are far more different than those here, and that much more zeal was expected from a French student.

Mrs. McNair described Parisian stores and customs, mentioning that in France, flowers are worn only in the evening, and that artificial flowers, so common here on spring costumes never appear in France.

**Mr. Ellicker in Kentucky**

At a state convention of the Kentucky Education Association held in Louisville, April 14 through 17, Mr. Paul E. Ellicker was twice on the program of speakers. At the first session of the Department of Secondary Education Mr. Ellicker spoke on "Cooperative Study of Secondary School Standards." Addressing a second assembly by the convention, Mr. Ellicker took for his subject "Whither Education?"

**Campaign for Safe Driving**

A much needed campaign for safe driving has been in progress for the past two weeks, under the direction of Mr. Daniel Willard. On Friday, April 30, the well known article "And Sudden Death" was read in all Social Studies classes. On the following Monday and Tuesday, Mr. Arthur E. Pecker of the Massachusetts Department of Public Safety spoke five different times to all classes of non-college preparatory social studies. Mr. Pecker emphasized the growing rate of injuries and deaths due to automobiles by giving statistics.

The Anti-Bumping Rides Campaign has been reopened. It is hoped that these drives will have a direct effect in improving the fatality rate in Newton.

**Warren Jr. High**

The Effort Honor Roll for the third marking period contained the following number of students in each of the three classes, Junior 14, 79; Junior 11, 67; Junior 1, 63.

The Annual Pops Concert which was called this year "The Pops Fantasy" was held on Thursday afternoon, May 6th, and on Friday and Saturday evenings, May 7th and May 8th. This affair, which is one of the most popular social events of the Warren Junior High School band, which is sponsored by Mr. Tower will go to Lowell to take part in the band festival. Miss Jean Budding, the drum major of the Newton High School band, and a former Warren Junior High School student, is to be the guest of the Warren school band.

The Annual Music Night at Warren will be held this year on Friday evening, May 21. Miss Philbrick and Mr. Tower are the sponsors for this event.

**Bigelow Junior H. S.**

A highlight of the school year will be the third Evening's Entertainment this evening May 14, in the school auditorium at 8 o'clock. An interesting feature is the play, "Annabelle

**Newton**

Steps In," coached by Miss Anna L. Larrabee and presented by the Grade 8 Dramatic Club. The cast comprises: Herbert Smith, August Avantaggio, Sally West, Jean Stevenson, Audrey Fitzgerald, Jane Mansfield, Miriam Glassman; Margery MacNeil, Norman Donnelly, Richard Bolin, Samuel Carter, Malcolm McGary, Ruth Blue, Rebecca Connolly, Joan McGary and Patricia Turchio. The program also includes demonstration of the work of the physical education and music departments. Vocal soloists include Corinne Boyd, Gertrude Foley, Kathleen Edwards and Donald Colligan.

A student talent assembly was held in Friday morning in the school auditorium. Parker Butts served as announcer. Barbara Ann Moore opened the program with a monologue. Pupils from the 3rd English class demonstrated school speaking in the two poems, "Lochinvar" and the "Highwayman." Sarah Britt explained the purpose, the growth and the technique of school reading. The pupils were prepared by Mrs. Jessie S. Gillespie. Corinne Boyd sang "Mighty Lak a Rose" and was accompanied by Miss Emma Van der Groen. A violin solo, "Spring Song," was rendered by Albert Tashjian accompanied by Miss Marion S. Hamilton. Joyce McDonald gave a recitation. Selections were played by the school orchestra. Seven Clarinetists, Stephen Butts, Duncan Reid, James Melcher, John Eusden, David Waller, Richard Buswell, William Spiers, gave a rendition of "Long Long Ago." The program was concluded by two vocal solos by Donald Colligan, "Over the Billowing Sea" and "Goodnight My Love."

**Newton**

—Miss M. A. Southwick of Park st. left this week on a visit to Lewiston, Maine.

—Mr. Chester D. Wiley of Tremont st. left this week for North Woodstock, N. H.

Newton North 4501.

**Annual Children's Play To Be Presented at N. Centre**

For the 21st consecutive year the children of the North Bennet Street Industrial School will entertain the children of Newton and surrounding towns in the Woman's Club Hall, Newton Centre, on Saturday morning, May 22nd, at 10:45. They will present "The Talking Chair," a play in three acts written for child actors and a child audience.

Colorful costumes, beautiful dancing, an interesting plot all combine to make this 21st annual performance of the usual high standard of other years. Thirty-two children are in the cast. The play is directed by Clara D. Gomes, dances have been arranged by Irene Hamel, and Frances Venuti is accompanist.

All the proceeds from the sale of tickets go towards the support of the School's summer work: Mothers' and Babies, boys and girls are sent from the North End to the North Bennet Street Industrial School's summer vacation camp at Boxford, Mass., hundreds of other city children enjoy a summer kindergarten at the School, story hours, roof parties, picnics, and a "Stay-at-Home" Camp.

**John S. Franklin Joins Brown Real Estate Force**

Harold C. Wiswall, manager, announced today that John S. Franklin, for the past two years publisher of the Newton Times, the Weston News Review and five other weekly newspapers, had joined the Wellesley office of Homer T. Brown, Inc., Realtor, as a representative in Newton, Weston and surrounding territory.

The Wellesley office, from which Mr. Franklin will cover Newton and Weston particularly, was opened in 1935 and has been extremely active in the sale of residential property and general real estate brokerage.

**CHRISTIAN SCIENCE**

"Mortals and Immortals" is the subject of the Lesson-Sermon which will be read in Churches of Christ, Scientist, throughout the world on Sunday, May 16.

The Golden Text is: "They that are in the flesh cannot please God. But ye are not in the flesh, but in the Spirit, if so be that the Spirit of God dwell in you" (Romans 8:8, 9).

Among the citations which comprise the Lesson-Sermon is the following from the Bible: "But that no man is justified by the law in the sight of God, it is evident; for, The just shall live by faith. And the law is not of faith: . . . But before faith came, we were kept under the law, shut up unto the faith which should afterwards be revealed" (Galatians 3:11, 12 (to); 23).

—Mrs. and Mrs. Thomas C. Byron of Franklin st. left this week for their summer home in Duxbury.

—Richard Gleason, 13, of 73 Summit st. was bitten on Monday by a dog owned by Salverio Bartoli of Harvard st., Newtonville. The dog was ordered restrained by the police.

—John J. Quirk of 29 Washburn st. has been appointed a postal clerk in the Boston postoffice. Mr. Quirk was formerly a substitute letter-carrier, but resigned from the service 17 years ago.

—George Harding of Park ave. was one of the spectators at the tragic end of the "Hindenburg" at Lakehurst last Thursday evening. Mr. Harding says that the screams of the trapped victims were horrible.

—Mrs. Corabelle G. Francis of Pembroke st., national historian of the American War Mothers, is in Washington where she assisted in the 13th annual Mothers' Day Ceremonies at the tomb of the Unknown Soldier.

—"Morishka," a gypsy opera by the Holliston Choral Club under the direction of George E. Spring will be given at the Channing Parish House on Friday, May 21st, at 8 p.m. It will be followed by old fashioned and square dancing.

—At the final mixed duplicate contract bridge party of the season at the Hunnewell Club on Wednesday evening seven tables were in play. Mr. and Mrs. Malcolm Clarke were top followed by L. L. Goff and Edgar M. Horne and Mr. and Mrs. Wm. Payne.

—On Friday evening, May 21, at 8:15 o'clock at the Eliot church the Eliot players will present three one act plays: "Queen Anne's Lace," a light and delightful comedy; "The Invisible Clue," a thrilling mystery play; and "Curse You, Jack Dalton," an old-fashioned melodrama. These three plays promise an evening of varied and highly enjoyable entertainment.

—On Friday and Saturday evenings, May 14 and 15, at the Eliot Church at 8:15 o'clock an operetta, "South in Sonora" will be presented by the young people and members of the church choir under the direction of Miss Bessie M. Stratton and Mr. Earl R. Weidner. Colorful costumes, gay dances, tuneful music, an interesting plot—all combine to make this production one of real enjoyment and entertainment. The proceeds will go toward sending young people of the church to summer schools of leadership training.

## How Much Is a Dollar's Worth of Dimes?

A DOLLAR'S worth of dimes is ten ten-cent pieces. Except when you deposit ten dimes in the Newton Centre Savings Bank.

Then, these dimes go to work earning interest for you, and sooner than you'd realize, are worth a dime more than you put in! Save your dimes. Bank your dimes. And you'll never fear hard times!

## NEWTON CENTRE SAVINGS BANK

### MORTGAGEE'S SALE OF REAL ESTATE

By virtue and in execution of a power of sale contained in a certain mortgage given by Sylvia L. Dronick of Boston, Suffolk County, Massachusetts to Mt. Washington Cooperative Bank, a banking corporation duly organized under the laws of Massachusetts and having a usual place of business in Boston, Suffolk County, dated April 21, 1936, recorded with Middlesex South District Registry of Deeds, Book 6021, Page 291, for breach of the conditions of said mortgage and for the purpose of foreclosing the same will be sold at public auction at 2:30 P.M. on June 8, 1937 on the premises described in said mortgage, all and singular the premises therein described as follows: "The land in that part of Newton called Waban together with the buildings to be erected thereon, shown as lot 24 on a plan of land in Newton, Mass., belonging to New England Homes, Inc., dated August 6, 1935, Joseph Selwyn, C.E., recorded with Middlesex South District Registry of Deeds, Book 5965, Page 450, bounded and described as follows: NORTHERLY, by land now or formerly of Cotter, sixty-three and five tenths (63.5) feet; Easterly, by lot 25 as shown on said plan, two hundred and twenty and twenty-eight hundredths (220.28) feet; SOUTHERLY, by Paulson Road as shown on said plan, seventy-five (75) feet; and WESTERLY, by lot 23 as shown on said plan, two hundred and twenty-five and forty-eight hundredths (225.48) feet. Containing 15.348 square feet of land more or less according to said plan. Being the same premises conveyed to me by deed of Belhly Realty Company, dated as of even date, to be herewith recorded with Middlesex South District Registry of Deeds. Subject to and with the benefit of any and all rights and easements pertaining to the aforesaid parcel of land."

Said premises will be sold subject to any and all unpaid taxes, tax titles and municipal liens if any there be. Two hundred (\$200) dollars in cash will be required to be paid at the time and place of sale, balance in ten days. Other terms to be announced at said sale.

### Happy Is The Child Who Loves a PIANO

Children who are taught to know and love good music have the gifts of opportunity, friends and pleasure—they have a lifetime comrade in their piano. We are always ready to assist in the selection of a teacher or instrument best suited to them. In our attractive showrooms we have a most complete stock of high grade pianos in every style, size and finish. Our price range, trade-in and terms policy is always to help the customer select. Since 1889 we have made a study of pianos and have gained a reputation for doing all that is expected of a reliable firm. Located one block from Broadway at 872-76 Washington St., Boston. Open from 9 A.M. to 9 P.M. Yours very truly, Chas. D. Blake & Co., Inc. —Adv.

Make your  
auto radio  
RIDE THE  
BUMPS!

Auto radios take an awful beating. They're built to "take it"—but only for so long. Our radio service man will bring your set back to normal with the inexpensive RCA check-up listed below. And if it's necessary to replace "Tired Tubes"—he'll install the kind that are guaranteed to ride the bumps—RCA Tubes.

**AUTO RADIO CHECK-UP**  
1. Check overall performance for sensitivity, selectivity, fidelity.  
2. Test, label all tubes.  
3. Check speaker and case for rattles.  
4. Check all battery connections.  
5. Check aerial installation.  
6. Check and test generator, ammeter, capacitors.  
7. Inspect suppressors, vibrator.  
8. Adjust generator charging rate.  
9. Adjust dial to normal kilocycle reading.  
10. Free estimate of any additional repairs needed.

Look at **La Salle V-8**  
\$1095\*

DELIVERED AT DETROIT Including  
ALL STANDARD ACCESSORIES!

Let's talk over the plain facts about the new La Salle V-8—so you can see for yourself why it is such a wise choice.

First of all, your present car will probably make the down payment. Monthly terms can then be arranged to suit your convenience.

And after you have your car, you will be amazed at its economy. Not only is the gasoline and oil

mileage exceptional—but you may actually gain on service costs. La Salle, you know, is built by Cadillac—AND IT DOES A GREAT JOB KEEPING OUT OF THE SERVICE STATION.

So you can see that a La Salle V-8 is about as easy to own as any car you could buy.

Why not come in today—and LOOK at La Salle? One look and one ride—and you'll know why so many thousands are turning to this big, 125-horsepower V-8.

\*Delivered price at Detroit, Mich., \$1095 and up, subject to change without notice. Model illustrated is the Touring Sedan delivered price at Detroit, \$1265. These prices include all standard accessories. Transportation, State and Local Sales Taxes, Optional Accessories and Equipment—Extra.

### Annual Fair of Stone Institute on May 22

The annual fair at the Stone Institute and Newton Home for Aged People will be held at the Home on Saturday afternoon, May 22nd, from three to five o'clock. The proceeds from this event are distributed among the ladies in the Home for spending money and it is earnestly hoped that as many of our Newton citizens as possible may either by donation or by attendance at the Fair assist towards this worthy objective.

LUCY JACKSON CHAPTER, D. A. R.

The annual meeting was held Monday, May 10, with the Regent, Mrs. J. Walter Allen in the chair. The Regent announced for the month of June, a garden party given at the Chapter house by Mrs. John P. Holmes, a probable visit to Hillside school and a box luncheon at the home of Mrs. Frank M. Sherman in Duxbury on June 7. A visit to the Gove house in Waltham will be made on Wednesday, May 12, or Friday, May 14. The Chapter house will be open all day on July 1, August 5 and September 2. After the Regent's report of the State convention and the annual reports of the Chapter chairman, election of delegates to the State Convention at Swampscott in October, resulted as follows: Mrs. Edward B. Parker, Mrs. Holcombe J. Brown; alternates, Mrs. Arthur S. Tucker, Mrs. Fred M. Lowe, Mrs. Henry E. Johnson, Mrs. Frederick S. Sherman, Mrs. Frank S. Larkin, Mrs. Ernest F. Dow, Mrs. Harry D. Cabot and Mrs. John P. Holmes.

The Regent then gave a most interesting and comprehensive report of meetings of the national Federation in Washington and Mrs. Holcombe J. Brown gave a very excellent resume of the National Defense meeting.

The treasurer reported very gratifying results from the card parties given by various members during the winter and announced more than \$125, the proceeds from the rummage sale. Through the efforts of Miss Florence E. Tower, the assistant treasurer, nearly \$800 has been raised towards the payment of the mortgage, so that only a very small sum now remains unpaid.

The election of officers resulted as follows: Chaplain, Mrs. Edward K. Titus; recording secretary, Mrs. Edward O. Woodward; treasurer, Mrs. Ernest F. Dow; historian, Mrs. Edgar W. Allen; librarian, Mrs. Henry E. Johnson; assistant registrar, Mrs. Gardner I. Jones for one year. Directors: Mrs. Amos R. Wells, Mrs. Holcombe J. Brown, Mrs. Harry D. Cabot, Mrs. Lawrence R. Bliss, House Committee: Chairman, Mrs. John P. Holmes; treasurer, Mrs. Ernest F. Dow; secretary, Mrs. Arthur P. Friend; Mrs. Charles P. Hutchins, Mrs. Edwin H. Place, Mrs. Gardner I. Jones, Mrs. Frederick S. Sherman, Miss Emily F. Jordan, Mrs. William C. Sherwood, Mrs. Arthur F. Tucker, Mrs. William L. Vosburgh, Mrs. Henry A. Robbins.

At the conclusion of the meeting Mrs. Elmer M. Kling and her committee served tea.

### Questions and Answers

Mr. Stuart will be pleased to answer questions relating to home modernizing and building. Inquiries may be addressed to him c/o NEWTON GRAPHIC.

I am building a house and note carpenter is using building paper on walls. Is there a difference in paper and of what value is it?

There is a difference in both the weight and make of building paper. Some building papers are just a little better than others but a good waterproof paper of substantial weight will pay for itself in no time. Be sure that the paper is well lapped and carried in back of window and door frames as this will keep driving winds out. Insulation of walls, roofs and floors are more important than the boarding. Of course insulation board is used quite extensively in place of building paper but for certain uses a good building paper is hard to beat.

My garage doors swing out on hinges and the wind has them wrecked. What would you suggest doing?

If the doors are in bad shape it would pay to spend a little more money and install overhead doors or some other type that slides in. It is hard to make garage doors that swing out satisfactory as not only the wind wrecks them but the weather also. In building or buying a house it is well to see that the garage doors are of good type. This is one of the places where some builders will try to save a little at the expense of the buyer.

I want to lay a canvas roof on porch of my summer house and wondering if you could give me any instructions?

Roofing duck comes in widths of 21, 36 and 42 inches. The narrow width will make the best roof but of course will take more nails and labor in laying. Lay the duck so the water will run over the lap, lapping the duck the width shown by the blue thread. Stretch the duck tight and smooth, and tack so that the head of the tack comes just to the edge of the duck. The duck has a strong finish edge that should not unravel. Use 3-4 inch heavily galvanized tacks, two tacks to the inch. One pound of tacks will lay about ten running yards of duck. Wet the duck after it is laid and while still damp give it its first coat of paint using only pure lead and oil. Give it three coats of thin paint, then paint it once in four or five years.

### HOME MODERNIZING & GENERAL BUILDING PAGE

GEORGE P. STUART, Consulting Architect

#### Planting Hints—No. 8 Perennials

In order to obtain best results with perennial plants select a rich somewhat moist soil in good light. Prepare the bed by digging to a depth of 18 inches, working in a liberal quantity of well-rotted manure and coarse bone meal. Arrange the plants according to their heights and color combinations. Plant enough kinds to provide continuous bloom from spring to fall. Avoid too striking color contrasts. Do not, as a rule, set plants singly, but rather three to five or more of a kind together. A much richer effect is gained this way and a longer season of bloom.

Plants should be placed about a foot apart on an average with those growing three feet or taller farther apart and the very low growing plants closer together. The spring and fall are both good times to plant perennials.

Keep plants well mulched and watered during the summer. In the winter it is well to cover the beds with about two inches of coarse straw. This is put on after the ground has frozen and prevents the alternate freezing and thawing which is detrimental to the plants. Fertilize the beds each spring by working well-rotted manure and bone meal into the surface soil.

#### Lead Finish on Bathroom Walls Perfect

A most unusual application of lead has been made to the walls of a bathroom. The wall surface was constructed of compo board. A coating of sprayed molten lead was applied directly to the wall board to a thickness of approximately 0.03 of an inch.

The effect is said to be especially pleasing because of the soft gray tone of the lead which also contrasts nicely with the colored bathroom fixtures. From the practical standpoint, certain advantages may also be claimed for this treatment. The treated lead coating naturally water-proofs the walls so that moisture can not penetrate to do any damage. Since lead forms the finished wall surface the walls are always washable and can be made decorative.

Another definite advantage is the reduction in transmission of sound through the bathroom walls. Lead has been used to sound-proof walls before but it has usually been concealed behind the regular wall finish.

For the spraying operation, lead wire is fed into a metal spray gun, where it is melted and blown out through the nozzle in fine particles onto the surface to be coated. Because of its low melting point, lead is one of the easiest, most economical and most rapid metals to spray.

#### Building Specification Aids

The purpose of this column is to present general specifications for building and modernizing. Readers might like to save this series for future reference.

##### CARPENTRY

The contractor is to furnish all material, equipment and all labor necessary for the completion in a workmanlike manner of all rough and finished carpentry, millwork, flooring, etc., for the entire building. This work also includes rough and finish hardware, temporary work, cutting and patching for other trades and all other carpentry required for the proper performance of the work. All work to be done in accordance with plans and specifications or as shown by details and to the satisfaction of the architect. Modelling of any nature before proceeding with the work.

All framing stock shall be well seasoned "Merchantable" grade of kind marked on plans. Joist, rafters and ceiling beams shall be of sizes and arrangement as shown on the framing plans and where built into masonry walls shall have the ends bevelled off. Use stirrups where indicated or necessary. Bridge all spans of over 8 feet with straight continuous rows of one by two inch double cross bridging well nailed. Spans over 16 feet to have two rows of bridging. Frame for all floors and for furred down ceilings in top story. Ceiling framing shall provide level bearings not over 20 inches on centres to receive wood strapping and to be hung where necessary as approved so as to make a rigid job.

Studding for partitions and wood walls where indicated shall be two by four inches, 16 inches on centres unless otherwise noted. All to be well spiked at head and foot. Provide three by four inch hard pine caps and shoes. All bearing partitions are to rest directly on partition below to avoid shrinkage. The studding at openings are to be doubled and if over four feet wide are to be trussed. Exterior walls of wood frame shown on plans are to have four by eight sills, girts and posts and to be diagonally braced. They shall be mortised and tenoned with hard wood pins. Furnish and erect all necessary staging and scaffolding for the proper erection of the work and for use of other trades. Maintain at all times convenient and safe access from lowest to highest portions of the building by temporary stairs or ladders until permanent stairs are built. Protect all masonry and trim so as not to damage. Build all wooden centers and wooden bricks for masonry and set firmly. Wooden bricks for door frames to be wedge shape and treated with wood preservative. All masonry walls are to be furred with one by three

spruce furring spaced 16 inches on centres securely nailed in brick work with cut nails. All ceilings to be strapped with one by two spaced 12 inches on centres.

#### Financing of Modernization Work

"The fact that you can now modernize your bathroom on the same easy terms that you purchase other household conveniences has caused a great increase in the amount of bathroom modernization work within the last few years," says Mr. E. B. Lane, Manager of Standard Sanitary Mfg. Company.

"No down payment—as low as \$10 a month—three years to pay is the way many home owners are financing the installation of modern bathroom equipment and redecorating the whole room," says Mr. Lane. And this is further aided by the fact that the Master Plumber can take care of the whole job including the financial arrangements.

"Considerable impetus was given to the use of time payments in financing plumbing installations by the Modernization Credit Plan of the National Housing Act," says Mr. Lane. By January 1, 1937, the Federal Housing Administration had insured 1,326,102 notes for modernization work to the amount of \$500,220,642. Approximately 31 percent or \$157,069,298 of this was spent on plumbing and heating installations.

"The success of financing these installations on these easy terms through the FHA has encouraged a great deal of independent financing so that it is now easy for the home owner to obtain credit for modernizing his bathroom," says Mr. Lane.

Many times the modernization of the bathroom increases the value of the house far above the amount expended on improvements. A modern bathroom and kitchen are two very important aids to the sale of any house. So home owners who have been delaying the modernization of these rooms because they have intentions of selling the home will do wisely if they make these improvements now.

## WOMEN'S CLUB ACTIVITIES

Edited by EMMA D. COOLIDGE

## Program for Annual Meeting State Federation

May 15th through the 19th will be gala days at Swampscott, full of vital and attractive events, for the State Federation clubwomen.

A pre-convention meeting will be held on Saturday afternoon, May 15th, by the department of Junior Membership. Forums will be conducted by the various State chairmen of divisions and departments from 3 to 5 o'clock. At 6:15 a Banquet will be held in the main dining-room, with the officers of the Federation as guests of honor: Mrs. Frank P. Bennett, Mrs. Henry W. Hildreth, Mrs. David A. Westcott, Mrs. Herbert F. French, Mrs. Olaf Hoff, Jr., Mrs. Burr J. Merriam, Mrs. George A. Mellen, Miss Bess Bartlett, and Mrs. Charles L. Fuller.

Junior Presidents and Directors will have a Parade—always a colorful and delightful affair, because of attractive evening gowns—at 7:45, and the evening program will open at 8 o'clock in the Auditorium. Greetings will be presented by Mrs. John H. Kimball, Mrs. Frank P. Bennett and Mrs. Olaf Hoff, Jr. Prizes, which are silver cups, will be presented as awards of the Drama Contest and Program Contest; and other prizes will be awarded for the Poetry Contest. Miss Eleanor M. McManus, 1937 Junior Scholarship delegate to the Tulsa Council Meeting, will give a five-minute talk, and Mrs. Paul H. Nottage, chairman of Junior Membership, will give her annual report, this to be followed by a musical program directed by Martha P. Wight, of Newton Centre. The speaker of the evening will be Hon. Sybil Holmes, State Senator. Reservations should be made with Miss Frances A. Letson, 90 Bloomfield street, Dorchester.

Plans for these May days at Swampscott include ample opportunity for enjoyment of the beauties of sea and shore, especially if the sky is blue and filled with white clouds of fair weather.

An innovation is the delightful invitation for families of clubwomen to attend the Vesper service to be held on Sunday, with an organ recital, and with an address by Rev. Dana McLean Greeley, minister of Arlington Street Church, Boston; in fact for families to spend the week-end at the new Ocean House. Senior clubwomen will be as interested in Junior day and evening, as the Juniors themselves, on Saturday.

Everyone will be interested—and especially Newton people—in the Miniature Stage which will be exhibited by Mr. C. Hassler Capron, of Newton Centre, who has attained distinction in his chosen field of Stage Lighting, on which subject he will lecture Saturday afternoon, being presented in the Forum of the Literature chairman, Mrs. Harold M. Scheibe. This should be of appeal to everyone. The Juniors who have participated in the State Drama Contest will find it particularly fascinating. This will be a completely equipped model theatre, 3 by 4 feet, with a lighting system comparable to that of any modern theatre.

Mr. Capron also will be at the Literature Exhibit each day from 4 to 6 o'clock, to answer technical questions and give advice which may assist clubwomen in producing plays and entertainments next year for club programs. It is also hoped to have a Play Service where Drama chairmen may discuss plays desirable for production, and may secure lists and catalogues of plays requiring women characters only.

Exhibits also will come in for their share of interest. All the family should visit this array of attractive collections featured in the New Ocean House corridors by the various de-

partments and committees of the Federation. We venture to say that men and women who have never attended one of these affairs of the State Federation will be amazed, entertained, and vastly informed by all that the Federation is taking up for activities. Some of the articles collected are really very beautiful, representing art work, handicraft, wood-carving, china painting, embroideries, linens, beadwork, Indiancraft, bags; and not to forget the paintings by Massachusetts artists. Then there are the more serious subjects for exhibit, as well, which are food for thought.

For the benefit of clubwomen who may be planning to go to Swampscott only for special sessions in which they are particularly interested, the program for the Annual Meeting is given in full, as follows:

Saturday, May 15th

Afternoon  
Round-table discussions for Juniors.  
Banquet.  
Evening  
Junior Processional.  
Reports.  
Awarding of Prizes.  
Speakers.

Sunday, May 16th

Twilight Vesper Service  
Organ Recital.  
Address, Rev. Dana McLean Greeley, minister, Arlington Street Church, Boston.

Monday, May 17th

Morning—10 a. m.  
Opening.  
Welcome.  
Reports.  
Address, Lord Marley, English Statesman, "The Changing British Empire."

Afternoon—2 p. m.  
Music, Worcester Club Chorus.  
Report from Tulsa.  
Presentation of New Clubs.  
Annual Report of the President.  
Address, Judge Kenneth D. Johnson, "The Court and the Juvenile."

Garden, Walk, 4 p. m.

Evening—8 p. m.

Music.  
Recital, Miss Sidney Thompson.

Tuesday, May 18th

Morning—10 a. m.  
Presidents' Conference, "The Value of My Club to the Community."

Club Institute, Speakers, Mrs. John L. Whitehurst, chairman Education, General Federation; Mrs. Edward Hammett, chairman Public Safety, General Federation.  
Department Conferences.

Afternoon—2 p. m.

Music.  
Address, Miss Melinda Alexander, "Things as They Are."

Evening—8 p. m.  
Music, Andover Male Chorus.  
Governor's Greetings.  
Address, Honorable Josh Lee of Oklahoma, "Keep America Out of War."  
Recessional March of Presidents.

Wednesday, May 19th

Morning—10 a. m.  
Opening.  
Music.  
Credentials.  
Resolutions.  
Business.  
Report of Elections.  
Presentation of New Officers.  
Consecration Service.  
Adjournment.  
Flower Parade to Hotel.

Clubwomen will be pleased with many improvements at the Convention Hall, installed by Mr. Kennedy for their comfort and convenience. A ladies' room has been put in at the rear of the hall. A canopy has been placed over the stage. Those who attended the Convention last year know how greatly the attractive awning added at that time over the ramp increased the comfort of waiting clubwomen in hot sun and drizzling rain. Before the doors to Convention Hall were opened for each session. New chairs and an improved stage also made the meetings more pleasant.

Rates at the Hotel are about the same as usual, averaging from \$6.00 to \$10.00 a day, including meals. Mrs. Lynn Ranger, 3 Currier road, Swampscott, can supply a list of rooms available in Swampscott homes at \$1.00 and \$1.50 per night, so that clubwomen and husbands and daughters may avail themselves of this service if they want to go down for the week-end.

And finally, Federated clubwomen are reminded that there is, as in the past few years, a Registration Fee of \$1.00 for the three days' sessions, or 50 cents for a single day; and for non-Federated clubwomen the admission is to be \$1.00 for each day. And clubwomen must not forget their club membership (or delegates) ticket! Clubwomen and delegates may have difficulty in choosing the meeting to

attend on Tuesday morning, the 18th. However, a break will occur in the program in mid-morning, so that division and department Forums and Round-Tables will be available to more people.

For the first time a Club Institute will be held in Convention Hall. Community singing will be conducted by Mrs. Mabel F. Barstow, official song leader, from 9:45 to 10 o'clock, when the Institute will open with the invocation composed by Mrs. Arthur Devens Potter, a past State president. Mrs. John A. Jennings will preside and Mrs. John H. Kimball, State president, will bring greetings.

Guest speakers will be two chairmen of the General Federation of Women's Clubs: Mrs. John L. Whitehurst, department of Education; and Mrs. Edward Hammett, of the committee of Public Safety. Other speakers will be Mrs. David A. Westcott, second vice-president of the State Federation; Mrs. Hazel H. Albertson, State chairman of Industry; Mrs. Samuel H. Thompson, of Lowell, past director of the Tenth District; and Mrs. Elliot R. Scudder, past president of the Philhellenians of Braintree. Mrs. George E. Hutchins will present Parliamentary Procedure and a short question and discussion period will follow.

After the short interlude of music by Anthony deFazio, Violinist, a Presidents' Conference will be conducted by Mrs. John H. Kimball, on the subject "The Value of My Club to the Community."

All awards for Contest winners will be presented at the group meetings, which will be held in the various sections of the New Ocean House. Names of the winners will be announced at the session on Wednesday morning in Convention Hall.

The divisions of Legislation, International Relations, and Education will combine in a group meeting. A joint Round-Table will be conducted by the divisions of Correction, Mothercraft, and Child Welfare, with Mrs. T. Grafton Abbott, Consultant in Parent Education of the division of Child Hygiene in the State Department of Public Health, who will present a "State Program in Parent Education."

The Fine Arts department will hold a combination program in the Ball Room of the New Ocean House. At 10 o'clock, Mrs. Walter W. Stroncor, chairman of the Division of Art, will introduce Mr. C. Edward Newell, State Supervisor of Art Education in Massachusetts, who will take for his subject "Introduction to Design for the Uninitiated," with a demonstration. At 10:45, Mrs. Harold M. Scheibe, chairman of the division of Literature and Drama, will present, as has been stated, Mr. Hassler Capron, in a talk on "Painting with Light." A singer and a reader will assist, to illustrate on a model stage, the value of light in presenting an artistic program. At 11:30 a group of musical artists will entertain for Mrs. Moses H. Gulesian, chairman of the division of music.

Mr. George Foxhall, editor of the Worcester Sunday Telegram, will speak for the division of Press, and Miss Helen B. Garrity, of the division of University Extension of the State Department of Education, will, to explain the course in Journalism to be given next year.

## Street Carnival Offers Day of Fun

May, the 22nd, is the date, all day Saturday until 11 p. m., on the Hyde School Grounds, Newton Highlands, when the Woman's Club of Newton Highlands, under the co-chairmanship of Mrs. B. Walter Godsoe, Mrs. Donald D. McKay, and Mrs. M. Paul Hessler, are staging a big Street Carnival. From 11 a. m. to 11 p. m. all may come, eat, dance and be merry, at this delightful affair, where they can plan to spend the entire day, bring the whole family, all the children. The proceeds are for the Scholarship and Philanthropies of the Woman's Club.

There will be many attractive booths on the grounds. For the hungry ones there will be Hot Dogs, Hamburgers, and Soft Drinks, in charge of Mrs. William Camp and Mrs. R. E. Briggs. Assisting them, will be Mrs. Ernest Fisher, Mrs. Charles Banks, Mrs. Kenneth May, Mrs. Harry Brockington, Mrs. Holden Whittaker, Mrs. S. A. Biggin, Mrs. Charles Fisher, Mrs. Harry Bradford, and Mrs. P. I. Perkins. They have begun practicing already to give just the right turn to the hamburgers.

Corn will be popped by Mrs. Theron B. Walker and Mrs. Ralph Somers. Mrs. Dexter Dimock is in charge of the Lemon Delights. Just what a Lemon Delight is, is a mystery. They are something new and everyone will be investigating one. Mrs. Dimock will need all her assistants, namely, Mrs. R. Rogers, Miss Grace Taylor, Mrs. Mann, Miss Gene Martin, and Mrs. S. Q. Shannon. There will be an Ice Cream Booth, of course, for they have the promise of a perfect summer day. The Ice Cream Lady is Mrs. James D. Raitt, and helping her will be Mrs. E. L. Bunker, Mrs. A. M. Murdock, Mrs. Walter M. Fife, Mrs. Wm. A. Eagan, Mrs. H. F. Call, Mrs. Louis Chapin, Mrs. Kenneth Walte, and Mrs. O. H. Stuenkelburg.

Everyone in the community is making her most famous candy recipe for Mrs. John A. McAuliffe's Candy Booth. On her committee are Mrs. Hubert S. Dennie, Mrs. William Lavery, Mrs. Albion Brown, Mrs. Harold Piper, Mrs. J. I. Wright, Mrs. R. C. Collins, Mrs. J. E. Peakes, Mrs. Ralph Stout, Mrs. Russell N. Hopkins, Mrs. Elwood Clapp, Mrs. Hugh Stevens, Mrs. Herbert Odell, Mrs. James Gore, Mrs. Preble W. Blake, Mrs. Edward Humphry, and Mrs. Francis Searward.

At the Food Table one can buy everything to eat from cakes and pies to preserves. Mrs. Earl G. Manning and Mrs. Krickel K. Carrick are co-chairmen of this booth, assisted by Mrs. E. I. Brown, Mrs. Irving Atwood, Mrs. M. M. Griswold, Mrs. Emory M. Wright, Mrs. H. C. Merriam, Mrs. Ernest J. Weaver, Mrs. T. L. Goodwin, Mrs. Emory W. Clark, Mrs. C. S. Redmond, Mrs. Ralph D. Thompson, and Mrs. R. S. Ingram.

It promises to be a great day for the children. Pony Rides will be a big attraction, under the committee, Mrs. Grosvenor Marcy, Mrs. Carlton Perkins, Mrs. Ruth Chapin, and Mrs. B. M. Harrison. And everyone will carry a gay balloon. The Balloon committee is Mrs. Alston Budgett, chairman; and Mrs. Warren B. Kennedy, Mrs. Ray S. Kelley and Mrs. Herbert G. Reynolds.

The Flower Mart, under the chair-

### MORTGAGEE'S SALE OF REAL ESTATE

virtue of and in execution of the  
of sale contained in a certain mort-  
given by Anthony V. Taurasi to the  
City Lumber Company, a Massa-  
corporation, dated January 7,  
and recorded with the Middlesex  
District Registry of Deeds in Book

South District Registry of Deeds in Book 100, Page 117, which mortgage was assigned to William E. Wright by instrument dated April 28, 1937, for breach of which said mortgage was foreclosed on the purpose of foreclosing the same will be sold at public auction on Monday the 24th day of May 1937 at 5 o'clock P.M. on the premises described as follows:

The land in Newton, Massachusetts, known as the Newton Highlands, consisting of land in Newton Highlands, Mass., owned by Everett M. Brooks, C.E. dated April 28, 1937 and recorded with Middlesex County Registry of Deeds in Book 100, Page 117. Said lots are shown as Lots 6A and 6B and are bounded and described as follows:

terminating at the Easterly end of the curved line forming the junction of Nantucket Road and Cochechute Road, and thence running southerly and easterly to the southerly side of Cochechute Road, ninety-one and 65/100 (91.65) feet; thence turning and running southerly and easterly to the southerly side of Nantucket Road, sixty-four and 64/100 (64.63) feet, as shown on said plan, and sixty-four and 53/100 (64.53) feet respectively to land shown on said plan; thence running southerly and easterly along said Mitchell land seventy-one and 100/100 (71.00) feet to the Easterly side of Nantucket Road as shown on said plan; thence turning and running southerly and easterly along said Mitchell land one hundred and eighty-one and 87/100 (101.88) feet; shown on said plan as two lines forty (40) and thirty (30) feet respectively; and thence running southerly and easterly to the beginning of the curved

line above referred to; thence following said above referred line forming the junction of said cutback of said Main Road, as shown on said plan, twenty-eight and 61/100 (28.61) feet to the point of beginning. Said lots 6A and D containing together 9890 square feet of land.

Said premises are conveyed subject to the right of drainage and sewer easements belonging to the City of Newton.

Subject to encumbrances of record.

Said lots 6A and D are now known as Lot J on a plan recorded with Said Deeds, Book 6018, Page 162.

**Terms of Sale:** \$200 in cash will be required to be paid by the purchaser at the time and place of sale, other terms

the time and place of sale, other terms to be announced at the sale.

**MORTGAGEE'S SALE OF REAL ESTATE**

By virtue of the power of sale contained in a certain mortgage deed given by George C. McLean to the Newton Savings Bank, dated May 24th 1924 and recorded with Middlesex South District Deeds in Book 10, Page 10, for breach of the condition therein contained and for the purpose of foreclosing the same, will be sold at public auction upon the premises in and to which the same is a lien, on Wednesday, the twenty-fourth day of May 1937, at four o'clock in the afternoon, all and singular the premises described in said mortgage deed, namely:

The large, two-story part of said Newton, called Newtonville, with the buildings thereon, situated on the Westernly

side of Harrington Street, and being the same as the line of said lot 10, is shown on a Plan of Land in Newtonville, recorded by William L. Waugh and James S. Wilson, do hereby turning and running the same, and the same is shown as follows, to-wit: Beginning at the southeasterly corner of said lot 10, and running Northwesterly with Middlesex South District Deeds, at the end of Book 3489, bounded and described as follows:

Beginning at the southeasterly corner of said lot 10, at the southeasterly corner of said lot 10, thence running Northerly on said Harrington Street, to the southeasterly corner of said lot 10, (72.50 feet to land now or formerly of William L. Waugh and James S. Wilson; thence turning and running Northerly parallel to the northerly boundary line of said lot 10 to a point on the Westerly boundary, line of said lot 10; thence running Northerly to the southeasterly corner of said lot 10, by the remaining portion of the Westerly

boundary line of said lot 10 and the Western boundary line of said lot 9, thence four and 1/4 (4.25) feet to lot 65, on said plan; thence turning and running Easterly by said lot 65, one hundred seven and 12/100 (107.12) feet, to the point of beginning.

Wherefore, the title see deed from William L. Waugh, et al, dated December 31, 1914, recorded with said Deeds, Book 3941, Page 52.

Including all furnaces, chimes, ranges, mantels, gas and electric light fixtures, electric and gas stoves, awnings and all other fixtures of whatever kind and nature at present contained in said buildings, and hereinafter placed therein prior

to the full payment and discharge of this mortgage.

Said premises will be sold subject to any unpaid taxes, tax titles, municipal liens and assessments.

Five Hundred Dollars at time and place of sale.

#### MORTGAGEE'S SALE OF REAL ESTATE

By virtue of a Power of Sale contained in a certain Mortgage Deed given by Celia Cooper of Boston, Suffolk County, Massachusetts, to Brighton Co-operative Bank, situated in Boston, Suffolk County, Massachusetts, dated November 12, 1936, recorded with Middlesex South District Deeds, Book 6079, page 217, for breach of the conditions of said mortgage and for the purpose of foreclosing the same will be sold at public auction on the premises hereinafter described on Saturday, June 5, 1937, at 9:30 o'clock in the forenoon, all and singular the premises conveyed by said mortgage deed and therein described as follows, to-wit:

"A certain parcel of land with the buildings thereon, situated on Lodge Road in the County of Middlesex, Massachusetts, being shown as Lot 10 on a plan entitled 'Sub-division Plan of Land in Newton, Massachusetts, September 11, 1935, Joseph Selwyn, Civil Engineer' recorded with Middlesex South District Registry of Deeds, Book 5978, Page 292 and further identified as Plan 62 of 1935 at Middlesex South District Registry of Deeds.

Said Lot 10 is bounded according to said plan as follows:

Northeasterly by Lodge Road, as shown on said plan seventy-five and 46/100 (75.46) feet;

Southeasterly by land now or formerly of Martha P. Hatfield, one hundred and thirty and 3/10 (130.3) feet;

Southeasterly by land now or formerly of Augustus McGilivray, forty and 78/100 (40.78) feet;

Northeasterly by lot 11 as shown on said plan, one hundred and eight and 90/100 (108.90) feet;

Containing 6319 square feet of land according to said plan.

Said premises are conveyed subject to restrictions of record so far as now in force and applicable.

Being the same premises conveyed to me by the Lodge Realty Corporation by deed dated November 13, 1936 to be herewith recorded.

Said premises will be sold subject to all unpaid taxes, tax liens and other municipal assessments, if any there are.

Five Hundred Dollars will be required to be paid by the purchaser at the time and place of sale. Other terms will be announced at said sale.

BRIGHTON CO-OPERATIVE BANK,  
Mortgagee and present holder  
of said mortgage.

## THE WEEK IN NEWTON SPORTS

By JACK MORRIS

### NEWTON WINS FIFTH STRAIGHT BALL GAME

Jeff Jones saw his Newton High baseball team close their first half without a single defeat this week as they routed Rindge Tech 13-3 in six innings at Russell Field last Friday and whitewashed Brookline 12-0 Wednesday at Newtonville. Newton, now definitely leading the Suburban League, came through the spring exams without a single loss, and even retained outfielder and relief pitcher Phil Green.

The Rindge game was called at the end of the sixth inning on account of the unseasonable cold weather. It was anything but a tight contest from the opening pitch. The first six Newton men to bat all scored. Three base hits, a bean ball and a base on balls, followed by Shordone's triple, an infield error, another walk and two more hits gave Newton nine runs. They got three more in the fifth and another in the sixth. Ed Paul allowed Rindge six hits, or as many as Newton got in the first inning.

At Newtonville Wednesday, Guido Castoldi pitched another victory, mesmerizing the Brookline batters with eleven strikeouts in less than nine innings. Newton scored one run in the first, two in the second, another in the third, one in the fourth, another in the seventh, and three in the eighth. Bert Marrazzo hit a long rolling home run in left center field in the second inning to score standing up, with Stan Gruber on base at the time.

Newton got sixteen hits to four for Brookline, made no errors while Brookline committed four, and in general looked like a big-league team. Guido Castoldi might have sustained his average of 13 1/2 strikeouts per game had Coach Jones not decided to work in his other pitchers. With the score 9-0 in the eighth, Jones moved Guido out into the outfield and put Chester Newey on the mound for a little experience. Chet walked two men. Castoldi returned to the box, was found for a scratch hit, and then fanned three batters to retire the side. In the ninth three other Newton players, Bradford walked his man, sophomore Francis Callahan made a double play at first on a pop fly, and Mc Adams struck out the last batter.

#### Suburban League Standing

	Won	Lost
NEWTON	5	0
Camb. Latin	2	1
Brookline	2	2
Arlington	2	2
Waltham	1	3
Rindge	1	3

The Newton Independents led the Twin-County league to date with two wins and no losses. The game Monday night with Natick was called in the fourth inning and will be played again at Natick on Sunday. Next week the Independents will meet Needham here Monday evening, their regular home date, and will go to Wellesley Thursday and Saxonville Friday.

### Weeks Jr. High

The sixth annual concert of the school will be held this evening in the auditorium at eight o'clock. The program will include selections by the school band, seventh grade chorus, the school orchestra, and solo selections by Charles H. Bowers, clarinetist, Joy Wingett, violinist, and a violin ensemble by the beginners class.

### NEWTON WINS QUAD MEET, SWEEPING JUMP

Newton High won their quadrangular track meet last Friday afternoon from Lowell, Medford and Brockton, nosing out Brockton with an eleventh hour sweep in the high jump and a fortunate relay victory. The point score changed so radically during the progress of the meet that Medford was the only team that failed to be on top at any time, as the other three battled for the lead. The final score read Newton 38 1-8, Brockton 28 3-8, Lowell 22 1-4, and Medford 11 1-4.

Oddly enough, Newton was the one team without a double winner in a meet dominated by eight or ten athletes. Brockton's Louis Montgomery won the 100-yard dash in 10.58 and the broad jump at 21 ft. 1/2 in. both fine performances for a versatile boy who takes his track as it comes, and without great preparation. Gangling Ed Dugger of Medford led home Newton's Jerry Allen in a 23.2 furlong sprint, and was an easy victor over Don McKinnon in the hurdles final. He hit 14.4s in his trial heat, but the final score showed that the triumph of Lowell, the other double winner, outlegged Bob Muther and Elmer Ross of Newton in the 440-yard run in 53.3s, then won the shot with a middling toss of 44 ft. 10 1/2 in.

#### Gallant Upsets Bova in 880

Not all the home towners points came in seconds and thirds, however. Joe Gallant came through with the fastest half-mile ever run by a Newton athlete, 2m. 1.4s, beating out Carmen Bova of Lowell, highly favored middle-distance star. The old record was the oldest on the books, having been set by Tommy Clausen in 1922 at 2m. 1.6s.

Don Enoch's formidable sprint stars, Paul Forte and Bud Hines, did not figure in the scoring. Forte had been pronounced fit by his doctor, but he pulled up lame while leading the fast field in the final, and coasted in fourth, led by Montgomery and Watson of Brockton and Wood of Lowell. The rise of a new sprinter was signalled in the novice 100-yard dash, won by football center Don Forte in 10.8, less than a stride slower than the varsity sprint. The younger Forte beat Cromwell of Brockton and McCarthy of Lowell. Still another century was the dash for junior high sprinters, which went to Don Ashley of Warren in 11.2s, with Fisher, Warren, second, and Hurley of Weeks third.

#### Sweep in High Jump

Newton was tied with Brockton at 28-11 after Muther, McKinnon, Ross and Allen had nosed out the Brockton half-mile star. The time was 1m. 34.9s, and Lou Montgomery very nearly caught Jerry Allen at the tape. First three high jumpers were all Newtonians, Mark Messier, Bill Pescosolido and John Callahan all clearing 5 ft. 7 in. and Lee Shackford got into the eight-way tie for fourth, giving the host team 10 1-8 points in this event and sewing up the meet.

Earl Babcock placed fourth in the record half-mile trailing Creighton of Brockton, and Bill Pescosolido placed second to Montgomery in the broad jump at 20 ft. 8 in. In the other novice events, Arthur Hughes picked up a point for Newton by winning the 440 in 56.6s, while the 220 went to Howard Caldwell of Brockton in 24.9.

### PREPARE FOR COMING TWI-LEAGUE SEASON

The first meeting of the season of the directors of the Newton Twilight League will be held Wednesday evening, May 19th, at 7:30 at Newton Centre Recreation Building. Managers of teams interested in joining the league are invited to be present whether or not they have had previous connection with the league. Former league members will be given preference over younger teams in joining the senior league, however, provision will probably be made to care for all teams making application. It is rumored that Upper Falls will re-enter the league with the old master, Tommie

#### MORTGAGEE'S SALE OF REAL ESTATE

By virtue of the power of sale contained in a certain mortgage given by Pearl Barshak of Boston, Suffolk County, Massachusetts, to Mt. Washington Cooperative Bank, a banking corporation duly organized under the laws of Massachusetts and having an usual place of business in said Boston, dated April 21, 1936, recorded with Middlesex South District Registry of Deeds, Book 6022, Page 132, for breach of the conditions of said mortgage and for the purpose of foreclosing the same will be sold at public auction at 2:00 o'clock P.M. on June 8, 1937, on the premises described in said mortgage, all and singular the premises therein described as follows:

"The land in that part of Newton called Waban together with the buildings to be erected thereon shown as Lot 27 on a plan of land in Newton, Mass., belonging to New England Homes, Inc., dated August 5, 1935, Joseph Selwyn, C.E., recorded with Middlesex South District Registry of Deeds, Book 5982, Page 450, bounded and described as follows: NORTHERLY, by land now or formerly of Cotter, sixty-three and five eighths (63.625) feet; EASTERLY, by land now or formerly of Henry J. Day, two hundred and thirty-seven and twenty-two hundredths (237.22) feet; SOUTHERLY, by Paulson Road as shown on said plan, seventy-five (75) feet; and WESTERLY, by lot 26 as shown on said plan, two hundred and seventeen and sixty hundredths (176.99) feet. Containing 18,216 square feet of land more or less according to said plan. Subject to and with the benefit of any and all rights and easements pertaining to the aforesaid parcel of land. Being the same premises conveyed to me by deed of Belby Realty Co. dated August 13, 1936, recorded with Middlesex South District Registry of Deeds, Book 6009, Page 201. Subject to and with the benefit of any and all unpaid taxes, tax titles and municipal liens, if any there be. Two hundred (\$200) dollars in cash will be required to be paid at the time and place of sale, balance in ten days. Other terms to be announced at said sale.

MT. WASHINGTON CO-OPERATIVE BANK,  
Present Holder of said Mortgage,

Edward L. Logan, Attorney,  
35 Devonshire Street,  
Boston, Mass.  
May 11, 1937.  
May 14-21-28.

Simpson at the helm in an attempt to bring the city championship back to the Falls.

### CRICKET SEASON TO OPEN HERE TOMORROW

The Massachusetts State Cricket League opens its season Saturday afternoon at three o'clock at the Newton Centre playground with a match between the local entry in the league, the Metropolitan Club, against the West India aggregation. F. C. Bray of Newton is president of the Metropolitan Club and invites local athletes interested in playing cricket to attend the game on Saturday as well as the practice class which meets at the playground on Wednesday. David Black of Newton is captain.

The state league comprises thirteen teams. In addition to the Newton entry they are Arlington Mills, Athletics (Cambridge), Bermudians (Roxbury), Brockton, Malden, Middlesex (Allston), Standard (Allston-Cambridge), University (Cambridge), Wanderers (Roxbury), West India (Boston), Winsor (Boston), and Winsor Minors (Boston).

### High School Tennis Courts Need Attention

People who use the Newton High school courts on Elm rd. are saying unkind words about the playground department for allowing those courts to go to seed, more or less. Instead of the thorough resurfacing that was promised, these courts were merely scraped clear of pebbles and rolled dry. Then two separate treatments of calcium were applied. Not once have they been wet down and rolled as they should be, and as they were in other years.

Th result is that the court surfaces are as soft and yielding as beach sand, particularly behind the baselines. The back courts actually look like somebody's garden ready for the spring planting. A match is scheduled between two high-powered outfits when the Newton High alumni meets the varsity team on the high school courts tomorrow, and unless miracles have been wrought overnight, the self-respecting players on both sides had better take their matches to some other part of the city, perhaps to Burr Playground in Newton or to the Newton Centre Playground courts.

It is unthinkable that Newton High, with a state championship to defend in tennis, its teams undefeated by any high school in the last five years, should have to use courts as sadly neglected as its own. Unless gallons of water soak through the parched courts in the next few days, the state interscholastic tennis tournament, sponsored by Newton and Winchester, will have its important late rounds played on soft sand. That tournament, by the way, is being held next Saturday, a week from tomorrow.

J. M.

SAME ATTIC  
from Junk Yard to  
Extra Living Room in  
One Short Week

If used for nothing more than the storage of luggage and old clothing . . . attic space is pretty expensive . . . the space up there which serves no living purpose cost real money when your home was built.

There used to be a saying, "its smart to be thrifty" . . . which when applied to attics means they ought to serve a better purpose than the graveyard of old trunks.

Fix up the attic . . . it will put the whole house "into production" . . . we have finished a good many attics in this town . . . we'll gladly do your next.

## Carter Resigns as Head of Playground Commission

Albert P. Carter of 104 Highland ave., Newtonville, on last Friday tendered his resignation as Chairman of the Newton Playground Commission. He gave as his reason that the work of the commission has increased and that he can no longer give the time the membership on the commission entails because of his other outside activities. Mr. Carter was appointed a member of the Newton Playground Commission when that body was first established in April 1912. The appointment was made by Mayor Charles E. Hatfield. Mr. Carter was reappointed for succeeding terms by Mayor Edwin O. Childs and became chairman of the commission in 1925. In the past the Playground Commission met only two or three times each year, but, recently members of the commission decided to meet monthly.

At the meeting of the Board of Aldermen on Monday night a communication was received from Mayor Childs designating Ralph C. Henry as chairman of the commission, subject to confirmation by members of that body, and Edward F. Dalton of Pine Crest rd., Newton Centre, as the new member to succeed Mr. Carter. Mr. Dalton is a native of Boston, and has resided in Newton Centre for 9 years. He has taken a prominent part in the activities of the Democratic party during his residence in this city. Mr. Dalton graduated from Suffolk Law School in 1922 and since then has practiced law at 45 Milk st., Boston, as a member of the firm of Collins & Dalton. He is a member of Newton Post, American Legion, and Newton Lodge of Elks.

## Newton Safety Council Active

A meeting of the executive committee of the Newton Chapter, Massachusetts Safety Council, was held at Newton City Hall on Tuesday night. General Daniel Needham, chairman of the chapter, presided. Mr. Needham outlined a program which the chapter will sponsor. It will deal with educational, engineering and enforcement phases of traffic. Through the activity of General Needham, and with the approval of the executive committee, a traffic survey has been started in Newton. It will be an analysis of all traffic accidents which have occurred in Newton from January 1, 1935 to date and will be conducted under the direction of Colonel J. M. Morehead, Supervisor of the Mass. Highway Research Project, under WPA auspices. It will be sponsored by the State Department of Public Safety. The executive committee also voted to approve of a survey of educational work on traffic being conducted in Newton schools. Raymond Greene, acting principal of Newton High School, and a member of the executive committee of the Newton Chapter of the Safety Council, will have charge of this survey. It was voted to enlist the service of the more than 50 members of Newton Chapter in various studies of traffic problems in Newton, and movements to make Newton streets safer. Committees will be appointed and chairmen designated. A meeting of the chapter will be held at City Hall on Thursday evening, June 3.

## Arrested For Hit-Run Driving

Saturday night as Manuel Berman and some friends were sitting in his car, parked opposite his home at 117 Garland rd., Newton Centre, it was hit by another automobile, the driver of which did not stop. The police were notified and Patrolman Lyons and Stevens went to the place. They found marks of a flat tire leading from where Berman's car had been parked. Tracing the tire marks they found a car with a flat tire jacked up in the yard of Alden Bailey, 31 Tarleton rd., Newton Centre. Bailey was charged with driving the car into the yard of Berman's car. Bailey was arraigned in the Newton court on Monday and his case continued until May 19.

## F. A. Day Made Chaffin Trustee

F. A. Day of Sargent st., Newton, has been appointed trustee of the Chaffin Fund by Mayor Childs. The fund was established by the late John C. Chaffin to assist worthy young people of Newton to obtain higher education.

## Will Elect School Com. Mem. May 24

A joint meeting of the Aldermen and School Committee was held on Monday night preceding the regular meeting of the Board of Aldermen. The members of the School Committee present were Chairman Mather, Mrs. Wood, Fernald and Smith. Mr. Fernald moved that a joint meeting of the two boards be held on Monday night, May 24, to elect a successor to F. Marsena Butts who recently resigned as member of the School Committee from Ward 7. Alderman McCabe asked why the election cannot be held at the regular meeting of the Board of Aldermen on May 31, or later. He was informed that the School Committee desires to fill the vacancy so that the new member can enter on his duties at the next meeting of the School Committee, which will be held on May 24.

## More Complaints Against Dogs

Several complaints concerning barking dogs were received by Newton police on Tuesday. The dogs were those owned by Maude Charlton, 63 Islington rd., Auburndale; Mrs. R. M. Lazarus, 7 Westbourne rd., Newton Centre; Walter Oakes, 132 Beaumont ave., Newtonville; Mrs. James McCarthy of 1502 Washington st., West Newton was ordered to restrain an alleged biting dog on complaint of Robert Aulon of Woodbine st., Auburndale. Arnold Seligman of 66 Linden st., Upper Falls was ordered to restrain his dog, Ida Collins of 74 Linden st., complained that the dog had bitten a member of her family.

## Blamed Insulin for Unsteady Driving

Robert Morrison of 94 Prospect st., West Newton, was found guilty in the Newton court last Thursday of driving a car while under the influence of liquor. He was fined \$35 and given a suspended sentence of 30 days in Middlesex County prison. Patrolmen Reagan and Tredidin testified that Morrison was under the influence of liquor when they placed him under arrest. Dr. Earl Chapman of Commonwealth ave., testified that he had been treating Morrison for diabetes and that his patient's condition could have been caused by insulin.

## Drawn for Jury Duty

At the meeting of the Board of Aldermen on Monday night the names of three Newton men were drawn from the jury list. Those who will serve as jurors at civil business sessions starting May 20 at the Middlesex Superior Court are: Harry Achorn, 133 Fuller st.; Ralph Seaman, 5 Walnut ter.; George Hutchinson, 20 Applearth rd.

## Judge Lenient With Driver Who Caused Fatal Accident

In the Newton court on Monday Louis Ludwig, 71, of 34 Perry st., Brookline, was found guilty of driving a truck so as to endanger the lives and safety of the public. On March 19 Ludwig was driving a truck on Commonwealth ave., near Westbourne rd., Newton Centre. Ludwig's truck collided with a truck driven by Lee Goldman of 199 Ward st., and then crashed into a car driven by Victor Billings of Worcester. Mrs. Sophie Hansen, 52, of Worcester, a passenger in Billings' car was killed and five others injured in the accident. Judge Frederic Crafts of Waltham, who found Ludwig guilty, sentenced him to three months in Middlesex County prison and then suspended the sentence.

## Many Speeders In Newton Court

A large number of autoists were arraigned in the Newton court on Wednesday. Motorcycle Officer Dwyer was the complainant in most of the cases. Among those fined \$5 each for speeding by Judge Allen were: Isabel Kenna, 21 Peabody st., Newton; Salvatore Yerardi, Harvey pl., West Newton; Howard Weeks and Charles Ogilvie of Wellesley. The case of George Jameson, 18, of Pulisier st., Newtonville, charged with speeding, was placed on file. Margaret Lawton of 5 Hamlin rd., Newton Centre, and Anne Rothenberg of 20 Wachusett rd., Chestnut Hill, each was fined \$3 for entering a through way without stopping.

## Newton K. of C. Selects Officers

Newton Council, Knights of Columbus, nominated candidates for office for the ensuing year at its meeting on Tuesday night in Elks' Hall. The following were nominated: Grand Knight, John E. Mahan; Deputy G. K., Thomas Geary; Chancellor, John J. Carroll; Warden, Andrew Schwer; Treasurer, George Linnehan; Recorder, Algernon McCarthy and James Lawless; Inside Guard, Raymond Keegan; Outside Guard, William Gerrity; Trustee, Paul Fitzgerald.

## Several Rescued From Charles River

Inexperienced canoeists were rescued from the Charles River at Auburndale on Sunday afternoon by Metropolitan policemen. Three Brighton boys were taken from the water by Patrolman McAuliffe when their canoe capsized near Norumbega Park. A youth from Roslindale and his companion from Roxbury were rescued by Patrolmen McAuliffe and Anderson after the canoe in which they were paddling, had tipped over.

## Object to Proposed Street Plans

A hearing was held before the Board of Aldermen on Monday night on the petition of Louis Levin of 294 Washington st., Boston, for the laying out, improving and acceptance of Evelyn and Paulson rds. which are off Beacon st. west of the Newton Cemetery. Louis Green of 27 State st., Boston, speaking as attorney for Levin, told the Aldermen that 18 new houses have been recently built on the streets in question, and that if these streets will be improved and accepted by the city, thirteen more new houses, valued at about \$200,000 will be erected.

Thomas L. Ryan of 246 Walnut st., Newtonville, speaking for Mrs. Hannah King, 1317 Beacon st., and Mrs. Julia McGrath, 1325 Beacon st., objected to the petition. He said there has been a real estate racket on the development, with many foreclosures of mortgages. He asked why the petitioners do not develop the streets in accordance with city specifications, as have other real estate promoters in this city, and then ask the city to accept them. Instead of trying to have others pay for such improvements, Ryan said the proposed plan would take a 15 foot strip off Mrs. McGrath's property and greatly reduce its value. He asked why the petitioner did not plan the improved street so that the land taken for widening will be taken from his property instead of Mrs. McGrath's? He called attention to the fact that the King family has been paying taxes to Newton on their property for 35 years.

Warren Ames of 69 Evelyn rd. objected to the petition. He said it would compel him to pay excess betterments. He favors Evelyn rd. remaining a dead end street to protect many small children living on the street from increased traffic which will result if the road is made a through street.

## Police Lose On Day Off In Six

The Board of Aldermen on Monday night decided that it has no authority to take action on the petition of the Newton police for one day off in six. The police now receive one day off in eight. The Claims and Rules Committee reported that the matter is an executive function and the Aldermen cannot act on it. This report was based on the advice of City Solicitor Bartlett. Alderman Walker, speaking for the majority of the committee explained that the citizens of the city in 1920 had accepted the act giving the policemen one day off in each eight days. Alderman Cronin made a minority report. He made a long argument in an effort to show that the ruling of the City Solicitor is wrong. He contended that the Board of Aldermen has the power to determine the number of days or hours police may be on duty. He agreed that the Chief of Police can determine the working schedules of his force, but admonished the Board for "passing the buck."

## Appoint Dr. Rae as School Dentist

The Newton Board of Health on last Friday announced the temporary appointment of Dr. Cameron Rae of Harding st., West Newton as school dentist for the balance of this school year, to succeed Dr. Pomfret who resigned as of May 1. A dental clinic for school children from families in poor financial circumstances has been conducted in this city for 19 years. Dr. Harold Chubb, Director of the Newton Health Department, in his annual report, advocates the continuance of this clinic. Some members of the Board of Health, in the past, have favored only the teaching of dental hygiene in the schools, believing that it is not a function of the city to provide free dental treatment for children. Members of the present Board of Health are studying the question, and will decide whether or not the clinic shall be continued.

## City Won't Pay For Fire Damage

Over in European countries owners or occupants of buildings where fires occur, must pay damages unless they can prove they were in no way responsible for the fire because of carelessness or defects in the structure burned. Benjamin Monaghan reversed this procedure by asking damages from the City of Newton because of alleged responsibility on the city's part for fire damage at his home, 3 Auburn st., West Newton. A couple of months ago a fire occurred at Monaghan's residence. He claimed the fire did more damage than it should have done because of an alleged defect in a fire alarm box, which delayed the sending of the alarm, and because a defective hydrant delayed the firemen in getting water on the flames.

Monday night the Board of Aldermen voted to refuse Monaghan's claim. Alderman Dawson, chairman of the Claims committee, reported that Monaghan had been given a hearing, and the committee decided there had been no neglect on the part of the city. Alderman Bowen inquired if the city could legally be held liable for damage resulting from fire. He was told that City Solicitor Bartlett had ruled that the city cannot be held liable.

## Police Arrest Lottery Promoters

Newton police on Tuesday arrested three men for promoting lottery and horse race betting in this city. Special Officer Hammell at 11:30 Tuesday morning arrested Melvin Winters, 26, of Islington st., Allston on Union st., Newton Centre. Hammell found alleged lottery slips in Winters' possession. Winters was arraigned in the Newton court on Wednesday and his case continued until May 22. Winters was fined \$125 in the Waltham court on February 16 for selling lottery tickets in that city.

About 2 o'clock Tuesday afternoon Officer Hammell, assisted by Captain Goode and Inspector Crowley, arrested Thomas Delfino, 56, of 1607 Commonwealth ave., Brighton and John Rossi, 27, of Elm st., Somerville. They were arrested on Watertown st., Nonantum. In court yesterday Judge Weston fined each \$50 and gave them 3 months sentences to Middlesex county prison. Judge offered to suspend the sentences if the defendants paid their fines. They took appeals. Inspector Goode told the judge that Delfino had been warned to keep out of Newton.

## Appointed To Fire Department

Robert J. Demmons of 221 Chapel st., Nonantum, was appointed a member of the Newton Fire Department by Chief Randlett last Saturday. Demmons was born in Newton 27 years ago. He stood fourth on the eligible list when four appointments were recently made, but was jumped at that time. There is still a vacancy in the Newton fire department due to the recent death of Charles Charlton of Engine 8. The two first on the eligible list are Hugh McMackin, Jr., 116 Boyd st., Newton; and Charles Costello, 46 Auburn st., West Newton.

## Aldermen Refuse State's \$100,000

A grant of \$100,000 from the Commonwealth of Massachusetts to the City of Newton for the purpose of extending Hammond Pond Parkway from its present terminus at Beacon st. near Hobart rd. to Commonwealth ave., will become void on June 7 as a result of a vote taken by the Newton Board of Aldermen on Monday night. The grant was made by the State several years ago, and was renewed a couple of years ago. The parkway was originally planned to extend along Hobart rd. but opposition from residents of Hobart rd. caused the parkway not to be constructed along that route. An alternative plan, proposed a few years ago, was to extend the parkway via Chesley rd. and Willow st. This plan also met with vigorous opposition.

The Finance Committee of the Aldermen reported on Monday night that no further action is necessary on the matter of the \$100,000 grant. The Board accepted the report. And so—the \$100,000 will revert back to the State on June 7.

## Would Keep Oak Hill Exclusive

A petition signed by 27 residents and property owners of Oak Hill was presented to the Board of Aldermen on Monday night. This petition asks for a city ordinance which would require every lot of land for dwellings in part of that district to contain at least 20,000 square feet. The territory specified is that south of Dudley rd., Greenwood st. and Dedham st. It was referred to the Newton Planning Board for study.

A group of 20 women residents of Oak Hill and Newton Centre went to City Hall last week and urged the Mayor to recommend the laying out of a new street from Parker st. to the new Oak Hill school. The Mayor promised them that he would give the matter consideration.

## Chief Allen Talks To Newton Kiwanis

Chief Selden Allen of the Brookline fire department was the speaker at the meeting of the Newton Kiwanis Club on Tuesday. He told of his 42 experiences fighting fires, using slides to illustrate his lecture. He predicted that in the future firemen will have the advantage of covered fire trucks, instead of being compelled to ride in open vehicles. Newton Kiwanis will hold a joint meeting with Boston Kiwanis at Hotel Touraine, Boston, on May 25.

## Found Injured in Front of Home

Donald Aselton of 3 Kilburn rd., West Newton, was seriously injured when he fell in front of his home about 3 a. m. Tuesday. He received injuries to his back and head and was rendered unconscious. He received first aid from Dr. C. O. Mooney, and was taken to the Newton Hospital in the police ambulance.

## THE PEOPLE WILL DECIDE

This week the Massachusetts Legislature decided that the voters of the Commonwealth should determine the question of biennial sessions of that body on a referendum vote next year. There has been much criticism of the Legislature for the parliamentary tactics that have been used to delay the determination of this question. It is clearly evident that although a substantial majority of the members of the House and Senate feel that the question should go to the people, a large majority are opposed to the adoption of that method of conducting our state affairs. For some years there has been considerable agitation for biennial sessions but already there is a more or less convincing trend toward a feeling in favor of the continuation of annual sessions. During the next fifteen months the public will have every opportunity to inform themselves upon both sides of the matter and reach a decision.

## LIFE INSURANCE WEEK

At the present time Life Insurance Week is being observed with press reports, convention meetings, and other related matters focusing public attention upon this vital economic benefit. Massachusetts, eighth in population, ranks fifth in life insurance payments to policyholders and beneficiaries, with more than one hundred and forty-one millions of dollars paid in 1936. In the United States and Canada such payments totaled nearly three billions of dollars. If figures such as these could be broken down into individual communities it would most certainly indicate that Newton would rank high in such a list. Life insurance money is being paid to people in all walks of life. It aims for economic security, is a great stabilizing factor in maintaining our democracy, and it has played a most important part in assuming a goodly share of the burden of public welfare during the depression years. If every person could and would make some provision for his family or himself in the event of death, old age, and disability, there would be little need for government financed aid.

## Recent Weddings

### KIMBALL—BACHRACH

Miss Jeanne D-Land Bachrach, daughter of Mr. and Mrs. Louis Fabian Bachrach of 128 Highland st., West Newton, was married to Frederick Kimball, son of Mr. and Mrs. Frank W. Kimball of Dedham and North Falmouth, on Saturday afternoon, May 15, at four o'clock in the First Unitarian Church in West Newton. Rev. Herbert Hitchen performed the ceremony.

The bride wore a gown of candle-light satin cut on Empire lines and a veil of deep cream tulle with cap of lace. She carried deep cream gardenias. Miss Ruth C. Chase of West Newton, the maid of honor, wore a gown of peacock blue and carried yellow spring flowers. The bridesmaids were Miss Edith May Kimball of Dedham, sister of the groom, Miss Elizabeth McBeath of Marblehead, Miss Helen Greer of Wellesley, Miss Elizabeth Sargent of Wellesley Hills, who wore gowns of lemon yellow tulle crepe in Empire style with hats to match. Miss Barbara A. Stewart of Newton, Miss Margaret E. Ward of Ridgewood, New Jersey, Miss Rosamund Esselen of Swampscott, Miss Jeanne S. Fisher of West Newton, who wore aquamarine dull crepe in Empire style. They all carried bouquets of yellow and violet spring flowers.

Laurence H. Larsen of Lima, Ohio, was the best man. The ushers were Bradford K. Bachrach of West Newton and L. Fabian Bachrach, Jr., brothers of the bride, Dr. Stanley Kimball of Dedham, cousin of the groom, Joseph C. Skinner of Wellesley Hills, William Laporte, Jr. of Passaic, New Jersey, Francis C. Chase of West Newton, and Russell G. Scott, Jr. of Dedham.

The bride's mother wore a gown of Gauguin pink chiffon with a corsage of orchids and the groom's mother wore royal blue marquisette with a corsage of gardenias and lilies of the valley.

A reception was held at the home of the bride's parents following the ceremony.

Mr. and Mrs. Kimball left on a wedding trip to Europe and on their return will reside in Dedham.

The bride is a graduate of the Brimmer School and of Radcliffe 1936. The groom is a graduate of Princeton, 1936.

### NEUMEISTER—ROE

Miss Elizabeth Katharine Roe, daughter of Mr. and Mrs. Ira Smith Roe of Waban, became the bride of Darwin Roe Neumeister of New York, son of Mr. and Mrs. Carl H. Neumeister of Auburn, N. Y. The ceremony was performed on Saturday evening, May fifteenth, at 8:30 o'clock in the Church of the Good Shepherd in Waban by Dr. Lewis Ward of Jamestown, N. Y., uncle of the bridegroom. White peonies, stocks and ferns decorated the church. A reception at the Brae Burn Country Club followed the ceremony.

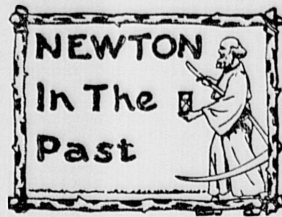

The bride, who was given in marriage by her father, was gowned in ivory satin with a long train and a veil of tulle, and carried gardenias and valley lilies. Miss Sally Roe was her sister's maid of honor and was gowned in dusty rose chiffon while the bridesmaids, Miss Elizabeth Holmes of Brookline, Mrs. Coleman Beebe of Wellesley, Miss Natalie North, Miss Ruth Charlton and Miss Louise Bloomfield of Waban and Miss Margaret Kollig of Saginaw, Mich., wore gowns of dusty pink chiffon. They carried shower bouquets of white Canterbury bells and larkspur. Roger Neumeister of Auburn, N. Y., was best man and the ushers included Phillip Ordway of Battle Creek, Mich., Robert Rogers of De-

troit, Mich., Colman Beebe and Floyd Robbins of Wellesley, Dunbar Holmes of Waban and Frank Pataky of New York.

The bride's mother wore French blue lace with lavender orchids, and the bridegroom's mother wore orchids with her gown of blue chiffon.

Following a wedding trip Mr. and Mrs. Neumeister will make their home in Brooklyn, N. Y.

The bride studied for a year at The Sorbonne in Paris and was graduated from the University of Michigan in 1936. The groom also graduated from the University of Michigan in 1936 and is a member of the Psi Upsilon fraternity.

62 YEARS AGO

Newton Republican, May 29, 1875

For Sale

A First Rate

Horse and Phaeton.

The horse is a good roadster, nearly 9 years old, kind, safe for a lady to drive, and not afraid of railroad trains. Buggy and harness have been in use only a little over a year. The whole team is stylish and desirable. For particulars address Box 73, Newtonville. (Adv.)

Mrs. J. W. Pearson of Nonantum st. had a narrow escape last Saturday. Coming up the track from the Washington st. crossing at Newton, she saw a freight train coming East, so she stepped onto the outward track, not noticing Conductor Comee's train coming out from Boston. Sharp whistling by both engineers warned her of the danger. With much presence of mind she stepped between the tracks, gathered her skirts about her, and both trains passed without injuring her. Not many people would want to stand between two trains going opposite ways at the same time.

Two mad dogs were shot at Upper Falls by Mr. Kerrigan last week, and several others bitten by the rabids were put to an end. More of the latter sort will have their cases attended to as symptoms develop.

Editor Republican:—  
"Having recently had severe illness in my family with evidence of blood poisoning among the symptoms, it was suggested that one of the causes might be impure water. At first I doubted this as our well water for years had been noted for its supposed purity. To make sure I carried a quantity, freshly drawn, to chemists in Boston. I have just received their letter, of which the following is a copy:

"Boston, May 19, 1875.

"Dear Sir:—  
"It is with sincere regret that we have to inform you that the result of our analysis of your well water entirely confirms your suspicions of its bad quality. It contains the impurities common to well water in this part of the country—lime salts, oxide of iron etc., and in addition it contains large quantities of alkaline chloride, and decomposing organic (sewage) matter. It is one of the worst waters we ever examined, not only undesirable, but dangerous to use! "Perhaps if our city fathers had a similar experience, they would take prompt and decisive action to introduce pure water into this city as soon as possible. Could an analysis of all

wells in Newton be made today, probably most of them would be classed not only as undesirable for use, but dangerous. The objection to the proposed water system seems to be its expense. Then, let street improvements wait, and put that item of expense toward the water system."

"Yours truly,

H. G."

50 YEARS AGO

Newton Graphic, May 21, 1887  
Mr. Henry E. Cobb is doing the Berkshire Hills in his tally-ho coach with Mrs. Cobb, Mr. and Mrs. J. Sturgis Potter, Mr. and Mrs. J. B. Goodrich, Mr. and Mrs. Andrew S. March. They started last week Thursday and expect to be back next Saturday.

Mr. James H. Earle of Newton has issued in very neat pocket editions two valuable tracts prepared by Mrs. Earle who is superintendent of the Sabbath department of the Mass. W. C. T. U. The tracts are on "Sunday Travel," and "Sunday Newspapers." They are impressively written—solid words for the hour—and should be widely circulated.

In another column we print a letter from Fisher Ames, chairman of the School Committee in which he says that the committee has never made any criticism or objection in regard to secret societies in the High School. The school board is too well informed upon school matters to raise any such baseless objection. Nevertheless, reports of the existence of such societies in the school, magnified and enlarged, were common topics, and the school board and the teachers were severely criticised for allowing them to exist. A little investigation showed there were no such societies and the only wonder is how the rumors could have gained such wide currency.

What Mr. Ames has to say about the injury done by so many social clubs and outside amusements, will be endorsed by every parent. Scholars cannot spend their evenings in social or other amusements and do justice to their studies. Few parents, unfortunately, have the firmness to keep their children from outside amusements while attending school, and the consequence is that many pupils either fail in their studies or their health gives way under the double burden. Every high school teacher has to fight against this evil and will as long as the foolish American custom of allowing school boys and girls to take part in general society prevails. While in school pupils have no business with late hours, dancing parties, the theatre, and the hundred and one things in which they are now allowed to indulge. A great deal is said about over studying, but for every pupil injured that way, there are a hundred injured by outside amusements. Hampered as they are by injudicious indulgence of parents, it is surprising our schools can show as good results as they do.

## Auto Hits Girl On California St.

A car driven by Wilfred Boudrot, 21, of 44 Taft ave., West Newton hit Helen Anestis, 20, of Coolidge Hill rd., Watertown, as she was walking on California st., Nonantum, last Thursday night at 10:15. The Anestis girl was hurled against Josephine La Greca, 21, of Brookline st., Cambridge, who was walking alongside her. Both girls were thrown to the ground and injured. They were taken to the Newton Hospital. They were going home from their work at the Raytheon factory when they were hit. Boudrot reported that he was driving at a speed of 25 miles per hour when he saw the girls walking on the street. He swerved the car and applied the brakes, but the car skidded.

Edward H.

## Powers' Paragraphs

According to the newspapers there is a squabble between David, Duke of Windsor and the British Government over the demand of the Duke that his bride to be shall be given the title of "Her Royal Highness." It is alleged that the British Government will not consent to the divorcee from Baltimore, Maryland, U. S. A. receiving this honor, because she is not of royal blood. The Duke of Windsor might overcome this obstacle by giving "Wally" a transfusion.

Registrar of Motor Vehicles Goodwin has ordered that automobiles must not be operated at night with the drop beam used in headlights. Why don't the police get after the large number of autoists who don't use head lights, but operate cars on a road light, which does not throw 50 feet ahead, not to mention 155 feet?

Another episode in the much muddled Hammond Pond parkway route was enacted by the Board of Aldermen on Monday night when that body voted to refuse a grant of \$100,000 from the Commonwealth of Massachusetts for the extension of Hammond Pond Parkway from its present terminus at Beacon st. to Commonwealth ave. Some years ago the State appropriated a large sum of money to continue the West Roxbury parkway from the junction of La Grange and Newton sts. in Brookline toward Boylston st., and thence by Hammond Pond to Beacon st. The parkway had been planned many years ago by the Metropolitan Planning Board and the plans had the approval of the Newton Planning Board and the City Engineer of Newton. The parkway was to skirt the shore of Hammond Pond and reach Beacon st. at Hobart rd. It was then to follow Hobart rd. to Commonwealth ave. While the parkway was being constructed between La Grange st. and Boylston st., a few influential Chestnut Hill residents decided they did not want it so near to their estates, although it would have been more than a quarter mile distant. So they petitioned for a new route which took the parkway over steep grades and necessitated two bad curves. They obtained the support of the then Mayor and the latter influenced the then Board of Aldermen to reverse a vote taken a few days previous, and authorized the construction of the parkway over its present, impractical route; a route which was considerably more expensive and longer.

The cost of constructing the parkway, particularly the section East of Boylston st., had been less than estimated, thanks to depression wages, and a balance of \$100,000 remained, which the State offered to Newton for the extension between Beacon st. and Commonwealth ave. Residents of Hobart rd. objected to the parkway being extended, as had been planned for years, over that street. They were aided in their objections by some persons who were interested in real estate along Willow st., and who made a strong effort to have the parkway routed in the direction of Glen ave., Chesley rd. and Willow st. The result was that neither route was chosen, and the parkway extension to Commonwealth ave. was not constructed. To prevent the City of New-

In former years the Senate was considered the conservative branch of the Massachusetts Legislature. It was regarded as a safeguarding check on the House of Representatives. Its members, as a rule, were men of more legislative experience than the members of the House, and were supposed to be men of proven ability. But, the Massachusetts State Senate this year has widely diverged from its past traditions. On important bills it has frequently reconsidered its vote and changed front. The shrewd politicians in the State Senate may think themselves so clever and the people so dumb, that they can keep on pulling the for and "against" stuff without the electorate becoming wise to their machinations. May we suggest to the hardy perennials in the State Senate that aphorism of Abe Lincoln's which contained the bit of wisdom that while you can fool all of the people some of the time, and some of the people all of the time, you can't fool the people all of the time.

## ONE THING AND ANOTHER

By L. D. G. BENTLEY

### Getting Down To Business

Not so puzzling, if you stop and look into it, is the posture of many a good woman and man of Newton as observed in their gardens these days. The care of plants calls for devoted attention and only by getting down on their knees is it possible for some people to accomplish anything botanical. Unfortunately, there are those who cannot kneel but who execute a sort of half-kneel-half-squat. Others sit right down flat because it is the only way they can perform the required task. A third group is so gifted its members can bend over, and, by stretching their arms, reach the desired goal. How they do it I cannot say and shall not by personal inquiry seek to learn for fear of jeopardizing my blood pressure.

Now, as usual I have a solution but I must admit it is not as practical as I would like. I mean I have doubts about convincing others of its efficiency. Nevertheless, if gardens were elevated about three feet or so and the work on them performed as if one were sitting at a desk or table or bench, it seems to me that gardening would be less exhausting.

O, the irony of it, as someone has said of about every extraordinary circumstance. The less supple our joints the keener our desire to dig. The older we get the younger our gardening spirit. The more uncomfortable the position demanded the greater our eagerness to be up, or rather down and doing.

### This Matter Must Wait

Drivers of milk wagons have gone back to delivering in the dead of night or, if you are poetically inclined, in the wee sma' hours. Whichever it is you get the milk, but you don't see it delivered. As these drivers are at most invariably genial, friendly fellows I shall miss them. There may be occasions when we will meet but it will be accidental and due to the fact, of course, that I have been detained until after midnight by some official duty or unexpected happening. I am wondering whether these drivers prefer to be abroad by the light of the moon or the beams of the sun. Since I have no immediate thought of staying up all night I shall not expect to obtain their views until next Novem-

ber when daylight deliveries are again in order.

### Something Wrong Here

The deluge of reading matter, so called, that rolls off the presses each month for consumers of varied taste and some of no taste whatever, is staggering. These monthly publications that deal with romance, detection of crime and of many other emotions and experiences do not impress me except for the fact that reams and reams of good paper are needed. The "wood pulp" magazines have circulation figures, which, I assume are accurate, that reveal a wide public. Study the newstands for yourself and if you can by any means make a complete count you'll be doing well. And think—this is where my head grows dizzy—men are chopping down beautiful trees in order we may be entertained and edified or whatever you may wish to call it!

### Offsetting Class Favorites

Almost any day now, whether we are on the lookout or not, we are apt to find in daily newspapers stories about college classes selecting for public acclaim outstanding members. We will learn, with possibly photographs, of the handsomest man and the prettiest girl, the best liked, the most intensive student, the best natured, the wittiest, the most obliging, the most generous and the most this and most that and most everything you may think of.

All very good. Nevertheless, the question is raised in my mind, and I like to think in the minds of others of great discernment, whether praise is really as effective as criticism. How would it be if the classes voted in terms of mild and polite censure? Honestly, I really think this would result in greater publicity and possibly in something less desirable. It would be beneficial in the long run, however, if only those listed as offenders could be made to see it.

If my scheme were carried out, and probably it is too late this year to do anything about it, we would have the most disagreeable member of the class, the most chiselling, the laziest, the stingiest, the biggest cribber, the biggest four-flusher, the meanest, the biggest liar and others whose fame is really entitled to mention.

Never Before!

A Hotpoint  
"DORIAN"

ONLY \$85.50  
WITH YOUR  
OLD STOVE

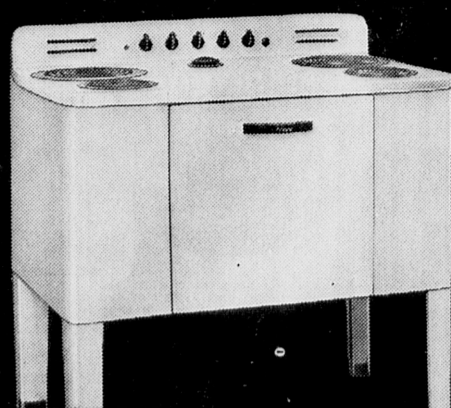

INSTALLED FREE

(except in a few cases due to location)

There aren't many left... so it's best to hurry in and see this big bargain in electric ranges before it is too late. It's a fact... you can actually buy this modern, up-to-date "Dorian," famous for its Hotpoint name, for only \$85.50.

You'll love cooking the electric way. It is just about failure-proof, for automatic oven-heat-control keeps the temperature exactly right. Extremely economical to use, too, for two-thirds of the cooking is done with the heat turned off. The oven is heavily insulated, you see, and "sealed tight." All the flavor and natural juices are retained—everything tastes so much better.

Don't wait. Now is the time to come in, while special price is in effect!

### 8 SPECIAL FEATURES

- 4 latest type Calrod Hi-Speed cooking units, including giant burner for extra speed.
- Over-sized oven 16" wide, 18" deep and 17" high.
- Accurate heat regulator ends guesswork and cooking failures.
- One-piece cooking top—no hard-to-clean cracks or seams.
- Heavy, long-service finish inside and out means easy cleaning, and the cooking top is acid-resisting.
- Convenient outlet is handy for plugging in percolator, toaster, iron, mixer.
- Up-to-date, modern design—convenient flat top provides handy working surface with units on each side.
- Finished in gleaming white.

## "Standard" HOSTESS Sink

The 8" deep sink well of the "Standard" HOSTESS SINK eliminates the use of a dishpan.

AND why shouldn't a woman have everything she needs in the kitchen right at her finger-tips? Necessary utensils and cutlery in spacious drawers... pots, pans and kettles in roomy compartments... towels and cloths on sliding racks... soaps, brushes and cleansers on a wide back ledge... all these conveniences are provided by the "Standard" HOSTESS SINK. It's designed not only for service but to fit perfectly with other built-in cabinets.

Ask your Master Plumber to show you the many features of the HOSTESS SINK—the acid-resisting enamel on cast iron—the deep sink well that eliminates a dishpan—the smart modern fittings with a handy spray-hose. He can plan a built-in kitchen, tell you the cost, arrange time payments, when desired.

"Standard" Distributors are now displaying a wide variety of "Standard" Plumbing Fixtures. Visit the nearest showroom listed below.

"Life is too precious to endanger it by entrusting plumbing to hands other than those best qualified to assure Health Protection—the Master Plumbers."

### MARGARET F. CORNELL

Mrs. Margaret F. Cornell, widow of John Cornell, died on May 13 at New London, Conn. She was born in West Newton, the daughter of Mr. and Mrs. John Hackett. Her funeral service was held last Saturday at St. Bernard's Church; the requiem mass was celebrated by Rev. Edmund Hackett of Milton, a nephew of the deceased. Burial was in Calvary Cemetery. Mrs. Cornell is survived by three sisters—Miss Mary Hackett and Mrs. Annie Reilly of West Newton and Mrs. Elizabeth McGrath of New York; and a brother, William Hackett of West Newton.

### DANIEL BARTON

Daniel Barton of 37 Lewis st., Newton, died on last Friday, May 14. He is survived by his widow, Mrs. Julia Barton; two sons, Daniel and John Barton; two daughters, Helen and Shelia Barton; and a brother, Dennis Barton. He was a member of Roxbury Council, K. of C.; Division 35, A. O. U.; and the Brotherhood of Railroad and Steamship Clerks. His funeral service was held at Our Lady's Church on Monday. Burial was in Calvary Cemetery.

### JOSEPH ESCHELBACH

The funeral of Joseph Eschelbach was held on Tuesday from the home of his son, Carl Eschelbach, 864 Watertown st., West Newton; Rev. William Blake officiated. Mr. Eschelbach was born in Germany 81 years ago. He is survived by his widow, Mrs. Otilie Eschelbach of Waltham; two sons, Carl and George of Philadelphia; and two daughters, Mrs. Bertha Crandall of Brighton, and Mrs. Hicks of Allston. Interment was in Ridgeway Cemetery, Watertown.

### MARY E. HAWES

Mrs. Mary E. Hawes of 2390 Commonwealth ave., Auburndale, widow of Frank W. Hawes, died on May 18. She was born at Wilton, Maine, 83 years ago and had lived in this city for 17 years. She is survived by a son, William H. Hawes of Auburndale, and three grandsons. Her funeral service will be held at the Auburndale Congregational Church on Friday afternoon; Rev. Ralph Rogers will officiate. Burial will be at Wakefield.

### MARGARET McHUGH

Mrs. Margaret McHugh of 439 Park st., Newton Centre, widow of John McHugh, died on May 15. She was born in Mayo, Ireland 64 years ago, and had lived in this city for 44 years. She is survived by two sons, Thomas and Patrick McHugh. Her funeral service was held on Tuesday at Sacred Heart Church. Burial was in St. Joseph's Cemetery, West Roxbury.

## Newtonville Man Dies Suddenly

Jacob Van der Groen, 50, of 34 Madison ave., Newtonville, died suddenly of heart failure opposite 47 Madison ave. on Saturday evening. He had been to see a physician and was returning home, accompanied by his wife, when he dropped dead. He was a native of Amsterdam, Holland and a mechanical engineer by profession. He was employed by the Colonial Oil Company of Everett and had resided in Newtonville for two years. He is survived by his widow, Mrs. Bertha Van der Groen; and two daughters, Erna and Nora Van der Groen. His funeral service was held on Monday afternoon at Newton Cemetery chapel; Rev. Randolph Merrill of Central Congregational Church officiated.

## RECENT DEATHS

### ELIZABETH L. BEASOM

Mrs. Elizabeth L. Beasom, widow of Charles Beasom, died on May 19 at the home of her daughter, Mrs. A. R. Stephan (Betty Beasom) in Woodmere, Long Island, New York. Mrs. Beasom was born in Newton 65 years ago, the daughter of Charles W. and Annie (Anderson) Lord. Besides her daughter, Mrs. Beasom is survived by a brother, John Anderson Lord of Woburn. Her funeral service was held on Thursday morning at Woodmere. Interment will be held at 2:30 p. m. at Hope Cemetery, Kennebunk, Maine.

### ROBERTA A. NEWCOMBE

Mrs. Roberta A. Newcombe of 57 Damien rd., Wellesley Hills, died on May 12. She was a native of Free-town, Prince Edward Island, and had formerly resided in Newton Centre for 15 years. She is survived by her husband, William H. Newcombe; and a son, Leslie D. Taylor, Charles Taylor and Cyrus Taylor. Her funeral service was held at the First Congregational Church, Newton Centre, last Friday afternoon. Rev. M. R. Boynton, the pastor, and Rev. E. T. Sullivan of Trinity Episcopal Church, officiated. Interment was in Cedar Grove Cemetery, Dorchester.

## Fall Fatal To Auburndale Man

Frank S. Chandler, 44, of 203 Islington rd., Auburndale, died suddenly on Monday night at the home of Walter Mason, 9 Kingswood rd., Auburndale. Medical Examiner Gallagher reported Chandler's death due to cerebral hemorrhage. There was a contusion on the man's head, caused by his falling against a stairs when he fell. Chandler, who was not married, had been living at the Mason home since the death of his brother a few months ago. He was a native of Cambridge and had lived in Auburndale for 13 years. His funeral was held on Thursday at Short & Williamson's funeral parlor in Allston. Cremation was at Mount Auburn.

## Deaths

Buick believes in Both!

SPEND five minutes behind the wheel of a Buick and you'll know why we stress this great car's sensational ability to get up and go.

There's no more thrilling traveler anywhere, but the whole story isn't told in Buick's power. We've matched the ablest straight-eight engine in the world—the Buick valve-in-head straight-eight engine—with tiptoe hydraulic brakes that are soft as evening in their action and certain-sure.

We've given this staunch car a backbone that's like a keel of steel—there's a close-to-earth feel to it that spells safety in any man's language.

### LOWEST BUICK PRICES EVER!

At today's prices, a big Buick valve-in-head straight eight costs little more than the average six outside the lowest price field! Compare delivered prices and learn how little more buys a better Buick.

GENERAL MOTORS TERMS TO SUIT YOUR LIKING

You ride in a body that puts steel all around you—steel roof, steel panels, steel doors, steel floor—all welded into one stout unit of beautiful protection.

There's safety glass in all windows; there's No Draft Ventilation to keep windshield free of inside fogging; there's Knee-Action up front—for the true gliding ride and for the safe one.

Best of all—we've put ease into every seat—you ride relaxed and restfully in arm-chair comfort—with controls that obey as surely and easily as pointing your finger.

If you're looking for a car that will get you gloriously and safely where you want to go, five minutes at that wheel will show you that you can't do better than a Buick! See us now!

## Saltonstall and Cahill at Young Republican Club

The Young Republican Club of Newton met on Tuesday evening in the auditorium of the Claflin School, Newtonville. Guest speakers were Speaker Horace T. Cahill of the Mass. House of Representatives, and his predecessor, former Speaker Leverett Saltonstall of Chestnut Hill. Speaker Cahill explained the progress of a legislative bill, spoke briefly on legislative problems and conducted a question period and discussion on related matters. Mr. Saltonstall praised Mr. Cahill while serving under him and also for the efficient progress made at the present session under the latter's leadership. President Frederick P. Walther presided at the meeting of over 50 members and friends of the club.  
 The Young Republican Club is conducting an informal dance at the Newton Centre Woman's Club tomorrow evening, May 22nd, at eight o'clock. Roly Rogers and his orchestra will furnish the music and a large attendance is promised. Other features of the evening will be a vocalist and piano entertainer as well as a balloon dance, an elimination dance, and bridge, and other entertainment for those who do not dance.

## Newton Zionists To View Holy Land Pictures

# LaSalle V-8 BREAKS STOCK CAR RECORD for Indianapolis Speedway

Ralph DePalma Averages 82.18 Miles Per Hour in 500-Mile Run

ON MONDAY, MAY 10TH, a stock model LaSalle V-8—running under A.A.A. supervision—broke the stock car record for the Indianapolis Speedway!

With Ralph DePalma at the wheel, the distance was covered in 366 minutes—an average of 82.18 miles per hour! This is almost 8 miles per hour faster than the original Speedway record established by racing cars!

In spite of the record time, it was not a trial for speed. The run was made to prove LaSalle's endurance, roadability, safety and handling ease.

At the finish of the run, DePalma wired the Cadillac factory as follows:

"I finished third in the original Indianapolis race, and I was physically and mentally exhausted. Today, I feel fine after completing the same 500 miles in a LaSalle at a much faster pace. I never drove a car that performed in so effortless a fashion or handled so easily. My hat is certainly off to LaSalle!"

Wouldn't you like to drive a car that can thrill a veteran driver like Ralph DePalma? If so, come in today. We will gladly place a LaSalle at your disposal.

—On Tuesday afternoon little John Penney of Pine Grove ave. celebrated his seventh birthday by entertaining a gathering of his school mates. Games were enjoyed and a luncheon served.

## ART ARNOLD'S COUSIN FROM UTAH Sees a "torture test"

"Believe me," he writes, "I KNOW Hudson and Terraplane are the No. 1 CARS. I saw what they did on the Salt Flats"

"I saw a LOW PRICED car beat the best any closed car had ever done before! That 1937 Terraplane . . . a stock car, mind you, picked at random by the American Automobile Association Contest Board officials . . . went 1,000 miles out there on those great Salt Flats, averaging 86.54 miles an hour! What a 'torture test' of endurance.

"Then those California records! Terraplane beat every other leading low priced car . . . and Hudson beat every other light . . . in the Los Angeles-Yosemite Economy Run. And then . . . the Wrightwood Canyon climb! Up 9 wicked, twisting miles in 8 minutes, 20 seconds for Terraplane; 8 minutes, 0.4 seconds for an official Hudson record.

"Then a Hudson . . . 2104 miles in 24 hours! Out here, we've seen a lot of stock cars come to the Salt Flats and try for that 24-hour record . . . the prize of them all. But none ever touched what we saw that 1937 Hudson do! 87.67 miles an hour . . . for a full day and night! 32 official records for Hudson . . . on top of 8 for Terraplane!

"You can bet it's Hudson for me! Those people know how to build automobiles. Art. More power. More size and room. More economy and safety and endurance than any other cars anywhere near them in price, proved in official tests. I've got mine . . . and once you drive one, you'll say it's your No. 1 CAR, too! See if you don't!"

### No. 1 Cars of the Low and Moderate Price Fields

**No. 1 Wheelbases** . . . 117 inches in Terraplane; 122 and 129 inches in Hudson.

**No. 1 Horsepower** . . . 96 and 101 in Terraplane; 101, 107 and 122 in Hudson. Double carburetor in Super Terraplane and all Hudson Sixes and Eights.

**No. 1 Roominess** . . . 55 full inches of front seat comfort for three.

**No. 1 Driving Ease** . . . with exclusive Selective Automatic Shift (an optional extra).

Ask about the new low-cost Hudson-C.I.T. Time Payment Plan—terms to suit your income

**No. 1 Safety** . . . with exclusive Duo-Automatic Hydraulic Brakes and bodies all of steel, including roofs. New Double-Drop "2-X" Frame.

## WOMEN'S CLUB ACTIVITIES

Edited by EMMA D. COOLIDGE

### Newton Fed. Announces Chairmen

New chairmen for six committees have been ratified by the Executive Board of the Newton Federation; and a chairman appointed for one new committee, as follows: Art, Mrs. William L. Noetzel, of Newton Centre; Finance, Mrs. Theron B. Walker, Newton Highlands (succeeding Mrs. Edgar P. Hay, who is now president); Motion Pictures, Mrs. Joseph A. Otis, of the West Newton Women's Educational Club, of Auburndale; Press and Publicity, Mrs. Lawrence L. Fidalgo, Auburndale; Program, Mrs. Alexander I. Peckham, Newton Highlands; Social, Mrs. Edwin J. Morse, Waban; and (the new committee), Physically Handicapped, Mrs. Elmore I. MacPhie, of Community Service Club of West Newton.

Other committee chairmen continue in office as of 1936-1937. These include: American Home, Mrs. Ethel P. Leach, West Newton; Christmas Health Seals, Mrs. Chester W. Tudbury, Newton Highlands; Civics and Community Service, Mrs. Anton A. Wild, Newtonville; Conservation of Natural Resources, Mrs. Edmund I. Wilson, Auburndale; Co-operation with War Veterans, Mrs. David Black, Newton; Education, Mrs. James H. Orr, Newton Centre; International Relations, Miss M. Louise Walworth, Newton Centre; Legislation, Mrs. Wallace H. Jose, Newtonville; and Public Health, Mrs. Louis W. Arnold, Waban.

### Glee Club's May Festival

The Glee Club of the Community Service Club of West Newton closed its fifth season with a highly successful May Festival at the Warren Junior High School on Friday evening, May 14th.

The twenty-four members of the Club were directed by Marion Kingsbury and accompanied by Agnes Olson in a program entitled "The Dress Rehearsal," for which the script was written by Edward E. Whiting, and they were coached by Hortense Creede Ralsback. The program included numbers by Handel, Saint-Saens, Purcell, and Rombert, and a trio, "Three Little Maids from School" from "The Mikado," by Mrs. Katharine Barnes, Mrs. Marjorie Crain and Mrs. May Galloway. The Glee Club sang "Where 'ere You Walk," "Spring Chorus from Samson et Delilah," "Till Stars and Night Depart," "Summer Is A-Coming In," a delightful Old English Round, "Sweet and Low," "In These Delightful Pleasant Groves," selections from "The Gondoliers," and "Auf Wiedersehn," from "The Blue Paradise." The Club sang with good tone and excellent diction, and showed careful training.

Mary Humphrey Tower delighted the audience with her brilliant rendering of Chopin's "Ballad in A Flat Major," and Hortense Creede Ralsback gave "The Twelve Pound Look," by Barrie, with all the skill for which she is noted. Ruth Perkins, Contralto, seemed Jeanne d'Arc herself, as she sang, in costume, "Farewell, Ye Hills," from Tchaikovsky's opera, "Jeanne d'Arc."

Afterwards there was general dancing, with music by Bob Adams' orchestra, interspersed with tap and toe dancing by Edith and Patsy O'Toole, and "The Wedding of Jack and Jill," given by twenty-five young girls, all dressed as characters from Mother Goose. These were Natalie Bigelow, Connie Cady, Helen Campbell, Barbara Chandler, Jane Cooper, Jane Ferguson, Polly Fernald, Dorothy Garritt, Maurice Helms, Betty Holbrook, Alon Holloway, Patsy Holloway, Barbara Krause, Dorothy Krause, Natalie Needham, Mitzi Ott, Ann Plump, Eleanor Reed, Nancy Sprague, Marjorie Strauss, Thalia Weston, Joan Whitcomb, Natalie Wilcox, Phyllis Winterbottom and Jean Worth.

As usual, the Spring Festival was a great success from every angle.

### Street Carnival

The Woman's Club of Newton Highlands is staging a Street Carnival, on Saturday, May 22nd, on the Hyde School Grounds. It will be a delightful all-day affair, from 11 in the morning until 11 in the evening. The events of the day are under the co-chairmanship of Mrs. B. Walter Godsoe, Mrs. Donald D. McKay, and Mrs. M. Paul Hessler. The proceeds of the Carnival are for the Club Philanthropies.

### Newtonville Garden Club

The Newtonville Garden Club will meet on Thursday, May 27th, at the home of Mrs. Mervin S. Giles, 243 Waltham street, Newtonville, at 10 o'clock. Mrs. Charles P. Frail will address the Club, her subject being "Fragrant Trees and Shrubs of June."

### Clubwomen at Tulsa, Oklahoma

Perhaps the most impressive memory that clubwomen of the United States will have of the Council Meeting at Tulsa, Oklahoma, through the years to come, will be realization of the esteem in which their National president is held in her native city and State, and the character of this unusual woman who is leader of the national organization.

Tulsa and Oklahoma delighted to honor Mrs. Lawson. As witness the tribute paid by L. W. Grant, president of the Tulsa Chamber of Commerce, in an invitation to the Members of the General Federation of Women's Clubs:

Dear Friends:

The Tulsa, Oklahoma, Chamber of Commerce is happy to join with women's clubs of the City in extending a cordial welcome and sincere invitation to you to attend the General Federation of Women's Clubs Council convention here April 26 to May 1, 1937.

Tulsa has gained considerable recognition for its hospitality, its culture, its cleanliness and beauty, its high type of citizens. No small part of Tulsa's success has been due to the untiring effort of its fine women, exemplified in the person of your national president, Mrs. Roberta Campbell Lawson, whom Tulsa is proud to call her own. The selection of our city as your convention center for 1937 is one of the highest honors paid to Tulsa this year, and we take pleasure in entertaining you.

Since the turn of the century, Tulsa has grown from a pioneer town to a position as one of the leading cities of the southwest, and here you will find many points of interest. Tulsa has been aptly called "The Magic City". Her position as Oil Capital of the World has been recognized for many years.

We bid you welcome to your convention city of 1937, Tulsa, Oklahoma.

Sincerely yours,  
L. W. GRANT, President,  
Tulsa Chamber of Commerce.

Dr. T. A. Penney, Mayor of Tulsa, also extended a similar invitation to Clubwomen, and tribute to Mrs. Lawson. It was Dr. Penney who gave the Welcome in a splendid address on the opening night of the Council Meeting in the Akdar Theatre, the formal opening of sessions being at 8:15 p. m., after a most interesting day of business and social activities.

Not the least thrilling of the memories of the president of the General Federation will be the entry of Roberta Campbell Lawson, riding gallantly into the ring at the real western rodeo on a high-stepping charger. Seeing her, with her black riding habit and "cowboy's" white felt hat, brought the assembled clubwomen to their feet in delight and amazement—for this feature was kept a profound secret. Verily she was a stunning spectacle!

And why should not this amazing woman—granddaughter of the last chief of the Delaware Indians—be able to ride a charger in skilled horsemanship?

To hear those who witnessed this spectacle describe this event is to catch the thrill. For they declare that never had they been such a rodeo. That it made northern so-called rodeos look like mere samples! There were all kinds of fancy, breathtaking riding: "unbelling" the wild cow; a steer wrestling contest, lasting the steer and throwing him, to tie his feet in the quickest time; Ray Ramsey and his educated white horse appearing in a pantomime of the desert; the cowboys' "wild Brama Bull," and a score of unusual events that held spectators spellbound.

The novelty of the barbecue will probably never be forgotten by the visiting clubwomen, for surely there has never been such a program staged for a General Federation playtime day (Friday, April 30th) at a Council Meeting. Clubwomen sat on bales of hay—picture the dignified leaders of State Federations and officers countrywide!—and ate western stewed beans and round sandwiches filled with barbecued beef.

And previous to this final Play Day, prominent clubwomen had been delightfully entertained—on Monday afternoon—at Mrs. Lawson's palatial home, 1008 Sunset Drive, where they had viewed with awe the remarkable Indian Museum, occupying the entire lower floor, the exhibition of rare Indian relics, Indian garments and moccasins, blankets, beaded jackets, arrowheads, knives, swords and pictures of famous Indians. All of which Museum of Indian lore was inspired and grew from the simple heritage, handed her with reverent emotion by her grandfather, the Rev. Charles Journey, of the beaded tobacco pouch, from which was taken the tobacco smoked for the peace ceremonies between the Indians and William Penn. Here, too, is the pewter set owned by Rev. Journey, and brought by him when he migrated from Kansas and bought the tribal rights from the Cherokees of Oklahoma. Here, too, are more recent acquisitions from the newly-opened Spiro Mound. Each afternoon clubwomen gathered at this Open House.

It is a far cry, indeed, to the Luncheon given at the Southern Hills Country Club, by Edward Campbell Lawson, son of the General Federation president, and Mrs. Lawson, in honor of his mother, to the national officers; to the Reception in the Crystal Ballroom of the Mayo Hotel, and the dinner Monday evening, following this; to the officers, directors and distinguished guests, from the simple days of these Indian ancestors! It is a far cry to the highest club office in the land, and all

### Clubs Stage Annual Sale For The Blind

Newton will share for the second time in the yearly state-wide movement to Help The Blind To Help Themselves when a sale sponsored by the Newton Federation of Women's Clubs, with the Women's Organizations of the Churches of the city co-operating, will be held on May 25th, 26th, and 27th, at the Newton Centre Woman's Club House, each of these days from 10 a. m. to 5 p. m.

The committee directly in charge of the sale consists of Mrs. Edgar P. Hay, president of the Newton Federation, as director; assisted by Mrs. J. Earle Parker, as co-director. The general chairman is Mrs. Anton A. Wild, with Mrs. Leroy P. Guion, vice-chairman; Miss Elizabeth P. Bartlett, treasurer; Mrs. Ernest F. Drew, secretary; and Mrs. Robert S. Bowen, Publicity.

The articles offered for sale will be useful, attractive, and of excellent workmanship; will range in price from 15 cents upward; and will include towels, aprons, holders, brooms, door-mats, many other household supplies, knitted and crocheted goods, hand-wavings, baskets, pewter and copper ware, and leather work, even including moccasins. There will be not only the tables displaying goods for sale, there will be interesting attractions, such as The Talking Books, Games for the Blind, The Readers' Digest, in Braille, a loom and a spinning wheel in operation, a Seeing-Eye, etc.

Most of the articles are made by those who have lost sight in adult life, and who wish to maintain their independence and pride by supporting themselves in so far as possible. After being taught by teachers of the blind in their homes, the producers are in a position to earn, and then are able to increase their incomes. If their handiwork can be marketed successfully, they are capable of earning from two to three dollars a day. Through this method of selling, one producer not only earned about \$960.00 last year, but his morale has become changed from discouragement to hope and happiness. The whole amount marked on the price tag goes to the maker, except in a few cases where because material was furnished, the cost of this had to be deducted.

It is stated that in Massachusetts there are 4,600 blind and of these Newton's number is fifty-two. As a result of these sales, the relief formerly rendered has been materially reduced.

The following chairmen are working enthusiastically for the success of the sale, one of the many being established in communities as yearly or bi-yearly events. Besides the General committee already named, Mrs. Leroy P. Guion, will be in charge May 25th; Mrs. Anton A. Wild, May 26th, and Mrs. J. Earle Parker, May 27th.

Mrs. Guion will be assisted, on the 25th, by the following women from Newton: Newton Centre, and Chestnut Hill: Mrs. Frank E. Wing, Mrs. Daniel A. White, Mrs. H. W. Pitts, Mrs. L. E. Huston, Mrs. Robert G. Howard, Mrs. Frank Briggs, Mrs. Philip Jamieson, Mrs. R. C. Doherty, Mrs. John W. Blakney, Mrs. Eleanor M. Shay, Mrs. Abner Cohen, Mrs. Arthur Hitchcock, Mrs. Henry T. Patch, Mrs. Leroy Gould, Mrs. Alex. H. Logan, Mrs. John Metz, Mrs. Walter Hartstone.

On May 26th, Mrs. Anton A. Wild will be assisted by women representing Newtonville, West Newton, and Auburndale, as follows: Mrs. Howard Selby, Mrs. Frank Aurelio, Mrs. Gorham Harris, Mrs. Ivan Pettys, Mrs. Henry B. Shepard, Mrs. Frank Conley, Mrs. Clarence A. Wentworth, Mrs. Benton Curtis, Mrs. James Dunlop, Mrs. Ernest F. Drew, Miss Priscilla Eddy, Mrs. William Bensley, Mrs. Walter Amesbury, Mrs. Edward T. Edmonds, and Mrs. James J. Feerick.

On May 27th, the closing day, Mrs. J. Earle Parker will be assisted by the following women from Newton Highlands, Waban, Newton Lower Falls, and Newton Upper Falls, as well as from one organization from West Newton: Mrs. Edson B. Smith, Mrs. Fred Sanford, Miss Nellie Osborne, Mrs. Edwin F. Gibbs, Mrs. Sally Crowley, Mrs. Albert Proctor, Mrs. Arthur W. Lane, Mrs. Clarence A. St. Lawrence, Mrs. E. W. Bartram, and Miss Frances Warren.

Each of the above will ask others from the organization which she represents to serve for designated hours during the day.

clubwomen thrilled with its romance and charm!

One wonders how many of those visiting clubwomen realized the marvel of it when Mrs. Lawson gave her president's address over the radio on Tuesday morning, April 27th, during the hour 10:30 to 11:30, when thousands of people—not alone club women—listened in! The magic of Radio that would have been considered a device of witches, and beyond even the power of medicine men, carried the vital address of a descendant of an Indian Chief throughout America, perhaps beyond its shores!

One wonders how many thought of the romance of it when a letter from the President of the United States, Franklin D. Roosevelt, addressed to her, was delivered to her upon the platform of the Akdar Theatre, where she was presiding!

One wonders how many clubwomen felt the spell of the marvel of it when Mrs. Lawson simply presented her two small grandchildren to the Convention—Edward Campbell Lawson, aged four, who said a smiling "how-do-you-do" through the microphone, and two-year-old Patricia, who promptly

## Lend-A-Hand Masque

The Annual Meeting of the Lend-A-Hand Masque was held on Monday, May 17th, at the home of Miss Elizabeth Kilburn, 235 Highland street, West Newton. The business meeting was preceded by an informal supper for the Club members. The tables were attractively decorated with rose tulips and candles to match. The first business of the evening was the reading of annual reports by officers and heads of committees, followed by the election of officers. Miss Georgia Burford was re-elected as president, with the following Board of officers: Vice-president, Miss Eleanor Hartel, of West Newton; secretary, Miss Katherine Esson, of West Newton; treasurer, Miss Muriel Pearce, of Brookline; assistant treasurer and director of the Emergency Relief Fund, Miss Helen White, of Newtonville; members of the Executive Committee, Miss Phyllis Bergen, of Brookline; Miss Isabel Skipwith, of Newton; Miss Katharine Hastings, of Belmont and Gardenia Gossage were presented to the retiring and incoming officers and to Executive committee members.

Plans were made for the annual house-party of the Club for June 5th and 6th at the summer home of Mrs. Joseph Fuller, of West Newton, at "Cape Cod" West Yarmouth, Mass.

The entertainment of the evening was in charge of Mrs. Eunice Braeven, of Dedham, and consisted of an interesting sketch of the work of the Grenfell Mission, by Mrs. George Fuller, of West Newton, and an amusing and highly entertaining Flora Dora Sextette, in costume, a talented group of Club members, headed by Miss Ruth Perkins, of West Newton, assisted by Miss Kilburn were the Misses Barbara and Virginia Jos, Elizabeth Hamilton, Phyllis Bergen and Muriel Pearce, all of Brookline.

## Flower Show Awards

At the estate of Mrs. Frank A. Day for three days this week, Tuesday, Wednesday and Thursday, was staged an exceptionally fine Flower Show. In the box stalls were outdoor living-rooms, one of the most interesting being a Swedish dooryard, complete from wooden chest to newspaper. In the small stalls, garden rooms were arranged, perhaps the outstanding one being staged by the Newton Centre Garden Club. Potpourri was in the process of manufacture. Everything in this room was fifty years old, even a number of the Ladies' Home Journal.

The Flower Arrangements were excellent, and the comments were most enthusiastic.

The tea garden was well patronized. Tea was served each afternoon. Mrs. Arnold Barker and her committee.

Mr. William V. Craig of Weymouth sent a collection of eighty named varieties of tulips for exhibition.

The All-Newton Flower Show was primarily an exhibition, no awards being made except in the two classes of flowers grown by the exhibitor.

The Darwin tulip first award went to Mrs. A. E. McIntire; second, Mrs. George E. Brown and Mrs. E. E. Kent; third, Mrs. Thomas B. Booth.

The Breeder: No first award; second, Mrs. Allyn B. McIntire; third, Mrs. J. H. Orr and Mrs. W. H. Lohrop.

Cottage tulip: first, Mrs. E. E. Kent and Mrs. W. H. Lohrop; second, E. E. Morton and Mrs. L. E. Phaneuf; third, Mr. H. L. Smith and Mrs. A. C. Benton.

Species: first, Mrs. Allyn B. McIntire; Parrot: first, Mrs. Clifford Smith; second, Mrs. George R. Brown.

Double: first, Mrs. L. E. Phaneuf; second, Mrs. Gordon Hall; third, Mrs. A. C. Burton.

Collection of tulips: first, Mrs. E. E. Kent, Mrs. L. E. Phaneuf and Mrs. E. J. Weaver; second, Mrs. J. H. Orr, Mrs. Herbert Stetson and Mr. H. L. Smith; third, W. H. Lohrop.

In the Collection of Perennials, the first prize went to Mrs. L. E. Phaneuf, and the second to Mrs. E. E. Morton.

## MORTGAGEE'S SALE OF REAL ESTATE

By virtue and in execution of the Power of Sale contained in a certain mortgage given by F. Louise Calvert, wife of Joseph E. Calvert, to the Newton Savings Bank, dated January 15th, 1929, and recorded with Middlesex South District Deeds, Book 529, Page 313, of which mortgage the undersigned is the present holder, for breach of the condition of said mortgage, the same will be sold at Public Auction at ten (10:00) o'clock on the fourteenth (14th) day of June, 1937, on the mortgaged premises all and singular the premises described in said mortgage, to-wit:

"The land in said Newton, with the buildings thereon, situate on the Northern side of Carleton Street, bounded and described as follows:

Southerly by said Carleton Street, 58.70 feet; Easterly by land formerly of Josiah Guild, now of Lathe, 93.33 feet; Northerly by land formerly of Eliakim Terrace, so-called, 58.70 feet; Westerly by land now owned by the will of Adeline S. Arens, 89.55 feet.

Containing about 5000 square feet of land shown on a "Plan of Land owned by Adeline S. Arens Estate," dated March 8, 1920, recorded with Middlesex South District Deeds at the end of Book 438 and being part of the premises conveyed to said Adeline S. Arens by Harriet A. Jackson, by deed dated July 19, 1917, recorded with Middlesex South District Deeds, Book 1809, Page 53.

Including all furnaces, heaters, ranges, mantels, gas and electric light fixtures, screens, screen doors, awnings and all other fixtures of whatever kind and nature at present contained in said buildings, hereafter placed therein prior to the full payment and discharge of this mortgage.

Said premises will be sold subject to any and all unpaid taxes or other municipal liens and assessments, and to tax titles outstanding, if any.

TERMS OF SALE: Two Hundred Dollars in cash or by land mortgage to be paid by the purchaser at the time and place of the sale, and the balance of the purchase price to be paid by the purchaser at the time and place of the sale.

NEWTON CO-OPERATIVE BANK, Successor to Nonantum Co-operative Bank. By: Frank H. Stuart, President.

May 18, 1937. Philip C. Scott, Attorney. 93 Union Street. Newton Centre, Mass. May 21-28-June 4.

## MORTGAGEE'S SALE OF REAL ESTATE

By virtue and in execution of the Power of Sale contained in a certain mortgage given by Mildred C. LoChiato to Newton Co-operative Bank, dated September 1, 1935, and recorded with Middlesex South District Deeds, Book 5743, Page 405, of which mortgage the undersigned is the present holder, for breach of the condition of said mortgage, the same will be sold at Public Auction at ten (10:00) o'clock A. M. on the fourteenth (14th) day of June, 1937, on the mortgaged premises all and singular the premises described in said mortgage, to-wit:

"TO WIT: 'a certain parcel of land with the buildings thereon situate in that part of Newton called Newton Centre, containing about 8731 square feet of land and shown on a plan drawn by William E. Kent, dated May 5, 1921 duly recorded with Middlesex South District Deeds and bounded as follows:

Westerly by Harrington Street sixty-five (65) feet; Northerly by land now or late of Walter R. Rollins one hundred forty and 22/100 (140.22) feet; Southerly by land now or late of Cory C. Rollins 63/100 (63.63) feet; and Southerly by land now or late of Farmer one hundred twenty-eight and 45/100 (128.45) feet.

For reference to title see deed of Newton Co-operative Bank dated August 28th, 1933 and recorded herewith.

Subject to restrictions of record. Including as a part of the realty all furnaces, heaters, ranges, mantels, gas and electric light fixtures, screens, screen doors, awnings, electric and gas, oil, electric and all other fixtures of whatever kind and nature at present contained in, upon or about the buildings on said land or hereafter placed therein prior to the full payment and discharge of this mortgage.

Said premises will be sold subject to any and all unpaid taxes or other municipal liens and assessments, and to tax titles outstanding, if any.

TERMS OF SALE: Two Hundred Dollars in cash or by land mortgage to be paid by the purchaser at the time and place of the sale, and the balance of the purchase price to be paid by the purchaser at the time and place of the sale.

## IN JOINT CONVENTION OF THE BOARD OF ALDERMEN AND SCHOOL COMMITTEE MAY 17, 1937

WHEREAS a vacancy exists in the School Committee, occasioned by the resignation of F. Marsena Butts, Ward 7, it is hereby

ORDERED. That a joint meeting of the Board of Aldermen and School Committee be held on Monday, May 24th, 1937, at 7:30 o'clock P.M., at the City Hall, for the purpose of filling said vacancy, and that notice of said meeting be published in the Newton Graphic on Friday, May 21st, 1937, and that written notice be given to each member of the Board of Aldermen and of the School Committee one week at least before said meeting.

Read and adopted. FRANK M. GRANT, City Clerk. A true copy. Attest: FRANK M. GRANT, City Clerk. Advertisement. May 21, 1937.

## MORTGAGEE'S SALE OF REAL ESTATE

By virtue of the power of sale contained in a certain mortgage deed given by George F. O'Brien to the Newton Savings Bank, dated January 24th, 1936, and recorded with Middlesex South District Deeds in Book 6094 Page 249, for breach of the condition therein contained and for the purpose of foreclosing the same will be sold at public auction upon the premises hereinafter described on Monday, May 24th, 1937, at 2:00 p.m. on the mortgaged premises, all and singular the premises conveyed by said mortgage, to-wit:

"A certain parcel of land with the buildings thereon, situated in that part of Newton called Newtonville, and bounded and described as follows:—

Northerly by the line of the street, 190 feet and 90/100 (190.90) feet; Easterly by land now or formerly of Edward E. Hopkins, one hundred and twenty and 55/100 (120.55) feet; Southerly in part by land of said Hopkins, one hundred and twenty and 55/100 (120.55) feet, and in part by land of Hopkins Savings Bank, one hundred and eighty and 1/10 (180.10) feet; and Westerly by land formerly of Paterson and now of Margaret E. Paterson, one hundred and eighty and 1/10 (180.10) feet; and containing about 12047 square feet, be the foregoing measurements more or less.

Reference to title is hereby made to a deed from Edward E. Hopkins to said George F. O'Brien, dated November 14, 1935, recorded with Middlesex South District Deeds in Book 6094 Page 249.

Including as a part of the realty all furnaces, heaters, ranges, mantels, gas and electric light fixtures, screens, screen doors, awnings, electric and gas, oil, electric and all other fixtures of whatever kind and nature at present contained in, upon or about the buildings on said land or hereafter placed therein prior to the full payment and discharge of this mortgage.

Said premises will be sold subject to any and all unpaid taxes or other municipal liens and assessments, and to tax titles outstanding, if any.

Five Hundred Dollars at time and place of sale. NEWTON SAVINGS BANK, Mortgagee and present holder. By: Charles H. Clark, Treasurer. Boston, Mass., May 11th, 1937.

For further information inquire at office of Harrison D. Mason, Attorneys, 18 Tremont Street, Boston, Mass. May 14-21-28.

## Commonwealth of Massachusetts, Middlesex, ss. Probate Court. To all persons interested in the estate of

Eva A. Clark. A petition has been presented to said Court for probate of a certain instrument purporting to be the last will and testament of Eva A. Clark, deceased, of Newton in said County, praying that they be appointed executrices thereof, without giving a surety on her bond.

If you desire to object thereto you or your attorney should file a written appearance in said Court at Cambridge before ten o'clock in the forenoon on the twenty-fifth day of May, 1937, the return day of this citation.

Witness, John C. Leggat, Esquire, First Judge of said Court, this fourth day of May in the year one thousand nine hundred and thirty-seven.

LORING P. JORDAN, Register. May 7-14-21.

## MORTGAGEE'S SALE OF REAL ESTATE

By virtue and in execution of the Power of Sale contained in a certain mortgage given by Michael F. Kelly to The First National Bank, dated September 15th, 1933, and recorded with Middlesex South District Deeds, Book 5726, Page 343, of which mortgage the undersigned is the present holder, by assignment dated March 8, 1937, and duly recorded with said Deeds, for breach of the condition of said mortgage and for the purpose of foreclosing the same will be sold at Public Auction at ten o'clock, A. M., on the fourteenth day of June, 1937, on the mortgaged premises, all and singular the real estate described in said mortgage, as follows:

"The land with the buildings thereon, situated on the Western side of Chestnut Street, between Fricoxes and Berkeley Streets, and bounded and described as follows:—

Commencing at the northeast corner of the granted premises where they adjoin land now or formerly of Helen J. Mayo, thence running Westerly by said land now or formerly of Mayo, two hundred (200) feet to land of the Neighborhood Club; thence running Southerly by said land of said Club one hundred (100) feet to land of the Neighborhood Club; thence running Southerly by said land of said Club one hundred (100) feet to point of beginning; thence running Southerly 30.00 square feet of land more or less.

Being the same premises conveyed to said Michael F. Kelly by The First National Bank of Boston dated May 10, 1933, and to be recorded herewith.

And all other fixtures of every kind and description now on and/or used with the premises hereinafter described, including, but without limiting the foregoing, all fixtures, built-in business or other fixtures, bookcases, closets and chests of drawers, plumbing, electric, heating, lighting, refrigerating and/or ice making equipment, and bathroom fixtures, window shades, storm and/or screen doors, storm and other detachable windows and doors, awnings, sheds, trees and shrubs and personal effects. All of the foregoing shall be treated as and be deemed to constitute a part of the real estate hereinbefore described and the mortgagee covenants that none of said property has been or will be purchased on conditional sale or contract.

Said premises are to be sold subject to any and all unpaid taxes or other municipal liens if any.

Terms of sale:—\$500.00 in cash to be paid by the purchaser at the time and place of the sale, and the balance of the purchase price to be paid within ten days thereafter. Other terms will be announced at the sale.

(Signed) ELLEN M. HART, Assignee and present holder of said mortgage. By: Robert G. Leavitt, Treasurer. Lynne, Woodworth & Evans, Attorneys, 75 Federal Street. Boston, Massachusetts. May 11, 1937. May 14-21-28.

## MORTGAGEE'S SALE OF REAL ESTATE

By virtue and in execution of the Power of Sale contained in a certain mortgage given by LODGE REALTY CORPORATION, dated August 28, 1936, and recorded with Middlesex South District Deeds, Book 5978, Page 292, and being also recorded as a mortgage in the Middlesex South District Registry of Deeds, and bounded and described as follows:

## Legal Notices

16457  
Commonwealth of Massachusetts  
LAND COURT

To the City of Newton, a municipal corporation located in the County of Middlesex and said Commonwealth; Lawrence M. Staples, Edna V. Staples and Frances J. Siefert, of Newton, in said County of Middlesex; Henry Alpern, of Boston, in the County of Suffolk and said Commonwealth; E. Barnicoat's Sons, a duly existing corporation having an usual place of business in Quincy, in the County of Norfolk and said Commonwealth; Stanley H. Barnicoat and Nelson W. Barnicoat, of said Quincy; and to all whom it may concern:

Whereas, a petition has been presented to said Court by Clarence J. Hutchings, of said Newton, to register and confirm his title in the following described land:

A certain parcel of land with the buildings thereon, situate in said Newton, bounded and described as follows: Southerly by Homer Street 99.89 feet; Westerly by the junction of said Homer Street and Fenno Road 35.50 feet; Northwesterly by said Fenno Road 116.67 feet; Northeasterly by said Fenno Road and formerly of Lawrence M. Staples et al 52.72 feet; and Easterly by land now or formerly of Frances J. Siefert 82.85 feet.

The above described land is shown on a plan filed with said petition and all boundary lines are claimed to be located on the ground as shown on said plan.

If you desire to make any objection or defense to said petition you or your attorney must file a written appearance and an answer under oath, setting forth clearly and specifically your objections or defense to each part of said petition, in the office of the Recorder of said Court in Boston (at the Court House), on or before the fourteenth day of June, next.

Unless an appearance is so filed by or for you, your default will be recorded, the said petition will be taken as confessed and you will be forever barred from contesting said petition or any decree entered thereon.

Witness, Michael A. Sullivan, Esquire, Judge of said Court, this eighteenth day of May in the year nineteen hundred and thirty-seven.

Attest with Seal of said Court.  
CHARLES A. SOUTHWORTH,  
(Seal) Recorder.

Harry Hoffman, Esq.

## Children's Guild

## In "Iolanthe"

The charming Gilbert and Sullivan opera "Iolanthe" was produced in the Newton Centre Women's Club auditorium last Friday and Saturday by the talented youngsters of the Children's Singing Guild, in aid of the J. W. Wilbur Health Home for undernourished children. A delighted audience greeted the small singers, who fulfilled expectations by putting on their best performances in five years. Staged costumes, elaborate and colorful set pieces and clever acting, all played their parts in a truly successful entertainment. Especially noted in a fine cast were the two principals who have participated in every performance in their five years membership. Marianne Cappadona, soprano leading lady, as the Dresden shepherdess Phyllis, was adorable in both singing and acting, a real prima donna, while Teddy Sweeney as the Sentry, again showed his versatility, having already played Ralph Rackstraw in Pinafore and Ko-Ko in the Mikado. Gertrude Newell and Mary Mandile, alternated in the role of Iolanthe, both showing excellent little voices. Eleven-year-old Earl Quint of Newton Centre and ten-year-old Arthur Osgood of Waban assumed the difficult role of Strephon on alternate nights. Both exhibited Newell and Mary Mandile, alternated in the role of Iolanthe, both showing excellent little voices. Eleven-year-old Earl Quint of Newton Centre and ten-year-old Arthur Osgood of Waban assumed the difficult role of Strephon on alternate nights. Both exhibited

## Bram Establishes Budget System

Bram's Battery and Tire Service Company of 252 Walnut st., Newtonville, Newton's leading automobile accessory store, has established a budget system which will permit patrons who desire deferred payments to purchase tires, batteries, radios and other automobile accessories from this well and favorably known business houses. Through energy, enterprise and square dealing, Phil Bram has built his business into the outstanding position it now holds in this city. Bram's is agent and distributor for such well known products as Goodyear Tires and Exide Batteries.

The budget department at Bram's will be in charge of Mr. Willis, who has been associated with one of this country's largest tire manufacturers. His experience in this method of retailing will enable Newton residents to purchase quality automobile accessories from Bram's on easy payments. He will be pleased to have prospective patrons either call on him at Bram's, or Melvin will come to your home or business place if you phone Newton North 0335.

## Memorial Service At Centenary M. E. Church

The annual Memorial service for the patriotic organizations of Newton will be held in the Centenary Methodist Church, Auburndale, Sunday morning at 10:45 a. m. Rev. Mason W. Sharp will speak on the theme, "There Are Two Powers." The Centenary Choir will sing. The following organizations will attend: Grand Army of the Republic, United Spanish War Veterans, American Legion & Sons of the American Legion, Veterans of Foreign Wars, Sons of Union Veterans, Disabled American Veterans of the World War.

Auxiliaries—Daughters of Union Veterans, American Legion Auxiliary, Veterans of Foreign Wars Auxiliary, United Spanish War Veterans Auxiliary.

The Elsie Janis Drum Corps participated in a memorial service of the Mahoney Post, V. F. W., of Roxbury last Sunday. On Memorial Day they will take part in two parades. The Corps will celebrate its fifth birthday with a ball at Masonic Temple, Newtonville, on June 25th. Plans for this observance are being made and details will be announced later.

## THE WEEK IN NEWTON SPORTS

By JACK MORRIS

### NEWTON TOPS WALTHAM, LOSES TO ARLINGTON

Guido Castoldi, Newton High pitcher who has won four league games this year with an average of fourteen strikeouts a game, was lost to Jeff Jones for the rest of the season when he sprained an ankle in a basketball game during gym class Wednesday. Newton is leading the league with six victories in seven games, and has three more games to play.

Newton's first loss of the season was to Arlington High last Friday 6-1, in a game stopped by rain in the seventh inning. Oliverio made a home run in the first inning, and three hits and three errors spelled five more runs in the fifth. Newton had two on base and one man out in the seventh, and had put one run across, when the rain came. Pitcher Ed Paul struck out eight batters in four innings, but was let down by several errors in the first shaky afternoon of the season for the Newton infield.

With Guido Castoldi striking out sixteen batters, the locals pinned another defeat on Waltham by a 6-5 count Tuesday, but only after Waltham had rallied to tie the score in the eighth inning. Newton scored one in the first inning, three in the third, two in the sixth and one in the ninth, while Waltham made two runs in the third and three in the eighth.

Bert Marrazzo reached first on a fielder's choice, stole second, and scored on Sbordone's single in the first inning. Cornilew walked Gruber and Marrazzo hit safely, and all three scored in the third on Colantonio's two-bagger. Castoldi tripled in the sixth, with Sbordone on base, then scored himself on LeSourd's infield out. Phil "Mucker" Green opened the ninth inning with a double, advanced on Gruber's scratch single, and raced home with the winning run on a wild pitch, breaking up the half game inter-town play today at Cambridge Latin, at home with Rindge Wednesday, and finishes the season a week from today at Brookline.

### ANNUAL SCHOOL TENNIS TOURNAMENT ON SATURDAY

Albert Everts and Donald Manchester, Newton High's two leading tennis players, are seeded second and fifth respectively in the annual interscholastic tournament, to be played tomorrow on playgrounds in Newton and Winchester. Top-seeded of the

71 entrants from 13 schools is Bill Power of Worcester North, winner of the 1936 championship. He will play a first-round match at 8:30 tomorrow at Burr Playground while Al Everts plays his early-round matches at Palmer Playground, Winchester.

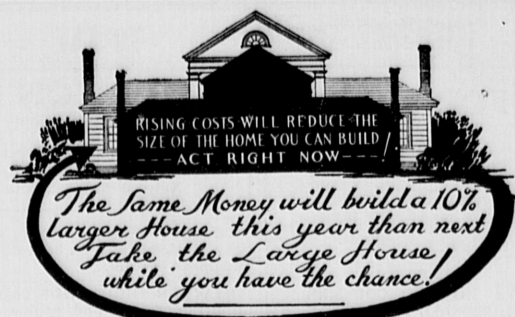

Players are entered from Attleboro, Boston Latin, Brockton, Brookline, Haverhill, Medford, Melrose, Needham, Newton, Quincy, Wellesley, Winchester and Worcester North. Seeded behind defending champion Power and leading challenger Everts are Paul Kearney, Worcester North No. 3; Arthur Cote of Haverhill, No. 4; Don Manchester of Newton, No. 5; Dick Bugbee of Winchester, No. 6; Joe Stock of Brookline, No. 7; and Ray Nasher of Boston Latin, No. 8.

### FORTE, PESCOLIDLO LOST TO TRACK TEAM

Newton High will make no very serious effort to win the three remaining track meets of the year, following a series of setbacks to its leading scorers. Continued uncertainty about the advisability of running sprinters Paul Forte and Bud Hines has led Coach Don Enoch to shelve Forte, who is defending state champion at the century, and to withdraw Bud Hines from the Harvard Interscholastics tomorrow, and possibly from later meets. Both boys have had leg trouble. Forte with a tender muscle first damaged in the Worcester Classical football game last fall, and Hines with a charley horse that developed this spring. The early season prevented these two from reaching their top condition gradually. Another development this week was the fact that Bill Pescosolido, who has been clearing 6 ft. 3 in. in practice over the high jump bar, has again succumbed to "that French," and will be ineligible for the remaining meets.

Coach Don Enoch has virtually given up the Harvard and State Meet titles for lost, but intends to muster a strong shuttle relay team for the Pitchburg carnival, hoping to retire the handsome Town Talk trophy, on which Newton holds two legs and needs only one more.

Newton won the annual dual meet from Brookline last Friday in a complete walkover, outscoring the opposition 53-24, even though no great effort was made to run up the points. Brookline gained only one first, that of John Nagle in the shot, and won a gift victory in the relay. Hines and Allen ran one-two in the century and Bob Muther took the 220. Sophomores Hughes and Hall chased Elmer Ross home for a clean sweep in the 440, and Babcock and Gallant dominated a slow half-mile. Pescosolido won the high jump at 5 ft. 10 1/2 in. and the broad jump at 20 ft. Don McKinnon turned in one of the best performances in running the hurdles in 14.6s.

RISE IN COSTS WILL REDUCE THE SIZE OF THE HOME YOU CAN BUILD — ACT RIGHT NOW —  
*The Same Money will build a 10% larger house this year than next. Take the Larger House! while you have the chance!*

If you are limited to a fixed sum for the construction of your new home YOU HAD BETTER BUILD IT THIS YEAR . . . the sum you have set will build a LARGER HOUSE THIS year THAN NEXT.

This is just another way of saying that building costs are rising . . . the same amount of money will build less house.

Don't delay . . . get all the house you can for your money by building NOW.

We are building headquarters. NEW. NO. 5500

"FEELS GRAND TO BE OUT OF THE 'ALL THREE' CLASS!"

"MY 117-INCH WHEELBASE NASH COST ME ONLY A FEW DOLLARS MORE\* THAN THOSE SMALLER CARS!"

Before you make any decisions . . . read this experience of Mr. Harry V. Kegel

"Remember the old saying, 'What you don't know won't hurt you!'? Well, that fits me. I didn't realize how much I wanted a big car until I got one. The way my Nash LaFayette '400' gets away in traffic, the way it just hums along the road . . . the extra room in it . . . the substantial, luxurious 'feel' of it—it's hard for me to express just how pleased I am. Believe me, it feels grand to be out of the 'All Three' class!"

**NASH**

Actual photograph of Nash LaFayette "400" 4-Door Sedan with trunk

\*FOR AS LITTLE AS \$1 OR \$2 A MONTH EXTRA you can get out of the "All Three" class. A check-up recently made in ten representative cities shows that the Nash LaFayette "400" 4-Door Sedan with trunk DELIVERS for

just a FEW dollars more than the similarly equipped 4-Door sedans of the "All Three" small cars. In many places, the SLIGHT difference in price amounts to just \$1 or \$2 a month extra on your time payments.

Ask about convenient terms and low rates available through Nash C. I. T. Budget Plan. Automatic Cruising Gear available on all Nash models at slight extra cost.

## Newtonville Mill Workers Strike And Join CIO

### Employees At Security Mills Organize Union

Last Thursday men and women employed at the Security Mills, Munroe st., Newtonville, went out on strike and sent a request to the CIO headquarters at Boston for an organizer. The strikers paraded to Newton Corner and obtained temporary headquarters in the Nonantum Building. The Security Mills have been in operation for 16 years at Newtonville and manufacture knitted cloth for garments and clothing. The mill has been operating steadily even through the depression years. About 80 employees went out on Thursday and later others joined the strike, until the strikers now claim that they have 125 out, including all of the regular employees in the mill, apart from the supervisory employees. Some of the strikers when they first went out stated that the trouble was precipitated by the introduction of "efficiency experts" who were spying on the workers. They also were dissatisfied with wages and working conditions.

On Friday Louis Yaden of Arlington, a CIO organizer at the Boston headquarters, was assigned to assist the strikers. A conference was held at Boston with Phillip Rubenstein, treasurer of the company. The strikers demanded pay increases ranging to 25 per cent for lowest paid workers, and the other increases to be arbitrated. They ask for a 40-hour week with extra pay for overtime, and better working conditions. They also demand recognition of their CIO affiliate union. The strikers said that wages at the mill have been \$14 to \$18 weekly for employees in the dye house, \$25 to \$35 on piece work for skilled knitters, \$14 to \$22 for workers in the finishing department, \$14 to \$18 weekly for girls on winding machines, \$17 to \$20 weekly for girls working menders. Most of the employees are men. The strikers claim that they have worked overtime, as much as 60 hours and more weekly, for only the regular rate of pay.

## Another Bad Crash On Worcester Pike

The junction of the Worcester turnpike and Woodcliff rd. at Newton Highlands was the scene of another bad automobile accident last Thursday night when a car driven at a high rate of speed by a 16 year old boy crashed into another car making a turn at the place. The car making the turn was driven by Lawrence Smith, 53 High st., Newton Upper Falls. The car which crashed into Smith's automobile was driven by Charles Menton, 16, of 106 Winthrop st., Boston. Three young girls riding with Menton were injured. Eileen Travers, 15, of 131 Dudley st., Roxbury, received a fractured skull and internal injuries. She was taken to the Newton Hospital and her name placed on the danger list.

## Memorial Day Exercises

The annual Memorial Day exercises will be held on Monday, May 31st. At 7:30 a. m. a bus will leave Newton Corner and will carry members of various organizations to Newton Cemetery where graves of veterans will be decorated. Another bus at 8:30 will proceed from Evergreen Cemetery to Newton Cemetery and join the delegation which decorated graves at the latter cemetery. Both buses will proceed to Lower Falls where services will be held at St. Mary's Cemetery. The annual custom of strewing flowers onto the Charles River will then take place. The members of the various veteran and auxiliary organizations will then go to Calvary Cemetery in Waltham where graves will be decorated. Flowers may be left at the various fire engine houses throughout the city.

At 2:15 Monday afternoon the annual parade will start at Engine 1 house, Washington st. at Centre ave., Newton. Mayor Childs will be Chief Marshal and General Daniel Needham, Chief of Staff, Charles E. Walker will serve as adjutant general. The parade will include the following units—

## Newton Hospital Nurses Graduate

The Newton Hospital School of Nursing will hold graduating exercises the coming week. On May 28 the alumnae association will honor the members of the graduating class by an afternoon picnic. The Baccalaureate Service will be held on Sunday, May 30, at 8:30 p. m. in St. Mary's Church, Lower Falls. The sermon will be preached by Rev. Roger W. Bennett of St. Mary's Church. The commencement exercises will be held on June 3 at 4 p. m. on the hospital grounds. The program is as follows:

Processional March, God of Our Fathers  
School Hymn  
Invocation, Rev. Ray A. Eusden, Elliot Church, Newton.  
Selection, 150th Psalm

Address, Kirtley F. Mather, Ph.D., S.D. Selection, Build Thee More Stately Mansions

School  
Conferring Diplomas, Herbert M. Cole  
President Board of Trustees  
Presenting School Pins, Faye Crabbe, Principal, School of Nursing

Selection, In a Monastery Garden  
Awarding Scholarships, Mrs. Charles B. Floyd, 1st Vice President, Newton Hospital Aid Association.

Selection, In the Harbor We've Been Sheltered  
School  
Members of Graduating Class—

Agnes M. Brennan, Harriet E. Church, Elizabeth V. Cole, Ruth E. Davis, Emma R. Eaton, Mary T. Fearick, Ruth A. Hall, Marguerite Hastings, Ruth A. Hodgdon, Phyllis Keene, Marion A. Lewis, Arline I. MacLean, Evelyn L. Moore, Marinda E. Whitfield, Elsie Williams.

## Appropriate \$2500 For Waban Drain

At the meeting of the Board of Aldermen on Monday night an appropriation of \$2500 was made for a drain from Quinque rd. to Waban to Chester rd. The drain is for the purpose of assisting the development of 23 lots of land owned by the city which the Board voted on May 17 to sell to a real estate developer named Foley of Watertown for \$6500. This land, acquired some years ago by the city on tax titles, was assessed for about \$8000. Foley paid about 5 cents per square foot and was given two years to pay for the land. Alderman Temperley was the only member of the Board to vote against the appropriation for the drain. He said that the city sold the large area of land for only \$6500 and then the following week turn around and voted to spend \$2500 to provide for the developing of the property.

Y. D. Post, Sons of American Legion Drum and Bugle Corps  
Disabled American Veterans of World War, Chap. Wm. J. Farrell Chapter, No. 23

Nicholas Bibbo, Commanding Newton Red Cross Motor Corps  
Mrs. Joel M. Barnes, Commanding

The line of march will be over Washington and Walnut sts. to Newton Cemetery where memorial exercises will be held at Soldiers' Monument. The parade will then be resumed along Walnut st. and Commonwealth ave. where it will be reviewed by the Chief Marshal and staff in front of the main portico.

Edgar F. Copell, traffic engineer of the State Dept. of Public Works, was present by request. Mr. Copell was frank and did not give much solace to the gathering. He said the turnpike is a high speed through traffic artery which is also being used as a suburban highway, and this combination is not practical. He said that 20,000 cars have traveled over this section of the pike in 16 hours, and regardless of how many policemen patrol it, it will be a problem to control traffic on it. He agreed to experimentally increase the time of the stop light at the intersection. He

(Continued on page 10)

Chief of Police Hughes read a list of accidents on the turnpike at Woodcliff rd. and nearby, since the pike was opened in 1933. In 1934 one accident occurred, in 1935 none, in 1936 five, and to date this year, five. Chief Hughes said that Judge Bacon had ruled 40 miles an hour not excessive on the turnpike. He said that so far this year 501 persons had been summoned into the Newton court for traffic violations, and 100 more cases are pending. Patrolman George Kilmain told the gathering that every automobile operator who was responsible for an accident on the turnpike at Woodcliff rd. had been prosecuted by Newton police and condemned. Kilmain said the police have been on the job, in connection with accidents at Woodcliff rd.

## STORES CLOSED

Retail Stores will be closed all day Monday, May 31, in observance of Memorial Day.

### NEWTON CHAMBER OF COMMERCE.

## Highlands Residents Want More Safety On Worcester Pike

### Large Delegation At City Hall Hearing

A large delegation of Newton Highlands residents were at City Hall on Monday night to attend a hearing held by the Street Traffic Committee of the Board of Aldermen. The hearing was held following the special meeting of the Board and a number of the Aldermen waited to listen to the discussion at the hearing. Chairman Paul Goddard of the Traffic Committee presided and Alderman McKay of Ward 5 explained that those who had come to the hearing are residents in the vicinity of Boylston st. and Woodcliff rd. Mr. McKay said that numerous automobile accidents have occurred the past couple of years at the intersection of these two streets, the latest on the evening of May 20th. McKay stated that residents of the neighborhood, after viewing a wrecked automobile and blood-covered young girls on that night, had called on him and demanded that something be done to lessen the hazards to traffic on the turnpike.

Various persons residing in the vicinity of Woodcliff rd. spoke, but did not identify themselves by giving their names or addresses. The first speaker urged that there be motorcycles on the turnpike at all times to regulate speed on that highway. He said money would be well spent to assign two more motorcycle officers to the turnpike. Henry S. Cummings of Oak Hill said he had sat at the corner of the pike and Woodcliff rd. on Monday evening from 6:15 until 6:30 and in that period two cars ignored the red light, the first going by the corner of the two highways obstructed view of cars on Woodcliff rd., and should be removed. He suggested that the time of the red light interval be extended to give more opportunity for cars to come out of Woodcliff rd.

Russell Burkhard of 1376 Walnut st., Newton Highlands said that besides the problem of vehicular traffic, there is the problem of safety for pedestrians who must cross the turnpike. He said it is particularly dangerous to the many small children who must cross it on their way to and from school. Alderman Floyd informed those present that because of the large increase in fatal automobile accidents in Newton last year, a special committee was appointed by the Board of Aldermen early this year, and that this committee recommended, among other things, the addition of 2 additional motorcycle officers to the police force, and the equipping of the motorcycles with sidecars and windshield wipers so they can be operated in all kinds of weather.

Chief of Police Hughes read a list of accidents on the turnpike at Woodcliff rd. and nearby, since the pike was opened in 1933. In 1934 one accident occurred, in 1935 none, in 1936 five, and to date this year, five. Chief Hughes said that Judge Bacon had ruled 40 miles an hour not excessive on the turnpike. He said that so far this year 501 persons had been summoned into the Newton court for traffic violations, and 100 more cases are pending. ## Newton High School Graduation June 12

At the regular monthly faculty meeting on Tuesday, May 25th, Acting Principal Raymond A. Green made the preliminary announcements for this year's commencement season.

Saturday, June 12, at seven o'clock in the evening, the graduation exercises will take place in the Dickinson Stadium. In case of rainy weather, the radio and previously announced fire-station signals will inform the community of postponement until the following evening. If Sunday's weather is inclement, the graduation program will be held in the high school auditorium. Commencement exercises will be followed by a faculty reception for seniors and their parents in the school quadrangle between buildings two and three. At the same time "Newtonians," the school year book, will be distributed to the graduates.

Dr. Kirtley Mather, Professor of Geology at Harvard University and member of the Newton School Committee will be present in a triple capacity. He attends as father of a member of the Class of 1937, Julia Mather; as a school committeeman, and as the Commencement orator. His acceptance of the school's invitation assures the large audience that will hear him of an excellent address. The Rev. Mr. Randolph Merrill, pastor of the Central Congregational Church, Newtonville, will offer the prayer. Mr. Clark Macomber, Class of 1918, will announce the winner of the Meserve Scholarship.

## Police Ask Mayor For Day Off In 6

A committee of Newton policemen, including Patrolmen Corcoran, Hunt and Mague, went to the office of Mayor Childs last Friday and asked him to recommend a day off in 6 for members of the Newton police department. The mayor intimated that he would give their request favorable consideration. The Board of Aldermen recently refused to take action on this matter, because it is an executive function. Mayor Childs told the committee that he would confer with Chief Hughes relative to granting the demand. The police now get one day off in every eight days. Chief Hughes says it will require 20 additional men to increase the time off by 25%. In his budget recommendation a couple of months ago the chief asked for 15 additional men. The mayor cut this number to 6 additional patrolmen.

## Airplane Lands On Newton Center Field

An airplane operated by Ralph Thissell of 147 Brook st., Brookline, was brought down to a forced landing on the Hurley property near Parker st. and the turnpike, Newton Centre, last Sunday. The plane had taken off from the Framingham airport about 45 minutes before. While over Newton Highlands the oil line became detached at the pressure gauge and the oil supply leaked out. Thissell shut off the motor and glided down to the field. Riding in the plane as passengers were Mr. and Mrs. William Burns of Brookline and John Mahmud of Peabody.

## Warren Settled As Supt. of Schools

At the meeting of the School Committee on Monday night it was announced that Julius E. Warren had been reelected as superintendent of Newton Schools. As this is the third year of Mr. Warren's tenure of his office, according to State law, he is now established as head of the Newton public schools, and cannot be discharged except for justifiable cause. His predecessor, John Lund, held office for two years, and was not reelected for the period which would have given him permanent tenure. An exchange of teachers was approved which will result in Wheeler Merriam, who has taught science and mathematics at the F. A. Day school for 2 years, teaching at Newcastle-on-Tyne, England, the coming year, and Ralph Wilson, of the English city, taking Merriam's place at the F. A. Day school. Fifteen new teachers were appointed. A list of these will be printed in next week's GRAPHIC.

A leave of absence was given to Pauline Marsh, teacher at the Stearns School. Resignations of Margaret A. Coln, Horace Mann School, and Hazel Newhall, Burr School, were accepted. Transfers authorized included—Edith Horton, assistant at Emerson School, to Williams School; John Newton, from Carr School to Bigelow School; Dorothy Fisher from Bowen to Carr School.

## Newton K. of C. Sends Protest

Newton Council, Knights of Columbus, in common with other units of the organization, has sent a protest against the proposed plan to bring several thousands of Basque refugee children to this country. The following telegram was sent on Monday to Senators Lodge and Walsh and Representative Luce by Francis Frazier, Grand Knight:

"Newton Council, No. 167, Knights of Columbus, vigorously condemns the proposed waiving of immigration laws allowing Basque children to enter the United States without their parents."

"We consider this a brutal attempt to gain partisan publicity at the expense of innocent children who can be adequately cared for in Europe."

The following day a telegram in reply was received from Senator Lodge. It read as follows:

"Your telegram received. While I have the deepest sympathy for the Basque children, I do not believe it is in their best interest to separate them from family and home. Will do everything I can. Am expressing my opposition to State Labor Departments."

## School Buses On Chestnut Street

Middlesex & Boston busses, a couple a day to carry children to and from the Warren School from Waban, can run over Chestnut st. if a permit is obtained from the State Public Utilities Commission. The Board of Aldermen has granted a permit for the operation of the school busses over the street, at the behest of the School Committee. At a hearing on this matter held recently in city hall a few residents of Chestnut st. protested.

## Wogan Elected To Succeed Butts On School Committee

### Aldermen and School Comm. Select Ward 7 Resident

Joseph F. Wogan of 394 Kenrick st., Newton, was elected on Monday night to succeed F. Marsena Butts as School Committee member from Ward 7. Mr. Wogan was chosen unanimously by members of the Board of Aldermen and the School Committee, assembled in joint convention at City Hall. All of the members of the Board of Aldermen were present except Aldermen Hutchinson and Inches. The only member of the School Committee absent was Bryant of Ward 2.

The convention was called to order at 7:45 by President Floyd of the Aldermen. Aldermen Rawson of Ward 7 placed the name of Mr. Wogan in nomination. He said that Mr. Wogan was born in Boston in 1885, graduated from Boston Latin School, attended Bowdoin College, is married, has two children and is assistant general manager of the United Shoe Machinery Company. Mr. Rawson said that Mr. Wogan has resided in Newton for 15 years and is a member of Presentation Parish. Rawson lauded the nominee as a man who has been associated with about every good cause in this community, and who has given freely of his substance and efforts, especially to the Community Chest. Rawson stated that there are some who seek office, and others who, because of their ability are called to serve in public office. He said that men of the latter type are particularly valuable, and that Wogan is a man of this type. Alderman Colby of Ward 7 seconded Mr. Wogan's nomination. Mr. Colby said that the nominee has resided in his neighborhood for years, is regarded as one of our outstanding citizens, did not seek the office, but was sought.

## Newton Car Hits Watertown Woman

Miss Catherine Milmore, 60, of 15 Beechwood ave., Watertown, was hit last Friday afternoon by a car driven by William Fullerton, Jr., of 193 Woodcliff rd., Newton Highlands. Miss Milmore, a sister of Chief of Police John Milmore of Watertown, was severely injured and was taken to the Cambridge Hospital. She received a fracture of her left leg, broken ribs and chest injuries.

## Arrested For Drunken Driving

Samuel Rustin, Jr., 19, of 882 Commonwealth ave., Newton Centre, was arrested early Sunday morning by Serg. Cleary and Patrolmen Powers and Stevens on charges of drunkenness and driving a car while under the influence of liquor. The arrest was made at Commonwealth ave. and Islington rd., Auburndale. Rustin will be tried on June 2.

## HOW DOES YOUR GARDEN GROW?

If you bought your seeds and other supplies from us you'll find it's growing wonderfully.

If you haven't started it yet, there is still time, but don't delay any longer!

You get a good start when you buy your garden requirements from us, and you save money because everything we sell you is the best in quality, seeds are tested, all garden implements are proven standard makes, and our prices are consistent with the high grade of merchandise which we sell.

## A GREAT AMERICAN

There is hardly a community in this country that did not benefit from the philanthropy of the late John D. Rockefeller. Here in Newton the theological seminary received a donation of one hundred and thirty-eight thousands of dollars toward the construction of new buildings some years ago. Many other Newton persons unquestionably owe their present positions in industry, business, economic institutions, and charitable enterprises to the interrelated connections with the Rockefeller fortune. During a career which carried the one-time poor urchin to a place as the world's foremost multi-millionaire and oil magnate there seems to be one outstanding principle to which Rockefeller adhered. He set his goal toward creating a great fortune and then expending much of it in an effort to make the world a better place in which to live. He never deigned to reply to the criticism and abuse which was heaped upon him in years past, but instead devoted almost half of his life toward the difficult task of wise spending for philanthropic purposes. Truly a great American has passed on and left behind a world which is inestimably better for his having lived.

## THE OFFICE SEEKS THE MAN

The aldermen and school committee this week in a joint session elected Joseph E. Wogan to the vacant position on the latter body. Mr. Wogan should make a worthy successor to F. Marsena Butts, who has served for some years faithfully and efficiently. While we have not a personal acquaintance with Mr. Wogan we have mutual friends who are enthusiastic in their endorsement of his selection. He holds an important position as an industrial executive, and has shown commendable co-operation and interest in the affairs of the Community Chest. One phase of the selection of Mr. Wogan which we like is that there are no political considerations involved which reflect upon any individual candidacy. Another is that it is obviously a case where the office sought the man, as Mr. Wogan would not accept the position until prevailed upon after considerable discussion.

## MEMORIAL DAY

Once again another Memorial Day is close at hand. Originally proposed to honor the heroic dead of the Civil War the day has long since become a day of memorial to the heroes of all wars. With the passing of the years has come the inevitable passing of the Civil War veteran, so that today they are but few in numbers. In the local observance of the day only two veterans of the struggle to preserve the Union will participate. Their places have been taken by veterans of the Spanish and World Wars. We add our prayerful hope to that of thousands of others that war will never come again. With this hope, however, we pause to honor those who gave their all that the country and the world might survive.

SMITH—PADDON

Miss Elizabeth Padon, daughter of Mr. and Mrs. Arthur Montague Padon of 38 Commonwealth Park, Newton Centre, was married to Walter James Joseph Smith, son of Mrs. William E. R. Smith of New York City, at noon on Saturday, May 22nd in the First Church in Newton, Newton Centre. Rev. M. Russell Boynton performed the ceremony.

The bride wore a gown of turquoise blue sheer and lace with a large brown leghorn hat and her corsage bouquet was of yellow roses. Miss Jeanne Reese Padon, sister of the bride, who was the maid of honor, wore a Dubonnet chiffon print dress with a navy blue picture hat and carried lilacs of the valley and orchids. John Michael Connor of New York was the best man.

On their return from a wedding trip, Mr. and Mrs. Smith will reside in New York. The bride is a graduate of the Presbyterian Hospital School for Nurses in New York. The groom is a graduate of New York University and a member of the American Statistical Association. He is associated with the Financial World in New York as a statistician.

CAUGHEY—SCOTT

Miss Winnifred Emily Scott, daughter of Mrs. Thomas Beckett Scott of Abundale was married to Dr. John Lyon Caughey, Jr., son of Rev. and Mrs. John Lyon Caughey of Glens Falls, New York at noon on Saturday, May 22nd in the Park Avenue Presbyterian Church, New York City. The ceremony was performed by the groom's father.

The bride was given in marriage by her brother, Harold Grant Scott. Mrs. Walter Tandy Murch, sister of the bride, was the matron of honor and Miss Margaret Thompson, her niece, was the flower girl. Dr. William Payne Thompson of Red Bank, New Jersey was the best man.

On their return from a wedding trip, Dr. and Mrs. Caughey will reside in New York City.

The bride is a graduate of Queen's University, Kingston, Ontario and of the Presbyterian Hospital School of Nursing in New York City. Dr. Caughey is a graduate of Harvard College, 1925 and of the Harvard Medical School, 1930. In 1935 he received a degree from Columbia University as doctor of medical sciences. He is now a resident physician of the Presbyterian Hospital in New York. While at Harvard he was president of the Harvard Crimson, a member of the Harvard Pudding, Institute of 1770, the Speakers and the D. U. clubs.

SHINNICK—SHEA

Miss Josephine Ann Shea, daughter of Mr. and Mrs. John Shea of 24 Middle St., Newton, was married to Dennis Francis Shinnick, son of Mr. and Mrs. Richard Shinnick of Arlington, on Saturday morning at a nuptial Mass at 9 o'clock in the Church of Our Lady, Newton. Rev. Joseph P. Shea, cousin of the bride, performed the ceremony.

The bride, who was given in marriage by her father, wore a gown of white mousseline de soie with a short tulle veil and carried a bouquet of white roses and sweet peas. She was attended by her sister, Miss Anna J. Shea, as maid of honor, who wore pink mousseline de soie and carried pink snapdragons and blue larkspur. John Shinnick, brother of the groom, was the best man and the ushers were John Shea and Dennis Ryan.

A reception was held at the Philomatheia Club, Chestnut Hill. The couple were assisted in receiving by Mr. and Mrs. Shea and Mr. and Mrs. Shinnick.

On their return from a Southern cruise Mr. and Mrs. Shinnick will reside at 15 Melbourne ave., Newton.

## 101st Qm. Regiment Observes First Anniversary

May 26, 1937, marked the first anniversary of the 101st Quartermaster Regiment, 26th Division, M. N. G., with headquarters at the West Newton Armory.

In recognition of this event the officers of the regiment held a dinner and entertainment at the University Club in Boston, with high ranking officers of the M. N. G. and R. A. as their invited guests.

Although in existence for only one year the 101st Quartermaster Regiment has achieved success to a marked degree. At the present time it is the first Quartermaster Regiment of the National Guard of the several states to gain Federal recognition, after starting as a new organization and recruiting to its present strength.

The officers who gave unsparingly of their time and energy to develop this organization and who constitute the officer personnel of the regiment are: Colonel Edward T. Ryan, Commanding Officer; Lieut. Col. Wilford A. Walker; Majors Graves B. McGary; Norman B. Morrison, Francis J. Kelley; Captains George L. Gleason, Henry J. O'Brien, Arthur W. Snow, Arthur J. Jennings, Edward B. Parker, Lawrence A. McNamee; Lieutenants Michael McCarthy, John Sheehan, Harold Brown, Charles J. Rich, Rudolph Krebs, Malcolm S. White, Francis LaPlante, Francis J. Connelly and James McNulty.

## Drank Liquor, Fined \$100 for Driving

A Cambridge youth who, according to the testimony of arresting officers, bragged that he lived next door to a Representative and would have the buttons stripped off the policemen, when they arrested him for driving a car while under the influence of liquor, was fined \$100 by Judge Allen in the Newton court on Friday, Stephen Chipoli, 21, of 72 Willow st., Cambridge, the defendant, appealed the fine. He was arrested one night last week at Newton Corner by Patrolmen Foley and Manter.

## K. of C. Communion Breakfast

Newton Council, Knights of Colum-

bias, held its annual communion breakfast last Sunday at the hall in Sacred Heart School, Newton Centre. The members present received communion at the 8:30 mass, which was celebrated by Bishop Francis J. Spellman. Grand Knight Francis Frazier presided at the breakfast and the guests included Bishop Spellman, John P. Tierney, Chief Ranger of Middlesex Court, M. C. O. F.; District Deputy Edmond Ryan, of West Roxbury; and Robert Driscoll, Exalted Ruler of Newton Lodge of Elks. Rev. Harold Stockman, S.J., was the speaker. He referred to Hilaire Belloc's statement that persons under 40 today will live to see a terrific struggle between Christianity and Communism.

Father Stockman asserted that Communism in Russia is responsible for the unrest in Europe and this country and that there will not be peace in the world until the government of Russia is either crushed or greatly changed. He said Europe is a cauldron, apt to burst into flames at any time. He said that the maritime strike on the Pacific coast was caused by Communist influence, and he decried sit down strikes as illegal.

Father Stockman stated that all last progress in this world has been accomplished by slow evolution and not by such revolutionary measures as Communists advocate.

## Car Skidded, Wants City to Pay Bill

A unique claim for damages has been presented to the City of Newton. Minnie Ross of Tower Hill road, Wayland, wants the city to pay \$49.10 for repairs to her automobile. On the afternoon of April 15 the car skidded on Commonwealth ave., Abundale, and hit a tree. Mrs. Ross claims there should have been signs on the avenue warning that it is slippery when wet. A claim against the city has been entered by Mrs. Charles J. Diman of 156 Waverley ave., for injuries received on March 29 when she fell on the sidewalk opposite 307 Centre st. She alleges that there was a defect at the curbing.

## Exhibition of Painting and Swiss Village Model at Library

The final art exhibition of the season will be held in the front corridor and the Art Room of the Main Library, from May 26 to June 9th.

The exhibiting artist is Mr. Louis Vuilleumier of 55 Jackson rd., Newton, another Massachusetts School of Art student, class of 1936. Mr. Vuilleumier was graduated from the teaching Training Course with the degree of bachelor of science in education, and being awarded two honors, one of which enabled him to return to the art school for another year of study.

The exhibition consists of oil sketches, some local, others of New Hampshire and Maine. There are also a few watercolors.

The most interesting feature of the showing will be the Swiss village model illustrating the story of Heidi by Spyri. This model won one of the honors awarded Mr. Vuilleumier last June.

## ANDOVER-NEWTON COMMENCEMENT

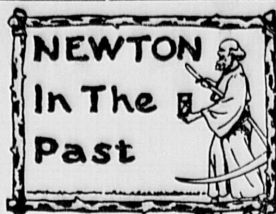

Commencement exercises at the Andover Newton Theological School will begin on Sunday, June 6, when President Everett C. Clark will give the Baccalaureate sermon at four in the afternoon at the First Baptist Meeting-house, Tuesday, June 8, will be Alumni Day, Dean Emeritus Shaller Mathews of the University of Chicago will speak at 10 a. m. on "Adventures and Hope for the Future." At 11:30 a. m. there will be joint devotional services for Andover and Newton at the Church of the Holy Hall followed by the annual meeting and memorial services at 11:45 and the alumni luncheon at 1 p. m. At 4 p. m. there will be class reunions. On Wednesday, Commencement day, the graduation exercises will be held in the Baptist meeting house at 10 a. m., with addresses by members of the graduating class and the conferring of degrees. At 12:30 the new buildings will be dedicated. At one o'clock there will be the Trustees' luncheon in the Assembly Hall and at 4 o'clock President and Mrs. Herrick and Dean and Mrs. Dabney will be at home at the President's House.

## PARAMOUNT THEATER OBSERVES ANNIVERSARY

Entering into its ninth year of catering to the theatregoers of Newton and the surrounding communities, the M. & P. Paramount Theatre at 299 Washington st., Newton Corner, designates the entire week beginning Sunday, May 30th as "Anniversary Week," and to renew its pledge for the continuation of the supreme and varied entertainment which it has been ever happy to be privileged to present during the past several years.

As a fitting screen program for the Anniversary Week, first half of the week presentations, the management has been fortunate in securing two fine productions headed by "Marked Woman," bringing to the picture screen of her own home town none other than Bette Davis, one-time Newton schoolgirl. In "Marked Woman" with Miss Davis playing opposite starring role is seen the young personality latest male star, Humphrey Bogart. The companion feature is "History Is Made at Night."

For the Thursday through Saturday Anniversary Week screen presentation at the M. & P. Paramount Theatre there will be seen in the featured picture Fernand Gravet, latest French sensation with Joan Blondell in "The King and the Chorus Girl" and as the cofeature, "The Devil's Playground," costarring Richard Dix and Dolores Del Rio.

62 YEARS AGO

Newton Republican, June 5, 1875

Why don't the city government offer a reward for the incendiaries who set so plenty about town? The recent incendiary fires call for prompt action.

The new history of Newton being written by Rev. S. F. Smith is nearly complete. It will close with the inauguration of the city government. We understand that efforts are making to have it published as a subscription book. This would save a large appropriation by the city government.

There is considerable dissatisfaction in Newtonville over the concrete sidewalks laid last year. Many of them are quite soft now, and in some places the tar gets tracked into houses and on the carpets. We hope the Highway Committee will be more careful in having the walks laid this year.

Work has commenced on building the Catholic Church at Newton. The congregation has been using the basement during the winter, but sufficient funds have been secured from the fair and other sources to warrant further prosecution of the work.

At the meeting of the Common Council on Monday evening the order providing for the redivision of wards, with the increase of one, was fully discussed. Councilman Carpenter thought there had been some sharp practice in this matter. A few weeks ago an order was passed giving the Mayor authority to petition the Legislature for authority to divide the city into 7 wards, but he understood it was to be optional whether the city did it or not. The act as passed, makes it obligatory. Mr. Carpenter still thinks the City Council gave the Mayor such authority. The city is still in its infancy. If anyone is dissatisfied with Ward lines we have authority to have them readjusted. Newton has always been the victim of local jealousies because it has no common centre. It will not be equal to have four wards on one side and three on the other. Wards 4 and 5 are growing faster than Wards 1 and 2 and if the new circuit railroad will be built, they will grow more rapidly. Councilman Towne thought the matter of 7 wards should not come up until after the annexation of parts of Watertown and Brighton to Newton. Councilman Weed always thought there should have been more wards when the city was organized. There should be two aldermen and three councilmen from each Ward. The people should be fully represented.

Councilman Crane saw no objection to another Ward. The Board of Aldermen is too small. The Mayor does not have the veto power now, but must vote as a member, in case of a tie vote. Councilman Pettie saw no objection to another Ward. Councilman Gilman disclaimed any sharp practice; nothing had been done undecided. He was working honestly for what he thought the city's best interest. Brighton Hill and the Morse's Field district of Watertown will probably be annexed to Newton within a year. (Neither was annexed. Ed.) Numerous building projects in Ward 1 do not look as though they have reached full growth. The position of the Mayor is beneath the dignity of the office. He has only a common vote on questions before the aldermen. He should have the veto power.

President Allen left the chair and took the floor; Councilman Farnsworth presiding. Mr. Allen said he wanted to vote against the order. It is no harder to divide \$30,000,000 worth of property by 6 than by 7. There is a natural division of villages as the city is now constituted. The order was passed by a vote of 7 to 5.

50 YEARS AGO

Newton Graphic, May 28, 1887

Next Wednesday night the electric lights are expected to make their first regular appearance, and a portion of the city, at least, will be brilliantly illuminated.

The amateur photography craze which raged here with such violence last Summer has not shown much signs of life this season. The association has held no meetings so far.

That parrots live to a remarkable age is well known. One belonging to W. J. Neff of Church st. has just died. It was brought from South America 41 years ago and was remarkable for its intelligence and memory.

Horace G. Crocker of Newton pleased his friends by coming in third in the great 100-mile road race at Clarksville, Missouri, on Monday. Some very fast bicycle riders contended and Crocker was only five minutes behind the winner, whose time was 6 hours and 47 minutes. (High wheel bicycles were used.—Ed.)

New stand pipes for street watering carts have been put at the corner of Tremont st. and Waverley ave., and at Kenrick Park.

At the meeting of the Common Council on Monday evening Councilman Redpath introduced an order for a public bath house. He said the city should provide some place for the boys to bathe. Property owners along Bullough's Pond will not allow the boys to bathe there, as they formerly could, and when the boys went to the river to swim the police arrested them.

Edward H.

## Powers' Paragraphs

Cardinal Mundelein (of German extraction), obviously touched a sore spot when he referred to Adolf Hitler as—"An Austrian paperhanger, and a poor one at that." Apparently "Der Fuehrer" dislikes to have reference made to his former lowly estate. Or does he become peeved over reflections at his ability as an interior decorator? Herr Hitler can give it, but he can't take it. He and his assistants "big-shots" are acting asinine in their repeated official protests to this and other countries because of criticisms made against them by individuals who are not Government officials. It proves again the fallacy of making a dictator out of one unaccustomed to authority.

We have always liked the German people. In our school days we chose to study German instead of French. We went into the Rheinland with the Army of Occupation after the armistice. Our experiences with the kind-hearted people of that region influenced us to co-operate in the campaign, which was started in this country a few years after the end of the World War, to raise money to provide food for starving German children. We mention these things to show that we are partial to, not prejudiced against the Germans.

It cannot be denied that Adolf Hitler is entitled to appreciation from his adopted country for delivering it from the shackles with which it was burdened by the Treaty of Versailles. But, Herr Hitler and his Myrmidons have been preaching and practicing the policy of ruthlessness. A policy they had protested against after the World War, and which they insisted their conquerors had inflicted on them. The Germans, a dozen and more years ago, were pleading for sympathy and assistance for their children. The present German government, in sending airplanes and aviators to bomb and machine-gun helpless children and women in Guernica and other Basque cities and towns, is rapidly prejudicing against Germany millions of persons who have been favorably disposed toward that country. Secretary of State Hull should cease sending apologies to Herr Hitler for uncomplimentary remarks made about that personage by United States citizens. Free speech is still permitted in this country.

The action of residents in the neighborhood of Woodcliff rd. and the Worcester turnpike in making an organized protest against reckless driving on the turnpike, and demanding better protection, deserves commendation. It is only through such united efforts that the terrible carnage on our highways will be materially reduced. Some of the Newton Highlands residents who attended the hearing at City Hall on Monday night urged that a motorcycle officer patrol the turnpike at all times. President Floyd of the Board of Aldermen replied that that body several months ago took cognizance of the many fatal accidents which occurred in this city the preceding year, and appointed a special committee to make a study of traffic conditions in Newton. He said that the report of that special committee recommended two additional motorcycle patrolmen.

Without unduly tooting our own horn, the Board of Aldermen appointed the special committee for we had several times asserted in this column that it was the duty of the Mayor and

Newton is maintaining its reputation as the "Garden City." The foliage on its thousands of trees is brilliant. Thousands of residents are contributing to the city's attractiveness by caring for well kept lawns and gardens. May we suggest to some of our newer residents that it has not been typical of Newton to dump lawn and garden refuse onto a neighbor's property. Those who move to a high type community should try to adjust themselves to their improved environment.

## ONE THING AND ANOTHER

By L. D. G. BENTLEY

### Those Perfect Days

Next Tuesday we begin writing "June." The name of the month is not as important as the period of year when things are more to my liking. Whatever they may call it I prefer the season when nobody mentions aspirin, when you drop into the drug store for an ice cream soda and nothing else, when no thought is given to the household fuel supply, no worry as to drafts from open doors and windows, no anxiety over damp feet, no need of wearing overcoats and we may listen to the radio from the front piazza if there isn't too great competition from the neighbors.

### The Right or Wrong Road

A statement that I am not prepared to challenge comes from an acute observer to the effect that it gives one a feeling of superiority to be able to feel a stranger how to find the road to this place or that. If you pause to reflect, you may be able to tell what has been your experience. For my own part I may say that I have enjoyed airing my knowledge and would have gone about my affairs with the satisfaction of a good deed performed had it not been for one thing.

More than once I have been approached with a request for directions to the nearest way to a street in another part of Newton or "How's the quickest way to Cohasset?" "Which road do I take to get to Fall River?" Eager to oblige I have never failed to attempt to impart the desired information. But, and here's the distressing part of it, I have often wondered, after the party has driven off, whether I was right. Then I begin to ask myself, "Are you so darned sure?" and the answer, "No, I'm not, to tell the truth" has spoilt my day. I shall probably continue to answer the questions of travelers and yet for my peace of mind I believe I shall equip myself with a road map and study it, too.

Totally Indifferent  
Where the money in "tips" goes for

checking hats may be of deep concern to the Massachusetts Legislature but it never arouses the slightest interest on the part of the young men who go bareheaded winter and summer.

### Mortality Among Library Books

Nothing upsets me as much as the destruction that goes on among the books loaned by our Newton Free Library. I get so hot and bothered one would think I was paying for them out of my own pocket. I still think, though, that there is cause for exasperation when a new book is returned with many pages slightly torn, some out-and-out soiled, numerous "dog's ears" and general abuse from cover to cover.

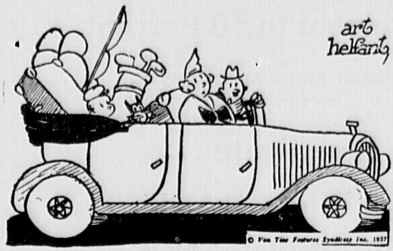

Some one has thought it out and the explanation is that the youngster sitting on the floor demands attention and is given something to play with. Not that it matters that the book has no pictures. The little pet can have a good time mauling a nice book and anyway who cares if only he keeps quiet and contented?

Nevertheless, I can't see but what the city is paying the bills and the worst of it is the cost comes out of the library's appropriation which was never said to be too large at best. Of course, and I'm surprised no one has ever thought of it before, the library might obtain for circulation a stock of stout toys and playthings that would amuse the youngsters and cause them to lay off the books.

### Spread of Knowledge

So many things have been blamed on the advent of the automobile I would like to say a word, which, if it is not praise, is at least mild appreciation. My feeling of commendation is because the automobile has enriched our vocabulary. For example, I listened to a friend of mine bitterly criticizing a mutual acquaintance. Said L. "You overlook his good qualities." His reply was, "Indeed, where does he park them?"

## "STOP" Have You FORGOTTEN SOMETHING?

Don't get all the way to your summer place only to find that you've forgotten to pick up the things you need for the garden, the kitchen, the dining porch and the house itself. Remember, we have paid real attention to the needs of summer places. You'll find what you want here and you'll find low prices that may not be found near your summer place.

HERE'S SOMETHING FOR YOUR SUMMER PLACE THAT WILL GIVE YOU PLEASURE THE YEAR ROUND!

## Auburndale Man Dies After Fall

Donald M. Aselton, 34, of 3 Kilburn rd., West Newton, died at the Newton Hospital last Friday of injuries received early on the morning of May 18th, at his home. About 3 o'clock on that morning Patrolmen Cunningham and Davis found Aselton lying on a walk in front of his home critically injured. Mrs. Aselton told the police at that time that her husband had gone out of the house to put his car in the garage. The police found a window screen in the house broken, as though Aselton might have fallen through it. The injured man was taken to the Newton Hospital where it was found he had a broken back, fractured skull, and severe brain injuries. Medical Examiner Gallagher performed an autopsy on the body, and the police were ordered to have an inquest held. Captain Goode of the Newton police has been investigating the case.

Aselton was associated with other members of his family in operating the Blue Way lines, interstate buses. He was Boston manager for the company, and had resided at the West Newton address less than a year. He is survived by his widow, Mrs. Marion Aselton; his parents, four brothers and a sister.

GEORGE N. GODDARD

George N. Goddard, of 132 Windmere rd., Auburndale, died on May 23. He was born in Elmira, New York, 70 years ago, graduated from Amherst in 1887 and studied law at National University Law School in Washington. He was a patent attorney with an office in Boston. Mr. Goddard is survived by his widow, Mrs. Emily Goddard; a son, Northam Goddard, and a daughter, Miss Martha R. Goddard. His funeral service was held on Wednesday at Mt. Auburn crematory chapel. Rev. Edward T. Sullivan officiated. Burial was at Portland, Conn.

MINNIE CONE

Mrs. Minnie S. Cone of 182 Walnut st., Newtonville, died on May 23. She was born at Fort Carvington, N. Y.,

66 years ago and had resided in this city for 21 years. She is survived by her husband, Clayton B. Cone; two daughters, Mrs. Harriet-Rix of Auburndale and Mrs. Mildred Pitman of Wollaston; a son, Norman Cone of Newtonville, and a brother, Norman Shannon, of Chester. Mrs. Cone's funeral service was held at her late home on Tuesday. Rev. Randolph Merrill officiated. Burial was in Newton Cemetery.

CHARLES W. MERCER

Charles W. Mercer of 48 Erie ave., Newton Highlands, died on May 22. He was born in Boston 71 years ago and had lived in this city for 37 years. He had been engaged in the banking business, and was treasurer of the Newton South Co-operative Bank. Mr. Mercer is survived by his widow, Mrs. Emily B. Mercer; a daughter, Mrs. Emily Hall Tuttle of Great Neck, Long Island, and one grandchild. His funeral service was held on Monday. Rev. Ben Roberts officiated. Burial was in Newton Cemetery.

JOHN F. DUNNE

John F. Dunne of 90 Boyd st., Newton, died on May 19. He was born in Newton 55 years ago, the son of Andrew and Mary (Kinchla) Dunne. He had been in the employ of the Boston Elevated Railroad for over 25 years and was a member of the Boston Carmen's Union. Mr. Dunne is survived by seven sisters—Mrs. Alice Mooney, Mrs. James Shea and Mrs. John Vahey, all of Watertown, Miss Elizabeth Dunne, Mrs. Michael B. Collins and Miss Lucy Dunne, all of Newton, and a brother, Andrew C. Dunne of Newton. His funeral service was held on Saturday at Our Lady's Church, Newton. Burial was in Calvary Cemetery, Waltham.

### RECENT DEATHS

THOMAS F. REYNOLDS

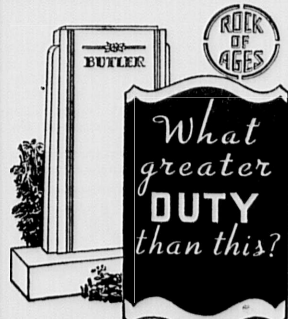

Thomas F. Reynolds of 54 Ballard st., Newton Centre, died suddenly of heart failure while walking on State st., Boston, on Tuesday with his daughter, Miss Mary Reynolds. He was born in West Newton 74 years ago, the son of Christopher and Ellen (McDonald) Reynolds. He had been engaged for 50 years in the knit goods business. Mr. Reynolds was a member of Newton Council, Knights of Columbus, and St. Bernard Court, M. C. O. F. He is survived by his widow, Mrs. Louise (Bagley) Reynolds; three sons, Joseph A., Thomas F., Jr., and James P. Reynolds, and a daughter, Miss Mary Reynolds, all of this city; two brothers, William of Newton Centre and John of Newtonville, and three sisters, Misses Ellen and Elizabeth Reynolds and Mrs. Dennis Ryan, all of West Newton. Mr. Reynolds' funeral service will be held on Friday morning at Sacred Heart Church. Burial will be in Calvary Cemetery.

M. LOUISE HINCKLEY

Mrs. M. Louise Hinckley of 67 Sheridan st., West Newton, wife of Edward A. Hinckley, died on May 22. She died in the house where she was born 62 years ago, the daughter of Hugh and Mary (Brennan) Bryson. She is survived by her husband; and two sisters, Mrs. George Coture of Halifax, Nova Scotia, and Miss Maude Bryson of New Jersey. Mrs. Hinckley's funeral service was held on Tuesday morning at St. Bernard's Church. Burial was in Calvary Cemetery.

FREDERICK C. BROWN

Frederick C. Brown of 34 Waverley avenue, Newton, died on May 21. He was born in Brighton 66 years ago and had lived in Newton for 12 years. Mr. Brown had been a commercial traveler by occupation. He is survived by two daughters, Mrs. Marion I. Flynn of Scranton, Pennsylvania, and Mrs. Florence Pascoe, of 34 Waverley avenue; a grandchild, Marion Pascoe; two brothers and two sisters. Mr. Brown's funeral service was held at his late home on Monday; Rev. Ray Eusden of Eliot Church officiated. Burial was in Evergreen Cemetery, Brighton.

# Go ahead, Mister! IT'S YOUR MOVE...UP!

IT doesn't make much difference what kind of car you're driving now—when you see what you can do in this bellwether Buick, you'll agree you've gone ahead, moved up, stepped away out front!

Sit in it—settle back in its cushions and sense the bulk of its fine mass beneath you—you feel better already and you haven't made a start!

Take the wheel, it fits your hand like a sword-grip—swing it, it's easy and responsive as a bandmaster's baton!

Touch the treadle—quiet and silky that waiting engine leaps into life

quick as a hungry trout—that's no mere six you're bossing, but the matchless valve-in-head straight eight that only Buick knows how to build!

Let's find a highway, any kind of highway! Be it straight or be it winding you'll ride erect, smooth, steady, without heel-over, sideway, dip, even on the sharpest curves.

Hills? They flatten out like linen under the iron! Traffic? It only gives

you better proof that this is the most manageable car you ever drove.

What's to keep you from going ahead with this king-pin car this spring and summer? If you think it's money, think once more—for this great eight costs little more than the average six, and actually less than some!

So come see us now. Once in a Buick your own good sense will make you reach for the dotted line.

#### Outdoor Concert

The thirteenth Annual Outdoor Concert of Newton High School will be presented on the school campus on Friday evening, June 4th. The entire musical organization of the school, including the orchestra, band, mixed glee club, sophomore and junior-senior choruses, and a brass quartette, will participate in the program. In addition to the various choral and instrumental renditions, there will be baton twirling by Miss Jeanne Budding, and a solo by Miss Virginia Turner on the Hammond organ. In case of rain, the concert will be held in the High School Auditorium on Friday evening.

#### Memorial Day Assembly

Mayor Edwin O. Childs was the speaker at a Memorial Day Assembly on Wednesday, for the sophomore class. Mayor Childs delivered an excellent address which brought out in an inspiring way the significance of the holiday on May 30th. He was introduced by Thomas Burkhardt, president-elect of the classes of 1939. On the platform were Commander Boyd, of the G. A. R., of Newton, who received a wonderful ovation from the assembled boys and girls, and Vice-Commander Irving of Post 48, American Legion.

#### German Pupils Visit Newton

On Monday, May 24, Ursula Lohr, 18, and her brother Deter, 16, members of the Berlin-Cleveland exchange pupil group visited the high school as part of their program for a three day stay in Newton prior to returning to Cleveland to rejoin their group.

The Newton High School Chapter of the National Honor Society gave its induction ceremony at Belmont High School at an assembly Wednesday morning to assist in the receiving of their new members. Richard Lovell presided and introduced the following speakers who explained the four cardinal principles of the society: Flora Mariotti, Character; Gladys Greenbaum, Service; Barbara Bancroft, Leadership; Leon Lipson, Scholarship. Ada Merriam and Joseph Larsson were the trumpeters. Mr. Ernest Caverly, superintendent of schools in Brookline, and formerly Head of the English Department in Newton High School, gave an address following the ceremony.

### Day Jr. High School

The Frank A. Day assembly audience was entertained last Friday by the Red Cross Club, sponsored by Miss Norcross and by the Girls' Hobby Club under the direction of Miss Kennedy.

The girls of the Red Cross Club, dressed as nurses, displayed their knowledge of bandaging techniques with demonstration by Mildred Farrell, Jane Franklin, June Hildreth, Ruth Ross, Mary Visco, Betty Kay, Dorothy Goodale, Bernice Cotton, Barbara Lounsbury, Helen Calhoun, Barbara Beal, and Jean Vuilleumier were the patients. Esther Henley relieved by Mildred Farrell demonstrated artificial respiration on Betty Cook, Jean McDonald and Betty Kay on Dorothy Goodale. An emergency stretcher was made from a blanket and Mildred Farrell was carried by Ruth Ross, Betty Cook, Esther Henley, Jane Franklin, Mary Visco, and Jean McDonald. Betty Cook was the spokesman for the group.

The Legend of Shen Lo, a masked pantomime, was presented by the Girls' Hobby Club. The history of masks was given by Mary Benedict, and Donald read the story of the legend. Members of the cast were: Lois Abelle, Claire Holman, Doris Holman, Lorraine Rounds, Anne Lynch, Evelyn Dailey, and Susie Lucenta. Mr. Alden Read, assisted by Malcolm Broderick, Edward Teschner, and Donald Abbott, had charge of the lighting. The dancing was coached by Miss Agness Peoples and the music furnished by Mr. Ralph Morse.

Frank A. Day Junior Varsity and Varsity met Warren recently on the baseball diamond. The Varsity played a fine game, but lost 7-6. The Junior Varsity won with a final score of 7 to Warren's 3. Stars of the game were Raymond Keegan who made a record home run, and George Norcross who, having pitched four hit balls, striking out nine men, retired the Warren batters in order in their half of the final inning. On Tuesday, the Junior Varsity defeated Fessenden School—score 9-8. Twenty-six boys took part in the game. Thursday, the Varsity lost to Bigelow 7-5.

### Warren Jr. High

The Warren Junior High School band, which is under the direction of Mr. Tower, marched in the annual parade of junior and senior high school bands in Lowell on Saturday, May 15. The following students represented Warren: Louise Ahern, V. P. Belotti, Marion Black, Mary Brennan, John Brickett, Arthur Bruemer, Charles Bumpus, Dorothy Burke, Ralph Burns, David Carpenter, Patty Chase, Polly Chase, Nancy Chase, Carl Clark, Sidney Clark, Paul Coburn, Robert Coburn, Merrel Collard, Nancy Concannon, John Corcoran, Dana Danforth, Robert Drew, Eileen Driscoll, Frank Dutton, Alfonso Ferrera, Milton Gardner, Donald Greene, John Harris, Claire Heald, Joseph Izalls, Kilmer Joyce, Rose Karol, Barbara Kearney, Lester Keating, Ralph Kelly, Solly Kovitz, Edna Mayer, Herbert Mayer, Richard McCrudden, Robert Muir, Leo Nolan, Lawson Ogilvie, Albert Picardello, Albert Reed, Leonard Ricketson, Charles Roehrig, Newell Rogers, Harvey Sawyer, William Wallace, James Weston, Stanley Woodward, Robert Young, Warren Young, John Zilinski and Constance Stockbridge.

### Bigelow Junior H. S.

A varied world fellowship program was put on during the regular assembly period on Friday, May 21, by pupils of Grade 7 under the direction of Miss Margaret E. Osborne. Robert Sander acted as announcer. A seventh grade chorus assisted by Ruth Wiles and Corinne Boyd sang folk songs of Italy, Germany, Ireland, Spain and England. The chorus comprised Mildred Marks, Thelma Gruber, Helen Manter, Florence Luchini, Lorene Pyatt, Betsey Atwood, Grace Casavant, Mayorie Musinsky, Phyllis Carleton, Clarissa Johnson, Louise Applebaum. A monologue illustrating the impressions of persons of different nationalities on viewing the Statue of Liberty followed. Katherine Hogan gave an interpretation of a Russian dance. A piano duet was played by Mildred Marks and Charlotte Goodman. A dialogue was

given in costumes by Lorene Pyatt and Beury Atwood. A play of old China, given in the stylized fashion, was presented by the Bigelow Junior Players. The cast included Robert Sander, Leo Flanagan, Clarissa Johnson, Rita Nelsdssto, Thelma Gruber, William Graham, Louise Applebaum, Gerald Doherty, Edward Maynes and Lloyd Howard. Walter Nickel was responsible for the sound effects.

The Effort Honor Roll for the third term numbers 23 pupils. To be eligible for this school honor a pupil must receive an effort grade of one in six subjects. Those on this roll include Louise Applebaum, Betsey Atwood, Patricia Barthevin, Richard Bolin, Frederick Hall, Ruth Kaufman, Edwin Druker, Ray Eusden, Margaret Foley, James Francis, Robert Gallant, Charlotte Goodman, Eleanor Leahy, Laura Lord, Helen Manter, Mildred Marks, Margaret Moorhead, Claire Reed, Robert Sander, Rita Sanguinetti, Jean Stevenson and Priscilla Violi.

—Mrs. Ada Whitmore Hartman is the guest of her parents on Sterling st.

—Mr. and Mrs. F. J. Burrage of Fairfax st. are at their summer home in Duxbury.

—Mr. and Mrs. Joseph Fuller are at their cottage at Englewood Beach over the holiday.

—Mrs. Emma F. Day of 67 Webster st., widow of Herbert Day, died on May 21. She was born in Fitchburg 74 years ago and had lived in this city for 53 years. Her funeral was held on Sunday and interment was at Forest Hills.

—The Annual Mothers' Night of the As We Like It Club was held at the Second Church Parish House on Tuesday evening, May 25th. A delicious supper was served by Mrs. Charles Gibson and an able committee.

—A short play, written by two of the club members, Mrs. Marjorie Neagle and Mrs. Gertrude Slason, was presented. Mrs. Neagle also read amusing excerpts from a book published eighty years ago. The evening was brought to a close with the singing of old songs and rounds led by Miss Eva Sanderson.

—A recital of dramatic readings and piano music will be given by Miss Ruth Filene and Miss Venila Colson, both of West Newton, at the parish house of the Unitarian Church on the evening of June 4. The program includes dramatic selections of "The Baggage" by Bertha Moore and "Confessions" by A. Conan Doyle, also piano selections from Liszt, Chopin and Schubert. Miss Filene is a graduate of Emerson College of Oratory and Miss Colson is an Oberlin College graduate and a former student of Oberlin Conservatory of Music.

—The Standard Bearers of the First M. E. Church will hold a Food Sale in the Parish Hall on Wednesday, June 2, from 2 to 5 p. m.

—Mr. and Mrs. Donald Plinchbaugh and family of Rockland place will spend the week end at their summer home at Pleasant Point, Rockland, Me.

—Mr. and Mrs. Charles Thomas (nee Alice Evans) are receiving congratulations upon the birth of a son, on Monday, May 24, at the Newton Hospital.

—John Cronin, Jr., of Elliot st. has returned from the Newton Hospital and following a two weeks' rest at his home, has returned to his studies at the high school.

—Mrs. Wm. P. Doran, Jr., and two children, who have been the guests of Mrs. Doran's parents, Mr. and Mrs. Ernest Cobb, have returned to their home at Bronxville, N. Y.

—The Senior Epworth League Society of the First M. E. Church will attend the Memorial Service held by the Newton Circuit Epworth at the Newton Cemetery, on Sunday at 5:30 p. m.

—H. Carlton Maloney of the Waterhouse Drug Co. has opened a drug store in Dennisport.

—Mrs. Harold W. Drew of 9 Saxon rd. attended the annual Mothers' Day at the University of New Hampshire last Saturday.

—Mrs. Albert S. Hutchinson of Alton rd. has been reelected president of the Massachusetts State Division of the American Association of University Women.

—Miss Louise Kerr, daughter of Mr. and Mrs. George F. Kerr of 110 Woodward st. took part in the choral and solo interpretation by the vocal speaking choir and the class in oral interpretation at Mount Holyoke on Tuesday, May 25.

—Miss Pearl Merriam of 35 Canterbury rd. received her diploma from the Vesper George School of Art for having completed the three year course in Industrial Design, and also received a scholarship for next year for excellent work.

—Mrs. Jerome Carley of 291 Dorset rd. has been elected to membership in the Massachusetts Society of Mayflower Descendants.

—Mrs. B. Jackson Cram, Jr., has graduated from King's College, Halifax, N. S., and is at home with her parents on Waban ave.

—Mrs. William R. Bell of Dorset rd. has been reelected secretary of the Massachusetts State Division of the American Association of University Women.

—Mrs. J. Earle Parker, accompanied by Mrs. Charles A. Andrews, of Amherst, attended a musicale at Middlebury College, Vt., last week, where Mr. John Andrews was the pianist.

—Miss Marjorie Jones, daughter of Mrs. Ralston P. Jones and the late Mr. Jones of Beacon st., Waban, presented her pupils in a group of informal dance studies at the Neighborhood Club last Saturday afternoon.

—The winners in the Junior Memory Contest of the Union Church School were Miss Elizabeth Cutler's Class of Girls and Miss Mary Louise Lounds' Class of Girls and Miss Marjorie Whittaker's Class of Boys.

### SMITH COLLEGE CLUB

On Tuesday afternoon, at 5:30, the Newton Smith College Club gathered around the fireplace on the grounds of Mrs. John W. Cooke, 188 Arnold rd., Oak Hill Village, Newton Centre, and enjoyed a picnic supper as a prelude to its annual business meeting which followed immediately.

Mrs. John N. Eaton of West Newton presided. Mrs. Richard H. Lee of Newton, Chairman of Scholarship, announced that the winner of the club scholarship was Miss Grace Mulheron daughter of Mr. and Mrs. William M. Mulheron of 39 Sewall st., West Newton. Miss Mulheron attends Newton High School and will enter Smith College in the fall.

It was also voted to make a contribution from the treasury to Gilling College for Women in China in whose welfare Smith College has always been deeply interested.

## Charge Newton Man With Bad Driving

Thomas Black of 11 Upham st., West Newton, was arraigned in the Waltham court last Thursday on a charge of driving so as to endanger the safety of the public. His case was continued until June 3. On the night of May 2 a car allegedly driven by Black hit Eugene Sullivan, 50, of Cross st., Watertown as the latter was crossing North Beacon st. in that town. Sullivan was seriously injured and taken to the Cambridge Hospital.

## "Lafayette"—A Wonderful Car

We had a ride the other day in a car which gives conclusive proof of the tremendous strides made in automobile construction the past few years. Through the courtesy of the August Osterlund Company, the oldest, exclusive NASH agency in Greater Boston, the performance which a 1937 Lafayette "400" is capable of, was demonstrated to us. By producing this car NASH has enabled thousands of automobile owners to possess a big, beautiful, well-engineered car at low prices. The Lafayette has a wheelbase of 117 inches, is powered by the remarkable Monitor Sealed 90 horsepower motor, and is more economical to run than many smaller cars. The coupe costs only \$770, delivered in Newton; the coach \$830, and the four-door sedan with built-in trunk is delivered in Newton for only \$875.

The monitor sealed motor in the Lafayette is one of the greatest advances made in gasoline engine design the past 10 years. In this simple and clean motor NASH engineers eliminated hundreds of nuts, bolts and other parts. It has 6 cylinders, 234 cubic inches displacement; goes at high all day long without effort. The Lafayette "400" is a big car, actually as well as in appearance. It carries 6 passengers comfortably, had mid-section seating for all, and synchronized springs. Its hydraulic brakes, all steel body and sturdy frame, contribute to safety. Its upholstery is beautiful and of extra quality, assuring comfort in well padded seats. The seats are extra wide. The instrument panel compares with those found in \$2000 cars.

We drove the Lafayette over rough roads and smooth roads; on level stretches, around sharp curves and up steep grades. We turned it around on a narrow street, with a precipitous embankment on one side. The car met all tests convincingly. It meets the need of those who want much car for little money. It is sold by August Osterlund, Inc., 724 Beacon st., Newton Centre.

## Girl Scouts

The Annual Meeting of the Newton Local Council Girl Scouts, Inc., was held on Thursday, May 20, at Camp Mary Day. The morning session consisted of reports of the Standing, Village and Nominating Committees and the Field Report. At 12:30 there was a box luncheon and in the afternoon a talk by Mrs. Royal Whiting, followed by the local director's report and the election and installation of officers. The following were elected:

Honorary Commissioner, Mrs. Frank A. Way, Sr.; Commissioner, Mrs. Theron B. Walker; 1st deputy commissioner, Mrs. George H. Fernald, Jr.; 2nd deputy commissioner, Mrs. Walton S. Redfield; 3rd deputy commissioner, Mrs. Steven B. Wilson; secretary, Mrs. Wm. V. M. Faucet; treasurer, Mrs. Clinton Tyler.

Standing Committee Chairmen: Finance Committee, Miss Caroline Freeman; Training and Personnel Committee, Mrs. George H. Fernald, Jr.; Badges and Awards Committee, Miss Adelaide B. Ball; Camp Committee, Mrs. Walton S. Redfield; Brownie Committee, Mrs. William McAdams; Physically Handicapped, Mrs. Elmore I. MacPhie; nominating committee, Mrs. Frederick W. Allen; mariners, Mrs. James B. Melcher; needwork guild representative, Miss Margaret Ball; community chest representative, Mrs. Maynard Hutchinson; social and Cedar Hill, Mrs. Norman Southworth.

Members at large: Mrs. Edward V. Hickey, Mrs. Ralph B. Emery, Mrs. Horace Cole, Mrs. Reuben Grynitz, Mrs. Louis Hunter.

For chairmen of Village Committees: Newton, Mrs. Arthur D. Weston; Newtonville, Mrs. A. H. Meyer; West Newton, Mrs. Raymond D. Piper; Auburndale, Mrs. Norman Wade; Newton Centre, Mrs. Alexander Standish; Newton Highlands, Mrs. Dexter W. Dimock; Newton Upper Falls, Mrs. Samuel Oldfield; Newton Lower Falls, Mrs. Montague Knott, Jr.; Waban, Mrs. B. A. Thresher; Nonantum, Mrs. Frederick White.

# BETTER IT -- or -- BUILD NOW!

## HOME MODERNIZING & GENERAL BUILDING PAGE

GEORGE P. STUART, Consulting Architect

This feature section is designed to help readers with problems pertaining to home modernizing and general building. During the past few years there have been many improvements made in building products, furnishings and construction methods that make for comfort, attractiveness and permanency, and we hope to present articles along these lines from week to week.

Most homes need improvements of one kind or another, and people are interested in bringing their residences up-to-date. Modernizing of various kinds can do much to make the home more enjoyable. The field for new building in Newton has steadily increased with over four million dollars expended last year for building construction. At present many fine estates are being developed in various sections and for those planning to build we hope to be of service.

Churches throughout the City require more or less attention. Masonry walls need repointing and waterproofing to stop further deterioration. New painting, decorating, windows and furnishings are needed. Much can be done to other buildings to make them of more value. Improved store fronts and renovations are continually in demand.

We trust the articles presented will be helpful and that readers will feel free to call for information and estimates upon companies who make this section possible. Request for advice on modernizing and general building may be sent to the consulting architect.

### Neo-Angle Square Bathtub

"The appeal of modern plumbing fixtures to the housewife is undoubtedly one of the chief reasons for the recent large increase in bathroom modernization," says Mr. E. B. Lane, Manager of the Standard Sanitary Mfg. Company. "Attractive appearance, new conveniences, beautiful colors, and the ease with which modern plumbing fixtures can be kept clean make such a great improvement, that many people are modernizing old bathrooms."

One of the most popular fixtures in modernizing is the new Neo-Angle Bath. Square in shape, with the bathing compartment running diagonally, the Neo-Angle Bath provides convenient seats in two opposite corners. The Neo-Angle is available in a choice of colors to harmonize with the bathroom decoration.

"No other bath has as many features within the same amount of space as the Neo-Angle" says Mr. Lane. "It has a full length tub which is approximately four inches wider than the average tub. Because it is tapered at both ends, less than the usual amount of water is needed. There is a shower with adjustment for the direction and force of the flow."

"The two corner seats in the Neo-Angle make a special appeal to women. These seats make it easy to refresh tired feet after a long shopping tour, or to take a quick shower bath while seated. The seats also are convenient to keep bathsalts and brushes within easy reach."

"Invalids and older people find the corner seat an invaluable aid to getting in and out of the bath. They can easily seat themselves, swing their feet over the side of the bath. Children, too, like this new bath, because of the extra space it gives them to play and the convenient places to put their bath toys."

### Build With Celcure Treated Lumber

Celcure was invented in Scotland and British Patents were granted in 1926. Shortly afterwards American Patent rights were acquired but the product was not offered for sale pending the results of exhaustive tests by the company, industrial corporations, railroads, utilities and U. S. Government Testing Laboratories. At the end of 1934 these tests had demonstrated conclusively that Celcure is the best of all known Wood Preservatives.

Celcure is a scientific preparation that combines chemically with the lignin-cellulose of wood. After this chemical reaction the wood no longer has any food value for termites and rot fungi.

Celcure is a positive wood preservative and termite preventive, has no offensive qualities, will not leach or wash out, and will not evaporate.

Celcure provides a perfect base coat for paint, lacquers, and spirit or oil varnishes which it in no way injures. It imparts a pleasing and permanent brown or olive-green color to the wood. You may obtain the permanent protection of Celcure by the method best suited to the job and your budget.

Your new home may be permanently protected with Celcure against the dangers of rot and termites for less than 1% of its cost. The low cost of this protection will surprise you. For further information, ask your local lumber dealer or address the New England Dealers in Celcure Products, 360 Park Avenue, Worcester, Massachusetts.

### NORUMBEGA PARK

Norumbega's 41st season opens Saturday, May 29th. This beautiful woodland resort is one of New England's oldest amusement parks.

Returning again after a successful winter season in Florida is the famous Miss "Billie" Woods' circus which made such a sensation at the park last summer.

A new thrilling ride, one on which you'll receive the thrill of a lifetime, is the new Lindy-Loop.

Rides and amusements, all freshly painted, games, canoeing on the Charles, free movies in the evening, concerts and all the other attractions await the bell for the opening of Norumbega's 41st season.

### Building Specification Aids

#### PLASTERING

The work under this section includes the plastering, metal lathing, corner beads, plaster board and other work incidental to plastering for the entire building, as shown on the drawings. All walls and partitions to have an approved plaster board applied in accordance with makers' specifications and all ceilings to be lathed with painted expanded metal lath of approved make, to be No. 24 gauge and to weigh not less than 3.4 lbs. per sq. yard. All lath to be well secured with good size galvanized staples. Basement ceiling to be metal lathed also but to have only two coats of cement plaster. Furnish and set galvanized metal corner beads as approved around all plaster corners and openings. These corner beads are to be fastened securely with heavy gal. nails or staples and to be set plumb and straight in first-class workmanlike manner.

Plaster all lathing with two coat work on walls, partitions and basement ceiling. All other plastering on metal lath to be three coat work. The scratch coat on metal lath is to consist of one part gypsum plaster and not over two parts sand. Same to be thoroughly scratched and made ready for second coat. The brown coat on all lath is to consist of one part gypsum plaster mixed with not over three parts sand. This coat is to be brought out to 1-8 inch of grounds and made true and smooth with trowel and straight edges. Same to be lightly scratched and made ready for the skim coat. The finish or skim coat on both walls and ceilings to be smooth skim of superfine cement mixed with equal parts of lime putty. All materials to be as approved and

### Questions and Answers

Mr. Stuart will be pleased to answer questions relating to home modernizing and building. Inquiries may be addressed to him c/o NEWTON GRAPHIC.

Last winter our windows sweated a lot and I am wondering what caused this and if you can suggest a remedy.

The excess moisture in your house may be due to your heating system. If there is a humidifier cut down on the supply of moisture from this source. In a new house sometimes the plastering is rushed along too fast before it is properly dried out and green plaster will not only cause windows to sweat but will ruin furniture and the wood finish of the house. It would be wise to put on plenty of heat for a while without the humidifier and open windows instead.

In buying or building a house an owner should see that the plastering has thoroughly dried before the standing finish is put in place. It may cost the builder a little loss of time but is for the good of the house.

I notice some of the new houses have the electric meter on the outside. Would it be practical to do this with an old house?

The new type electric meters for installing outdoors are waterproof and seem like a very sensible improvement. They not only help the meter man in reading the meter readily but also a lot more convenient for the housewife. To make this change in an old house will require a little extra wiring but ought not cost very much. It is one of those worth while improvements that is appreciated.

Can you advise me if it would be practical to put a combination hot and cold water faucet on an old kitchen sink?

It would depend upon the type of sink. If of soapstone or slate you could have your plumber drill a hole through center of back and fit a mixing faucet that will serve the purpose. The holes where old faucets are located could be capped with metal. A new modern sink would not cost very much more and you would be better satisfied with both appearance and cleanliness.

used in accordance with manufacturers instructions. Sand must be clean, medium coarse, sharp and dry. Only clean water is to be used. The workmanship is to be of the best and performed by skilled workmen and the contractor will be strictly responsible for the result. Imperfect work shall be removed and replaced. All plastering to be properly dried out. The contractor shall furnish all necessary scaffolding, plants, etc., required for the execution of this work. At the completion of the job after standing finish is put on do all necessary patching and leave the work satisfactory in every respect. Furnish heat for drying out if necessary.

### PLANTING HINTS

#### Annuals

In preparing beds for annuals it is desirable to renew the beds each fall by spading to a depth of 18 inches and working in wellrotted barnyard manure. In the spring prepare the soil by working in a half pound of sheep manure to each square foot and one pound of bone meal to 20 square feet of area.

Annual seeds may be planted any time after danger of frost has passed. Sow fine seeds on top of soil. Larger seeds should be covered to a depth equal to the thickness of the seed. Sweet Peas are planted about 2 inches deep and Zinnias about one half inch deep. Press earth down firmly and sprinkle beds thoroughly with a fine spray. When plants are 2 to 3 inches high, thin out to provide proper growing space.

Study should be given to both the color scheme and the growing height of plants. Color effects can be secured in annuals not obtainable in perennials and therefore they may be used to good advantage in rock gardens and edgings. A very pleasing effect can be obtained by running a continuous bed about 18 inches wide at each side of the driveway. To complete this effect a rock edging should be provided which will also serve as a guidance line for cars. Creeping Phlox might be used as a continuous border to hang down over the rocks which will give an early bloom. Petunias and other showy long blooming annuals make a good background. Clumps of Iris work in well at intervals.

## WOMEN'S CLUB ACTIVITIES

Edited by EMMA D. COOLIDGE

### Events of The Biennial Council At Tulsa

There is an expectancy and thrill that no words can describe in the gathering from all parts of the country of influential clubwomen, leaders of their districts, for a Council Meeting of the General Federation of Women's Clubs. One has to experience it. Friends separated by the breadth of the continent meet after several years! Women who have been associated on committees in loyal co-operation for plans of progress meet year after year, and thrill in the meeting. New faces, enthusiastic, beautiful, spiritual, eager, patient, courageous, determined—clubwomen who have been in the organization work for even a few years learn to read them all, and feel the quick response of sympathy and trust, or caution and alertness, that makes such a convention a vital affair!

To the president of the General Federation of Women's Clubs, an organization recognized as powerful and valuable in the life of the United States, there must have been a thrill and joy in having these leaders among women come to her home State and City for a meeting, during her administration, that one can only guess and respect! Roberta Campbell Lawson, granddaughter of an Indian Chief, had this wonderful experience. In welcoming to Tulsa, the clubwomen of America—and some even from overseas—for the Biennial Council Meeting, and clubwomen rejoice with her in this experience!

Automobiles sped across country carrying groups of State clubwomen. Clubwomen came by train, by airplane, by ship across the Atlantic so that by Saturday, April 24th, the Hotel Mayo, official headquarters, was abuzz with their arrival. Juniors made equally astir the Hotel Tulsa, their headquarters, with excited, eager, happy greetings. Lodging houses, other hotels, tradesmen—all were aware that a host of guests had alighted upon their city!

Sunday, April 25th, was given over to attendance at the many beautiful churches in the city. Services, including special attention to the arrival of these guests in most instances, were held at 11 a. m. in all the churches. In the afternoon there was the special Sacred Concert, at 7:30 o'clock, at the Boston Avenue Methodist Church, after which there was opportunity offered for inspection of the beautiful edifice; and later there was the Tea in the Chamber of Commerce dining-room of the Tulsa Building.

Monday morning was one of active preparation by the officers and Council, and clubwomen who were in charge of sessions and meetings and events, in final group meetings for arrangements. Here, too, in spite of the business which had to be transacted there entered in the sociability of arrival and greetings.

At 8 a. m. the busy day began with a Breakfast for State Directors in the main private dining-room of the Hotel Mayo, with Mrs. F. H. Clausen, State director of Wisconsin, presiding.

At 10:30 a. m. the State Presidents met in Room W, on the sixteenth floor, with Massachusetts' own president, Mrs. John H. Kimball, presiding. At 11 a. m. Department chairmen met in another room of the Mayo, with Mrs. E. W. Shirk presiding; and at the same hour the Board of Trustees met, with Mrs. Edward Dexter Knight presiding.

One o'clock brought the delightful experience of Luncheon at the lovely Southern Hills Country Club, in a complimentary courtesy to the Board of Directors, and the National President, tendered by Mrs. Lawson's son, and his wife, Mr. and Mrs. Edward Campbell Lawson.

At 3 p. m. the Board of Directors returned to business in a session in the Banquet Hall on the sixteenth floor of the Mayo.

From 4:30 to 5:30, Mrs. Lawson tendered Open House to the Board of Directors and to members of the Press at her Indian Museum in her own palatial home, 1008 Sunset Drive—an experience so unusual in viewing these precious relics, personal heritage, many of them; and others gathered so painstakingly and lovingly by their National president; that those privileged to be her guests will never forget the intimate glimpse they had of her and hers.

At 5:45 a gaily broke forth in the Mayo hotel in greetings and meetings, that had not come before, among acquaintances when an informal Reception was staged in the lobby of the hotel. Gala atmosphere prevailed from that moment, for at 6:30 came the magnificent spectacle of evening gowns of beautiful women at the Tulsa Night Dinner, held in the sparkling Crystal Ballroom, on the sixteenth floor of the hotel, honoring Mrs. Lawson, the Executive Committee, and the Board of the Directors of the General Federation, the Oklahoma State Board, and past presidents of the Oklahoma State Federation. Other clubwomen had the privilege of purchasing tickets for the banquet, which they did eagerly.

At 8:15 p. m. there was the formal opening of the Council at the splendid Akdar Theatre.

Presiding at the Tulsa Night Dinner were Mrs. J. Warren Burgess, chairman of the Tulsa Council Board, and Judge Grace Elmore Gibson. The entertainment was most evidently in compliment of Mrs. Lawson, with Indian Songs, in costume, being chief of the musical program which featured it.

The Opening of the Council at the Akdar Theatre, at which Mrs. Burgess and Mrs. Lawson presided, was the occasion of Greetings in welcome

to Tulsa and of further festive program in music. Dr. T. A. Penny, Mayor of Tulsa; and for Oklahoma clubwomen, Mrs. William Merton Vandivort, president of the Oklahoma Federation of Women's Clubs; and Mrs. John B. Doolin, director for Oklahoma in the General Federation, gave the Greetings, to which Mrs. Lawson, the president, replied. Music began with "My Oklahoma," sung by Mrs. Charles Bush, of Tulsa, accompanied by the Hyeckha Civic Chorus and other City Chorus, including the Tulsa WPA Symphony Orchestra. A group of songs was rendered by the Public Service Male Chorus; and Indian Suite for Violin and Piano, including such selections as "Peace Pipe," "Parting," "Warriors," "Laughing Waters," and "Sand Dance," with the composer, Lemuel Childers, of Tulsa, at the piano—these being composed in Mrs. Lawson's honor.

Aside from these Greetings of the Council session, it is of interest to quote the following Greetings, appearing in the Editorial Column of a Tulsa newspaper on Monday, the 26th:

Tulsa, Oklahoma, Monday, April 26, 1937  
*But there's wisdom in women, of more than they have known.—Brooks.*

**TULSA WELCOMES THE FEDERATION**

Tulsa is host today and all week to several thousand women, members of the Federated Clubs of America. And Tulsa is particularly happy and proud in welcoming to the home town of their national president, Tulsa joins Mrs. Roberta Lawson in her welcome, and trusts the convention which brings them here from all corners of the country will prove both profitable and pleasant.

The Federated Women's Clubs of America have been a powerful force for good in this country. Long before women had the ballot with which to make known their beliefs and convictions, they were making their wants felt through clubs.

The American woman is probably the "clubbiest" creature in the world. She loves to convene. But her convening takes on a very different form than her brother clubbers'. Women are serious in their convention deliberations. Almost too serious. They are not only businesslike but they mean business.

Women's clubs provided the first and most of the sentiment for legislation for protection of women and children. They built up sentiment until men in legislatures had to listen. These things may have been but by-products of a general program of self-culture. But true culture flowers in these acts for others.

Tuesday, the 27th, opened the serious business of Council sessions. At 7:30 o'clock, there was Breakfast for the Junior Clubwomen in the Art Moderne at the Tulsa Hotel—a pleasurable get-together and acquaintance meeting. Mrs. Frank Little, Oklahoma chairman of Junior Membership, gave the address of Welcome, to which Mrs. Elbert W. Shirk, chairman of Junior Membership in the General Federation, gave Response. At 8 o'clock, Club Institutes were held by Mrs. Hampton Fleming, chairman, in the Junior Ballroom of the Mayo Hotel. At 9 o'clock the Akdar Theatre was thronged with clubwomen eager to hear of serious matters and of the year's achievements. Mrs. Lawson opened the meeting, then was assisted in presiding by Mrs. Saldie Orr Dunbar and Mrs. Walter W. Seymour, first and second vice-presidents of the General Federation. In the Pledge to the Flag, a Tulsa Girl Scout led the ceremony.

In the opening entitled "Stand Up and Sing," led by Mrs. William J. Pigott, chairman of the division of Music, a delightful tribute was the song in which all joined, composed in honor of Mrs. Lawson, "Oklahoma, A Toast." The words, covering so many pleasing mental pictures that it would seem impossible, almost, to express them in such a few words, follow:

"I give you a land of sun and flowers  
and summer, the whole year long;  
I give you a land, where the golden hours roll by to the mocking bird's song;  
Where the cotton blooms 'neath the southern sun; Where the vintage hangs thick on the vine;  
A land where story is just begun, this wonderful land of mine.

**CHORUS**  
Oklahoma! Oklahoma! fairest daughter of the West,  
Oklahoma! Oklahoma! 'tis the land I love the best.  
We have often sung her praises, but we have not told the half;  
So, I give you 'Oklahoma'; 'tis a toast we all can quaff."

Following the pledge to the flag, prayer was offered by Dr. Winnie M. Sanger, of Oklahoma City.

Council committee reports then opened the business reports: Credentials, Council Program, Local Council Board, Rules and Procedure, and Transportation. Reports of officers followed, and of the chairman of the Budget.

(Account will be continued next week—Editor.)

### Flower Show

The Auburndale Garden Club will present a Flower Show at the Auburndale Club House on Thursday, June 3rd, from 2 p. m. to 9 p. m., and on Friday, June 4th, from 11 a. m. to 9 p. m.

Following is the schedule of classes: Class I. Section of a Garden, 9 feet by 6 feet, with Bird Bath. Chairman, Mrs. Frederick Blanche, Telephone West Newton 3238-M. To be judged for harmony, design, and horticultural material named.

Class II. Arrangement in Japanese

manner. Chairman, Mrs. B. W. Pepper, Telephone, West Newton 3291. To be judged for distinction of composition.

Class III. Arrangement of Flowers, Vegetables, or Fruit, on Terrace Table. Limited to five entries. Chairman, Miss Anne Bunker, Telephone, West Newton 3112. To be judged for design, color harmony, and suitability.

Class IV. Spring Flowers from exhibitor's garden, five to thirteen blooms in suitable container. Not open to prize winners of previous Shows, and to be judged for quality, color, and size, according to variety of horticultural material. Chairman, Mrs. Edwin Nash, Telephone, West Newton 2208-M.

Class V. Iris from exhibitor's garden, in any container. Chairman, Mrs. Victor Morgan, Telephone West Newton 2962-W. Judging points same as for class IV.

Class VI. Pair of Vases in which Flowers, Foliage, or Branches may be used. Chairman, Mrs. Everett Potter, Telephone, West Newton 2885. To be judged for design, color harmony, and relation to container.

Class VII. Flowers shading from pink to red, in any container. Varieties of one kind or several different kinds allowed. Chairman, Mrs. Arthur L. Shaw, Telephone, West Newton 3176. To be judged for design, and relation to container.

Class VIII. White Flowers, in either black or white containers. To be judged for distinction. Chairman, Mrs. George Felton, Telephone, West Newton 2890.

Class IX. Arrangement of Foliage, Flowering Shrubs, Evergreens, or Branches, in any container. At least three feet but not to exceed four feet in height. Limited to six entries. To be judged for design, relation to container, and excellence of material. Chairman, Mrs. Austin Fisher, Telephone, West Newton 2673-W.

Class X. For Auburndale School Children: A. five to ten years of age, and B. ten to fourteen years of age. Chairman, Miss Maye Crawshaw, Telephone, West Newton 0516-W, and Mrs. Elbridge Minard, West Newton 1061-W. This class will be judged for charm.

Any resident of Auburndale may enter in any or all classes, but is limited to one exhibit in each class. Classes I, II, VI, and VII are open to all Newton and Wellesley Garden Club members. All exhibits must be in place by 10 a. m. on Thursday, June 3rd, and may not be removed until 9 p. m. on Friday, June 4th and all exhibitors must keep their entries in perfect condition until the Show ends. Membership cards will admit all members of the Auburndale Garden Club and of the Auburndale Woman's Club; with general admission at 25 cents, and children at 10 cents.

Mrs. John Brown, Jr. is General chairman of the Flower Show committee; Mrs. Arthur L. Shaw, secretary; and Miss Anne Bunker, treasurer. Those in charge of the staging are Mrs. Charles Grover, Mrs. Ralph Keyes, Mrs. Hervey Law, Miss Agnes Strang, and Mr. Edward Carleton Hammond. Mrs. Edgar A. Butts and Mrs. Lawrence L. Fidalgo are in charge of Publicity, and Mrs. Henry Keever of Hospitality. Mrs. James Dunlop, the new president of the Auburndale Woman's Club, and Mrs. Edward Gray, the past president, have charge of entries.

### Mothercraft To Have Play Day

One of the delightful early summer affairs that has become an annual event is the Mothercraft Club Play Day at the Dickinson-Baggs Tavern in Amherst, the ancient hostelry belonging to Mrs. May Blissy Dickinson Kimball. This will take place on Wednesday, June 2nd, beginning at noon with a Reception under the direction of Mrs. Charles R. Storey and Mrs. Edmund W. Elwell, followed by a Luncheon at the Second Congregational Church, opposite the Tavern.

Newton clubwomen who have attended this pleasurable annual event in the past will be glad to motor to Amherst this year.

At 2 o'clock there will be a Garden party on the greensward of the Mothers' Memory Garden, with dancing by a group of Amherst girls. Mrs. John H. Kimball, the State president, and Mrs. Leon Perry, of Springfield (Ernestine Perry), will serve as auctioneers for a Dutch Auction on the tavern green. The summer house will be a "Mecca of Mystery" with Marl, Mrs. Edwin L. Pride and Mrs. Ernest R. Brackett will be the hostesses.

Officers of the Mothercraft Club and Amherst clubwomen, headed by their president, Mrs. Charles E. Bennett, will be special hostesses. The garden hostesses will be Mrs. Floyd A. Thompson, custodian of the garden; Mrs. Harry A. Barlow, Mrs. George B. Churchill, Mrs. John F. Dickinson, Mrs. Edward G. Fisher and Mrs. Gerald D. Jones.

The High School Band, conducted by Marc Tarlow, will furnish music. Mrs. William J. McDonald, 91 Bay State road, Boston, is arranging for transportation and those who have spare seats in their cars are asked to notify her.

Mothercraft headquarters for the summer will be at the Dickinson-Baggs Tavern, Amherst. All communications should be addressed there from now on.

### Officers Elected and Other Club News

Newton Highlands Junior Club

The Newton Highlands Junior Woman's Club marked the close of a most successful year at their Annual Meeting held Monday evening, May 10th. (Continued on Page 8)

## Annual Meeting of N'ville Improvement Assn.

The annual meeting of the Newtonville Improvement Association was held on Thursday evening, May 20th, at the Central Congregational Church, Newtonville. A good-sized representation of members and guests were present.

After the reports by the officers were made (including a report by President Slocum on the year's work of the association, Mr. C. Raymond Cabot reported on the progress of the Newtonville Branch Library Project. Over twenty-six thousand dollars has been raised in less than a year and the campaign committee is going ahead vigorously to finish the remaining balance. As a tribute to Mr. John R. Prescott, one of the charter members of the association in 1904, and through the proceeds of his book, "The Story of Newton" the largest single contributor to the Library Fund, presentation of two solid silver bowls was made to his daughters, Miss Marion Prescott and Miss Helen Prescott, who have helped him greatly in his work for the library.

The speaker of the evening was Mr. Lawrence D. Fletcher, Executive Secretary of the Trustees of Public Reservations, who gave an interesting talk, illustrated by lantern slides and by colored motion pictures, on "How the Scenic and Historic Places of Massachusetts are being Preserved."

The meeting was in charge of Mr. Donald M. Hill. Officers and Executive Committee for 1937-1938 were elected as follows: Officers: President, Charles P. Slocum, 15 Trowbridge avenue; vice-presidents, Donald M. Hill, Charles Raymond Cabot, Eugene Howell; secretary, Fred C. Alexander; treasurer, William E. Leonard; auditor, Norman H. S. Vincent. Executive committee: The Officers and J. Mervin Allen, Charles B. Reed, Harry D. Cabot, Rodney C. Eaton, Paul E. Ellicker, Raymond D. Hunting, James C. Irwin, James H. Lewis, W. Clarence Logge, Charles R. Lynde, Horace W. Orr, John R. Prescott, Arthur D. Quimby, Carl F. Schipper, Jr., George W. Taylor, John S. Whittemore.

After the meeting refreshments were served in the dining room of the church.

## DESSERT BRIDGE

A most delightful dessert bridge was held last Wednesday afternoon of the Mother's Auxiliary of the 6th Norumbega Group of Boy Scouts at the troop building, on Court st., Newtonville. The bridge party which is an annual affair is one of the outstanding social events of the Group.

The auxiliary has had a most successful year with many interesting guest speakers.

## OH! DADDY!..

"It's so hot up in my room that I can't sleep! Won't you have our house insulated, same as Betty's father did? She says her room is just as cool now as downstairs—all summer long. It's warmer in winter, too, it saves a lot of fuel and it doesn't cost much, either."

Well, "Daddy!" call me up or drop me a line and I will tell you all about the latest and best insulating material—United States Gypsum Rock Wool.

It does all that "Betty" says—and much more! It won't cost you anything to learn about this modern comfort and economy.

## Newton Centre Business

## Men Hold Annual Meeting

The annual meeting of the Newton Centre Business Men's Association was held in the Unitarian Parish House on Monday, May 24th. This association, which is one of the largest and most enthusiastic organizations of its kind in the city, started its sixth year with a dinner attended by sixty members and guests. Between courses community singing was led by Whistling Will Skelton, and some delightful solo numbers were contributed by Eddy Alexander.

Preceding the business meeting, Secretary Rupert Thompson of the Newton Chamber of Commerce told the members about present legislation and tendencies as to minimum wages and maximum hours of work, and at the close of his talk answered several questions put from the floor.

The association decided to recommend to its members to close their places of business at noon on Wednesdays beginning July 14th.

The following officers were elected for the coming year: President, Dr. Thomas F. Dowd; Vice-President, Aubrey C. Schurman; Treasurer, Lucius Chandler; Secretary, Norman A. Hall.

Dr. Dowd, who has been actively interested in the association since its formation spoke of several objectives for the next year.

Commonwealth of Massachusetts  
Middlesex, ss. Probate Court  
To all persons interested in the estate of Janet L. Copeland

late of Newton in said County, deceased. A petition has been presented to said Court, praying that Ruth E. Copeland of Newton in said County, be appointed administratrix of said estate, without giving a surety on her bond.

If you desire to object thereto you or your attorney should file a written appearance in said Court at Cambridge before ten o'clock in the forenoon on the twenty-first day of June, 1937, the return day of this citation.

Witness, John C. Leggat, Esquire, First Judge of said Court, this twenty-fifth day of May in the year one thousand nine hundred and thirty-seven.

LORING P. JORDAN, Register.<

### Girl On Bicycle Collides With Car

Joan Wade, 10, of 19 Walsingham rd., Newton Lower Falls, had her collarbone fractured on Tuesday when the bicycle she was riding collided with a car driven by Everett Thornton of 32 Holman rd., Auburndale. The accident occurred on Washington st. near the hospital. Thornton reported that the girl suddenly mounted her bicycle and rode into the path of the car. He applied the brakes but could not stop in time.

### Newtonville Mill Workers on Strike

(Continued from Page 1)

difficult. Tuesday evening about 5 o'clock, Philip Rubenstein, treasurer of the mill, addressed the strikers who were assembled in front of the mill. He urged them not to allow outside organizers to disrupt the good relations which have prevailed between the mill owners and employees for 19 years. He said that if they return to work a satisfactory adjustment of the grievances will be made. The strikers refused to return unless they receive a written agreement from the mill owners and recognition of their union.

### Karalekas Again Breaks Sunday Law

William Karalekas who conducts a fruit store at 1365 Centre st., Newton Centre, was arraigned in the Newton court last Thursday charged with selling fruit on Sunday in violation of the law. Special Officer Hammell testified he had seen the defendant

sell a box of strawberries to a woman on Sunday. Karalekas told Judge Allen he plans to sell his store. The judge commented that Karalekas had been convicted twice within the past couple of years for violating the Sunday law. He continued the case until May 27 and said that if Karalekas had sold the business by that time, he would impose a small fine. Otherwise, Judge Allen said, he would take different action, as he intends to stop Karalekas from repeatedly violating the law.

### Footway To School From Parker St.

For the past couple of months residents of Parker st. and vicinity have been demanding that a new street be constructed from Parker st. to the new Oak Hill school so that pupils in that neighborhood will not be compelled to take a circuitous route in winter and spring seasons. As a street would cost about \$100,000, it is probable that Mayor Childs at this time will recommend a compromise the construction of a drain across the meadow land toward the school, and that the fill over this drain will provide a lane which can be used by the pupils.

## THE WEEK IN NEWTON SPORTS

By JACK MORRIS

### Tennis

Newton High retained its state interscholastic tennis title last Saturday, with Don Manchester and Les Lowery going up to the semi-finals. Manchester was defeated Tuesday in the final at Brae Burn 7-5, 7-5, 6-2, by Bill Power of Worcester North, the defending champion.

Captain Walter Taylor, of the Newton contingent, who had foreseen a victory for Worcester North, must have been gratified to see five of his six entries among the eight quarter-finalists. In the quarter-final round, played Saturday afternoon at Newton High, fifth-seeded Don Manchester put out his teammate, second-seeded Al Everts, for the only real upset of the tournament, winning 6-3, 6-1. At the quarter-finals, Newton had amassed 21 1/2 points to 9 1/2 for Haverhill, the next team.

Les Lowery, Newton's regular No. 5 player, played in the preliminary round and won his way right through to the semi-final, where he met and lost to straight-shooter Bill Power by 6-3, 6-1. He won from Pollard of Needham, Weinberg of Brockton, Sexton and Bugbee, both of Winchester, and McSweeney of Brockton. Bugbee had been seeded fifth.

Don Manchester lost only six games in the first three rounds, winning at a 6-1 pace all the way, then defeated Everts in the fourth round. He played Don Stearns of Wellesley, another surprise semifinalist 7-5, 6-1 on Tuesday, before succumbing to Power's canny game in the final. Power played a heady match against Manchester, first hammering Don's uncertain backhand, then changing to a barrage of lobs, leading the Newton challenger into numerous errors in his overhead game.

Al Everts had not lost a singles match all season in competition, but had no alibi for his defeat by his teammate Saturday. He won easy victories in the opening rounds, advanced on a default in the third, and went out in a somewhat listless quarter-final. Captain Clayton Mosher was in the quarter-finals, where he was vanquished in three sets by the 115-lb. Don Stearns of Wellesley, the real upstart of the day's play, who had earlier defeated the third-seeded Paul Kearney of Worcester North 6-0, 6-5. Mosher had beaten Worthen of Winchester, Knight of Medford and Mason of Brookline. Art Pearson, Newton's No. 3, was unbeatable until he met the lithe Power in the quarter-final and lost 6-2, 6-3. He started off with a straight-set win over Brookline's Capt. Joe Strock, seeded seven, then beat Morey of Haverhill and Horne of Melrose, the latter in the third round by the score of 6-4, 6-5, 6-5. Lyman Robinson did a good job as Newton's No. 6 man, beating King of Boston Latin in the first round and disposing of the fourth-seeded Arthur Cote of Haverhill in the second, after which he was in turn put out by Brockton's McSweeney.

Nate Heard, Newton High's premier shot and discus artist last year, is working with the same implements at Harvard. Competing for the freshman against Yale last Saturday, Nate won the discus with a fine throw of 130 ft. 5 1/2 in., which would have won third place in the varsity meet that day. He also put the man-size shot 43 ft. 8 1/2 in. for second place in that event. In the varsity meet, Palmer York of Newton's 1933 team tied for third in a very fast low hurdles final. In another performance of local interest, Bill Bassett of West Newton ran the two-mile in 9 min. 37.3 sec. for Cornell as they were beating Princeton 68-67.

### TWILIGHT LEAGUE SEASON TO OPEN

The Newton Twilight League will operate its two sections this season with six teams in each group. One group will be known as the American League and the other as the National League. The American section will have as members:

Auburndale—Y. M. C. A., Newton A. A., Newton Cubs, Cabot A. A., Royals.

The National section will be composed of: West Newton Giants, Y. M. A. C. (Upper Falls), Waban A. C., Nonantum B. C., Centre A. C., Corpus Christi.

Each group will have its own play-off at the close of the season and there will be no inter-league competition or play-off under league auspices. The rules of 1936 were adopted and will govern both groups. The two groups appear to be about equal in strength with a little better balance in the American group off-set by the veteran Giants and Y. M. C. A. The final organization meeting will be held Tuesday, June 1, at the Newton Centre Recreation Building at 8:30 p. m. Entrance fees of \$5.00 must be paid at that time.

The schedule for the first week is as follows:

#### American League

Tuesday—Y. M. C. A. vs Newton A. A. at Cabot Park.

Wednesday—Newton Cubs vs Auburndale at West Newton.

Royals vs Y. M. C. A. at Cabot Park.

Thursday—Auburndale vs Royals at Auburndale.

Cabot A. A. vs Newton Cubs at Cabot Park.

Friday—Newton A. A. vs Cabot A. A. at Victory.

#### National League

Tuesday—Waban A. C. vs Centre A. C. at Cold Spring.

Wednesday—Nonantum B. C. vs W. N. Giants at Victory.

Corpus Christi vs Y. M. A. C. at Auburndale.

Thursday—W. N. Giants vs Waban A. C. at West Newton.

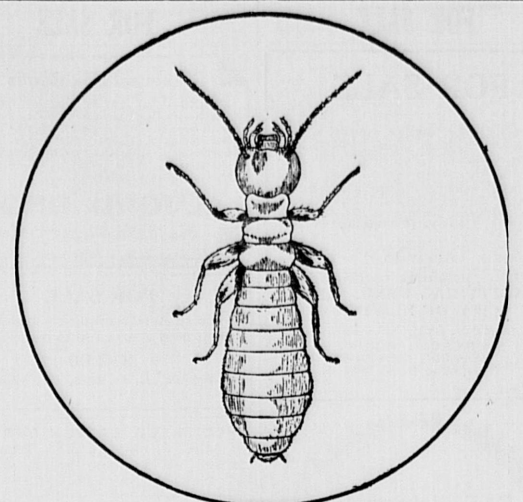

Friday—Y. M. A. C. vs Nonantum B. C. at Upper Falls.

Centre A. C. vs Corpus Christi at Highlands.

### Track

Newton High brought home an unexpected tie for first place in Class B of the Harvard Interscholastics last Saturday, splitting the top honors with Boston English and Roxbury Memorial at 13 points. Don MacKinnon brought back the hurdles championship won last year by Warren Witten, clipping the 120-yard lows in 14.4 seconds, usurping the reign of Eddie Dugger of Medford, who passed up the hurdles and won the furlong sprint.

Other point-winners for Newton were Bob Muther, Joe Gallant and Mark Messier. Muther won the second heat of the quarter-mile in 53 sec., beating James Watson of Brockton and John Ballantine of English, and was placed in a tie for fourth with Wilk of Wor. Commerce. Joe Gallant ran fourth in the first half-mile heat, won by Fletcher of Hope Street High in 2 min. 2 sec., record time, and this heat won all the points. Basil Babcock ran second in the other heat, but it was just enough slower to leave him out of the points. Mark Messier jumped into a three-way tie in the high jump at 5 ft. 8 in. to give Newton its other score. Ryan of English won the event at 6 ft. even.

### Protest Against Turnpike Hazards

(Continued from page 1)

ated that he favors the closing of all such intervening crossings as that at Woodcliff rd. and compel cross traffic to go to Parker st. and use the overpass. He predicted that in the future on such superhighways as the turnpike, crossings will be a mile apart.

Street Commissioner Mahoney suggested that large signs with the words "Street Patrolled," be located on the turnpike, and these will slow down speeders. In reply to a contention that the sodium gas electric lights on that section of the pike may have contributed to accidents, Mr. Mahoney suggested that these lights be extended along the pike. Alderman Temperley suggested that traffic signals be located at Walnut st. as additional deterrents against excessive speed. It was suggested that inasmuch as the turnpike is a principal State highway, that State policemen be assigned to patrol that section of the pike in Newton. Alderman McKay remarked that Chief Hughes had asked this year for eight motorcycles and 15 additional men, but the Mayor had only provided for four motorcycles and 6 more policemen. Alderman Floyd told those present that they can co-operate in lessening automobile accidents by refraining from having traffic violations fixed. Floyd said he has become tired of having people telephone him asking his aid in "fixing" cases. He said we should support the police in enforcing the law.

General Daniel Needham, chairman of the Newton Chapter of the Mass. Safety Council states that a traffic survey is now being made in this city under the direction of Colonel Moorhead, supervisor of the WPA Highway Safety Project, and that the Woodcliff rd. problem will receive special attention. This matter will be discussed at the meeting of Newton Chapter on June 3.

### Mothers' Rest Home Will Open on June 8

The Newton Mother's Rest Home at Oak Hill will be opened for the 1937 season with a salad luncheon and bridge party on Tuesday, June 8th at one o'clock. Mrs. Ellis Spear, Jr., chairman of the finance committee is in charge, assisting her are Mrs. Frank N. Nathan, for the luncheon, Mrs. Hoyt Weston, president of the Mother's Rest Club has charge of the tickets, Mrs. Roy Argersinger, the prizes; Mrs. Vincent T. Maloney, tables; Miss Elizabeth Bartlett, candy. Mrs. Douglas Francis, president of the Junior Mother's Rest Club and

members of this very active club will assist.

The officers of the Mother's Rest Association are: president, Mrs. Harold Keller; 1st vice-president, Mrs. Frank N. Nathan; 2nd vice president, Mrs. Roy Argersinger; secretary, Mrs. Alexander Standish; treasurer, Mrs. Ernest V. Alley; auditor, Mrs. Fred D. Bond.

### Patrolman Uses Sixth Sense

Patrolman John Green doesn't profess to be psychic, but, he displayed intuition, immediate cognition — or something on Tuesday morning when he stopped Patrick Cody, 31, of Cutter st., Waltham, on Lincoln st., Newton Highlands, about 1 o'clock. Green questioned the man and then searched him. In a pocket of Cody's trousers, Green found a \$5 roll of dimes. Cody admitted that he had reached in a pantry window at the home of Dennis Flanagan, 95 Hyde st., and taken the money. Cody was arraigned in the Newton court on Tuesday and held for the grand jury.

# LOWEST PRICE EVER ELECTRIC RANGES!

ON  
Hotpoint  
"DORIAN"

Liberal terms to Edison Service Customers.  
**NO DOWN PAYMENT**  
**LESS THAN 9¢ A DAY**  
(Payable Monthly)  
Up to 3 years to pay. Small carrying charge for terms.

You don't need to deny yourself a modern electric range another day with a wonderful bargain like this. You actually pay less than 9 cents a day!

Nearly two million women who cook electrically can tell you all the marvels of electric cooking. It's clean and fast as electric light itself. Your pots and pans never blacken, your kitchen walls and curtains remain spotless.

Without obligation, come in and see this beautiful Hotpoint electric range for yourself. See how the tightly-sealed oven keeps in all the luscious flavor and healthful juices—never dries out or parches food. Let us prove how much cooler the thick oven insulation keeps the kitchen.

Don't delay! Now is the time to order before the limited quantity on hand is gone.

**8 OUTSTANDING ADVANTAGES**

- 4 latest type Calrod Hi-Speed cooking units, including giant unit for extra speed.
- Over-sized oven 16" wide, 18" deep and 17" high.
- Accurate heat regulator with guesswork and cooking failures.
- One-piece cooking top—no hard-to-clean cracks or seams.
- Heavy long-service finish inside and out means easy cleaning and the cooking top is acid-resistant.
- Convenient outlet is handy for plugging in percolator, toaster, iron, mixer.
- Up-to-date, modern design with convenient fast top provides handy working surface with units on each side.
- Finished in gleaming white.
